**Reference: BID ANNOUNCEMENT:
C007095 TRAFFIC MANAGEMENT MAINTENANCE - CONTINUING SERVICES**

We are pleased to invite you to participate on **Bid #C007095 Traffic Management Maintenance - Continuing Services**. The following link is to our new bidding platform, hosted by PlanetBids™, where you can find the bid documents: [BID LINK HERE](#).

Contractor shall provide inspections, planned maintenance and emergency repairs for the District's traffic management system. Contractor will make modifications, improvements and enhancements to the District's traffic management system as directed by Owner.

Contractor shall have on hand, and readily accessible, sufficiently staffed crews, vehicles, equipment, apparatus and materials to perform all work necessary to safely maintain and repair the traffic management system sites within the District, including but not limited to, traffic signals, emergency/flasher signals, intelligent transportation systems ("ITS"), signs and traffic management equipment listed in Section 4.

All work, equipment, materials and procedures are to meet or exceed the most recent Federal Highway Administration ("FHWA"), Florida Department of Transportation ("FDOT"), District and applicable standards and requirements. The District may add or delete traffic management system sites respectively to or from this contract over time.

A **Non-Mandatory Pre-Bid Meeting** will be conducted via Microsoft Teams on 06/22/2026 at 11:00 AM. The Teams meeting link and access information are provided below:

BuyLocalNow

Dear Prospective Vendor,

The Central Florida Tourism Oversight District ("District") encourages your company to register on our bid platform in order to receive bid invitations for upcoming projects related to your business. In addition to having access to our bids, the District has partnered with other governmental entities so your company's information will be shared, providing you with access to many other governmental bid opportunities. The bid platform is available for free. We have bid preferences for local vendors, veteran small businesses and opportunity zone businesses on most solicitations.

NOTE: you can **VIEW** documents without registering. However, all vendors must register to submit questions during the bid process and submit bids. We only accept bids electronically through the PlanetBids platform for transparency and fairness of competition.

Please register as a vendor now to be part of our CFTOD family!
