CDSS may reject any or all bids and may waive an immaterial deviation in a bid. The CDSS' waiver of all immaterial deviation shall in no way modify the IFB document or excuse the bidder from full compliance with all requirements if awarded the Agreement.
- j. Costs incurred for developing bids and in anticipation of award of the Agreement are entirely the responsibility of the bidder and shall not be charged to the State of California.
- k. An individual who is authorized to bind the bidder contractually shall sign **Attachment 3, Bid/Bidder Certification**. The signature should indicate the

- b. At the time of bid opening, each bid will be checked for the presence or absence of required information in conformance with the submission requirements of this IFB.
- c. CDSS will evaluate each bid to determine its responsiveness to the published requirements.
- d. Bids that contain false or misleading statements, or which provide references that do not support an attribute or condition claimed by the bidder may be rejected. If, in the opinion of CDSS, such information was intended to mislead CDSS in its evaluation of the bid, the attribute, condition, or capability of a requirement of this IFB, it may be the basis for rejection of the bid.
- e. The final selection will be made on the basis of the lowest responsive responsible bidder as indicated in **Attachment 4, Rate Sheet**. In the event there are tie bids by more than one (1) responsive responsible bidder, each bidder will be contacted by the CDSS regarding a date and time for a flip of a coin. The bidder whose bid was received first will make the call. Bidders or their authorized representative(s) are allowed to be present for the flip of a coin. However, in the event of a tie between a certified Small Business Enterprise (SBE) and a certified DVBE, the Agreement must be awarded to the DVBE bidder.
- f. Award if made will be to the lowest responsive, responsible bidder(s). Preferences, if applicable shall be applied in accordance with IFB Section C.11, Small Business Enterprise (SBE), Section C.12, Disabled Veteran Business Enterprise (DVBE) Participation Program Requirements, and Section 19, Target Area Contract Preference Act (TACPA).
- g. At the CDSS' option, prior to award, bidders may be required to submit additional written clarifying information. Failure to submit the requested written information as specified may be grounds for bid rejection.
- h. The winning bidder may be required to submit evidence that they have available sufficient resources to meet the requirements of this IFB.

7. Award and Protest

- a. Whenever an agreement is awarded under a procedure which provides for competitive bidding, but the Agreement is not to be awarded to the low bidder,

the low bidder shall be notified by email five (5) working days prior to the award of the Agreement.

- b. Upon written request by any bidder, notice of the proposed award shall be posted at least five (5) working days prior to awarding the Agreement.
- c. If any bidder, prior to the award of the Agreement, files a written protest with the Department of General Services (DGS), Office of Legal Services and the CDSS on the grounds that the (protesting) bidder is the lowest responsive responsible bidder, the Agreement shall not be awarded until either the protest has been withdrawn or DGS has decided the matter. Within five (5) calendar days after filing the initial protest, the protesting bidder shall file with DGS and the CDSS a detailed, written statement of protest, including the IFB number, the name of the State agency involved, the agency contact person, and must be submitted to both of the following:

Performance shall start not later than five (5) days, or on the express date set by the CDSS and the awarded Bidder(s), after all approvals have been obtained and the Agreement is fully executed. Should the awarded Bidder(s) fail to commence work at the agreed upon time, the CDSS, upon five (5) days written notice to the awarded Bidder(s), reserves the right to terminate the Agreement. In addition, the awarded Bidder(s) shall be liable to the State for the difference between the awarded Bidder's bid price and the actual cost of performing work by the second lowest bidder or by another bidder.
- b. All performance under the Agreement shall be completed on or before the termination date of the Agreement.

