APPENDIX A

CONTRACT COMPLIANCE REQUIREMENTS

APPENDIX A: CONTRACT COMPLIANCE REQUIREMENTS

SMALL LOCAL BUSINESS ENTERPRISE (SLBE) PROGRAM

Clayton County has implemented a Small Local Business Program to promote full and open competition in all government procurement and purchasing. Goals for participation of Small Local Business Enterprises (SLBEs) are set for specific NIGP codes on a contract-by-contract basis for each specific prime contract with subcontracting possibilities. All forms included in this section must be completed for a Bidder to be considered responsive. **This project does not have a SLBE subcontracting goal.** However, Clayton County encourages Bidder to utilize small businesses whenever possible.

SLBE means a locally-based small business operating inside or outside of Clayton County, which meets the following criteria:

1. Demonstrates that the firm's gross revenues or number of employees averaged over the past three years, inclusive of any affiliates as defined by 13 C.F.R. § 121.103 et al., does not exceed the size standards as defined pursuant to 13 C.F.R. §121.201 et al. which can be found at:

Size Standard Table

<https://www.sba.gov/size-standards/?ms=nid4060>

2. Demonstrates that the net worth of each owner does not exceed \$2,047,000.00 exclusive of principal residence and the value of the SLBE;
3. Provides information regarding the ethnicity and gender of its original owners; and
4. Demonstrates that the firm is located or has an office in **Cherokee, Clayton, Cobb, DeKalb, Douglas, Fayette, Fulton, Gwinnett, Henry, Rockdale, or Spalding**
5. SLBE's must perform a commercially useful function, which means performance or provision of real and actual services under a contract or subcontract with Clayton County. Factors such as the nature and amount of work subcontracted; whether the SLBE has the skill and expertise to perform the work for which it has been certified; whether the SLBE actually performs, manages or supervises the work; and whether the SLBE intends to purchase commodities and/or services from a non-SLBE and simply resell them will be considered in determining if the SLBE is performing a commercially useful function.

This package contains the following forms that Bidder are required to submit along with their bid:

1. **Statement of Successful Sub-contractors – A1**
2. **Letter of Intent to Perform as a Sub-contractor – A6:** submitted for each subcontractor. Any changes to the subcontractors listed in the bid must be approved by the Contract Compliance Division.

Addition/Removal or substitution of subcontractors MUST be approved by the Contract Compliance Division PRIOR to the sub performing work.

Monthly Utilization Reports are submitted on a monthly basis after the project has begun. ALL Monthly payment reports are to be submitted via online submission at

<https://claytoncounty.gob2g.com/>

Primes are required to report payments as well as NON ACTIVITY on a MONTHLY basis. Proof of sub payments documentation MUST also be uploaded into the reporting system at the time of payment reports. Tracking will take place on ALL subs, not just the certified firms, Letter of intent must be provided for EACH intended subcontractor on the project regardless of certification status.

Quarterly Subcontractor Performance Evaluations are required to be submitted for all subcontractors with sub agreements valued as \$25,000 and above.

A Compliance Kickoff will be scheduled to be held with the awarded bidder directly after the project kickoff meeting. This is a mandatory meeting to discuss compliance requirements on Clayton County projects for all contracts with certified SLBEs and/or sub agreements valued as \$25,000 and above.

Contact CCD at CentralServices.ContractCompliance@claytoncountyga.gov for any compliance-related questions.

By signing the bid, the Bidder is certifying that it has complied with the requirements of this Program. Please contact the Contract Compliance Division for a list of certified SLBE's.

APPENDIX B

BONDING AND INSURANCE REQUIREMENTS

APPENDIX B

BONDING AND INSURANCE REQUIREMENTS

A. Bonding Requirements

There are no Bonding Requirements for this ITB.

B. Insurance Requirements

Preamble

The following requirements shall apply to all work under the Contract. Compliance is required by all Contractors/Consultants. To the extent permitted by applicable law, Clayton County ("County") reserves the right to adjust or waive any insurance requirements contained in this Appendix B and applicable to the Contract.

