

THE UNIVERSITY OF NORTH CAROLINA AT CHAPEL HILL

REQUEST FOR PROPOSALS (IFB) ADDENDUM

FAILURE TO RETURN THIS ADDENDUM IN ACCORDANCE WITH THE INSTRUCTIONS BELOW MAY SUBJECT YOUR PROPOSAL TO REJECTION

IFB Number: 65-3000012793

Addendum Number: 02

Addendum Date: June 19, 2026

IFB Opening Date / Time: July 07, 2026, at 1:00 PM Eastern Standard Time (EST)

Instructions: Return one properly executed copy of this addendum prior to the IFB Opening Date / Time specified above. This addendum must be included with your proposal.

A. Please see the following University responses to all questions received

Question:

1. General Question – Bids are opened on 7/7. When will you announce the winner?

Answer: The IFBs will be reviewed as quickly as possible. Unfortunately, we are unable to provide an exact timeframe for the review process

2. How long after this date will you require the first delivery from the winner?

Answer: 30-60 days.

3. How far in advance will you notify the winner when the demand spikes in the winter months?

Answer: Orders for a month will be placed by the 3rd week of the previous month.

4. Pricing: since prices change all the time, will you accept a bid with indexed pricing for the next two years? Such pricing will go up or down based on raw material cost.

Answer: For budgeting purposes, preference is for a fixed price contract.

5. What were the previous bid results? Who won that year and what were the prices submitted?

Answer: Unfortunately, we are unable to provide that information. If you would like to obtain it, you will need to submit a formal bid request.

6. I am glad to attend in person as requested. So what is the purpose of the Zoom link at the beginning of the bid? Is it possible to attend via Zoom?

Answer: This meeting is intended for vendors who plan to submit a bid. Since the site visit was mandatory, we already know which vendors are eligible to bid.
