2526-01 RFP AA**

License Examination Development and Administration Services

Failure to file a protest within the time prescribed in section 120.57(3), Florida Statutes, or failure to post the bond or other security required by law within the time allowed for filing a bond shall constitute a waiver of proceedings under Chapter 120, Florida Statutes.

This Addendum consists of the following sections:

- A. Questions and Answers**
- B. Modifications to the RFP**

A. Below are the questions and answers related to this solicitation. In the table below, the Department of Financial Services (Department) has answered each of the questions submitted by potential respondents.

No.	Attachment Identifier	Section Number	Sub-Section Reference	Item Reference	Page No.	Question	Department Response
1.	Attachment 2	5	Contractors Responsibilities - Test Development	5.A.1	2 of 21	Does the Department currently utilize separate psychometric vendors, subject matter expert vendors, or item-writing contractors in support of the current program?	No, the Department does not utilize a separate vendor for psychometrics, subject matter experts, or item-writing. The Department relies upon the Contractor to fulfill those activities.
2.	Attachment 2	5	Contractors Responsibilities - Test Development	5.A.1, 5.A.4	2-3 of 21	Does the Department require that all examination content and item development be performed directly by the prime contractor, or may subcontractors and subject matter expert partners contribute to item development and maintenance?	Subject matter experts and subcontractors of the Contractor are not prohibited from contributing to item-development and maintenance, understanding the Department retains ownership of all state-specific developed items under the terms of the agreement. Refer to section 5.A.20 for more Contractor responsibilities.
3.	Attachment 2	5	Contractors Responsibilities - Test Development	5.A.1, 5.A.4	2-3 of 21	Will the Department permit the Contractor to utilize existing or	It is unclear what is meant by "Licensed item banks." The Contractor may use item

						licensed item banks as part of the examination development process, provided the Contractor maintains ownership/governance requirements outlined in the RFP?	banks owned by the Department, which are limited to state-specific items. Refer to section 5.A.1.
4.	Attachment 2	5	Contractors Responsibilities - Ownership of Test Items	5.A.2	2 of 21	Please identify the current systems with which the solution must integrate, the integration methods currently in use (e.g., APIs, flat files, SFTP), and whether the State will provide vendor access to test environments for each system.	The solution will integrate via a secure file transfer portal (SFTP). The Department will provide the vendor access to a test environment.
5.	Attachment 2	5	Contractors Responsibilities - Testing Sites	5.A.9	4 of 21	Will the Department permit the Contractor to utilize approved third-party testing-center networks, including educational institutions and contracted testing partners, to satisfy statewide coverage requirements?	Yes, as stated in section 5.A.20 of the Statement of Work.
6.	Attachment 2	5	Contractors Responsibilities - Testing Sites	5.A.7 / 5.A.9	4 of 21	Can the Department provide additional detail regarding current testing site locations and any geographic areas where expanded coverage is desired?	Please refer to Appendix E, Exhibit 1, "Candidates by City, State" and "Total Exams by City in Florida" for location references.
7.	Attachment 2	5	Contractors Responsibilities - Examination Administration Medium	5.A.12	5 of 21	Does the Department currently permit or anticipate permitting remote proctoring or online examination delivery for any	No.

						programs covered under this solicitation during the contract term?	
8.	Attachment 2	5	Contractors Responsibilities - Technical Requirements	5.B.1	2 of 21	Will the State be responsible for extracting and cleansing legacy data, or should the Contractor include services for data profiling, cleansing, and transformation in the proposal?	All relevant data will be provided to the chosen vendor by the Department.
9.	Attachment 2	NA	Cybersecurity Requirements	Attachment 5	1 of 2	Can the Department confirm whether SOC 2 Type II certification (or equivalent) satisfies the Department's cybersecurity and data security expectations?	Yes, a SOC2 Type II provided to the Contract Manager yearly for review of compliance/non-compliance will satisfy the Department data security expectations. Any non-compliant items listed on the SOC2 report would be reviewed for risk acceptance tolerance with the Contract Manager.
10.	RFP	2.2	Timeline	N/A	8	A bid submission due date of June 2 means that bidders would have to finalize and ship their proposals to the Department by May 28 in order to ensure timely delivery of hard copies. This only allows seven working days to receive Department responses to bidder questions, and craft a thorough, accurate, and competitive proposal. Would the Department consider extending the proposal submission deadline to June 16?	Addendum 1, 2, and 3 were posted to the Vendor Information Portal with the revised Timeline.