1. Evidence of Insurance Required Before Work Begins

No work under the Contract may be commenced until all insurance requirements contained in this Appendix B, or required by applicable law, have been complied with and evidence of such is compliance satisfactory to County as to form and content and has been filed with County. Contractor/Consultant must provide County with a Certificate of Insurance and Endorsements that clearly and unconditionally indicate that Contractor/Consultant has complied with all insurance requirements set forth in this Appendix B and applicable to the Contract. If the Contractor/Consultant is a joint venture, the insurance certificate shall name the joint venture, rather than the joint venture partners individually, as the primary insured. In accordance with the solicitation documents applicable to the Contract at the time Contractor/Consultant submits to County its executed Contract, Contractor/Consultant must satisfy all insurance requirements required by this Appendix B and applicable by law and provide the required written documentation to County evidencing such compliance. In the event that Contractor/Consultant does not comply with such submittal requirements within the time period established by the solicitation documents or the transmittal correspondence, County may, in addition to any other rights it may have under the solicitation documents, the Contract or under applicable law, make a claim against any bid security provided by Contractor/Consultant, if any, or decline to enter into a contract with Contractor.

2. Minimum Financial Security Requirements

All companies providing insurance required by this Appendix B must meet certain minimum financial security requirements. These requirements must conform to the ratings published by A.M. Best & Co. in the current Best's Key Rating Guide - Property-Casualty. The ratings for each company must be indicated on the documentation provided by Contractor/Consultant to County certifying that all insurance requirements set forth in this Appendix B and applicable to the Contract have been unconditionally satisfied.

For all contracts, regardless of size, companies providing insurance or bonds under the contract must meet the following requirements:

- i) Best's Rating not less than A-VII,
- ii) Best's Financial Size Category not less than Class VII, and
- iii) Companies must be authorized to conduct and transact insurance contracts by the Insurance Commissioner, State of Georgia.
- iv) All bid, performance and payment bonds must be underwritten by a U.S. Treasury Circular 570 listed company.

If the issuing company does not meet these minimum requirements, or for any other reason is or becomes unsatisfactory to County, County will notify Contractor/Consultant in writing. Contractor/Consultant must promptly obtain a new policy or bond issued by an insurer acceptable to County and submit to County evidence of its compliance with these conditions.

Contractor/Consultant's failure to comply with all insurance minimum requirements set forth in this Appendix B and applicable to the Contract will not relieve Contractor/Consultant from any liability under the Contract. Contractor/Consultant's obligations to comply with all insurance requirements set forth in Appendix B and applicable to the Contract will not be construed to conflict with or limit Contractor/Consultant's indemnification obligations under the Contract.

3. Insurance Required for Duration of Contract

All insurance required by this Appendix B must be maintained during the entire term of the Contract, including any renewal or extension terms, and until all work has been completed to the satisfaction of the County. If Clayton County shall so request, the Contractor/Consultant will furnish the County for its inspection and approval such policies of insurance with all endorsements, or confirmed specimens thereof certified by the insurance company to be true and correct copies.

4. Notices of Cancellation & Renewal

Contractor/Consultant must, notify Clayton County in writing at the address listed below by mail, hand-delivery or facsimile transmission, within 2 days of any notices received from any insurance carriers providing insurance coverage under this Contract and Appendix B that concern the proposed cancellation, or termination of coverage.

Risk Management Division
Central Services Dept.
7994 N. McDonough St.
Jonesboro, GA 30236

Confirmation of any mailed notices must be evidenced by return receipts of registered or certified mail.

Contractor/Consultant shall provide the County with evidence of required insurance prior to the commencement of this Contract, and, thereafter, with a certificate and required endorsements evidencing renewals, replacements, or changes to required policies of insurance at least fifteen (15) days prior to the expiration of previously provided certificates.

5. Agent Acting as Authorized Representative

Each and every agent acting as Authorized Representative on behalf of a company affording coverage under this contract shall warrant when signing the Certificate of Insurance that specific authorization has been granted by the Companies for the Agent to bind coverage as required and to execute the Certificates of Insurance as evidence of such coverage. Clayton County coverage requirements may be broader than the original policies; these requirements have been conveyed to the Companies for these terms and conditions.