10. Declaration Forms

- a. All bidders must complete **Attachment 7, Bidder Declaration, GSPD-05-105**, and include it with the bid response. When completing the declaration, bidders must identify all subcontractors proposed for participation in the Agreement. Bidders awarded an Agreement are contractually obligated to use the subcontractors for the corresponding work identified unless the State agrees to a substitution, and it is incorporated by amendment to the Agreement.
- b. Bidders who have been certified by California as a DVBE (or who are bidding rental equipment and have obtained the participation of subcontractors certified by California as a DVBE) must also submit a completed **Attachment 8, DVBE Declarations, DGS PD 843**. - d. Attachment with Bid Required if Claiming the SB Preference: All bidders must complete and include the **Attachment 7, Bidder Declaration, GSPD-05-105**. If claiming the non-small business subcontractor preference, the form must list all of the California certified SBs with which you commit to subcontract in an amount of at least twenty-five percent (25%) of the net bid price. All certified SBs must perform a “commercially useful function” in the performance of the Agreement as defined in GC Section 14837(d)(4).

- b. For more information about the DVBE incentive refer to **Exhibit 1, DVBE Program Requirements**.
- c. In accordance with Senate Bill 588, effective January 1, 2021, the Department shall withhold \$10,000, or the full payment if it is less than \$10,000 from the final payment on a contract until that certification is received by the awarding department within 60 calendar days after the expiration date of the Agreement. If the Contractor fails to meet those certification requirements, the Contractor may be granted 15 to 30 calendar days to cure the defect. If the Contractor does not comply with the requirement, the awarding department shall permanently deduct \$10,000 from the final payment, or the full payment if it is less than \$10,000 from a contract with the Contractor who does comply with those requirements within the specified period.

13. Commercially Useful Function (CUF) Questionnaire

DGS Procurement Division is the entity responsible for statewide implementation of SB/DVBE program regulations resulting from legislative mandates passed into law. Under GC and MVC any California certified SB, Micro Business or DVBE Suppliers doing business with the state must perform a CUF. Subsequently, each department's buyer is held responsible for its CUF compliance procedures and evaluation of a bidder's activities in response to department solicitations. This applies to Suppliers responding to the department's solicitations whether prime or subcontractor. CUF must be established prior to making final agreement or purchase order award.

All new SB and DVBE applicants must include the completed **Attachment 10, Commercially Useful Function Evaluation Form** with their submittal.

Any scrutinized companies are ineligible to, and cannot, bid on or submit a proposal for agreement with a State agency for goods or services. A scrutinized company is defined in PCC Section 10476. However, bids may be submitted by scrutinized companies if permission is obtained first from DGS according to the criteria set forth in PCC Section 10477(b).

16. Generative Artificial Intelligence (GenAI) Disclosure

The State of California seeks to realize the potential benefits of GenAI, through the development and deployment of GenAI tools, while balancing the risks of these new technologies.

Bidder / Offer must notify the State in writing if it: (1) intends to provide GenAI as a deliverable to the State; or (2), intends to utilize GenAI, including GenAI from third parties, to complete all or a portion of any deliverable that materially impacts: (i) functionality of a State system, (ii) risk to the State, or (iii) Contract performance. For avoidance of doubt, the term "materially impacts" shall have the meaning set forth in State Administrative Manual (SAM) § 4986.2 Definitions for GenAI.

Failure to report GenAI to the State may result in disqualification. The State reserves the right to seek any and all relief to which it may be entitled to as a result of such non-disclosure.

Upon notification by a Bidder / Offeror of GenAI as required, the State reserves the right to incorporate GenAI Special Provisions into the final contract or reject bids/offers that present an unacceptable level of risk to the State.

Government Code 11549.64 defines “Generative Artificial Intelligence (GenAI)” as an artificial intelligence system that can generate derived synthetic content, including text, images, video, and audio that emulates the structure and characteristics of the system’s training data.

