## **NOTICE OF CANCELLATION OF SOLICITATION FOR REVISION AND REISSUANCE**

DATE: June 22, 2026

TO: All Respondents

FROM: Shari Chinevere, Procurement Manager

SUBJECT: Notice of Cancellation of Solicitation for Revision and Reissuance

The St. Johns River Water Management District is canceling Request for Qualifications 42281RFQ27 – Herbicides and Adjuvants for Invasive Plant Management Program before the opening of responses.

Upon further review of the Minimum Qualifications, Scope of Work, and Exhibit 1 – Products List, the District will revise the solicitation to clarify the documentation required to establish vendor qualifications and to allow acceptable equivalent products where appropriate.

The solicitation materials reserve the District's right to cancel the solicitation when the District determines, in its sole judgment and discretion, that award is not in the District's best interest. Because the District will revise the Minimum Qualifications, Scope of Work, and Products List, the District has determined that award under the current solicitation is not in its best interest.

The current solicitation is canceled and will not proceed to opening. The District intends to revise and reissue the solicitation at a later date.

If you have any questions or comments based on the above decision, please contact Shari Chinevere at [slchinev@sjrwmd.com](mailto:slchinev@sjrwmd.com).
