In order to determine the daily price that Using Agencies shall pay per delivered gallon of #2 Heating Fuel Oil when creating a Contract Release Order in NJSTART, Using Agencies shall:

1. Identify the up charge or the down charge for the tank gallon range and county specific to their use located in the "Description" section of each line item of the Blanket P.O. {Contract}.

Add the up charge or subtract the down charge identified in the Blanket P.O. from the Oil Price Daily Posting (OPIS) located at the following NJSTART website <https://www.njstart.gov/bsa/view/homepage/homePage.xhtml> . Once on the website, please sign-in and find the , "NJ Contract Fuel and Gas Price List" in the "News" section.