19. Target Area Contract Preference Act (TACPA)

- a. This IFB provides for the optional TACPA preference. Bidders are not required to apply for this preference. Denial of the TACPA preference request is not a basis for rejection of the bid.
- b. The TACPA workplace and workforce preferences will be evaluated for this IFB. California based companies seeking TACPA preferences must complete and submit **Attachment 15, Target Area Contract Preference Act, STD 830** and **Attachment 16, Bidder’s Summary of Contract Activities and Labor Hours, DGS PD 526** preference request forms with the bid. - d. Professional Liability – Bidder shall maintain professional liability covering any damages caused by a negligent error, act, or omission with limits of not less than \$1,000,000 per occurrence and \$3,000,000 policy aggregate. The policy's retroactive date must be shown on the certificate of insurance and must be before the date this Agreement was executed or before the beginning of Agreement work.
- e. General Provisions Applying to All Insurance Policies
 - (1) Coverage Term – Coverage needs to be in force for the complete term of the Agreement. If insurance expires during the term of the Agreement, a new certificate must be received by the State at least ten (10) days prior to the expiration of this insurance. Any new insurance must still comply with the original terms of the Agreement.
 - (2) Policy Cancellation/Termination and Notice of Non-Renewal – Bidder shall provide to the State within five (5) business days a copy of any notice of Cancellation/Termination or Non-renewal received by Bidder for any of the required insurance policies. In the event the Bidder fails to keep in effect at all times the specified insurance coverage, the State may, in addition to any other remedies it may have, terminate this Agreement upon the occurrence of such event, subject to the provisions of this Agreement.

TARGET AREA CONTRACT PREFERENCE ACT PREFERENCE REQUEST FOR GOODS AND SERVICES SOLICITATIONS

Target Area Contract Preference Act References and Instructions

The Target Area Contract preference Act (TACPA), GC §4530 et seq., and 2 CCR §1896.30 et seq., promotes employment and economic development at designated distressed areas by offering 5% worksite and/or 1% to 4% workforce bidding preferences in specified state contracts. The TACPA preferences do not apply to contracts where the worksite is fixed by the contract terms. These preferences only apply to bidders who are California based firms, and only when the lowest responsible bid and resulting contract exceed \$100,000. Bidders must certify, under penalty of perjury to perform either 50% (for GOODS contracts) or 90% (for SERVICES contracts) of the labor hours required to complete this contract in the eligible TACPA area worksite(s) identified in Section I on the reverse side of this page. TACPA preferences for a single worksite preference cannot exceed \$50,000.00. Additionally, TACPA preferences for a single workforce preference cannot exceed \$50,000.00. In combination with any other preferences, the maximum limit is 15% of the lowest responsible bid; and, in no case shall not exceed \$100,000 in total.

Section I Worksite Preference Eligibility and Labor Hours

Bidders must identify at least one eligible TACPA worksite by entering the criteria letter A, B, C, D, E or F in the "Criteria" column and enter the "Census Tract" and "Block Group" Numbers to be eligible for the preference. You must name each and every firm or site where contract labor hours will be worked. Preference requests may be denied if an eligible California TACPA worksite is not identified, or all firms performing contract labor hours are not identified. Enter one of the following "Criteria" letters to identify each TACPA worksite on the reverse page:

- A.** The firm is located in a California eligible distressed area(s).
- B.** The firm will establish a worksite(s) in a California eligible distressed area(s).
- C.** The firm is in a census tract with a contiguous boundary adjacent to a California eligible distressed area.
- D.** The firm will establish a worksite(s) located directly adjoining a valid TACPA census tract/block group that when attached to the California eligible distressed area(s) forms a contiguous boundary.
- E.** The bidder will purchase the contract goods from a manufacturer(s) in a California eligible distressed area(s). **This option applies to solicitations for GOODS only.**
- F.** The bidder will purchase contract goods from a manufacturer(s) in directly adjoining census tract blocks that when attached to the California eligible distressed area(s) forms a contiguous boundary. **This option applies to solicitations for GOODS only.**

Enter labor hours for each listed firm and site. The hours shall be reasonable and shall only include the labor hours necessary and required to complete the contract activities. Artificially increasing hours at a claimed TACPA worksite, or understating labor hours worked outside the eligible worksite may result in a denied preference request. Do not include machine time and non-labor time when projecting contract labor hours. Report all bidder work hours and those of any subcontractor performing this contract. All transportation hours must be reported for each carrier separately and must not be combined or included with hours for manufacturing, processing, or administration, or at any eligible TACPA site. Failure to list all the labor hours to be performed at the reportable sites will result in a denial of this preference request.