In addition, each and every agent shall warrant when signing the Accord Certificate of Insurance that the Agent is licensed to do business in the State of Georgia and that the Company or Companies are currently in good standing in the State of Georgia.

6. Certificate Holder

Clayton County, GA, 7994 N. McDonough St., Jonesboro, GA 30236, must be named as certificate holder. All notices must be mailed to the attention of **Risk Management at 7994 N. McDonough St., Jonesboro, GA 30236**.

7. Project Number & Name

The project number and name may be referenced in the description section of the insurance certificate.

8. Additional Insured Endorsements

The County must be covered as Additional Insured under all insurance (except Worker's Compensation, Automobile Liability and Professional Liability) required by this Appendix B and such insurance must be primary with respect to the Additional Insured. Contractor/Consultant must submit to County an Additional Insured Endorsement Evidencing County's rights as an Additional Insured for each policy of insurance under which it is required to be an additional insured pursuant to this Appendix B. Endorsement must not exclude the Additional Insured from Products - Completed Operations coverage. The County shall not have liability for any premiums charged for such coverage. The Endorsement must include the following verbiage: "Clayton County, GA, its appointed and

elected Officials, departments, agencies, boards, commissions, officers, agents, employees and volunteers as additional insureds with respect to liability arising out of the activities performed by or on behalf of the Contractor/Consultant.”

9. Waiver of Subrogation Endorsement

The Workers’ Compensation policy must contain a Waiver of Subrogation Endorsement in favor of Clayton County including the following verbiage, “Clayton County, GA, its appointed and elected Officials, departments, agencies, boards, commissions, officers, agents, employees and volunteers for losses arising from work performed by or on behalf of the Contractor/Consultant.”

10. Mandatory Sub-Contractor/Consultant Compliance

It is the sole responsibility of the general Contractor/Consultant to ensure all sub-Contractors/Consultants working under it have separately procured any and all types and limits of insurance that is required under any and all pertinent local, state, federal, ordinances or resolutions that are suitable for the particular trade that the sub-Contractor/Consultant is performing. It is also the sole responsibility of the general and/or prime Contractor/Consultant to ensure any and all sub-Contractors/Consultants or vendors carry types and limits of insurance not less than those listed herein and that the sub-Contractors/Consultants and/or vendors carry and/or procure endorsements to waive all subrogation rights against and name “Clayton County, GA, its appointed and elected Officials, departments, agencies, boards, commissions, its officers, agents, employees and volunteers” as additional insureds per this Appendix B.

11. Self- Insured Retentions, Deductibles or Similar Obligations

Any self-insured retention, deductible or similar obligation will be the sole responsibility of the Contractor/Consultant.

12. Task Order

Evidence of compliance with insurance requirements must be provided on a Task Order basis prior to the issuance of any Notice to Proceed. Additional Insurance Requirements may be mandatory for particular Task Orders as required.

13. Coverage Limits

Coverage provided by the Contractor/Consultant shall not be limited to the liability assumed under the indemnification provisions of the Contract.

14. Non-limitation on the Contractor’s/Consultants Liability

The obligations for the Contractor/Consultant to procure and maintain insurance shall not be construed to waive or restrict other obligations and it is understood that insurance in no way limits liability of the Contractor/Consultant whether or not same is covered by insurance.

15. Use of Premises

The Contractor/Consultant shall confine its apparatus, material and the operations of its workers to limits/requirements indicted by law, ordinances, permits, codes and any restriction of Contractor/Consultant and shall not unreasonably encumber the premises with its materials or supplies.

C. Coverage Types and Limits

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

must obtain your correct taxpayer identification number (TIN), which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid).
- Form 1099-DIV (dividends, including those from stocks or mutual funds).
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds).
- Form 1099-NEC (nonemployee compensation).
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers).
- Form 1099-S (proceeds from real estate transactions).
- Form 1099-K (merchant card and third-party network transactions).
- Form 1098 (home mortgage interest), 1098-E (student loan interest), and 1098-T (tuition).
- Form 1099-C (canceled debt).
- Form 1099-A (acquisition or abandonment of secured property).

