SOLICITATION ADDENDUM

Issuing Agency:	Department of Transportation
Solicitation Number:	54-CA-PR34194
Solicitation Description:	Rail Interior Lighting
Solicitation Opening Date and Time:	July 2, 2026, at 2:00 PM ET
Addendum Number:	1
Addendum Date:	June 24, 2026
Procurement Specialist:	Christian Andresen

THIS ADDENDUM DOES NOT NEED TO BE RETURNED.

1. The following are questions received about the Solicitation and the State's response to those questions:

Question #	Vendor Question	State's Response
1	To ensure our suppliers provide accurate freight pricing, could you please confirm the delivery address and receiving location for the lighting fixtures required under this solicitation. We understand the fixtures will be furnished by the awarded Vendor and installed by NCDOT. However, we would appreciate confirmation of the exact shipping destination that should be used for Vendor quotations and bid pricing purposes.	The shipping address is: NCDOT Rail Division, 860 Capital Blvd, Raleigh, NC 27603.
2	We respectfully recommend changing the color temperature requirement in IFB# 54-CA-PR34194 from <u>5000K</u> to <u>4000K</u>. We believe 4000K would provide better visual comfort for passengers while remaining highly effective for the rail car interior lighting application.	The Rail Division agrees with the 4000K color temperature requirement. <u>Change color temperature requirement to 4000K for items 1, 2, and 3 under 5.1 – Specifications.</u>

2. The solicitation opening date is hereby extended to July 2, 2026, at 2:00 PM ET.