The bidder must explain, by activity, their firm's projected contract labor hours by completing and signing the *Bidder's Summary - TACPA* form (DGS/PD 526) (included with this solicitation).

If supplying goods, the bidder must also provide a completed and signed *Manufacturer's Summary - TACPA* form (DGS/PD 525) (included with this solicitation) that specifies the number of projected labor hours necessary to make the product(s).

Section II Workforce Preference

Eligibility to request a workforce preference is based on the bidder first claiming and receiving approval of the 5% TACPA worksite preference. The workforce preferences are only awarded if the bidder hires and employs the TACPA qualified individuals. Workforce preferences will not be approved for another firm's employees. By claiming a workforce preference percentage, the bidder must have its eligible employees perform the specified percentage of the total contract workforce labor hours. See Section I, "Total Projected Labor Hours," STD. 830. To claim the workforce preferences select or check the appropriate box for percent of requested bid preferences in Section II.

Section III Certification for Worksite and Workforce Preferences

Bidder must sign, under penalty of perjury, the certification contained in Section III to be eligible for any of the preferences requested pursuant to this form. The penalties associated with the TACPA statute are: GC §4535.1, A business that requests and is given the preference provided for in Section 4533, 4533.1, 4534, or 4534.1 by reason of having furnished a false certification, and which by reason of that certification has been awarded a contract to which it would not otherwise have been entitled, shall be subject to all of the following:

- (a) Pay to the State any difference between the contract amount and what the State's cost would have been if the contract had been properly awarded.
- (b) In addition to the amount specified in subdivision (a), be assessed a penalty in an amount of not more than 10 percent of the amount of the contract involved.
- (c) Be ineligible to directly or indirectly transact any business with the State for a period of not less than six months and not more than 36 months.

Prior to the imposition of any sanction under this chapter, the contractor or vendor shall be entitled to a public hearing and to five days notice of the time and place thereof. The notice shall state the reasons for the hearing.

If you receive an award based on these preferences you will be required to report monthly on your contract performance, labor hours, and TACPA compliance.

For questions concerning preferences and calculations, or if a bid solicitation does not include preference request forms, please call the awarding Department's contract administrator. Only another California certified small business can use TACPA preferences to displace a California certified small business bidder.

To identify TACPA distressed worksites contact the local city or county Planning/Economic Development offices of the proposed worksite, or go to <http://tacpa.dgs.ca.gov/>. BIDDER'S SUMMARY

References and Instruction

The California Legislature has declared that it serves a public purpose and is a benefit to the state, to encourage business investment, promote job development, and to facilitate job maintenance in economically distressed areas of the state. It is the intent of the Legislature to further these goals by providing appropriate preferences to California based companies submitting bids or proposals for state contracts to be performed at worksites in economically distressed areas by persons with a high risk of unemployment, when the contract is for goods or services in excess of \$100,000. To qualify for TACPA preference, the bidder must show that a minimum 50% (for Goods) or 90% (for Services) contracts of the projected employee/s labor hours necessary for the contract will be performed within the economically distressed area.

If the bidder requests TACPA contract preference, GC § 4530 et seq., the Bidder's Summary form must be completed and signed by the bidder for requested preference. The purpose of this form is to give the state contracting official, a tool to evaluate the total bidder employee labor hours required to complete this contract both inside and outside the preference areas.

CALIFORNIA DISABLED VETERAN BUSINESS ENTERPRISE (DVBE)**PROGRAM REQUIREMENTS**

(Revision Date 1-2022)

PLEASE READ THE REQUIREMENTS AND INSTRUCTIONS CAREFULLY BEFORE YOU BEGIN.

AUTHORITY

The Disabled Veteran Business Enterprise (DVBE) Participation Goal Program for State contracts is established in Public Contract Code (PCC), §10115 et seq., Military and Veterans Code (MVC), §999 et seq., and California Code of Regulations (CCR), Title 2, §1896.61 et seq.

