- a. Verify any, and all claims made by the bidder including, but not limited to verification of prior experience and the possession of other qualification requirements, and
- b. Check any reference identified by a bidder or other resources known by the state to confirm the bidder's business integrity and history of providing effective, efficient and timely services.

11. CHP rights

In addition to the rights discussed elsewhere in this IFB, CHP reserves the following rights.

a. IFB corrections

- 1) CHP reserves the right to do any of the following up to the bid submission deadline:
 - a) Modify any date or deadline appearing in this IFB or the IFB Time Schedule.
 - b) Issue clarification notices, addenda, alternate IFB instructions, forms, etc.
 - c) Waive any IFB requirement or instruction for all bidders if CHP deems said requirement or instruction unnecessary, erroneous or unreasonable.
 - d) Allow bidders to submit questions about any IFB change, correction or addenda. If CHP allows such questions, specific instructions will appear in the cover letter accompanying the document.
- 2) If applicable, CHP will mail, email, or fax written clarification notices or addenda to all persons/firms receiving this IFB.

Exceptions may occur, when CHP decides, just before or on the bid due date, to extend the submission deadline. If this occurs, CHP may notify potential bidders of the extension by fax, email, or by telephone. CHP will follow-up any verbal notice in writing by fax or mail.

b. Collecting information from bidders

- 1) If deemed necessary by CHP, CHP may request a bidder to submit additional documentation following the bid opening and/or evaluation. CHP will advise the bidders orally, via email, or in writing of the documentation that is required and the timeline for submitting the documentation. CHP will follow-up oral instructions in writing by fax, email, or mail. Failure to submit the required documentation by the date and time indicated may cause CHP to deem a bid non-responsive.
- 2) At its sole discretion, CHP reserves the right to collect, by mail, email, fax or other method, the following omitted and/or additional information.
 - a) Signed copies of any form submitted without a signature.
 - b) Data or documentation omitted from any submitted IFB attachment/form.

- c) Information/material needed to clarify or confirm certifications or claims made by a bidder.
- d) Information/material or form(s) needed to correct or remedy an immaterial defect in a bid package.

c. Immaterial bid defects

- 1) CHP may waive any immaterial defect in any bid package and allow the bidder to remedy those defects. CHP reserves the right to use its best judgment to determine what constitutes an immaterial deviation or defect.
- 2) CHP's waiver of an immaterial defect in a bid package shall in no way modify this IFB or excuse a bidder from full compliance with all bid requirements.

d. Correction of clerical or mathematical errors

- 1) At its sole discretion, CHP reserves the right to overlook, correct or require a bidder to remedy any obvious clerical or mathematical errors on a bid form.
- 2) If the correction of an error results in an increase or decrease in the total price, CHP shall give the bidder the option to accept the corrected price or withdraw their bid.
- 3) Bidders may be required to initial corrections to costs and figures on the Bid Form if the correction results in an alteration of the cost(s) offered.
- 4) If a mathematical error occurs in a total or extended price and a unit price is present, CHP will use the unit price to settle the discrepancy.

e. Right to remedy errors

CHP reserves the right to remedy errors caused by:

- 1) CHP office equipment malfunctions or negligence by agency staff.
- 2) Natural disasters (i.e., floods, fires, earthquakes, etc.).

f. No agreement award or IFB cancellation

The issuance of this IFB does not constitute a commitment by CHP to award an agreement. CHP reserves the right to reject all bids and to cancel this IFB if it is in the best interest of CHP to do so.

g. Agreement amendments after award

As provided in the Public Contract Code governing contracts (agreements) awarded by competitive bid, CHP reserves the right to amend the agreement after CHP makes an agreement award.

M. Preference and Incentive Programs

To confirm the identity of the lowest responsive bidder, CHP will adjust the total bid cost for applicable claimed preference(s) and/or incentive(s). CHP will apply preference and/or incentive adjustments to eligible bidders according to state regulations following verification of eligibility with Department of General Services (DGS), Office of Small Business and DVBE Services (OSDS).

