RE: Unclaimed Property Audit Examination

Dear Mr. Doe:

The State of New Jersey, Unclaimed Property Administration ("UPA") is charged with the responsibility for administering the New Jersey Uniform Disposition of Unclaimed Property Act, concerning property presumed abandoned. In fulfilling this responsibility, audits of business organizations are routinely conducted. The UPA is notifying ABC COMPANY & Related Entities, of its intention to examine the books and records for the purpose of determining your compliance with the New Jersey Escheat Laws.

The examination will be conducted by AUDITORS R US on behalf of UPA. An auditor from AUDITORS R US will contact you to arrange a mutually agreed upon date to commence the examination. The scope of the examination will be fifteen (15) years plus dormancy from the date of this letter.

We would appreciate your cooperation with AUDITORS R US, their employees, and the State of New Jersey in the performance of this examination.

If you should have any questions, please contact JOHN DOE at AUDITOR@AUDITORSRUS.com.

Thank you in advance for your cooperation.

Sincerely,

Unclaimed Property Administration
