Q1	Question: Drawings for fire Protection Design Do you have any Drawings of the DOT storage building? we need plans that are to scale for this building to price the fire sprinkler system. We also need plans on the 4 rooms in the sheriffs building that are to be protected with clean agent systems. Please get back with me on this request. Kevin Foley Fire Systems (678-249-5905) Answer: Attached are the drawings.	06/04/2026
