| Addendum Number:                    | 01                                                 |
| Addendum Date:                      | June 26, 2026                                      |
| Purchasing Agent:                   | Patsy Kinney                                       |

1. The following are questions received about the Solicitation and the State's response to those questions:

| Question # | Vendor Question                                                                                  | State's Response                                                                                                                                                                                               |
|------------|--------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1          | What is the current contract amount                                                              | \$28.476.00 per year                                                                                                                                                                                           |
| 2          | Can we get access to how much inventory is used a year to give us an idea of how much to supply? | 48 large cans and 32 small cans emptied daily unless the can wasn't used. Vendor supplies cleaning supplies. State provides soap, paper towels, and toilet paper. You will work an estimated 248 days per year |
| 3          | Are we to machine scrub every day or is 2x a week as stating in the site meeting.                | 2 times per week                                                                                                                                                                                               |
| 4          | Is mat cleaning to be done nightly, or what is the frequency.                                    | daily                                                                                                                                                                                                          |
