REQUEST FOR INFORMATION

SUBJECT: Request for Information (RFI) CQM/QA Support Navy Medical Research Command (NMRC) Biological Defense Research Directorate Building 8400 Envelope Renew and Repair, Ft. Detrick, MD.

The purpose of this RFI is to perform market research to identify 8(a) Alaskan Native Corporations (ANC), Indian tribes, or Native Hawaiian Organizations that have technical capabilities and expertise to provide services to successfully conduct service support assistance for the CQM/QA Support Navy Medical Research Command (NMRC) Biological Defense Research Directorate Building 8400 Envelope Renew and Repair, Ft. Detrick, MD. The CQM/QA Support Navy Medical Research Command (NMRC) Biological Defense Research Directorate Building 8400 Envelope Renew and Repair, Ft. Detrick, MD requires contract support to meet its mission and provide life-cycle project oversight in all phases of the Facility Life Cycle Management (FLCM) activities to include planning, design, construction, initial outfitting, transition, acceptance, closeout and sustainment. The intent of this contract is to provide efficient and effective contractor support to the CQM/QA Support Navy Medical Research Command (NMRC) Biological Defense Research Directorate Building 8400 Envelope Renew and Repair, Ft. Detrick, MD with technical resources to support the medical facility requirements for the MTFs to optimize, operate and maintain the facilities for readiness and clinical requirements as directed by Congress. This enables CQM/QA Support Navy Medical Research Command (NMRC) Biological Defense Research Directorate Building 8400 Envelope Renew and Repair, Ft. Detrick, MD to perform the duties assigned by the Assistant Office of the Secretary of Defense. This contract will support the DHA-FE Project Support with resources to provide program, project, and technical support in the areas of Interior Design, Equipment, Communications, and Transition. The intent is to provide efficient and effective planning, programming, design and execution of O&M-funded and Military Construction-funded programs and supporting the Department of Defense (DoD) medical wartime and peacetime.

The market research uncovered by this SOURCES SOUGHT ANNOUNCEMENT will be used for information only for preliminary planning purposes on an upcoming solicitation(s). No proposals are being requested or accepted at this time, NO CONTRACT SHALL BE AWARDED AT THIS TIME, and no reimbursement will be made (for any costs associated with providing information) in response to this synopsis or any follow up information requests. Interested vendors may provide the following information to support the Government's market research:

1. Name of your company:

2. Business Address:

3. Commercial and Government Entity (CAGE) Code:

4. Unique Entity Identifier (UEI):

5. Contact information (i.e. phone number and email address) of someone in your company who can respond to questions about your response:

6. Company's certification as a small business, 8(a) small business, and status as an ANC, Indian tribe, or Native Hawaiian Organization.

7. The NAICS codes you sell the product/service under.

8. Describe your capabilities, experience, and expertise in facility management, CQM/QA Support Navy Medical Research Command (NMRC) Biological Defense Research Directorate Building 8400 Envelope Renew and Repair, Ft. Detrick, MD.

    a. Experience in programming, planning, operational and project development support with PSS (Project Support Services)
    b. Experience in providing life-cycle project oversight in design, construction, initial outfitting, transition, and sustainment of medical facility requirements with PSS.
    c. Experience in tracking critical information, organizing materials, information briefings/papers, facilitating workflow, organizing/leading meetings, and advising the DHA FE leadership on the status of CONUS/OCONUS sites with PSS.

9. Describe your capabilities and expertise with contracts of this nature. What was the specific scope and contract type. Were you the sole vendor or one of several (i.e. SATOC, MATOC, Stand Alone Contract or task order against a strategic vehicle).

FAR 52.215-3 Request for Information or Solicitation for Planning Purposes

As prescribed in 15.209(c), insert the following provision:

Request for Information or Solicitation for Planning Purposes (Oct 1997)

(a) The Government does not intend to award a contract on the basis of this solicitation or to otherwise pay for the information solicited except as an allowable cost under other contracts as provided in subsection 31.205-18, Bid and proposal costs, of the Federal Acquisition Regulation.

(b) Although "proposal" and "offeror" are used in this Request for Information, your response will be treated as information only. It shall not be used as a proposal.

(c) This solicitation is issued for the purpose of market Research.
