**A) Purpose and Description of Services**

1. This is an on-call and as-needed Service Request based multi-provider Agreement for Title and Escrow Services in **Butte County**. Bidder must be a title and escrow company regulated by the California Department of Insurance.
2. Bidder must be able to provide quick and timely preliminary reports on multiple parcels associated with a transportation project.
3. On transportation projects only, a portion or percentage of these parcels will require escrow services. The number of escrows required will vary according to the final project alignment and various other conditions.
4. Many parcels are partial acquisitions requiring partial reconveyance. Occasionally, parcels may be owned by a utility company, railroad, and/or other State or Federal departments or agencies. The occurrence of these services is of a rare nature.
5. Title searches may also include searches by legal descriptions and/or require in-person searches at the county recorder's office.
6. Escrows services will typically be initiated and concluded within 30 to 90 days depending upon whether reconveyance documents are required.
7. Title and Escrow services may deal with multiple types of deeds, such as grants, easements and quitclaim deeds. However, deeds that are created by Caltrans will only require the Bidder to conduct the recording.
8. Some Title Reports or Litigation Guarantees may require the services to be performed on an expedited basis. Title Insurance policies and Litigation Guarantees must be received by Caltrans upon the sooner of 30 days from close of escrow or 30 days from the receipt of written request by the Caltrans Contract Manager.
9. Refer to the **Proposed Form of Agreement, Exhibit A**, which is attached to this IFB, as **Attachment 3** for a more complete description of services.
10. Potential Assessor's Parcel Numbers (APNs). Refer to **Butte County Potential APNs, Attachment 3** for list of the potential APNs. This information is given solely for the purpose of assisting the bidder in determining the types of properties that will require title and escrow services.

**B) Bidder's Minimum Qualifications**

1. Bidder must possess at the time of bid submittal, continuously thereafter, and for the duration of the Agreement, a valid and current Title and Escrow license issued by the California Department of Insurance. A copy of the required license must be submitted with the bidder's bid. Bidder shall obtain, pay for, and maintain in good standing, all required licenses, permits and certifications to accomplish the Title and Escrow services. Bidders will be deemed non-responsive if proper licensing requirements are not met. An invalid license will result in rejection of the bidder's bid.
2. Failure of Bidder to sufficiently meet any or all the minimum qualifications, in the opinion of Caltrans, will result in the Bidder's bid deemed non-responsive.

The Act was passed by the California Legislature and signed into law by the Governor to preclude State agencies generally from contracting with “scrutinized” companies that do business in the African nation of Sudan (of which the Darfur region is a part), for the reasons described in Public Contract Code Section 10475. All bidders shall complete the Darfur Contracting Act Certification (DOT ADM-0077), provided as a link in **Attachment 2, Required Documents**, and submit with the proposal.

Should the State determine Contractor is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for rejection of the Contractor’s bid/proposal any time prior to contract execution, or, if determined after contract execution, shall be grounds for termination by the State.

## D) Special Programs

The following Special Programs are applicable to this IFB.

### 1. Small Business (SB) or Microbusiness (MB) Preference

- A. Government Code Section 14835 et seq. requires that a five percent (5%) preference be given to contractors who qualify as a Certified SB or MB. References to a small business (SB) shall also include micro-business (MB). The rules and regulations of this law, including the definition of a SB for the delivery of services, are contained in Title 2, California Code of Regulations, Section 1896 (2 CCR Section 1896) et seq.
- B. To claim the SB or MB preference, Contractor must have its principal place of business located in California, satisfy all of the SB or MB requirements, and be certified by the California Department of General Services (DGS), Office of Small Business and Disabled Veteran Business (DVBE) Services (OSDS). The preference amount may not exceed fifty thousand dollars (\$50,000) for any bid. If prospective contractor is claiming the five percent (5%) certified SB or MB preference, complete Section 16 of the **Bid/Bidder Certification Sheet**. Additionally, Contractor may satisfy the non-SB requirements described below.
- C. Certified SB and MB bidder(s) shall have precedence over NSB bidders in the application of SB preference(s).

