Date: **6/25/2026**
Subject: **Model Substitution Ford Expedition**
Solicitation Number: **6100066253**
Due Date/Time: **7/14/26 @ 13:00:00**
Addendum Number: **#1**

To All Suppliers:

The Commonwealth of Pennsylvania defines a solicitation "Addendum" as an addition to or amendment of the original terms, conditions, specifications, or instructions of a procurement solicitation (e.g., Invitation for Bids or Request for Proposals).

List any and all changes:

Question: I wanted to email you in regard to this bid and see if the Commonwealth would consider an Expedition for this bid? The engine in the Expedition is a 3.5L V6 twin turbo with a horsepower rating of 400 HP and 480 ft lbs. of Torque, more than the 5.3L V8 from General Motors. The wheelbase and the length fit into the parameters you have requested. Please let me know at your earliest convenience.

Answer: Thank you for your inquiry. The specifications for the Full-Size Sport Utility do not allow for substitutions or exceptions. Therefore, the Ford Expedition cannot be considered for this solicitation.

Type of Solicitation: Electronic Bid (SRM) - Review the Questions section of your solicitation response to ensure you have responded, as required, to any questions relevant to solicitation addenda issued subsequent to the initial advertisement of the solicitation opportunity.

Except as clarified and amended by this Addendum, the terms, conditions, specifications, and instructions of the solicitation and any previous solicitation addenda, remain as originally written.

Respectfully,
