Form F1001A - Justification for Other than Full and Open Competition

1. Requisition number and title: REQ CPS-2220-26-0071

2. Description of the Supplies and Services Required:

F-Concepts will procure and install new NDAA compliant camera system for Warehouse facility. System consists of 3 fixed, 1 PTZ camera, All-in-one server, and components to provide a fully working system. 2 fixed cameras will be installed in the existing locations of 2 outside cameras using existing cables. One fixed camera will be installed in the warehouse to view roll up doors. An aerial cable will be installed between the building and the closest light poll and the PTZ will be installed on the poll.

5. Description of effort made to ensure that offers are solicited from as many potential sources as practical:

_____
_____
_____
_____

6. Reason for Other Than Full and Open Competition (check one):

____X____ a. Only one responsible source and no other supplies or services will satisfy agency requirements. In section 7, justify why only the selected source and no other can meet the government's need. Past performance and industry reputation do not explain why only one source can meet the government's need.

_____ b. Only a particular Brand Name item can meet the Government's need. In section 7, justify why only the particular brand of item and no others can meet the government's needs.

_____ c. Unusual and compelling urgency. In section 7, justify why the event could not have reasonably been planned for and why the Government would be seriously injured if sources are not limited.

_____ d. Industrial mobilization; engineering, developmental, or research capability; or expert services. In section 7, justify one of the following:

i. Why a contract must be awarded to maintain a facility, producer, manufacturer, supplier, or service provider in case of a national emergency;

ii. Why CPSC needs to maintain essential research and development capability; or

iii. Why CPSC needs to acquire services of an expert or neutral person for any current or anticipated litigation or dispute.

_____ e. International agreement. In section 7, please provide the name of the International Agreement.

_____ f. Authorized or required by statute. In section 7, please provide the name and/or citation of the Statute. FAR 6.302-5(b) provides a list of the most frequently cited statutes.

_____ g. National security.

_____ h. Public interest (must be approved by Chairman).

7. Justification for sole source (not competing the requirements):

CPSC uses F-Concepts at Bethesda Towers and 5RP, so it is logical to continue with the current provider. Our maintenance agreement covers BT and 5RP systems, which are all NDAA compliant and consistent.
