

CCSD Procurement Services Department is partnered with Euna Procurement (formerly Bonfire Interactive) for an online procurement portal that allows vendors to receive electronic notifications for IFB and RFP opportunities that originate from the Procurement Services Department. Vendors must register with the [Euna Procurement Portal](#) in order to receive notification of solicitation, view, and submit documents.

For Instructions on how to register in Euna Procurement click here: [Creating a Euna Procurement Account](#)

Vendors are reminded to select a commodity that is listed under Commodity Services Codes located on the [CCSD Procurement Services](#) website.