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

Caution: If you don't return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See *What is backup withholding*, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued);
2. Certify that you are not subject to backup withholding; or
3. Claim exemption from backup withholding if you are a U.S. exempt payee; and
4. Certify to your non-foreign status for purposes of withholding under chapter 3 or 4 of the Code (if applicable); and
5. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting is correct. See *What is FATCA Reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding. Payments made to foreign persons, including certain distributions, allocations of income, or transfers of sales proceeds, may be subject to withholding under chapter 3 or chapter 4 of the Code (sections 1441-1474). Under those rules, if a Form W-9 or other certification of non-foreign status has not been received, a withholding agent, transferee, or partnership (payor) generally applies presumption rules that may require the payor to withhold applicable tax from the recipient, owner, transferor, or partner (payee). See Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*.

The following persons must provide Form W-9 to the payor for purposes of establishing its non-foreign status.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the disregarded entity.
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the grantor trust.
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust and not the beneficiaries of the trust.

See Pub. 515 for more information on providing a Form W-9 or a certification of non-foreign status to avoid withholding.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person (under Regulations section 1.1441-1(b)(2)(iv) or other applicable section for chapter 3 or 4 purposes), do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515). If you are a qualified foreign pension fund under Regulations section 1.897(l)-1(d), or a partnership that is wholly owned by qualified foreign pension funds, that is treated as a non-foreign person for purposes of section 1445 withholding, do not use Form W-9. Instead, use Form W-8EXP (or other certification of non-foreign status).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a saving clause. Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if their stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first Protocol) and is relying on this exception to claim an exemption from tax on their scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include, but are not limited to, interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third-party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester;
2. You do not certify your TIN when required (see the instructions for Part II for details);
3. The IRS tells the requester that you furnished an incorrect TIN;
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only); or
5. You do not certify to the requester that you are not subject to backup withholding, as described in item 4 under "*By signing the filled-out form*" above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding*, earlier.

What Is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all U.S. account holders that are specified U.S. persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you are no longer tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account, for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

• **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note for ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040 you filed with your application.

• **Sole proprietor.** Enter your individual name as shown on your Form 1040 on line 1. Enter your business, trade, or "doing business as" (DBA) name on line 2.

• **Partnership, C corporation, S corporation, or LLC, other than a disregarded entity.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

• **Disregarded entity.** In general, a business entity that has a single owner, including an LLC, and is not a corporation, is disregarded as an entity separate from its owner (a disregarded entity). See Regulations section 301.7701-2(c)(2). A disregarded entity should check the appropriate box for the tax classification of its owner. Enter the owner's name on line 1. The name of the owner entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For

example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2. If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, enter it on line 2.

Line 3a

Check the appropriate box on line 3a for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3a.

Line 3b

Check this box if you are a partnership (including an LLC classified as a partnership for U.S. federal tax purposes), trust, or estate that has any foreign partners, owners, or beneficiaries, and you are providing this form to a partnership, trust, or estate, in which you have an ownership interest. You must check the box on line 3b if you receive a Form W-8 (or documentary evidence) from any partner, owner, or beneficiary establishing foreign status or if you receive a Form W-9 from any partner, owner, or beneficiary that has checked the box on line 3b.

Note: A partnership that provides a Form W-9 and checks box 3b may be required to complete Schedules K-2 and K-3 (Form 1065). For more information, see the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

If you are required to complete line 3b but fail to do so, you may not receive the information necessary to file a correct information return with the IRS or furnish a correct payee statement to your partners or beneficiaries. See, for example, sections 6698, 6722, and 6724 for penalties that may apply.

IF the payment is for . . .	THEN the payment is exempt for . . .
• Interest and dividend payments	All exempt payees except for 7.

• Payments over \$600 required to be reported and direct sales over \$5,000 ¹	Generally, exempt payees 1 through 5. ²

¹See Form 1099-MISC, Miscellaneous Information, and its instructions.

²However, the following payments made to a corporation and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees, gross proceeds paid to an attorney reportable under section 6045(f), and payments for services paid by a federal executive agency.

