1		When trying to open a Portable Document Format (PDF) I am receiving an error message and am unable to access the PDF. How should I proceed? It is recommended that users utilize Internet Explorer to view PDFs. Certain PDF forms cannot be opened in the Chrome or Firefox built in PDF viewers that are enabled by default. If using Chrome or Firefox it is recommended that the file is downloaded instead by clicking the download button in the upper right-hand corner of the browser after an error message is received.
