5. Evaluation Criteria

The Government intends to award to the responsible offeror whose quote is most advantageous to the Government, considering:

1. Price – Evaluated as the total price in Attachment 4 for Northern Strike 2026 support, plus 1 each Storage Transit Calcity Quarry to St. Ignace and Storage Transit St. Ignace to Calcite Quarry.
2. Boat Captain credentials – Applicable qualifications, licenses, or certifications to operate Mark VI patrol boats or appropriately similar vessels.
3. Past Performance – Past performance information on government or civil contracts for the operation of the MK VI or vessels of equivalent size and performance. Mark VI patrol boat experience is heavily desired. However, lack of past performance information from a quoter does not preclude an award from being made.
