Small Businesses and DVBEs can access the numerous benefits that come along with certification in a more timely and efficient manner.

4. Replacement of Disabled Veteran Business Enterprise Subcontractors

If for this Agreement, the Contractor made a commitment to achieve Disabled Veteran Business Enterprise (DVBE) participation, then the Contractor must within 60 days of receiving final payment under this Agreement (or within such other time period as may be specified elsewhere in this Agreement) certify in a report to the awarding department: (1) the total amount the prime Contractor received under the Agreement; (2) the name and address of the DVBE(s) that participated in the performance of the Agreement; (3) the amount each DVBE received from the prime Contractor; (4) that all payments under the Agreement have been made to the DVBE(s), and (5) the actual percentage of DVBE participation that was achieved. A person or entity that knowingly provides false information shall be subject to a civil penalty for each violation (Military & Veterans Code section 999.5(d)).

The Contractor understands and agrees that should award of this Agreement be based in part on their commitment to use the DVBE subcontractor(s) identified in their bid or offer, per Military and Veterans Code section 999.5(e), a DVBE subcontractor may only be replaced by another DVBE subcontractor and must be approved by the Department of General Services (DGS).

Changes to the scope of work that impact the DVBE subcontractor(s) identified in the bid or offer and approved DVBE substitutions will be documented by contract amendment.

Failure of the Contractor to seek substitution and adhere to the DVBE participation level identified in the bid or offer may be cause for contract termination, recovery of damages under rights and remedies due to the State and penalties as outlined in Military and Veterans Code section 999.9, Public Contract Code (P.C.C.) section 10115.10 or P.C.C. § 4110 (applies to public works only).

5. **Award of the Agreement**

- a. Award will be made to the lowest responsible bidder meeting specifications and offering to supply the services described. The firm submitting the lowest responsible bid may be required to submit evidence that they have available, as needed, sufficient resources to provide the necessary equipment and personnel to enable them to meet the requirements of the Contract, and may also be required to furnish information as to their financial responsibility.
- b. It is understood and agreed that following the award of the Contract, the successful bidder shall agree to comply with all Exhibits attached herein, and provide the required documents requested (i.e., bonds, insurance certificates, etc.) in order for the EDD to complete the execution of a Standard Agreement (STD. 213).

c. **Small Business/Microbusiness (SB/MB) and Small Business/Nonprofit Veteran Service Agency (SB/NVSA) Certification Preferences**

A SB/MB and SB/NVSA Certification Preferences are applicable to the award of this Contract.

(1) Certified SB/MB and SB/NVSAs may claim preference when submitting a bid on this Contract. The preference is equal to five percent (5%) of the lowest responsible bid. When the lowest responsible bid is not submitted by a certified small business, the preference becomes applicable. Please note that the preference is used for computation purposes only (to a maximum amount of \$50,000) in determining the successful bidder. It does not alter the amount of the resulting contract.

(2) To learn more about the SB/MB and SB/NVSA Preference Programs and how your business might qualify, contact the Office of Small Business and DVBE Services at (916) 375-4940.

d. **California Certified Small Business Subcontractor Preference**

A five percent (5%) bid preference is available to a non-small business claiming twenty-five percent (25%) California certified small business subcontractor participation. If claiming the non-small business subcontractor preference, the bid response must include a list of the small business(es) with which you commit to subcontract in an amount of at least twenty-five percent (25%) of the net bid price with one or more California certified small businesses. Each listed certified small business must perform a "commercially useful function" in the performance of the contract as defined in Government Code section 14837(d)(4).

The required list of California certified small business subcontractors must be attached to the bid response and must include the following: 1) subcontractor name; 2) address; 3) phone number; 4) a description of the work to be performed and/or products supplied; 5) and the dollar amount or percentage of the net bid price (as specified in the solicitation) per subcontractor.

