- 7.3.1. The State applies an inverse preference to vendors that have a principal place of business in a state other than Nevada and that state applies an in-state preference not afforded to Nevada based vendors, pursuant to [NRS 333.33695](#).

- 7.3.3. Vendors who meet this criterion must indicated it on their submitted quote in [nevadaepro.com](#).
- 7.3.4. This preference cannot be combined with any other preference, granted for the award of a contract using federal funds, or granted for the award of a contract procured on a multi-state basis.

Ability to agree to contract terms is a high priority to the State. Vendors who cannot agree to the contract as is must include a redlined Word version of the attached *standard form contract* with their response, with comments justifying the benefit to the State for each requested change. To the extent a vendor has prior contractual dealings with the State, no assumption should be made that terms outside those provided herein have any influence on this project.**

Contract liability of both parties shall not be subject to punitive damages. Contractor's tort liability shall not be limited."**
- 9.5. **Insurance schedule. The State strongly prefers vendors agree to the terms of the attached *insurance schedule* as is. Vendors who cannot agree must explain which areas are causing non-compliance and attach a redline if necessary. Awarded vendor shall maintain, for the duration of the contract, insurance coverages as set forth in the fully executed contract. Work on the contract shall not begin until after the awarded vendor has submitted acceptable evidence of required insurance. Failure to maintain any required insurance coverage or acceptable alternative method of insurance shall be deemed a breach of contract.**

- 9.8.6. *Conflict of interest.* Vendor shall disclose any existing or potential conflict of interest relative to the performance of the contractual services resulting from this solicitation. Any such relationship that might be perceived or represented as a conflict shall be disclosed. By submitting a response in response to this solicitation, vendors affirm that they have not given, nor intend to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant or any employee or representative of same, in connection with this procurement. Any attempt to intentionally or unintentionally conceal or obfuscate a conflict of interest shall result in disqualification of a vendor response. An award shall not be made where a conflict of interest exists. The State shall determine whether a conflict of interest exists and whether it may reflect negatively on State vendor selection. The State reserves the right to disqualify any vendor on the grounds of actual or apparent conflict of interest.
