OFFEROR INSTRUCTIONS

The Government intends to award a Firm Fixed Price (FFP) contract resulting from this solicitation to the responsible offeror whose quotation conforming to the solicitation is most advantageous to the Government as defined in the "**EVALUATION FACTORS FOR AWARD**" Section below. **A complete quote must be received for consideration**. Respond to each item listed below, if the response is "None" or "Not applicable," explicitly state and explain. The Government may consider quotes that fail to address or follow all instructions to be non-responsive and ineligible for contract award. **A complete quote includes a response and submission to each of the following**:

1. **General Information:** Offeror Business Name, Address, Cage and DUNS Codes (ensure Representation and Certifications are up to date in SAM.gov), Business Size and Type of Small Business based on applicable NAICS Code as provided above, Federal Tax ID, Primary Point of Contract (to include telephone and e-mail address) and provide a GSA contract number if some or all items proposed are on the GSA schedule. FAR provision ***52.212-3, Alternate I, Offeror Representations and Certifications – Commercial***

Products and Commercial Services, applies to this acquisition. Offerors must include a completed copy of this provision with offer.

2. **Technical Documentation**:

   a. ***Technical Approach or Specifications:*** The quote must address and meet the requirements/specifications as defined under **Technical Factor I below.**

   b. ***Sustainable Acquisitions Information and Certification:*** The contractor shall comply with all applicable sustainable acquisition requirements in accordance with **FAR Part 23** to advance the Federal Government's sustainability goals, reduce environmental impact, and promote the responsible use of resources. Pursuant to **FAR 23.103**, agencies are required to advance sustainable acquisition by ensuring that, to the maximum extent practicable, contracts for products and services promote sustainability throughout the acquisition lifecycle. Pursuant to **FAR 23.104**, sustainable acquisition requirements apply to acquisitions of products and services above the micro-purchase threshold, except where exempted by law or regulation. Indicate if any the following sustainable acquisition categories apply to any products or services proposed: Energy Efficient, Water Efficient, Recycled, Bio-Based, Environmentally Preferable, Non-ozone depleting substances, Less Toxic and/or Less GHGs.

   c.

3. ***Price Quote*****:** Submit complete pricing for each individual item listed in the "**DESCRIPTION OF REQUIREMENTS"** Section above to include the unit of issue, the extended price for each line item and a total price in US Dollars ($). Note: Ensure ***FOB Destination*** shipping costs are included in the pricing.

4. ***Commercial Warranty:*** If available, provide the terms and length of the Workmanship and/or Manufacturer Warranty on the product(s) and/or services proposed included in the proposed purchase price.

EVALUATION FACTORS FOR AWARD:

Basis for Award*:* The Government intends to award a contract to the responsive, responsible vendor, whose quote conforming to the RFQ is most advantageous to the Government, price and other factors considered. Technical, price and past performance factors will be used to evaluate quotes. The vendor must be registered in the System for Award Management (SAM). The Government reserves the right to award no contract at all, depending on the quality of quotes submitted and availability of funds.

Factor I – Technical: The Government will evaluate the quote and verify if the following specification requirements are met to include all information required for a complete quote as defined in paragraph 2 above:

Factor II – Price: The Government will evaluate the total price to determine if it is fair and reasonable. The price quote shall include a unit price for each item and a total firm-fixed-price for all line items. The total firm-fixed-price shall include all applicable taxes, shipping, and handling costs to the shipping address listed above as outlined in paragraph 3 above.

Factor III – Past Performance: The Government will evaluate past performance, beginning with the lowest priced quote, by reviewing sources that may include, but are not limited to, information from Government personnel and information from sources such as the Federal Awardee Performance and Integrity Information System (FAPIIS).

DUE DATE AND SUBMISSION INFORMATION

Eligible Offerors: All offerors must have a completed registration in the System for Award Management (SAM) website prior to award of contract. Information can be found at https://www.sam.gov/. Complete SAM registration means offerors shall have registered CAGE and UEI.