Bidders claiming the five percent (5%) preference must commit to subcontract at least twenty-five percent (25%) of the net bid price with one or more California certified small businesses. Completed certification applications and required support documents must be submitted to the Office of Small Business and DVBE Services no later than 5:00 p.m. on the bid due date, and the Office of Small Business and DVBE Services must be able to approve the application as submitted. Questions regarding certification should be directed to the Office of Small Business and DVBE Services at (916) 375-4940.

e. DVBE Bid Incentive

In accordance with Section 999.5(a) of the Military and Veterans Code, an incentive will be given to bidders who provide DVBE participation. For evaluation purposes only, the EDD shall apply an incentive to bids that propose California certified DVBE participation as identified on the Bidder Declaration DGS PD-05-105, (located elsewhere within the solicitation document) and confirmed by the EDD. The incentive amount for awards based on low price will vary in conjunction with the percentage of DVBE participation. The following percentages will apply for awards based on low price.

Confirmed DVBE Participation of:	DVBE Incentive:
5% or Over	5%
4% to 4.99% inclusive	4%
3% to 3.99% inclusive	3%
2% to 2.99% inclusive	2%
1% to 1.99% inclusive	1%

As applicable:

- (1) Awards based on low price - the net bid price of responsive bids will be reduced (for evaluation purposes only) by the amount of DVBE incentive as applied to the lowest responsive net bid price. If the #1 ranked responsive, responsible bid is a California certified small business, the only bidders eligible for the incentive will be California certified small businesses. The incentive adjustment for awards based on low price cannot exceed 5% or \$100,000, whichever is less, of the #1 ranked net bid price. When used in combination with a preference adjustment, the cumulative adjustment amount cannot exceed \$100,000.
- (2) Awards based on highest score - the solicitation shall include an individual requirement that identifies incentive points for DVBE participation.

6. Rejection of Bids

- a. If the bid is received after **3:00 p.m. (PT)** on the due date of **June 30, 2026** as stipulated in the bid package, the bid shall be rejected and returned to sender.
- b. If it is found that a bidder is not responsible (i.e., has not paid taxes; has submitted a bid when the bidder's license is suspended on the date of the bid opening and/or award of the Contract, or during the proposed term of the Agreement; submitted a bid without an authorized signature; falsified any information in the proposal package or has provided poor performance on a previous contract with the EDD, etc.), the bid/proposal shall be rejected.

- c. If it is found, upon license verification with the Contractor's State Licensing Board, that a bidder's license is suspended on the date of the bid opening and/or award of the Contract, or during the proposed term of the Agreement, the proposal shall be considered nonresponsive and shall be rejected.
- d. The EDD reserves the right to reject any and all bids and to waive any immaterial deviation or defect in the bid. The EDD's waiver of any immaterial deviation or defect shall in no way modify the bid document or excuse the bidder from full compliance with the solicitation document specifications if awarded a Contract.

7. **Tie Bids**

In the event of a tie between two bidders, a coin toss will be used to determine the winner. Any coin toss shall be observed by witnesses, and the tied bidders would be invited to have representatives present. Location and time will be announced to all bidders.

8. **Subcontractors**

No subcontracting will be allowed to circumvent competitive bidding. A certified Small Business/Microbusiness, Small Business/Nonprofit Veteran Service Agency or a certified Disabled Veteran Business Enterprise will only be permitted to subcontract in order to meet Department requirements and/or preferences. The subcontracting services and amount shall not exceed 25 percent (25%) of the bid. The Contractor shall be solely responsible for fulfilling the requirements of the bid. If it is anticipated that subcontractors will be used, the bid must include the name(s) of person(s) or firm(s), and must specify the portions and monetary percentages of the work to be done by them.

9. **Subcontractors Substitution**

If EDD gives written approval to subcontract, Public Contract Code section 4107 authorizes an awarding authority to consent to substituting a subcontractor when the subcontractor listed in the bid fails or refuses to execute a written Contract for the Scope of Work specified in the subcontractor's bid, and at the price specified in the subcontractor's bid.

10. **Disposition of Bids**

All material submitted in response to this bid package will become the property of the EDD and will become a public record after Award.

11. **Grounds For Protest**

- a. Those who may protest are as follows:

12. **Protest Exclusions**

- The Contract is considered a public works contract.
- The Contract award is for a type of contract not subject to the protest procedures. This category includes contracts for maintenance, modification, and so forth of real or personal property, including equipment and contracts for professional services under Government Code section 4525.
- The protestant was not the lowest responsible bidder or the highest-scored proposer.