- D. SB preferences may not be applied to any bid deemed non-responsive with the solicitation instructions or from a non-responsible bidder.
- E. Questions regarding the certification approval process or SB program should be directed to OSDS at (800) 559-5529 or (916) 375-4940, or by email: [osdshelp@dgs.ca.gov](mailto:osdshelp@dgs.ca.gov).
- F. SB or MB bidders or bidders using the "Non-Small Business" preference shall be granted a preference consisting of five percent (5%) of the lowest responsible bidder's total bid if the lowest bid is from a non-certified SB or MB.

### B. DVBE Incentive Program

- 1) The DVBE Incentive Program applies to this solicitation. It is separate from the DVBE Participation Program and was established in Military and Veterans Code Sections 999 et seq., and Title 2, California Code of Regulations, Section 1896.99 (2 CCR Section 1896.99) et seq. A dollar cap of \$100,000 is set for all combined incentives and preferences. The incentive is used only for evaluation purposes to arrive at the successful bidder and does not alter the amounts of the actual bid. Any responsive and responsible bidder with the confirmed DVBE participation per the Table in paragraph 3) below is eligible to receive the incentive. Bidders who are not responsive and responsible are not eligible to receive the incentive.
- 2) Caltrans will apply an incentive to bids from DGS-certified DVBE firms. The bidders who claim to be DGS-certified DVBE firms will be verified by Caltrans prior to award of the Agreement. The incentive amount is equal to the percentage of the lowest responsive and responsible bid being evaluated per the Table below.
- 3) Participation Table

| Verified DVBE Participation | DVBE Incentive Amount |
|-----------------------------|-----------------------|
| 100%                        | 5%                    |

- 4) When applying the DVBE Incentive, an NSB shall not displace or otherwise supersede an award to a DGS Certified Small Business.

**8. Service Requests**

- A. The term for Placement of New Orders is limited to the period commencing **June 1, 2026 (estimate)** and ending **May 31, 2029 (estimate)**, three (3) years from the commencement date. Contractor shall not open New Orders for title and escrow services after **May 31, 2029 (estimate)**.
- B. If it is anticipated there will be open escrow orders pending beyond **May 31, 2031 (estimate)**, the expiration date of this Agreement, an amendment will be executed prior to the Agreement expiration date, solely to complete open escrow orders. The amendment may not exceed one (1) year and shall include the same terms and conditions as this Agreement.

**Exhibit A**  
**Commercial Services–State**

- C. On an on-call basis, as needed Caltrans Contract Manager shall assign specific services, as described herein, to Contractor through the issuance of a Service Request (see **Attachment 2, Sample Service Request**). All work requested shall be limited to the type of work specified in this **Exhibit A, Scope of Work**. It is understood and agreed that all work assigned in a Service Request must conform to the requirements of this Agreement.
- D. Work will be assigned first to the lowest ranked bidder. When the lowest ranked bidder is unable to accept any additional work, a subsequent bidder will then be called in ascending order (lowest to highest) of their bid amount, up to a total of two (2) bidders.

| RANK | CONTRACTOR | BID AMOUNT |
|------|------------|------------|
| 1.   | TBD        | \$TBD      |
| 2.   | TBD        | \$TBD      |

- E. Any work that extends past the Service Request due date shall constitute grounds for termination (refer to **Exhibit D, Section 2, Termination**).
- F. Any work described herein that must be redone due to errors, illegibility, or inaccurate information, shall be redone at Contractor's expense at no additional cost to Caltrans.
- G. All work assigned herein must be completed by the specified due dates set forth in the Service Request. Any work that requires any extension to the due dates must be approved, in advance, by amendment to the Service Request by Caltrans Contract Manager and only for reasonable cause.

