INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

State of New Jersey
Division of State Lottery

We have performed the procedures enumerated below on specific Cash 4 Life reporting requirements of the State of New Jersey, Division of State Lottery (the "Division of State Lottery") for the period April 1, 2022 to March 31, 2023. The procedures were agreed to by the management of the Division of State Lottery and other member lotteries in states that operate Cash 4 Life, solely to assist the Division of State Lottery in connection with their reporting requirements related to Cash 4 Life. The Division of State Lottery's management is responsible for compliance with the specified requirements.

An agreed-upon procedures engagement involves the practitioner performing specific procedures and reporting on findings based on the procedures performed. The Division of State Lottery has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of the engagement in assisting the Division of State Lottery with their reporting requirements related to Cash 4 Life. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures we performed and the associated findings are as follows:

- a. Obtained from the Division of State Lottery the "Draw Activity" report and the "Tier 1 and Tier 2 Wins" report for the period April 1, 2022 to March 31, 2023, attached those as Exhibits I and II, respectively, and verified the mathematical accuracy of the exhibits.

No exceptions were found as a result of applying this procedure.

- b. Randomly selected ten draw dates from the period April 1, 2022 to March 31, 2023. The dates selected were April 10, 2022, May 15, 2022, June 27, 2022, July 29, 2022, September 10, 2022, October 21, 2022, November 18, 2022, January 9, 2023, February 6, 2023, and March 24, 2023.

No exceptions were found as a result of applying this procedure.

- c. For each draw date selected in step "b" above, compared the total amount of sales as shown on the daily sales report produced by the Division of State Lottery's gaming system and the total amount of sales shown on the related daily sales report produced by Internal Control System (ICS), with the balance listed in the "Sales" column for the respective draw date on the "Draw Activity" report attached as Exhibit I and ensured they were in agreement.

No exceptions were found as a result of applying this procedure.

**INDEPENDENT ACCOUNTANTS' REPORT
ON APPLYING AGREED-UPON PROCEDURES (CONTINUED)**

- d. Identified the drawing that produced each Tier 1 and Tier 2 prize won in the Division of State Lottery during the review period. Confirmed that the number of winner(s) agreed with the ICS report for the drawing.

No exceptions were found as a result of applying this procedure.

- e. For each Tier 1 and Tier 2 win identified in step "d" above, confirmed that the win was claimed and paid, either in a lump sum or that the initial lifetime payment was paid appropriately. If the win was not claimed and had not passed the expiration date for claim, noted that the win is still outstanding. If the win was not claimed and had passed the expiration date, confirmed that the prize was reported as unclaimed through the Cash 4 Life expired prize reporting.

No exceptions were found as a result of applying this procedure.

- f. For each Tier 1 and Tier 2 win identified during the review period April 1, 2021 - March 31, 2022, where the win was noted as outstanding and not yet expired, confirmed that the win was claimed and paid, either in a lump sum or that the initial lifetime payment was paid appropriately. If the win was not claimed and passed the expiration date during the period April 1, 2022 - March 31, 2023, confirmed that the prize was reported as unclaimed through the Cash 4 Life expired prize reporting.

No exceptions were found as a result of applying this procedure.

We were engaged by the Division of State Lottery to perform this agreed-upon procedures engagement and conducted our engagement in accordance with attestation standards established by the American Institute of Certified Public Accountants. We were not engaged to and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the report requirements related to Cash 4 Life. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the Division of State Lottery and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our agreed-upon procedures engagement.

This report is intended solely for the information and use of management, others within the Division of State Lottery, and other member lotteries in states that operate Cash 4 Life, and is not intended to be and should not be used by anyone other than these specified parties.
