## **Section I: Performance Requirements**

### **1.01 Purpose**

This Invitation For Bid (IFB) is issued by the Commonwealth of Pennsylvania, Department of Agriculture, hereinafter referred to as PDA, to select a commercial food distributor, hereinafter referred to as DISTRIBUTOR, to receive, store, and deliver to eligible recipient agencies, hereinafter referred to as RAs, various food items, hereinafter referred to as USDA FOODS, provided to PDA by the United States Department of Agriculture (USDA).

A commercial food distributor is defined as an entity currently receiving, storing, and delivering food products on a regularly scheduled basis with adequate facilities and equipment to receive, store, and deliver, as required by the IFB, additional volumes of groceries, frozen food, and chilled items. The Pennsylvania Secretary of Agriculture has sole discretion to determine if entities submitting bids meet the definition of a commercial food distributor for the requirements of this IFB. Each successful DISTRIBUTOR will enter into an Agreement with PDA.

### **1.02 Regions**

Geographic areas covered by the IFB are identified as Agriculture Distribution Regions (ADRs). Bids submitted in response to the IFB must be submitted by ADR. DISTRIBUTOR may bid on more than one ADR; however, separate bids must be submitted for each ADR. Attachment "A" shows counties by ADR.

### **1.03 Realignment of ADRs**

PDA reserves the right to realign ADRs by county, in whole or in part; by RA; or by type of RA if PDA determines the realignment to be in its best interests. PDA will seek the advice of the affected distributor(s).

If any DISTRIBUTOR terminates its Agreement with PDA for this IFB or is terminated by PDA prior to the scheduled termination date in Section 2.05 of this IFB, PDA may realign the affected ADR and add all or part of the affected ADR(s) served by the DISTRIBUTOR to another DISTRIBUTOR(s) under Agreement with PDA for this IFB, but only with the consent of the affected DISTRIBUTOR(s).

When DISTRIBUTOR consents and accepts the additional responsibility for all or part of an ADR(s) forfeited by another

DISTRIBUTOR, PDA may authorize the DISTRIBUTOR accepting the new ADR(s) in total or in part, to charge for the new area of service, FEEs which shall be no more than five percent (5%) higher than the highest FEEs charged in the accepting DISTRIBUTOR's original service area(s) or the current FEEs of the ADR (or partial ADR thereof) being accepted, whichever is greater.

#### **1.04 Volume**

The volume (number of total cases) of USDA FOODS affected by the IFB is not guaranteed. However, the volume of USDA FOODS distributed by ADR for the years ending June 30, 2024, and June 30, 2025, are provided on Attachment "B" for information purposes only.

#### **1.05 Estimates**

DISTRIBUTOR shall understand that case volume and the number of agencies served are estimates and are subject to change. Annual volumes of COMMODITY under the IFB should approximate volumes listed on Attachment "B"; however, because USDA controls the total volume of product available to Pennsylvania, actual volumes are not guaranteed by PDA. An Agreement executed as a result of the IFB will not obligate PDA to specific quantities of COMMODITY, nor will PDA be obligated to a minimum or maximum number of RAs authorized to receive COMMODITY.

#### **1.06 USDA FOODS Variety**

PDA estimates that one-hundred and thirty (130) different USDA FOODS items will be available annually under the IFB with an average of seventy (70) items carried in inventory at any one time.

***Note: DISTRIBUTOR is cautioned that inventory turns for USDA FOODS are highly dependent on the DISTRIBUTOR's effectiveness in informing RAs of cases of product allocated, pulled, and remaining in storage at the DISTRIBUTOR's facility.***

The mix of USDA FOODS for the National School Lunch Program (NSLP) for the 2024-2025 year was 66% frozen; 8% refrigerated; and 26% dry.

The mix of USDA FOODS received under The Emergency Food Assistance Program (TEFAP) for 2024-2025 was 3% frozen, 97% dry, and 0% chilled.

Attachment “D” shows the current variety of USDA FOODS available; however, no limit on variety is guaranteed. No guarantee is made by PDA of the actual number of different items.

An average case of USDA FOODS weighs 40 pounds and measures 1.1 cubic feet.

### **1.07 Recipient Agencies (RAs)**

A list of RAs by ADR and volumes of USDA FOODS received for the years ending June 30, 2024, and June 30, 2025, are listed on Attachment “C”. The number of RAs eligible to receive USDA FOODS is subject to change at any time by PDA.

RAs include, but are not limited to, schools participating in the NSLP, day care facilities, and summer feeding agencies; TRADITIONAL recipient agencies such as institutions; and agencies eligible under TEFAP such as food banks, food pantries, and emergency feeding entities such as soup kitchens and homeless shelters.