**9. Description of Services and Timelines**

- A. Upon receipt of Caltrans Contract Manager's Service Request, Contractor agrees to furnish title and escrow services as described in this Agreement.
- B. Contractor shall furnish preliminary title reports, litigation guarantees, policies of title insurance, and perform other title and escrow services as hereinafter defined.
- C. Caltrans and Contractor understand it is customary to pay for Policy of Title Insurance based on purchase price for the parcel as determined by contract, insured amount of litigation guarantee, stipulated judgement, or judgement in condemnation. However, Caltrans may require preliminary title reports on tens (or hundreds) of potential right of way parcels for preliminary Design and Right of Way Engineering work on any given project. Many of these parcels may not be required or acquired for the project, and thus Policy of Title Insurance based on purchase price for the specific parcel(s) will not be needed. Consequently, Caltrans will reimburse Contractor only for preliminary title reports on a per parcel basis per rates in **Attachment 1, line item 1**.
- D. Contractor agrees, per rates in **Attachment 1, line item 1**, Caltrans will pay a per parcel rate for preliminary title reports for parcels. If a parcel requires additional research in order to produce the preliminary title report, Contractor can, with pre-approval by Caltrans Contract Manager, charge the Title Record Search rate as shown on **Attachment 1, line item 2**. In the event escrow does not close or if it is canceled, no additional fee will be due to Contractor for the preliminary title report and no refund will be due to Caltrans.

**Exhibit A**  
**Commercial Services--State**

- E. Contractor shall provide to Caltrans preliminary title reports or litigation guarantees, to be sent electronically, within thirty (30) days of the start date of the Service Request. If this time frame cannot be met, Contractor shall notify Caltrans Contract Manager via phone or e-mail within seven (7) days of receiving the request.
- F. At no additional cost, Contractor shall furnish copies of any recorded document, including vesting deeds, referenced in the preliminary title report or litigation guarantee. All documents provided shall be legible. All documents referenced in preliminary title reports or litigation guarantees shall be hyperlinked to those specific documents.
- G. Contractor shall update title reports as requested by Caltrans Contract Manager at the rate listed on **Attachment 1, line item 4**.
- H. Policies of Title Insurance, using California Land Title Association (CLTA) Owner's Standard Coverage Policy Form, will be sent electronically by Contractor to Caltrans within thirty (30) days of the close of escrow or date requested, covering the estate or interest created through the acquisition of lands by Caltrans. Any work that requires extensions to these due dates must be approved in advance and in writing by Caltrans Contract Manager. All documents provided shall be legible.
- I. In cases where access rights are being purchased, Contractor shall include one of the following CLTA Endorsements in Policies of Title: 106, 106.1, 106.2, 106-C, 106.1-C, or 106.2-C. This assures the release and relinquishment to Caltrans of abutter's rights of access on freeways and expressways. CLTA Endorsements shall be provided at no additional cost.
- J. Contractor shall furnish, as requested by Caltrans Contract Manager, the following unilateral escrow services based upon instructions from Caltrans Contract Manager. Escrow Services to be performed by Contractor shall consist of those escrow services normally provided in a property transaction and the following:
  - 1) Obtaining reconveyances, both partial and full.
  - 2) Providing access rights endorsements in Policies of Title Insurance.
  - 3) Other escrow services that are peculiar or necessary to that particular Caltrans transaction.
- K. Caltrans will reimburse Contractor at the close of escrow for the payment of all reasonable third-party fees directly related to the reconveyance or subordination of any deed of trust eliminated through the escrow or actual costs at the close of escrow up to a maximum of \$1000.00. In the event the total charges exceed \$1000.00 on any one deed of trust, such costs must have prior written approval of Caltrans by the District Division Chief for Right of Way or Caltrans Contract Manager. Total fees paid under this section shall not exceed the maximum amount set forth in **Attachment 1, Line Item 114, 3<sup>rd</sup> Party Reconveyance and Subordination Fees**.
- L. No additional charges or fees will be paid to cover recording fees for documents exempt under California Government Code Section 27383. This includes all deeds, reconveyances, and or transfers in which the State of California or a subdivision thereof is the grantee or recipient of benefits. This also includes related instruments such as orders of the court, powers of attorney, and any and all deeds, conveyances, and other instruments of whatever kind, for which recordation is necessary in order to complete the chain of title to land or an interest therein being acquired by Caltrans.

