AGENCY: DEPARTMENT OF TRANSPORTATION

TITLE: Temporary Bridge Parts

Short description of the commodity or service desired: Acrow 700XS series bridge parts

CONTACT

Name: Destyne Grayson

Address: 605 Suwannee St. MS20 Tallahassee, FL. 32399-0450

Telephone: (850) 414.4253

Email: CO.Purch@dot.state.fl.us

Internal tracking number, if any: DOT-SS-26-9089-DG

Date posted: 6.18.2026

Last day for receipt of information: 7.14.2026

This description of commodities or contractual services intended for purchase from a single source is posted in accordance with section 287.057(3)(c), Florida Statutes and will remain posted for a period of at least 15 business days.

Commodity or Service Required (commodity class and group, manufacturer, model, and description, as appropriate):
95141700 - Prefabricated commercial and industrial buildings and structures

Quantity or Term (as appropriate): Two (2) years

Requestor (division, bureau, office, individual, as appropriate): Renee Matthews, Maintenance Office

Performance and/or Design Requirements (intended use, function or application, compatibility etc. requirements; reference to policy, rule, statute or other act of the Legislature, etc., as appropriate): Temporary Bridge parts for use with the temporary bridging needed due to replacement of old bridges and/or damage due to disasters. All bridge components shall be constructed entirely of high strength, high quality U.S. steel from ISO-certified mills and shall be hot-dipped zinc galvanized to prevent corrosion and allow for easy maintenance. Bridge designs must be customizable to achieve desired lengths and widths while also maintaining strength through the addition of prefabricated modular components.

Intended source (vendor, contractor): Acrow Corporation of America

Estimated Dollar Amount: \$1,280,000.00

Justification for single source acquisition (what is necessary and unique about the product, service or source; steps taken to confirm unavailability of competition, as appropriate): FDOT currently owns and utilizes proprietary Acrow 700XS Series bridge parts. To ensure all components of the existing systems remain universally interchangeable with proper fit and function, it is essential that all components be procured from Acrow Corporation of America. The Acrow Bridge warranty will be null and void if other manufacturer's parts are used. These parts are proprietary to Acrow Corporation of America. There are no known resellers.

Approved By: (names & titles, as appropriate to Post on Vendor Bid System (VBS), e.g., requestor, requestor management, information systems, budget, purchasing):

Legal review by the Office of General Counsel is required prior to posting. Please coordinate with District Legal Counsel prior to submission to the Office of General Counsel, MS-58.

Prospective vendors are requested to provide information regarding their ability to supply the commodities or contractual services described. If it is determined in writing by the agency, after reviewing any information received from prospective vendors, that the commodities or contractual services are available only from a single source, the agency shall:

1. Provide notice of its intended decision to enter a single-source purchase contract in the manner specified in s.120.57 (3) F.S.
