At the bid opening each bidder shall be presumed to have read and be familiar with the contract documents.

11. BID EVALUATION

a. Each Bid timely received and in the County's hands at the time set forth for the Bid opening shall constitute an offer to perform the Agreement on the terms and conditions thereof, in strict accordance with the Agreement documents, and all other requirements, all for the Bid total. For good cause and valuable consideration, the sufficiency of which is acknowledged by submittal of a Bid, each Bidder promises and agrees that its Bid shall be irrevocable for a period of **sixty calendar days** after the Bid opening and will not be withdrawn or modified during that time. The County may accept any Bid by giving the Bidder Written Notice of acceptance during that time. If necessary, the period of time specified may be extended by written agreement between the County and the Bidder or Bidders concerned.

b. After the Bids have been opened and before any award is made, the County will evaluate the Bid process, the Bid total, the supplements to the Bid form, Bidder's experience, proposed Subcontractors and equipment manufacturers and other data relating to Bidders' responsibility and qualifications to perform the Agreement satisfactorily.

c. All extension of the unit prices shown, and the subsequent addition of extended amounts may be verified by the County. In the event of a discrepancy between the unit price bid and the extension, the unit price will be deemed intended by the Bidder and the extension shall be adjusted. In the event of a discrepancy between the sum of the extended amounts and the bid total, the sum of the extended amounts shall govern.

d. Bidder may be required to submit, in writing, the addresses of any proposed Subcontractors or Equipment manufacturers listed on the Bid, and to submit other material information relative to proposed Subcontractors or Equipment manufacturers. responsible and responsive Bid is received, the County may in its sole discretion, elect to conduct a price or cost analysis of the Bid. Such Bidder shall cooperate with such analysis and provide such supplemental information as may be required. The determination whether to enter into an Agreement with such sole Bidder shall be solely within the County's discretion and not dependent upon performance of a price or cost analysis.

f. Bids will be evaluated on the basis of determining the lowest Bid total of a Bidder, not including alternates, whose Bid is responsive to the Invitation to Bid and who is determined to be technically, financially and otherwise responsible to perform the Agreement satisfactorily, and to meet all other requirements of the Bidding Documents relating thereto. Any Bid may be rejected if it is determined by the County to be non-responsive, provided, however, that the Commission reserves the right to waive any irregularities or technicalities which it determines, within its sole discretion, to be minor in nature and in the interest of the public. Furthermore, any Bid may be rejected if it is determined by the County, in its sole discretion, that the Bidder is not capable of performing the Agreement satisfactorily based upon review of its experience and technical and financial capabilities, or the failure of such bidder to provide information requested relating to such determination. Additionally, the County reserves the right to disqualify Bids, before and after the bid opening, upon evidence of collusion with intent to defraud or other illegal practices upon the part of any Bidder(s).

g. The County intends to award the Agreement at the earliest practicable date to the lowest responsive, responsible Bidder(s), provided that the Bid is within the funds available for the project. In addition, the County reserves the right to reject all Bids if it determines, in its sole discretion, that the public interest will be best served by doing so.

SECTION 8 SAMPLE CONTRACT

8.1 FULTON COUNTY CONTRACTUAL REQUIREMENTS – BACKGROUND

As a government entity, Fulton County Government (“County”) is governed by a number of statutes, rules, policies and requirements that may restrict or prevent the County from entering into certain types of contracts or certain contractual terms and conditions, some of these requirements are non-negotiable.

8.2 CONTRACT TERMS AND CONDITIONS

The County intends to execute a contract substantially similar to the Sample Contract provided. The Contractor must comply with the terms and conditions set forth in the Sample Contract. No changes to the terms and conditions will be permitted without prior written approval from the County’s Purchasing Agent. The Sample Contract is attached for your review. Proposed terms and conditions that conflict with those contained in the attached Sample Contract or that diminish the County’s rights under the contract shall be considered null and void and will not be considered.

8.3 CONTRACTUAL TERMS AND CONDITIONS – NO MATERIAL CHANGES

8.3.1 Indemnification and Insurance

The Finance Department, Risk Management Division is responsible for establishing guidelines for indemnification and insurance provisions in County contracts. The indemnification and insurance requirements contained in the attached contract are pursuant to those guidelines. The County shall not be deemed to have accepted any alteration of these provisions without prior written approval to the Offeror from the County.

Indemnification

Indemnification is a contractual clause by which one party to a contract asks the other party to defend it against any claims or third parties who might be injured as a result of something that occurs while the parties are performing their duties and obligations under the contract. In accordance with Georgia law, the County cannot enter into agreements indemnifying Contractors/Consultants, or any other entity, against third party claims. Be advised that the County will not agree to clauses to indemnify a Contractor/Consultant “to the extent permitted by law.”

Insurance

Upon receipt of the Notice of Intent to Award, the successful offeror must obtain the required insurance coverage and provide the County with proof of coverage prior to contract approval. The coverage must be satisfactory to the County as outlined in Section 4, Insurance and Risk Management provisions and Indemnification and Hold Harmless provisions of this ITB.

8.3.2 Limitation of Liability

The County is prohibited from limiting direct damages, including those resulting from property damage or personal injury. Any request by a Bidder to the County to limit direct damages will not be considered.

8.3.3 Waivers of Jurisdiction and Venue

The County will not consider requests or contractually agree to change the jurisdiction or be subject to the laws of another state or federal courts.

8.3.4 Alternative Dispute Resolution/Mediation

The County will not consider requests or contractually agree to include alternative dispute methods.

8.3.5 Confidentiality

Fulton County Government and all of its agencies are subject to the State of Georgia public record laws. The County cannot agree to contractual terms that attempt to prevent it from having to disclose records that are declared public records under applicable statutes.

