12. REMARKS

NAME: Moore, Rickey C DATE: 11 JUL 2022

The 1 uncoated first article shall be delivered to the government for material/process certification and dimensional testing. Contractor shall mark exterior container with 2" Red Lettering as follows: "FIRST ARTICLE". This exhibit will be destroyed during testing. The 2nd exhibit is for the contractor first article testing as described on the contractor first article test plan and includes form, fit, and function testing. If approved, this exhibit will be put in supply. The form, fit, function portion of the testing shall not commense until the contractor has received written notification that the exhibit delivered to the government has passed all tests. The contractor is responsible for testing all requirements in the Contractor Test Plan.

Request vendor provide prepaid shipping label to be used to return conditional approval or failure exhibits. Material Certifications, verification and inspection documentation, and contractor first article documentation are required and will be shipped with the exhibit, in electronic format (preferred). One First Article shall be delivered without the coating. Contract Distribution: One copy of contract and amendments to First Article Manager email to 782cbsg.afat@us.af.mil