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) entered on the line for a FATCA exemption code.

A—An organization exempt from tax under section 501(a) or any individual retirement plan as defined in section 7701(a)(37).

B—The United States or any of its agencies or instrumentalities.

D—A corporation the stock of which is regularly traded on one or more established securities markets, as described in Regulations section 1.1472-1(c)(1)(i).

E—A corporation that is a member of the same expanded affiliated group as a corporation described in Regulations section 1.1472-1(c)(1)(i).

F—A dealer in securities, commodities, or derivative financial instruments (including notional principal contracts, futures, forwards, and options) that is registered as such under the laws of the United States or any state.

G—A real estate investment trust.

J—A bank as defined in section 581.

K—A broker.

L—A trust exempt from tax under section 664 or described in section 4947(a)(1).

M—A tax-exempt trust under a section 403(b) plan or section 457(g) plan.

Note: You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, enter "NEW" at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have, and are not eligible to get, an SSN, your TIN is your IRS ITIN. Enter it in the entry space for the Social security number. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/EIN. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or Form SS-4 mailed to you within 15 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and enter "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, you will generally have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon. See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding*, earlier, for when you may instead be subject to withholding under chapter 3 or 4 of the Code.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third-party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information, such as your name, SSN, or other identifying information, without your permission to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax return preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity, or a questionable credit report, contact the IRS Identity Theft Hotline at 800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 877-777-4778 or TTY/TDD 800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Go to www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and territories for use in administering their laws. The information may also be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payors must generally withhold a percentage of taxable interest, dividends, and certain other payments to a payee who does not give a TIN to the payor. Certain penalties may also apply for providing false or fraudulent information.

UNAUTHORIZED GOODS OR SERVICES

Supplier acknowledges that this Contract and any changes to it by amendment, modification, change order or other similar document may have required or may require the legislative authorization of the County's Board of Commissioners. Under Georgia law, Supplier is deemed to possess knowledge concerning the County's ability to assume contractual obligations and the consequences of Supplier's provision of goods or services to the County under an unauthorized contract, amendment, modification, change order or other similar document, including the possibility that the Supplier may be precluded from recovering payment for such unauthorized goods or services. Accordingly, Supplier agrees that if it provides goods or services to the County under a Contract that has not received proper legislative authorization or if Supplier provides goods or services to the County in excess of the contractually authorized goods or services, as required by the County's Code of Ordinance, the County may withhold payment for any unauthorized goods or services provided by Supplier. Supplier assumes all risk of non-payment for the provision of any unauthorized goods or services to the County, and it waives all claims to payment or to other remedies for the provision of any unauthorized goods or services to the County, however characterized, including, without limitation, all remedies at law or equity.

ARTICLE 17
AUDIT AND INSPECTION RIGHTS

- 17.1 General.** Supplier will provide to County, and any Person designated by County, access to Supplier Personnel and to Supplier owned Facilities for the purpose of performing audits and inspections of Supplier, Supplier Personnel and/or any of the relevant information relating to the Work and this Contract. Such audits, inspections and access may be conducted to verify the accuracy of Charges and invoices; examine Supplier's performance of the Work; monitor compliance with the terms of this Contract; and any other matters reasonably requested by County. Supplier shall provide full cooperation to County and its designated Persons in connection with audit functions and examinations by regulatory authorities.
- 17.2** All audits and inspections will be conducted during business hours (except with respect to Work performed during off-hours). Supplier shall promptly respond to and rectify the deficiencies identified in and implement changes suggested by any audit or inspection report. If any audit or inspection of Charges or Work reveals that County has overpaid any amounts to Supplier, Supplier shall promptly refund such overpayment and Supplier shall also pay to County interest on the overpayment amount at the rate of one-half percent (0.5%) per month (or such maximum rate permissible by applicable law, if lower) from the date the overpayment was made until the date the overpayment is refunded to County by Supplier.
- 17.3 Records Retention.** Until the later of six (6) years after expiration or termination of this Contract; the date that all pending matters relating to this Contract (e.g., disputes) are closed or resolved by the Parties; or the date such retention is no longer required to meet County's records retention policy or any record retention policy imposed by Applicable Law, if more stringent than County's policy, Supplier will maintain and provide access upon request