**Exhibit A**  
**Commercial Services--State**

**M. Tabulation of Sales**

- 1) Contractor agrees to furnish, on each preliminary title report or litigation guarantee issued, a tabulation of all sales on the subject property for a period of five (5) years (excluding the current year) immediately preceding the date of the preliminary title report or litigation guarantee.
- 2) The tabulation of sales shall identify and include: the name of the grantor, the name of the grantee, date of the deed, recording references, the amount of Documentary Transfer Taxes, and the mailing address as shown by the Recorder's office.

**N. Continuation Guarantees (Updates)**

Caltrans may request continuation (updated) preliminary title reports or litigation guarantees up to five (5) years from the date of the original order for an additional fee not to exceed the per parcel update/continuation rate per **Attachment 1, line item 4**. This provision shall survive the expiration date of this Agreement and Contractor shall bind its successors and assigns regarding the requirements in this section.

**O. Copies of Additional Documents**

Copies of additional documents, including filed maps (such as subdivision maps, parcel maps, records of survey) required to aid in the determination of property boundaries, which are not referenced in the preliminary title report or litigation guarantee, shall be furnished to Caltrans at the rates specified in **Attachment 1, line item 5**, within thirty (30) days of request.

**P. Definition of Parcel**

The term "parcel", as used herein, is defined as any of the following, with ownership determined as of the time an order is received:

- 1) Any lot, or any portion thereof, vested in a separate ownership within the same block of any town, city, or subdivision.
- 2) Any number of lots located within the same block of any town, city, or subdivision, vested in the same ownership, which ownership has been previously covered by title reports or policies of title insurance.
- 3) All land vested in the same ownership, which ownership has been previously covered by reports or policies of title insurance, located entirely within one government survey section.
- 4) Any contiguous land vested in the same ownership, which ownership has been previously covered by reports or policies of title insurance, located entirely within one Land Grant such as, or including, but not limited to, Pueblo, Rancho, which has not been sectionized, or in one (1) swamp or overflow survey.
- 5) The portion of any street or alley adjoining any parcel as above defined, which portion of street or alley has not been previously insured.
- 6) Any right of way or easement appurtenant to any land that has not been previously insured, such as railroad and or utility corridors. If such easement or right of way crosses more than one (1) ownership, the portion thereof crossing each such separate ownership shall be considered a separate parcel. The occurrence of this service is of a rare nature.

**R. Title Information Data**

**1) Statement of Record Ownership**

Contractor, when requested, will furnish for the sole use by Caltrans a statement of record ownership provided such ownership may be determined from a cursory examination of its title records without examination of the public records nor passing upon the sufficiency of the documents showing the name of the grantee in whom record title vests, together with a description as it appears in the deed vesting title in such grantee, at a per parcel charge per Contractor's **Attachment 1, line item 3, and Exhibit B.**

- B. This Agreement is valid and enforceable only if sufficient funds are made available to the State of California by the United States Government or the California State Legislature for the purpose of this program. In addition, this Agreement is subject to any additional restrictions, limitations, conditions, or any statute enacted by the Congress or the State Legislature that may affect the provisions, terms, or funding of this Agreement in any manner.

**Commercial Services--State**

- C. It is mutually agreed that if Congress or State Legislature does not appropriate sufficient funds for the program, this Agreement shall be amended to reflect any reduction in funds.
- D. Pursuant to Government Code Section 927.13, no late payment penalty shall accrue during any time period for which there is no Budget Act in effect, nor on any payment or refund that is the result of a federally-mandated program or that is directly dependent upon the receipt of federal funds by a State agency.

- B. Neither the pendency of a dispute nor its consideration by Caltrans Contract Officer will excuse Contractor from full and timely performance in accordance with the terms of the Agreement.
- C. The final decision by Caltrans Contract Officer does not preclude subsequent litigation of the dispute in a court of competent jurisdiction.

**2. Termination**

- A. If, after award and execution of the Agreement, Contractor's performance is unsatisfactory, the Agreement may be terminated immediately for default.
