#	Reference	Vendor Question	Answers																																						
1	Requirements Section; Page 5	The solicitation indicates that orders will be placed in both full pallet and full truckload quantities. Would WCPSS consider a bid from a vendor that is able to supply only the full truckload quantities, or is the awarded vendor required to support both full pallet and full truckload orders throughout the contract term?	No, awarded vendor must provide both full pallet and truckload quantities throughout the term of contract.
