Amendment 4

RFQ: 70FB8026Q00000022

Responses to Vendor Question/Clarification

#	Question/Clarification	Government Response
1	Should offerors provide pricing based solely on the basis-of-design configurations identified in the solicitation, or may offerors submit pricing based on equivalent products that meet all stated technical requirements and accessibility standards?	Offerors shall provide pricing for the brand names specified or equivalent items that meet all specifications; including technical requirements and accessibility standards.