1. Small/Micro Business Preference (preference not to exceed \$50,000)

- a. A responsive bidder, certified as a small/micro business in a relevant business category or type, will be granted a preference up to five percent (5%) of the lowest responsive bid. Small business means a responsive/responsible bidder that is certified by the California Department of General Services as a small business or micro business. The "service" category or business type will most likely apply to this procurement. Nonprofit Veteran Service Agencies (NVSA) are to view the instructions in section M of this IFB, entitled "Preference and Incentive Programs," paragraph 4.
- b. In granting small/micro business preference, no bid price will be reduced by more than five percent (5%). The cost adjustment is for computation purposes only and does not alter the actual cost offered by the bidder.
- c. To be certified as a California small/micro business and eligible for a bidding preference the business concerned must meet the state's eligibility requirements and must have submitted an application for small/micro business status no later than 5:00 p.m. on the bid submission deadline.
- d. Firms desiring small/micro business certification must obtain the Small Business Certification Application (i.e., STD 812 or other form) from DGS, OSDS, fully complete the application, and submit it to DGS as instructed in the application. Prospective bidding firms desiring small business certification assistance, may contact the Department of General Services by the following means:
 - 1) (916) 322-5060 (24-hour recording and mail requests), or
 - 2) (916) 375-4940 (Small business assistance) or (800) 559-5529 (live operator-central receptionist), or
 - 3) Internet address: <https://caleprocure.ca.gov/pages/sbdvbe-index.aspx> or
 - 4) Fax: (916) 375-4950, or

5) Email: OSDSHelp@dgs.ca.gov

2. Non-Small Business Subcontractor Preference (preference not to exceed \$50,000)

- a. Non-small business means a responsive/responsible bidder that is not certified by the California Department of General Services as a small business or micro business.
- b. If the tentative low bidder is not a certified DVBE or small/micro business, a bid preference up to five percent (5%) is available to a responsive non-small business claiming twenty-five percent (25%) small business subcontractor participation with one or more small businesses. This preference is authorized pursuant to Title 2, California Code of Regulations Section 1896.6 (b) and Government Code Section 14835.
- c. If a bidder claims the non-small business subcontractor preference, the bid response must identify each proposed small business subcontractor, the participation percentage amount committed to each identified subcontractor, and substantial proof to enable verification of each subcontractor's small business status. The total small business subcontractor participation must equal no less than twenty-five percent (25%) of the total bid price or cost offered.
- d. To be granted preference, each proposed small business subcontractor must possess an active small business or micro business certification issued by the California Department of General Services, must perform a "commercially useful function" under the agreement, and the basic functions to be performed must be identified at the time of bidding.
- e. In granting the non-small business subcontractor preference, no bid price will be reduced by more than five percent (5%). The cost adjustment is for computation purposes only and does not alter the actual cost offered by the bidder.
- f. Complete **Attachment 3 (Non-Small Business Subcontractor Preference Request and Small/Micro Business Subcontractor/Supplier Acknowledgement Form)** to request the non-small business subcontractor preference.
- g. Refer to section L of this IFB, entitled "Bid Requirements and Information," Item 6 (b) to learn how tie bids will be resolved.

3. Disabled Veteran Business Enterprise (DVBE) Incentive

In accordance with Section 999.5(a) of the Military and Veterans Code, an incentive will be given to bidders who provide DVBE participation. For evaluation purposes only, the state shall apply an incentive to bids that propose California certified DVBE participation and confirmed by the state. The incentive amount for awards based on low price will vary in conjunction with the

percentage of DVBE participation. (Refer to **Attachment 4, California DVBE Incentive Program.**)

NOTE: When used in combination with a preference adjustment, the cumulative adjustment amount cannot exceed 10% or \$100,000, whichever is less.

4. Nonprofit Veteran Service Agency (NVSA) Small business Preference (preference not to exceed \$50,000)

- a. Pursuant to Military and Veteran Code Section 999.50 et seq., responsive/responsible nonprofit veteran service agencies (NVSAs) claiming small business/micro business preference and verified as such in the relevant category or business type prior to the bid submission due date will be granted a preference up to five percent (5%) of the lowest responsive bid, if the lowest responsive bid is submitted by a bidder not certified as a small business/micro business. The "service" category is the business type that will most likely apply to this procurement.
- b. In granting small business preference to NVSAs, no bid will be reduced by more than five percent (5%). The preference cost adjustment is for computation purposes only and does not alter the actual cost offered by the bidder.
- c. To be eligible for the NVSA small business preference, the business concern must:
 - 1) Request preference at the time of bid submission, and
 - 2) Become certified as a small business or micro business by the appropriate office of the California Department of General Services prior to the bid submission due date.
- d. Refer to section L of this IFB, entitled "Bid Requirements and Information," Item 6 (b) to learn how tie bids will be resolved.