11.	RFP	Exhibit 4	History of DFS Testing Content	N/A	166	Can the Department confirm it seeks to exclude the publication and delivery of Spanish translated insurance examinations (in contrast to current program configuration) under the new Statement of Work? RFP p. 166, Exhibit 4 shows that Spanish items were developed for the insurance exams. Based on historical volumes, the Department administered 28,864 Spanish insurance exams in 2025.	The Department will only be offering examinations in English as stated in Attachment 2, Statement of Work, Section 1. Scope with the exception of the Division of Funeral Cemetery and Consumer Services. As stated in Section 6.A.1, Test Development, the Division of Funeral and Cemetery and Consumer Services may also request, at its sole option and subject to section 497.144, Florida Statutes, that the Contractor administer exams in another language.
12.	RFP	3.4	How to Submit a Response	N/A	16	We acknowledge that Section 3.4 “How To Submit A Response” references printed and mailed submissions. However, permitting electronic submissions would significantly enhance flexibility for evaluators, enabling a more streamlined and efficient review process. By allowing electronic responses, the Department can reduce administrative burdens, accelerate bid analysis, and promote environmentally responsible practices. As such, would the Department accept an electronic submission in	The Department will only accept printed and mailed submissions.

						lieu of printed copies? This could be submission via email, FTP, or an upload, as other states have implemented.	
13.	RFP	5.A.2	Ownership of Test Items	N/A	36	Does the Department agree that Pearson will retain and own solely all rights, title and interest, including copyrights, of existing proprietary computer programs, source code, materials, and intellectual property that have been previously developed by the contractor or its 3rd party licensor (“Contractor Intellectual Property”), some of which may be trade secret, copyright, patent and trademark protected? And further, that any changes or modifications to the Pearson Delivery System suggested or required by the Department are hereby assigned by the Department to Pearson, and Pearson will own solely all rights, title, and interest, including copyrights, in such changes and modifications? Does the Department understand that if Florida-specific items	The current vendor’s rights to its property are not subject to this procurement. The Department declines to opine as to ownership of the vendor’s proprietary software at this time. As stated in section 5.A.2, the Department shall maintain ownership of all State specific testing items and retains ownership of all test items transferred to the Contractor and developed during the course of the Contract for custodial purposes and national item bank(s) questions will not be owned by the Department.

						are developed for the Department then they shall become the property of the Department and that Pearson will be the exclusive owner of Pearson's existing test items provided or derived from Pearson's general and state item banks ("Root Items")?	
14.	RFP	6.A.8	Exam Review	N/A	46	Can the Department confirm that all Exam Review appointments (playbacks) requested by candidates will continue to be set at \$0?	Yes, these will continue to be set at \$0.00.
15.	RFP	5.A.13	License Identification Card for Bail Bond Licenses	N/A	39	Given a line item is not included on the Financial Proposal for Bail Bond Photo ID appointments, can the Department clarify whether a) vendors can collect a fee and b) whether that appointment fee is fixed by the State?	The cost of printing Bail Bond Photo IDs should be taken into account when proposing the examination fee. Note the fee must be consistent across all examination types and program areas for this Division.
16.	RFP / Appendix E / Appendix F	Appendix E, Exhibits 1-6; Appendix F, Exhibit 1		Testing volume	RFP p. 3; Appendix E/F exhibits	Please provide examination volume by examination title and program area for the period July 1, 2024 through June 30, 2025.	Refer to Appendix E, Exhibit 8 and Appendix F, Exhibit 2.
17.	Appendix E / Appendix F	Appendix E, Exhibits 1-6; Appendix F, Exhibit 1		Testing volume by location	RFP p. 3; Appendix E/F exhibits	Please provide examination volume by test center/location and program area for the period July 1, 2024 through June 30, 2025.	Refer to Appendix E, Exhibit 8 and Appendix F, Exhibit 2.

18.	Attachment 2	5.A.12	Examination Administration Medium		Attachment 2, p. 5	Please confirm whether the Department intends to permit remote proctored examination delivery during the Contract term, or whether Respondents should assume all examinations must be administered at Department-approved physical testing sites. If remote proctored delivery may be permitted, please identify any applicable program areas, examination types, or security requirements.	No, the Department will not permit remote proctored examination delivery. All examinations must be administered at Department-approved physical testing sites.
19.	RFP	2.2	Timeline		RFP p. 9	The RFP lists an anticipated Contract start date of July 1, 2026. Please confirm the expected date by which the Contractor must begin scheduling and administering examinations under the resulting Contract.	If the contract is awarded on the anticipated start date of July 17, 2026, the Contractor should not anticipate administering exams before December 31, 2026. We anticipate examinees will need to be able to schedule examinations prior to the administering start date.
20.	Attachment 2	5.A.1	Test Development		Attachment 2, p. 2	Will the Department transfer current item banks to the awarded Contractor, including questions, answer options, correct answers, available item statistics, and any available translated items? If so, please provide the number of items currently available for each examination and	Yes, but only for items owned by the Department. The Division of Funeral, Cemetery and Consumer Services has 397 items in the item bank. Refer to Appendix E, Exhibit 8 as it relates to the Division of Insurance Agents and Agencies.