8.4 EXCEPTIONS TO THE COUNTY'S CONTRACT

As noted in Section 1, Instructions to Bidders, Item 31, if an Bidder takes exception to any term or condition set forth in the Sample Contract, see Section 8 of this ITB, and any of its exhibits, appendices or attachments, said exceptions must be clearly identified in the response to this ITB. Exceptions or modifications to any of the terms and conditions must be submitted as a separate document accompanying the Bidder's response clearly marked as "Exceptions."

The County shall be the sole determiner of the acceptability of any exception(s).

ARTICLE 18. INDEMNIFICATION

18.1 Non-Professional Services Indemnification. Contractor hereby agrees to indemnify and hold harmless Fulton County, its Commissioners and their respective officers, members, employees, and agents (each, hereinafter referred to as an "Indemnified Person") from and against any and all claims, demands, liabilities, losses, costs or expenses, including attorneys' fees due to liability to a third party or parties, for any loss due to bodily injury (including death), personal injury, and property damage arising out of or resulting from the performance of this Agreement or any act or omission on the part of the Contractor, its agents, employees or others working at the direction of Contractor or on its behalf, or due to any breach of this Agreement by the Contractor or due to the application or violation of any pertinent Federal, State or local law, rule or regulation. This indemnification is binding upon to the successors and assigns of Contractor. This indemnification does not extend to the sole negligence of the Indemnified Persons nor beyond the scope of this Agreement and the work undertaken thereunder. This indemnification survives the termination of this Agreement and shall also survive the dissolution or to the extent allowed by law, the bankruptcy of Contractor.

Contractor obligation to indemnify and hold harmless, as set forth hereinabove, shall also include, but is not limited to, any matter arising out of any actual or alleged infringement of any patent, trademark, copyright, or service mark, or other actual or alleged unfair competition disparagement of product or service, or other tort or any type whatsoever, or any actual or alleged violation of trade regulations.

Contractor further agrees to indemnify and hold harmless Fulton County, its Commissioners, officers, employees, subcontractors, successors, assigns and agents from and against any and all claims or liability for compensation under the Worker's Compensation Act, Disability Benefits Act, or any other employee benefits act arising out of injuries sustained by any employees of Contractor. These indemnities shall not be limited by reason of the listing of any insurance coverage.

18.2 Notice of Claim. If an Indemnified Person receives written notice of any claim or circumstance which could give rise to indemnified losses, the receiving party shall promptly give written notice to Contractor and shall use best efforts to deliver such written notice within ten (10) Business Days. The notice must include a copy of such written notice of claim, or, if the Indemnified Person did not receive a written notice of claim, a description of the indemnification event in reasonable detail and the basis on which indemnification may be due. Such notice will not stop or prevent an Indemnified Person from later asserting a different basis for indemnification. If an Indemnified Person does not provide this notice within the ten (10) Business Day period, it does not waive any right to indemnification except to the extent that Contractor is prejudiced, suffers loss, or incurs additional expense solely because of the delay.

18.3 Defense. Contractor, at Contractor's own expense, shall defend each such action, suit, or proceeding or cause the same to be resisted and defended by counsel designated by the Indemnified Person and reasonably approved by Contractor (provided that in all instances the County Attorney of Fulton County Georgia shall be acceptable, and, for the avoidance of doubt, is the only counsel authorized to represent the County). If any such action, suit or proceedings should result in final judgment against the Indemnified Person, Contractor shall promptly satisfy and discharge such judgment or cause such judgment to be promptly satisfied and discharged. Within ten (10) Business Days after receiving written notice of the indemnification request, Contractor shall acknowledge in writing delivered to the Indemnified Person (with a copy to the County Attorney) that Contractor is defending the claim as required hereunder.

18.4 Separate Counsel.

18.4.1 Mandatory Separate Counsel. In the event that there is any potential conflict of interest that could reasonably arise in the representation of any Indemnified Person and Contractor in the defense of any action, suit or proceeding pursuant to Section 18.3 above or in the event that state or local law requires the use of specific counsel, (i) such Indemnified Person may elect in its sole and absolute discretion whether to waive such conflict of interest, and (ii) unless such Indemnified Person (and, as applicable, Contractor) elects to waive such conflict of interest, or in any event if required by state or local law, then the counsel designated by the Indemnified Person shall solely represent such Indemnified Person and, if applicable, Contractor shall retain its own separate counsel, each at Contractor's sole cost and expense.

18.4.2 Voluntary Separate Counsel. Notwithstanding Contractor's obligation to defend a claim, the Indemnified Person may retain separate counsel to participate in (but not control or impair) the defense and to participate in (but not control or impair) any settlement negotiations, provided that for so long as Contractor has complied with all of Contractor's obligations with respect to such claim, the cost of such separate counsel shall be at the sole cost and expense of such Indemnified Person (provided that if Contractor has not complied with all of Contractor's obligations with respect to such claim, Contractor shall be obligated to pay the cost and expense of such separate counsel). Contractor may settle the claim without the consent or agreement of the Indemnified Person, unless the settlement (i) would result in injunctive relief or other equitable remedies or otherwise require the Indemnified Person to comply with restrictions or limitations that adversely affect or materially impair the reputation and standing of the Indemnified Person, (ii) would require the Indemnified Person to pay amounts that Contractor or its insurer does not fund in full, (iii) would not result in the Indemnified Person's full and complete release from all liability to the plaintiffs or claimants who are parties to or otherwise bound by the settlement, or (iv) directly involves the County (in which case the County of Fulton County, Georgia shall be the only counsel authorized to represent the County with respect to any such settlement).