N. Agreement Terms and Conditions

The winning bidder must enter into an agreement that may contain the bidder's bid form or budget, a scope of work, standard agreement provisions, and one or more of the agreement forms and/or exhibits identified in the Proposed Agreement contained herein. Other exhibits, not identified herein, may also appear in the resulting agreement.

The exhibits identified in the Proposed Agreement contain agreement terms that require strict adherence to various laws and contracting policies. A bidder's unwillingness or inability to agree to the terms and conditions contained in any exhibit identified in this IFB may cause CHP to deem a bidder non-responsible and ineligible for an award. CHP reserves the right to use the latest version of any form or exhibit contained in this IFB in the resulting agreement if a newer version is available.

In general, CHP will not accept alterations to the General Terms and Conditions (GTC), the Special Terms and Conditions, or the Scope of Work; or alternate agreement/exhibit language submitted by a prospective contractor. CHP will consider a bid containing such provisions “a counter proposal” and CHP may reject such a bid.

1. Resolution of differences between IFB and agreement language

If an inconsistency or conflict arises between the terms and conditions appearing in the final agreement and the proposed terms and conditions appearing in this IFB, any inconsistency or conflict will be resolved by giving precedence to the agreement.

BASIS OF AWARD

Basis of Award: The "Basis of Award" is for evaluation purposes to determine the lowest bidder. Due to the nature of Evidence Towing Services, it is not always feasible to forecast costs. Evidence Towing Services are utilized on an as needed basis. The number of services required can fluctuate and is unpredictable. Estimates may be based on prior and current storage usage.

The Agreement is budgeted and written for **\$600,000.00 (Six Hundred Thousand Dollars and Zero Cents)**. CHP makes no commitment, written or implied, to the number of services requested or required during the term of the Agreement. The CHP does not warrant the amount of funds that would be needed or expended. Payment will be made for actual cost per services rendered and according to the Agreement, Exhibit B.4, Rate Schedule.

In the event it is anticipated that the required number of services will exceed the agreement amount, an amendment will be processed to add funds to the agreement at the same rates indicated on this bid form and in the Agreement, Exhibit B.4 Rate Schedule.

Non-Small Business Subcontractor Preference Request

Non-Small Business Subcontractor Preference	Non-small business bidders will be granted up to a five percent non-small business subcontractor preference on a bid evaluation when a responsive non-small business has submitted the lowest priced responsive bid and when a non-small business bidder: 1. Has included in its bid a notification that it commits to subcontract at least 25 percent of its total bid price with one or more small businesses; and 2. Has submitted a timely, responsive bid; and 3. Is determined to be a responsible bidder; and 4. Lists the small businesses it commits to subcontract with for a commercially useful function in the performance of the resulting agreement.
Commercially useful function	As defined in the Government Code Section 14837(d)(4)(A), a person or an entity is deemed to perform a commercially useful function if a person or entity does all of the following: 1. Is responsible for the execution of a distinct element of the work of the contract. 2. Carries out the obligation by actually performing, managing, or supervising the work involved. 3. Performs work that is normal for its business services and functions. 4. Is not further subcontracting a portion of the work that is greater than that expected to be subcontracted by normal industry practices. 5. A subcontractor will not be considered as performing a CUF if its role is limited to that of an extra participant in a transaction, agreement, or project through which funds are passed in order to achieve the appearance of DVBE participation.
How to calculate 25 percent subcontract participation	Unless otherwise instructed in the solicitation document, first determine the total dollar value or amount that will be bid for the entire agreement term, then multiply this figure by 25 percent to determine how much of the bid price must be committed to small business subcontracts that will perform commercially useful functions including but not limited to things such as labor, supplies, materials, equipment, or support services.
Use of proposed subcontractors and substitution	If awarded the agreement, the selected contractor must faithfully use each small business subcontractor proposed for use and identified in its preference request. Substitutions or alterations are NOT allowed after a bid is submitted. Substitutions are only allowed after agreement execution if the Contractor submits a Request for Substitution to the CHP SB/DVBE Advocate; and that request is subsequently approved/denied by the DGS.
Preference and/or Incentive request instructions	If preference(s)/incentive(s) are claimed, indicate this on the Bid Form and complete the appropriate Attachment identifying each small business, micro business or DVBE subcontractor that will be used in the performance of this contract. For each subcontractor identified on the appropriate Attachment, a completed and signed Small Business Subcontractor/Supplier Acknowledgment, STD 843, DVBE Bidder Declaration, and/or GSPD-05-105, Bidder declaration form must be obtained. Affix each form to the appropriate Attachment for submission with the bid response. If a signed Attachment 5 cannot be collected from each subcontractor in time for bid submission, indicate why. Submission of the appropriated signed Attachment(s) and form(s) for each subcontractor listed is a prerequisite for agreement award confirmation. Identify only currently certified small business, micro business, and/or DVBE subcontractors, as active certification is required and certification possession will be verified. All proposed subcontracted services must appear in the Scope of Work.
Small Business Reporting Requirement	If contractor made a commitment to achieve small business participation, within 60 days of receiving final payment under this solicitation, contractor MUST certify in a report entitled Final Report - Utilization of Small Business [SB] and Disabled Veteran Business Enterprise (DVBE) to CHP's Certified Business Advocate via facsimile at (916) 322-3166. A person or entity that knowingly provides false information shall be subject to a civil penalty for each violation. This form can be view/downloaded at https://www.documents.dgs.ca.gov/dgs/fmc/gsp/pd/pd_810P.pdf