						the expected transfer format.	Refer to Appendix F, Exhibit 3 as it relates to Division of State Fire Marshal. The Department will work with the vendor on the file transfer format.
21.	Attachment 3 / RFP / Attachment 2	Attachment 3; 4.3.2; Attachment 2, Sections 4, 6.A.6, and 6.B.6	Price Response; Payment Provisions; Fee Collection		Attachment 3; RFP p. 19; Attachment 2, pp. 2, 12, and 15	Please confirm whether the \$44 examination fee is fixed for all examinations covered by this RFP or whether Respondents may propose a different fee in Attachment 3, Price Response. If Respondents may propose a different fee, please confirm whether fees may vary by examination type or program area.	The Contractor may propose a different examination fee. The fee must be consistent across all examination types for all Divisions. See revised Attachment 2, Statement of Work, Section 6.A.6, 6.B.6, and 6.C.6.
22.	RFP	2.2; 3.4	Timeline; How to Submit a Response		RFP pp. 8, 16	Given the hard copy submission requirements and the production time needed for printing, binding, and delivery, will the Department consider allowing electronic submission or extending the Response submission deadline?	Addendum 1, 2, and 3 were posted to the Vendor Information Portal with the revised Timeline.
23.	Attachment 2 / Appendix E	Attachment 2, Section 1; Appendix E, Exhibit 4	Scope; History of DFS Testing Content		Attachment 2, p. 1; Appendix E, Exhibit 4	Attachment 2 states that the Contractor shall administer all exams in English; however, Appendix E, Exhibit 4 identifies Spanish insurance examination types. 25.	RFP / Attachment 2	3.3.2(B)(1)(i v); 5.A.19	ADA Requirements; Compliance with Americans with Disabilities Act		RFP p. 15; Attachment 2, p. 7	Please clarify whether the Contractor is expected to independently determine reasonable accommodations under the ADA, or whether the Department will retain final authority for accommodation determinations. Please also provide historical accommodation volumes and accommodation types, if available.	The Department will retain final authority for ADA accommodations. The Department may approve certain reasonable accommodations in advance to be granted when applicable. For example, additional time for learning disability (dyslexia, etc.).

26.	RFP / Attachment 2	3.3.2(B)(1)(b); 5.A.1; 5.A.3	Examination Development; Professional Psychometric Guidance		RFP p. 13-14; Attachment 2, pp. 2-3	As the Department continues to evaluate methods to maintain and expand high-quality item banks over the life of the Contract, is the Department open to the Contractor leveraging emerging technologies, such as analytic or AI-assisted tools, to support item development, review, and analysis workflows, provided that all items remain subject to full human subject matter expert authorship, psychometric review, and Department approval, and such tools do not replace required professional judgment or statutory controls?	Yes.
28.	Attachment 5	4	Data Access and Storage		Attachment 5, p. 2	Attachment 5 states that remote access to data other than Open Data from outside the continental United States is prohibited unless approved in writing by the CFO or CFO's designee. Please confirm whether our personnel may perform operational services from outside the continental United States, provided that Department data remains stored and processed within the continental United States and	Under Florida Administrative Code 60GG-4.002 (6) data may not be located outside the continental United States unless approved in writing by the agency head or designee. In addition, remote access to non-open data from outside the continental United States is prohibited unless approved in writing by the agency head or designee.

5.A.2 Ownership of Test Items

- The Department shall maintain ownership of all State specific testing items and retains ownership of all test items transferred to the Contractor and developed during the course of the Contract for custodial purposes. The Department shall continue to maintain exclusive ownership of all related materials developed for use in fulfilling the requirements of this Contract.
- During the life of the Contract, the Department will, for one or more examination types, use a national item bank of questions in addition to examination questions owned by the Department. The national item bank(s) will not be owned by the Department.
- The Department shall maintain exclusive ownership of all ~~completed~~ examinations **taken by a candidate under the terms of this Contract.**

6.A.6 Fee Collection

~~The Division will collect from the candidate the exam fee as stated in the Contract identified below:~~

Exam Title	Exam Fee
FL Funeral Professions—Laws and Rules	\$44

The Division will **collect the exam fee from the candidate established in the Contract** and pay the Contractor the ~~above~~ exam fee for each test result delivered to the candidate. An applicant who fails to take a scheduled examination must be invoiced as a "no-show," and the Contractor will be paid at the same rate as a delivered test result. The Contractor will not collect any money for the Division.

The Contractor must send an original invoice to the Division's Contact Person no later than the 10th day of the month. The invoice must identify the number of exam results delivered and number of "no-shows," together with the student identification number that's associated with the specific test result or "no-show." The Division will pay the Contractor for exams delivered the previous month by or before the 14th of the following month.

6.B.6 Fee Collection

The Bureau will collect the statutorily established examination fees from the candidates, and upon the Bureau's receipt of the Contractor's invoice, the Bureau will remit payment to the Contractor **the amount per exam as established in the Contract and**~~in the amount of \$44.00 per exam~~, in accordance with Attachment 1, Section 12, Payment Process, for each exam administered for the Bureau. The Contractor's invoice must include the number of tests given each month and the per-test amount. A spreadsheet listing exam type, name, and address of each candidate will accompany each invoice. The spreadsheet shall also indicate whether the exam is a complementary review or an examination.

The Contractor must send an original invoice to the Bureau's Contact Person no later than the 10th day of the month. The invoice must identify the number of exam results delivered and number of "no-shows," together with the student identification number that's associated with the specific test result or "no-show." The Bureau will pay the Contractor for exams delivered the previous month by or before the 14th of the following month.