### **1.08 Recipient Agency (RA) Classification**

Eligibility for RAs to receive USDA FOODS is determined by USDA and varies by USDA program. Therefore, for purposes of defining minimum orders, delivery frequency, and calculating bid prices under the IFB, RAs will be classified by PDA as either: 1) NSLP RAs; 2) TRADITIONAL RAs/Charitable Institutions; or 3) TEFAP RAs.

Approximately 45% of the total volume of USDA FOODS to be distributed under the IFB will be to NSLP RAs; with the balance distributed to TRADITIONAL and TEFAP RAs.

PDA reserves the right to realign RAs without regard to ADR to improve efficiency. DISTRIBUTORS may, however, request of PDA a realignment of RAs by ADR to improve efficiency but realignment decisions rest solely with PDA.

### **1.09 USDA FOODS Codes**

PDA will assign to each USDA FOOD, prior to or on arrival, a numeric code that DISTRIBUTOR shall use with the USDA FOODS description to track and report inventory and other activity. (See Attachment “D”).

### **1.10 Inventory Levels**

PDA attempts to maintain, on average, a six-to-eight-week supply of USDA FOODS received for NSLP and TRADITIONAL RAs; and an eight (8) to twelve week (12) supply of USDA FOODS received for TEFAP RAs. However, inventory levels may surge beyond anticipated levels. DISTRIBUTOR shall work with PDA to project USDA FOODS usage and inventory levels.

***Note: DISTRIBUTOR is cautioned that inventory turns for USDA FOODS are highly dependent on the DISTRIBUTOR’s effectiveness in informing RAs of cases of product allocated, pulled, and remaining in storage at the DISTRIBUTOR’s facility. DISTRIBUTORS are encouraged to develop and maintain an efficient and effective line of communication for advising RAs of the availability of USDA FOODS.***

### **1.11 Inbound Shipments of USDA FOODS**

Inbound shipments of USDA FOODS are usually scheduled by USDA at predictable shipping periods; therefore, PDA will advise DISTRIBUTOR of the types and quantity of USDA FOODS to be received.

Inbound shipments normally arrive one item per load (850 – 2,000 cases more or less) in full truckloads. (PDA requests USDA to schedule inbound shipments to arrive by truck.)

DISTRIBUTOR must accept all shipments regardless of shipping and/or loading methods. No shipments can be refused if loading and/or shipping methods are approved or considered acceptable by PDA.

PDA requests shipments be palletized or slip sheeted, however, compliance is not guaranteed, either by USDA or PDA.

### **1.12 Receiving Appointments**

Truck drivers are required to call DISTRIBUTOR for unloading appointments at least 24 hours in advance. (It is the experience of PDA that truck drivers call for appointments in advance of minimum requirements).

When truck drivers call as required and request appointments, DISTRIBUTOR must provide appointments and accept delivery within 24 hours of requests if the 24-hour period falls on a normal workday and within DISTRIBUTOR's receiving hours as registered with PDA. DISTRIBUTOR shall provide PDA with receiving hours, and update with PDA when changed. When changes in receiving hours are not provided to PDA prior to USDA FOODS being ordered by PDA, the DISTRIBUTOR must accept deliveries with the hours listed with PDA. If the 24-hour period falls beyond DISTRIBUTOR's registered receiving hours, appointments must be given and delivery accepted on the next business day within the first hour of the registered receiving hours.

When truck driver fails to call as required and arrive without appointments at DISTRIBUTOR's facility, DISTRIBUTOR is not obligated to accept delivery at that time but must provide an appointment and accept delivery within 24 hours. If the 24-hour period falls beyond DISTRIBUTOR's registered receiving hours, an appointment must be given and delivery accepted on the next business day within the first hour of the registered receiving hours.

### **1.13 Receiving Procedures**

DISTRIBUTOR is responsible for USDA FOODS received and must exercise the same care when receiving USDA FOODS as for its own products.

NOTE: While the following information provides an overview of procedures to be followed when receiving in and shipping out USDA FOODS, additional information regarding these procedures may be found at *FNS Instruction 709-5, Shipment and Receipt of USDA Foods* (<https://www.fns.usda.gov/usda-foods/shipment-receipt-goods-instruction-709-5>).

DISTRIBUTOR shall:

- Examine each shipment and delivery receipt (e.g., Bill of Lading (BOL)) prior to unloading,.
- Ensure the security seal is intact.
- Verify the quantity of USDA Foods ordered (overage or shortage).

- Inspect if USDA FOODS have been delivered in good condition (no damage or infestation)
- Check temperature of USDA FOODS
- Document any issues; take photos of the product and product labels, product codes, and pack date or Best if Used by (BIUB) date.