ARTICLE 18
MISCELLANEOUS PROVISIONS

- 18.1 Entire Agreement.** This Contract constitutes the entire agreement between the parties, and as of its effective date supersedes all prior or independent agreements between the parties covering the subject matter hereof and all representations, warranties, inducements, promises or contracts, oral or otherwise, between the parties not embodied in this Contract shall be of no force or effect.
- 18.2** County hereby engages the Supplier, and the Supplier hereby agrees to provide the services and/or products set forth herein in accordance with this Contract, consisting of the following documents, attached hereto, and incorporated by reference:
- 18.2.1** Amendments or Change Orders as mutually agreed and signed by both parties;
 - 18.2.2** The Supplier's insurance certificates;
 - 18.2.3** The Supplier's licenses; and
 - 18.2.4** Appendices A – C; and Attachments A and B and Exhibit A.

- 18.3 Change Orders.** County and the Supplier hereby agree, no modification or amendment to this Contract shall be binding upon the parties unless the same is in writing, conforms to the County's policies and procedures governing change orders, is signed by County's and the Supplier's duly authorized representatives in the same manner as this Contract is executed.
- 18.4 Severability.** If a provision hereof shall be finally declared void or illegal by any court or administrative agency having jurisdiction, the entire Contract shall not be void, but the remaining provisions shall continue in effect as nearly as possible in accordance with the original intent of the parties.
- 18.5 Headings.** The headings used in this Contract are intended for convenience and reference only and do not define or limit the scope or meaning of any provision of this Contract.
- 18.6 Force Majeure.** Neither party shall be held to be in breach of this Contract because of any failure to perform any of its obligations hereunder if said failure is due to any natural disaster, act of God, act of terrorism, fire, flood, accident, strike, riot, insurrection, war, labor disputes or stoppages, government acts or orders, epidemics, pandemics or outbreak of communicable disease, quarantines, national, regional or local emergencies or any other cause whether similar in kind to the foregoing or otherwise, over which that party has no control. Such party shall give notice and full particulars of such Force Majeure in writing to the other party within a reasonable time after occurrence of the event and the obligation of the party giving such notice shall endeavor to remove or overcome such inability with all reasonable dispatch. The parties hereby agree, when feasible, not to cancel but reschedule the pertinent obligations and deliverables for mutually agreed dates, as soon as practicable after the force majeure condition ceases to exist or at such time the party or parties can reasonably continue such performance.
- 18.7 Waiver.** The waiver of any breach, violation, or default in or with respect to the performance or observance of the covenants and conditions contained herein shall not be taken to constitute a waiver of any subsequent breach, violation, or default in or with respect to the same or any other covenant or condition hereof.
- 18.8 Clayton County Holidays.** Clayton County Board of Commissioners ("BOC") is open Monday through Friday, 8:00 AM to 5:00 PM, excluding County holidays approved by the BOC, closings due to inclement weather, and such other times as determined by the Chief Operating Officer or BOC. consideration for an award for any program or activity that receives Federal funds or other Federal financial assistance.

- 18.10 Product Shipment and Delivery.** All products shall be shipped F.O.B. Destination, freight prepaid and allowed. Destination shall be the location(s) specified in the Proposals and Quotations (attached hereto as Exhibit B). All items shall be at the Supplier's risk until they have been delivered and accepted by the County. All items shall be subject to inspection on delivery. - 18.12 No Drafting Presumption.** No presumption of any Applicable Law relating to the interpretation of contracts against the drafter shall apply to this Contract.
- 18.13 Survival.** Any provision of this Contract which contemplates performance or observance subsequent to any termination or expiration of this Contract or which must survive in order to give effect to its meaning, shall survive the expiration or termination of this Contract.
- 18.14 Publicity.** Supplier shall not make any public announcement, communication to the media, take any photographs or release any information concerning County, the Services of this Contract or any information relating to this Contract without the prior written consent of County.