DVBE PARTICIPATION

The minimum percentage of DVBE participation is **3%** for this solicitation *unless* another percentage is specified in the solicitation, or the solicitation is exempt from DVBE participation.

DVBE INCENTIVE

An incentive will be given to bidders who provide DVBE participation, *unless* stated elsewhere in the solicitation the DVBE Incentive has been exempted.

INTRODUCTION

The bidder must complete the identified form(s) and fully document that the mandatory minimum percent of DVBE participation will be met in order to comply with this solicitation's DVBE program requirement or the bid may be considered non-responsive.

Information submitted by the Bidder to comply with this solicitation's DVBE requirements will be verified by the State. If evidence of an alleged violation is found during the verification process, the State shall initiate an investigation, in accordance with the requirements of PCC §10115, et seq., and MVC §999 et seq., and follow the investigatory procedures required by 2 CCR §1896.91. Contractors found to be in violation of these provisions may be subject to suspension from doing business with the State of California, contract termination, civil penalties, and loss of State certifications.

Only State of California, Office of Small Business and DVBE Services (OSDS), certified Disabled Veteran Business Enterprises (hereafter called "DVBE") who will perform a commercially useful function (CUF) shall be used to satisfy the DVBE requirements. The term "DVBE contractor, subcontractor or supplier" means any person or entity that satisfies the ownership (or management) and control requirements of 2 CCR §1896.81, is certified in accordance with 2 CCR §1896.84, and provides services or goods that contribute to the fulfillment of the contract requirements by performing a commercially useful function as required in MVC §999(B). A certification signed under penalty perjury that the work performed by DVBE subcontractors serves a CUF is required from the bidder per MVC §999.10(a)(3). Bidders must also verify each DVBE subcontractor's certification status with OSDS to ensure DVBE participation eligibility prior to submitting bids. A DVBE that is not certified at the time of award or does not meet and maintain certification cannot count towards an awarding department's 3-percent goal. {MVC §999.5(c)}

COMMERCIALLY USEFUL FUNCTION DEFINITION

As defined in MVC §999(B), a person or an entity is deemed to perform a "commercially useful function" if a person or entity does all of the following:

- Is responsible for the execution of a distinct element of the work of the contract.
- Carries out the obligation by actually performing, managing, or supervising the work involved.
- Performs work that is normal for its business services and functions.
- Is responsible, with respect to products, inventories, materials, and supplies required for the contract, for negotiating price, determining quality and quantity, ordering, installing, if applicable, and making payment.
- Is not further subcontracting a portion of the work that is greater than that expected to be subcontracted by normal industry practices.

CALIFORNIA DISABLED VETERAN BUSINESS ENTERPRISE (DVBE)**PROGRAM REQUIREMENTS**

(Revision Date 1-2022)

A contractor, subcontractor, or supplier will not be considered to perform a "commercially useful function" if the contractor's, subcontractor's, or supplier's role is limited to that of an extra participant in a transaction, contract, or project through which funds are passed in order to obtain the appearance of disabled veteran business enterprise participation.

DVBE SUBSTITUTION

Bidders must use the DVBE subcontractors or suppliers proposed in the bid. Any substitutions must be requested in writing to the awarding department and approved by both the awarding department and OSDS in writing prior to the commencement of any work by the proposed DVBE. The substitution must be to perform the same work and shall maintain the minimum level of DVBE participation stated in original bid. {MVC §999.5(g)}

DVBE SUBCONTRACTOR REPORTING

Bidders awarded a contract with a commitment to use DVBE subcontractors must certify, upon completion of contract, that all payments have been made to the DVBE subcontractors by submitting the Prime Contractor's - DVBE Subcontracting Report (STD 817). For such contracts awarded on or after January 1, 2021, the department will withhold \$10,000 from the final payment, or the full payment if the final payment is less than \$10,000 from prime contractors, until the complete and accurate STD 817 is received. Failure to submit this certification after given the opportunity to cure, will result in the department permanently deducting \$10,000 from the final payment or the full payment if less than \$10,000. {MVC §999.7}

Prime contractor shall provide proof of payments made to DVBE subcontractors at the request of the department. The department shall keep all information provided by the prime contractor regarding the DVBE program requirements in the procurement file for six years. {MVC §999.55}

- e. DGS PD 843 DVBE Declarations form for all DVBE participants (prime or sub).

