This description of commodities or contractual services intended for purchase from a single source is posted in accordance with Sections 120.57(3) and 287.057(3), Florida Statutes (F.S.), and will remain posted for a period of at least 15 business days.

Commodity or Contractual Service Required (commodity or United National Standard Products and Services Code (UNSPSC), manufacturer, model, and description, as appropriate):
86131802 Pilot Schools

Quantity or Term (as appropriate):
1/1/27-12/31/31

Requestor (division, bureau, office, individual, as appropriate):
FDLE/Investigations and Forensic Services/Aviation

Performance and/or Design Requirements (e.g. intended use, function or application, compatibility, requirements; reference to policy, rule, statute or other act of the Legislature, etc., as appropriate):

FDLE's mission is to promote public safety and strengthen domestic security by providing services in partnership with local, state, and federal criminal justice agencies to prevent, investigate, and solve crimes while protecting Florida's citizens pursuant to Chapter 943, FS, and Chapter 11, FAC.

The FDLE is requesting advanced-technology pilot training. The types of trainings needed include Type-D qualified full flight simulators, classroom simulation equipment, flight training devices, and post-flight debriefing systems. The Type-D simulator replicates the exact flight characteristics of the FDLE Cessna Citation Latitude and provides a full range of flight

conditions and advanced capabilities to enhance instruction for pilot training in the event of an emergency situation. The full motion simulator will be used in lieu of the actual aircraft itself.

Intended Single Source:

FlightSafety International, Inc.
3100 East Squarte Place
Suite 100
Columbus, OH 43219

Estimated Dollar Amount:

\$2,500,000.00

Justification for single source acquisition (what is necessary and unique about the product, service or source; steps taken to confirm unavailability of competition, as appropriate):

FlightSafety International is the only company that is authorized to provide factory supported training for the Cessna (Textron Aviation) simulation training to include the Cessna Citation Latitude full motion Type-D simulation training.