DISTRIBUTOR call or email PDA immediately for instructions when the condition of a USDA FOODS shipment is in question.

DISTRIBUTOR must accept all shipments which are shipped in accordance with USDA and/or PDA instructions or acceptance guidelines.

DISTRIBUTOR must accept all USDA FOODS shipped by USDA; no product can be refused due to lack of warehouse capacity.

DISTRIBUTOR shall notify PDA promptly by telephone /or email for disposition of damaged or short product.

As required by USDA, DISTRIBUTOR must receipt the load received in WBSCM within two business days of receipt.

DISTRIBUTOR shall forward to PDA in no less than 2 days a copy of the Bill of Lading and other related documents.

DISTRIBUTOR shall recoup damaged USDA FOODS, whether damaged when received or during the storage and handling by DISTRIBUTOR, and ensure that all food safe for human consumption is salvaged for program use. Values of damaged USDA FOODS and values of USDA FOODS salvaged and released to RAs shall be tracked on DISTRIBUTOR records reported to PDA.

DISTRIBUTOR is responsible for the following:

- Paying all freight demurrage and detention charges resulting from DISTRIBUTOR's failure to accept delivery as required.
- Bracing or leveling shipments for further movement.
- Having sufficient warehouse space to absorb all inbound freight at abnormal peak loads at no additional cost to PDA or RAs.
- Documenting on inventory reports date USDA FOODS were received and product date (BIUB).
- Rotating stock on a first-in, first-out (FIFO) basis and maintaining evidence of stock rotation for review by PDA.

- Claims levied by USDA or PDA for failure to properly secure, handle, protect, or account for USDA FOODS received by it or its subcontractor.
- USDA FOODS must be distributed prior to the BIUB or expiration date.

#### **1.14 Freight Charges**

USDA FOODS are shipped prepaid, product and freight. However, PDA may elect to request and pay for additional drops on inbound shipments, in which case DISTRIBUTOR shall cooperate with PDA in making suitable arrangements with shippers and/or other receivers.

DISTRIBUTOR may pick up inbound shipments or pay inbound shipping charges and have USDA reimburse at a rate determined by USDA. However, arrangements must be made by DISTRIBUTOR directly with USDA.

#### **1.15 USDA FOODS Allocations**

PDA will execute allocations of USDA FOODS within three (3) days of notification of receipt from DISTRIBUTOR. Allocations, showing quantities of each USDA FOODS allocated, by RA, will be forwarded by PDA to DISTRIBUTOR through email.

***Note: When DISTRIBUTOR fails to provide PDA with the notification of receipt, the process of allocation and the notification to RAs will be unnecessarily delayed; therefore, DISTRIBUTOR is encouraged to ensure that its internal processes are executed efficiently and accurately.***

DISTRIBUTOR, upon receipt of allocation from PDA, shall generate for each RA affected, and no less frequently than monthly, a notification showing quantities of each USDA FOOD allocated for its use. Each allocation notice shall include all USDA FOODS received by the DISTRIBUTOR and allocated by PDA since the last notification of allocation, which shall have been released no more than thirty (30) days prior.

Upon the arrival of fresh USDA FOODS, DISTRIBUTOR shall immediately inspect, document the shelf life, and advise PDA so that if a more restrictive ordering timeframe is warranted, RAs may be adequately advised.

### **1.16 Allocations: Acceptance and Refusals**

NSLP and TRADITIONAL RAs shall have fifteen (15) calendar days from the date of

DISTRIBUTOR's allocation notification to reject all or part of the allocation.

**No response by RA shall be considered an acceptance of the full allocation and is subject to storage charges outlined below.**

TEFAP RAs shall have fifteen (15) calendar days from the date of

DISTRIBUTOR's allocation notification to reject all or part of the allocation.

**No response by TEFAP RAs shall be considered an acceptance of the full allocation.**

DISTRIBUTOR shall notify PDA no less frequently than bi-weekly of allocation refusals by RAs. The disposition of USDA FOODS refused in allocation notification will be at the direction of PDA.

### **1.17 Minimum Orders and Frequency of Deliveries**

#### A. NSLP RAs:

1. Weekly or Bi-weekly Deliveries: A 30-case minimum order per drop site shall apply to NSLP RAs desiring weekly or bi-weekly deliveries; however, DISTRIBUTOR may waive the minimum requirement. DISTRIBUTOR must deliver (or issue) weekly to NSLP RAs, provided the 30-case minimum order of COMMODITY is met; however, NSLP RAs may order less than the minimum order at any time by paying the 30-case charge

2. Monthly Deliveries: A 15-case minimum order shall apply to NSLP RAs desiring monthly delivery to a single drop site; orders of 14 cases or less may be, at the discretion of DISTRIBUTOR, delivered to designated host sites for (later) pick up by the RA. Host sites must be approved in advance by PDA and should be sites receiving USDA FOODS or commercial product from DISTRIBUTOR. Arrangements for pick-ups at host sites must be made by RAs. NSLP RAs desiring monthly deliveries to multiple drop sites must meet a 15-case minimum at each site.