DVBE BID INCENTIVE

Unless stated elsewhere in the solicitation that the DVBE incentive has been waived, in accordance with Section 999.5(a) of the Military and Veterans Code an incentive will be given to bidders who provide DVBE participation. For evaluation purposes only, the State shall apply an incentive to bids that propose California certified DVBE participation as identified on the Bidder Declaration DGS PD-05-105, (located elsewhere within the solicitation document) and confirmed by the State. The incentive amount for awards based on low price will vary in conjunction with the percentage of DVBE participation. Unless a table that replaces the one below has been expressly established elsewhere within the solicitation, the following percentages will apply for awards based on low price.

Confirmed DVBE Participation of:	DVBE Incentive:
5% or Over	5%
4% to 4.99% inclusive	4%
3% to 3.99% inclusive	3%

As applicable: (1) Awards based on low price - the net bid price of responsive bids will be reduced (for evaluation purposes only) by the amount of DVBE incentive as applied to the lowest responsive net bid price. If the #1 ranked responsive, responsible bid is a California certified small business, the only bidders eligible for the incentive will be California certified small businesses. The incentive adjustment for awards based on low price cannot exceed 5% or \$100,000, whichever is less, of the #1 ranked net bid price. When used in combination with a preference adjustment, the cumulative adjustment amount cannot exceed \$100,000.

(2) Awards based on highest score - the solicitation shall include an individual requirement that identifies incentive points for DVBE participation.

A. Introduction and Background

As mandated by the California Fair Employment and Housing Act (Government Code 12900-12996) and the Americans with Disabilities Act of 1990, the California Department of Social Services (CDSS) and [California Health and Human Services \(CalHHS\) Departments and Offices](#) may be required to provide in-person consecutive and simultaneous sign language interpreting services as part of the language access framework to Deaf, DeafBlind, Deaf Disabled, Hard of Hearing, and Late-Deafened (DDBDDHHLD) applicants, employees, and participants in CalHHS Departments' and Offices' sponsored activities, including but not limited to, public meetings, trainings, conferences, and sight translations.

B. Contractor Responsibilities

1. The Contractor shall provide in-person certified sign language interpreting services on an "as-needed" basis to meet the language access needs of participants in CalHHS Departments' and Offices' sponsored activities. The communication modes for services provided may include, but are not limited to, American Sign Language (ASL), Trilingual Services (ASL, English, and other language), Total Communication, Oral Communication, ProTactile, Tactile or Close Vision Communication, Lip-reading, sight translation (documents and web-based content) and Voice to Text Services, which provide spoken or signed communication in English text format, or by any such means as may be required to provide language access to persons who are DDBDDHHLD.
2. The Contractor shall provide one or more in-person certified sign language interpreters for current and prospective CalHHS Departments' and Offices' applicants, employees, and participants in a variety of situations, which may include, but are not limited, to conferences, meetings, and trainings.
3. The Contractor shall use a Certified and/or Deaf Interpreter (CDI/DI) for sight translations services.
4. All equipment used by the Contractor must be the property of the Contractor, who shall be fully responsible for all maintenance and service required to ensure that there are no delays or disruptions to the services provided under this Agreement.
5. The Contractor shall be in business for the primary purpose to provide sign language interpreting services for persons who are DDBDDHHLD.

8. The Contractor shall comply with all applicable state and federal statutes and regulations that prohibit discriminatory treatment based on legally protected classes, including, but not limited to, sex (including sex orientation and gender identity), race, color, age, religion, national origin, disability, medical condition, genetic information, and ethnic origin.

