C. PROCUREMENT NON-DISCRIMINATION PROGRAM AND CONTRACT COMPLIANCE REQUIREMENTS

Henry County has implemented a Procurement Non-discrimination benchmark to promote full and open competition in all government procurement and purchasing. Henry County has set an aspirational goal on a contract by contract basis (subject to a contract by contract review under § Sec. 2-2-33 of the Henry County GA Code of Ordinance).

This project has a **0% percent** subcontracting benchmark, which means the *Bidder must utilize, or make a good faith effort to utilize, certified M/WBE's*. The County will use the information contained on the forms to determine the responsiveness and, for recordkeeping purposes, track the utilization of M/WBE's. Henry County encourages firms to utilize small, minority, or woman-owned businesses whenever possible.

Sub-contractor participation is required to be submitted as part of the proposal submission by each Bidder. Award of the contract is conditioned upon satisfaction of the M/WBE and non-discrimination requirements. If the M/WBE participation does not meet the goals, the Bidder will be required to submit evidence demonstrating that "good faith efforts" were made to meet the goal.

M/WBE's must perform a commercially useful function, which means performance or provision of real and actual services under a contract or subcontract with Henry County. Factors such as the nature and amount of work subcontracted; whether the M/WBE's has the skill and expertise to perform the work for which it has been certified; whether the W/WBE's actually performs, manages or supervises the work; and whether the W/MBE's intends to purchase commodities and/or services from a non-W/MBE and simply resell them will be considered in determining if the W/MBE is performing a commercially useful function.

This package contains the following forms that are required to submit along with their bid: DO NOT OMIT OR LEAVE BLANK

1. List of Sub-contractors
2. Covenant of Non-Discrimination Form
3. Good Faith Efforts - Submitted evidence demonstrating that good faith efforts were made to meet the goal.

Monthly Utilization Reports are submitted on a monthly basis after the project has begun. ALL Monthly payment reports are to be submitted via email submission at purchasing@co.henry.ga.us.

Primes are required to report payments as well as NON-ACTIVITY on a MONTHLY basis. Proof of sub payments documentation MUST also be submitted via email to Procurement Agent assigned to contract at the time of payment reports. Tracking will take place on ALL subs, not just the certified firms, Letter of intent must be provided for EACH intended subcontractor on the project regardless of certification status.

By signing the bid, the Bidder is certifying that it has complied with the requirements of this Program.

Henry County also has a compelling interest in providing equal business opportunities for all persons wishing to do business with it. Therefore, the County will also monitor and track minority and women-owned business (M/WBE) availability and participation through Benchmarks.