The State has established goals for the Disabled Veteran Business Enterprise (DVBE) Program participating in State contracts. For the purpose of this solicitation, the DVBE Program participation requirement is **WAIVED**; however, this solicitation does provide a:

CALIFORNIA DVBE INCENTIVE

PLEASE READ INSTRUCTIONS THOROUGHLY

(Revised January 12, 2022)

AUTHORITY: The Disabled Veteran Business Enterprise (DVBE) Program is established in Military and Veteran Code (MVC) 999 §§ et seq., Public Contract Code (PCC) 10115 §§ et seq., and California Code of Regulations (CCR) Title 2, 1896 §§ et seq.

PURPOSE: The MVC 999 (a), known as the DVBE Program is established to address the special needs of disabled veterans seeking rehabilitation and training through entrepreneurship and to recognize the sacrifices of Californians disabled during military service. It is the intent of the Legislature that every state procurement authority honor California's disabled veterans by taking all practical actions necessary to meet or exceed the DVBE Program participation requirements (percentage/goal), hereafter referred to as DVBE participation, of at least the minimum of total contract value. (Refer to Section H, DVBE Program Definitions.)

INTRODUCTION: The DVBE Incentive is a state agency's option to formally exempt the legislatively mandated DVBE Participation Program requirements. However, the California Highway Patrol (CHP) is providing the prime contractor/bidder the opportunity to take advantage of the DVBE Incentive. Choosing this option, the prime contractor/bidder shall be required to commit to subcontracting with a California-certified DVBE to perform a Commercially Useful Function (CUF) of at least the minimum DVBE Incentive percentage goal. (Refer to Section H, DVBE Program Definitions.)

Information submitted by the prime contractor/bidder to comply with the DVBE Incentive requirements will be verified by the CHP. If, during the verification process, evidence of an alleged violation is found, the State shall initiate an investigation in accordance with the requirements of MVC 999 §§ et seq., PCC 10115 §§ et seq., and follow investigatory procedures by the CCR 1896.80. Prime contractors/bidders found to be in violation of certain provisions may be subject to loss of certification, monetary and/or civil penalties, and/or contract termination.

Only DVBE's certified by the State of California Department of General Services (DGS) Office of Small Business and DVBE Services (OSDS) may be used to satisfy the DVBE participation.

- A. **THE DVBE INCENTIVE.** Under CCR, Title 2, 1896.99.100, PCC 10115, and MVC 999 – 999.6, the DVBE Incentive provides responsive and responsible contractors the opportunity to receive additional incentive calculations. The DVBE Incentive is applied at the time the solicitation is evaluated; and when a bidder/contractor selects a DGS-certified DVBE subcontractor to provide commodities and/or services in support of the overall contract effort. Application of the DVBE Incentive may place the bidder/contractor in line for contract award. The following are key elements of the DVBE Incentive program:
1. The DVBE Incentive is applied during the evaluation process and is **only** applied to responsive bids from responsible bidders/contractors proposing the required DVBE participation for the incentive specified in this solicitation.
 2. When requesting the incentive application, the prime contractor/bidder must complete and return the required forms identified in Section C, Required DVBE Forms. The prime contractor/bidder who **fails to submit all required forms and confirm the level of DVBE participation will be ineligible for the DVBE Incentive application.**
- B. **MEETING DVBE PARTICIPATION REQUIREMENTS.** In accordance with MVC 999 §§ et seq and PCC 10115 §§ et seq, as the prime bidder/contractor, you **MUST** be certified as a DVBE in good standing by DGS OSDS, as defined in MVC 999.2 or have selected and mutually agreed to partner with a certified DVBE subcontractor/supplier to provide commodities and/or services related to the performance of services identified in this solicitation.
1. 1. DVBE INCENTIVE TABLE