C. ASL Interpreting Terms and Conditions

1. Multiple Interpreter Requests

- a. For requests of longer than one hour in duration, two sign language interpreters (a team) may be required. Communication Access Services (CAS) Coordinators shall utilize standard practices within the interpreting profession to determine if a second sign language interpreter is required. The Contractor shall provide an additional sign language interpreter when requested and the additional sign language interpreter shall be paid at the interpreting rate identified within this Agreement.
- b. When two sign language interpreters are hired for an assignment and only one sign language interpreter arrives at the assignment, the sign language interpreter shall inform the person(s) involved that they shall provide services, but only for up to a maximum of one hour unless an additional sign language interpreter arrives, at which time both interpreters shall continue with the team assignment. The sign language interpreter shall notify the Contractor and CDSS CAS Coordinators of the “no show,” as defined below.

2. No-Show

A “no-show” is when the interpreter or participant does not report at the time requested.

- a. If the interpreter(s) does not report to an interpreting assignment, and no suitable substitute interpreter is provided by the Contractor by the scheduled start time, CDSS may cancel the assignment without penalty or charge by the Contractor.
- b. If a CalHHS participant “no-show” occurs, and sign language interpreters commit and appear for an interpreting assignment, the Contractor shall be compensated for the assigned hours of service. If interpreting services are cancelled on site by the client or by the requesting representative or the client is a no-show, the scheduled sign language interpreters shall contact the CDSS CAS Coordinators immediately. Failure to contact CDSS shall result in the Contractor not being compensated for the assigned hours. In some instances,

**Exhibit A
(Standard Agreement)**

the sign language interpreters may be redirected to cover alternate interpreting needs during the requested time.

- c. If an emergency prevents the sign language interpreter(s) from either completing or showing up for an assignment, the sign language interpreters shall notify the Contractor and CDSS CAS Coordinators immediately and the Contractor shall not bill CDSS for those costs.
3. If the Contractor can only fulfill a portion of a request, the Contractor will notify the CDSS CAS coordinators immediately and shall invoice CDSS only for the time for which interpreting services were provided.
4. At any time, confirmed interpreter(s) may be redirected by CDSS CAS Coordinators to cover other interpreting needs during their requested date and time frame if the need arises. Failure to comply shall result in the Contractor not being compensated for the assigned hours.
5. The Contractor shall provide a sign language interpreter to fill the assignment. If a sign language interpreter cannot be provided, the Contractor shall notify the CDSS CAS Coordinators immediately and no later than 24 hours after receiving the standard notification request as specified in Section K of this Scope of Work.
6. The Contractor's sign language interpreters shall adhere to the national Registry of Interpreters for the Deaf (RID), Inc. Code of Professional Conduct in connection with all duties related to this Agreement.
7. The terms of this Agreement shall be governed by the CDSS Confidentiality and Information Security Requirements, as set forth in Exhibit E – Attachment 1.

D. Travel

The Contractor shall not be reimbursed for any travel-related expenses. Any and all travel shall be at the expense of the Contractor.

E. Service Locations

The Contractor's sign language interpreters shall service the State of California at CalHHS Departments' and Offices' premises, as well as at other in-person locations within Sacramento County and any other counties located within a 50-mile radius of Sacramento County, as specified in the standard notification request.

**Exhibit A
(Standard Agreement)**

2. [State holidays](#) are excluded, unless otherwise stated in the standard notification request.

G. Personnel

1. Throughout the term of the Agreement, the Contractor shall maintain a pool of sign language interpreters with current certifications as stipulated in Section H, Certification Requirements.
2. The Contractor shall provide a list of names, upon CDSS request, of all the sign language interpreters who shall provide services in accordance with this Agreement, along with a legible copy of their current RID membership cards indicating certification as specified in Section H of this Scope of Work. Throughout the term of the Agreement, the Contractor's sign language interpreters shall possess and maintain a valid certification from the recognized certifying agencies. The Contractor shall also provide CDSS with updated documents, as necessary, to maintain a current list of all sign language interpreters providing services under this Agreement.

