This description of commodities or contractual services intended for purchase from a single source is posted in accordance with Sections 120.57(3) and 287.057(3), Florida Statutes (F.S.), and will remain posted for a period of at least 15 business days.

Commodity or Contractual Service Required (commodity or United National Standard Products and Services Code (NSPSC), manufacturer, model, and description, as appropriate):

46151600 Security and control equipment

92121700 Security systems services

92121701 Surveillance or alarm maintenance or monitoring

Quantity or Term (as appropriate):

3 Year Term

Requestor (division, bureau, office, individual, as appropriate):

Florida Department of Health, Broward County Health Department (Broward CHD)

Performance and/or Design Requirements (e.g. intended use, function or application, compatibility, requirements; reference to policy, rule, statute or other act of the Legislature, etc., as appropriate): The Florida Department of Health, Broward CHD has a need to purchase card readers and security access, installation services, maintenance, parts, and service repairs for their Dormikaba Keyscan Access Control System for all the Broward CHD facilities. The System is used to create restrictive access and security to areas that house sensitive information. In accordance with Chapter 60A-1.045, Florida Administrative Code, the Department of Health, request to purchase as a single source, card readers and security access, installation services, maintenance, parts, and service repairs from Nimble Network Solutions.

Intended Single Source:
Nimble Network Solutions

Estimated Dollar Amount:
\$225,000.00

Justification for single source acquisition (what is necessary and unique about the product, services or source; steps taken to confirm unavailability of competition, as appropriate):

- Broward CHD has existing security alarm systems located at all Broward CHD facilities provided by Nimble Network Solutions, and Nimble Network Solutions, is the sole provider for all services, maintenance, and parts for the proprietary alarm system.

Approved By (names & titles, as appropriate, e.g., requestor, requestor management, information systems, budget, purchasing):

Sonja German-Jones, Purchasing Director

Prospective vendors are requested to provide information regarding their ability to supply the commodities or contractual services described. If it is determined in writing by the agency, after reviewing any information received from prospective vendors, that the commodities or contractual services are available only from a single source, the agency shall provide notice of its intended decision to enter a single-source purchase contract in the manner specified in Rule 60A-1.045, Florida Administrative Code, and section 120.57(3), F.S.