Confirmed DVBE Commitment:	DVBE Incentive:
5.00% or over	5% of lowest responsive bid
4.00 to 4.99% Inclusive	4% of lowest responsive bid
3.00 to 3.99% Inclusive	3% of lowest responsive bid
2.00 to 2.99% Inclusive	2% of lowest responsive bid
1.00 to 1.99% Inclusive	1% of lowest responsive bid

2. SAMPLE OF LOW BID METHOD CALCULATIONS:

Bidder:	A	B	C
Responsive/Responsible	Yes	Yes	Yes
Net Bid Price	\$8100	\$8150	\$8300
Eligible SB/MB Preference (5%)	None	SB	SB
SB/MB Preference Amount		\$405	\$405
Subtotal	\$8100	\$7745	\$7895
Initial Rank	3	1	2
Eligible DVBE Incentive	3%	3%	5%
Eligible Incentive amount	\$243	\$243	\$405
Evaluated Bid Price	\$7857	\$7502	\$7490
Final Rank	3	2	1
Results: Following the application of the SB preference, the lowest responsive, responsible bidder is a certified SB, Bidder B. All three bidders are eligible to receive the DVBE Incentive; therefore, the incentive calculation is performed.			
Step	Action		
1	Identify the net bid price of the #1 ranked bidder - Bidder A at \$8100.		
2	Using the lowest bid price as the figure to calculate the 5% SB preference for all three bidders. Bidder A \$8100 x 0 = \$0.00; Bidder B and Bidder C: \$8100 x .05 = \$405		
3	Determine the corresponding percentage of DVBE Incentive for all three the bidders. Bidder A and B have 3% = \$243; Bidder C has 5% = \$405		
4	Subtract the SB preference amount and/or the DVBE Incentive amount from the net bid price of all three bidders: Bidder A \$8100 - \$243 = \$7857 Bidder B \$8150 - \$405 - \$243 = \$7502 Bidder C \$8300 - \$405 - \$405 = \$7490		
AWARD: The award is to Bidder C.

For the two-year period from the date he or she left state employment, no former state officer or employee may enter into a contract in which he or she engaged in any of the negotiations, transactions, planning, arrangements or any part of the decision-making process relevant to the contract while employed in any capacity by any state agency.

2). For the twelve-month period from the date he or she left state employment, no former state officer or employee may enter into a contract with any state agency if he or she was employed by that state agency in a policy-making position in the same general subject area as the proposed contract within the 12-month period prior to his or her leaving state service.

If Contractor violates any provisions of above paragraphs, such action by Contractor shall render this Agreement void. (Pub. Contract Code §10420)

Members of boards and commissions are exempt from this section if they do not receive payment other than payment of each meeting of the board or commission, payment for preparatory time and payment for per diem. (Pub. Contract Code §10430 (e))

2. LABOR CODE/WORKERS' COMPENSATION: Contractor needs to be aware of the provisions which require every employer to be insured against liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions, and Contractor affirms to comply with such provisions before commencing the performance of the work of this Agreement. (Labor Code Section 3700)

4. CONTRACTOR NAME CHANGE: An amendment is required to change the Contractor's name as listed on this Agreement. Upon receipt of legal documentation of the name change the State will process the amendment. Payment of invoices presented with a new name cannot be paid prior to approval of said amendment.

5. CORPORATE QUALIFICATIONS TO DO BUSINESS IN CALIFORNIA:

a. When agreements are to be performed in the state by corporations, the contracting agencies will be verifying that the contractor is currently qualified to do business in California in order to ensure that all obligations due to the state are fulfilled.

b. "Doing business" is defined in R&TC Section 23101 as actively engaging in any transaction for the purpose of financial or pecuniary gain or profit. Although there are some statutory exceptions to taxation, rarely will a corporate contractor performing within the state not be subject to the franchise tax.