H. Certification Requirements

Throughout the term of the Agreement, all sign language interpreters shall hold a valid and current certification with membership by the following recognized certifying agencies:

Exhibit A
(Standard Agreement)

4. For sight translations, the contracted CDI/DI shall be proficient in sight translation of written English into ASL.

I. Compensation to the Contractor

1. CDSS shall compensate the Contractor only for approved assigned starting and ending times, unless otherwise preapproved in writing by the CDSS CAS Coordinators or Project Representative and the Contractor.
2. The Contractor shall adhere to a two (2) hour minimum requirement for all In-Person interpreting requests per interpreter, as detailed in the Exhibit B- Attachment 1, Rate Sheet. Any time beyond the initial two (2) hour minimum shall be billed in 15-minute increments. If an interpreter is requested for two (2) hours or longer, but the Contractor is unable to provide services for the full requested duration, billing shall only reflect the actual time services were provided, even if that time is less than the two (2) hour minimum.
3. In the event the assigned scheduled end time is extended and preapproved by the CDSS CAS Coordinators, service billings may be adjusted to round up to the nearest 15-minute increment.
4. If sign language interpreters have agreed to interpret more hours than initially assigned, the additional hours and associated costs must be preapproved by the CAS Coordinators. Failure to get preapproval from the CAS Coordinators shall result in the Contractor not being compensated for the additional hours.
5. The Contractor shall ensure no sign language interpreter(s) is scheduled for a request if they are on CDSS' or the Deaf employees do not use list. If this happens, the Contractor shall immediately replace the assigned sign language interpreter. The Contractor shall not be compensated for the mis scheduled interpreter(s).

J. Standard Notification/Confirmation of Requests

1. When possible, the CDSS CAS Coordinator(s) shall provide the Contractor with a standard notification request via email at least 48 hours prior to assignment.
2. The Contractor shall provide interpreting services upon 48 hours or more advance notice. Occasionally, CDSS may request services with less than 48 hours' notice. In this case, the Contractor shall make every effort to fill the assignment. All contact between the Contractor and CDSS shall be handled through email, except for requests with less than 48 hours' notice. These assignments may initially be requested by phone and followed up with in a confirming email.

**Exhibit A
(Standard Agreement)**

3. If the Contractor cannot fulfill an interpreting request, the Contractor shall notify the CDSS CAS Coordinator(s) as soon as possible, but no later than 48 hours prior to the requested appointment time, stating that the request cannot be filled.

K. Standard Notification of Cancellations/Billing Rate

1. The Contractor shall not bill for cancellation of services if CDSS notifies the Contractor of the cancellation at least 48 hours prior to the assignment date and time.
2. CDSS shall make every effort to notify the Contractor at least 48 hours in advance should a scheduled request be cancelled. If a cancellation is given to the Contractor with less than 48 hours' notice, CDSS may be charged for the scheduled time. If CDSS has not received an interpreter confirmation email from the Contractor at the time of cancellation, CDSS shall not incur any billing.

L. Disqualification of Sign Language Interpreters

1. Should the Contractor's sign language interpreters "no show" three times within an Agreement year, without the agreed upon 24-hour notification to CDSS, this may be grounds for cancellation of the Agreement.
2. CDSS may, at its election, request a replacement interpreter satisfactory to CDSS. If CDSS exercises this option and replacement sign language interpreter(s) cannot be provided in a timely manner for the originally scheduled assignment, CDSS shall make every effort to adjust the scheduled request to assist the Contractor in the provision of requested services. This shall not constitute a "no show".
3. If the Contractor fails to fill interpreter requests ("no fill") more than five times within an Agreement year, CDSS may consider this a material breach and grounds for cancellation of the Agreement. CDSS reserves the right to determine whether circumstances warrant cancellation.

M. CDSS Responsibilities

2. Conduct an orientation meeting with the Contractor within ten (10) working days of the Agreement execution to discuss procedures and contract expectations.