3. Bi-Monthly Deliveries: No minimum shall apply to NSLP RAs not meeting the requirement for monthly deliveries or for NSLP RAs, which meet the monthly requirements but agree to allow the DISTRIBUTOR to schedule deliveries less frequently. PDA will assist DISTRIBUTOR in negotiating less frequent deliveries; however, less frequent deliveries may not result in excess storage fees for any USDA FOODS remaining in storage more than 60

days from the (original) allocation notice.

B. TRADITIONAL and TEFAP RAs:

1. Monthly Deliveries: A 75-case minimum order per drop site shall apply to TRADITIONAL and TEFAP RAs for deliveries within thirty (30) days of DISTRIBUTOR's allocation notice, unless DISTRIBUTOR waives the minimum.

2. Bi-Monthly Deliveries: A 30-case minimum order per drop site shall apply to TRADITIONAL and TEFAP RAs for deliveries between thirty-one (31) and sixty (60) days from the date of DISTRIBUTOR's allocation notice.

3. Quarterly Deliveries: No minimum shall apply to TRADITIONAL and TEFAP RAs for deliveries beyond sixty (60) days but within ninety (90) days from the date of the DISTRIBUTOR's allocation notice.

When PDA reallocates any USDA FOODS to a TRADITIONAL RA for the purpose of cleaning out residual volumes of USDA FOODS previously allocated to another RA, or for the prevention of loss, the minimum delivery quantities shall not apply.

No minimum order shall apply to any RAs picking up orders.

When an NSLP RA entitled to a Planned Assistance Level (PAL) of \$2,500 or more, as calculated annually by PDA, orders for delivery or pick up, an allocated USDA FOOD, and the order would leave in the RA's account a balance of five (5) cases or less of any one item, the RA is required to accept the full balance of the item. For example: an RA, with a PAL of more than \$2,500 having 13 cases of USDA FOODS available, but desiring to order (only) 8 cases, is required to take all 13 cases of the USDA FOODS. The RA could order 7 cases and leave a balance of 6, but it cannot leave a balance of 5 cases or less for any one item. The DISTRIBUTOR assumes the responsibility of advising RA's when an order will result in five (5) cases or less of any USDA FOODS item.

**1.18 Days and Times of Deliveries**

Orders delivered or picked up shall be on a scheduled day of the week (or month) established by DISTRIBUTOR. DISTRIBUTOR shall notify RAs of scheduled days of delivery or pick up. RAs must be advised of changes in delivery days thirty (30) days in advance unless waived by RAs.

Delivery for all USDA FOODS shall be made between the hours of 6:45 a.m.

and 2:30 p.m., unless alternative time schedules are agreed to by RAs and DISTRIBUTOR. DISTRIBUTOR shall strictly adhere to delivery timeframes.

The quality of service provided to RAs by DISTRIBUTOR, including frequency of delivery, shall not be affected by volumes of commercial purchases by RAs. RAs are not required to purchase commercial product from DISTRIBUTOR to receive service under this Agreement.

### **1.19 Holiday Schedules**

DISTRIBUTOR shall notify RAs and PDA of its holiday delivery schedules no less than sixty (60) days in advance.

### **1.20 USDA FOODS Ordering Procedures for RAs**

DISTRIBUTOR shall advise RAs on procedures for accessing USDA FOODS. Procedures shall include necessary information for RAs to both order USDA FOODS and to refuse unwanted USDA FOODS. DISTRIBUTOR is encouraged to provide for the placement of orders either through an online platform or through email. RAs must follow DISTRIBUTOR's ordering procedures and place USDA FOODS orders no less than two (2) working days in advance of scheduled day of delivery.

DISTRIBUTOR is encouraged to establish a toll-free telephone number for RAs to inquire about program matters.

### **1.21 Outbound Deliveries**

DISTRIBUTOR may deliver USDA FOODS in straight vans containing USDA FOODS only, or in vans with other food commercially supplied, as long as the storage temperature is maintained and as long as other terms of the contract are satisfied. USDA FOODS may not be stored or delivered with any chemical, which may diminish quality or safety.

### **1.22 Delivery Sites**

DISTRIBUTOR must secure from RAs decisions on how USDA FOODS will be accessed. RAs may have USDA FOODS delivered to self-operated warehouses, licensed food preparation sites, host sites, or picked up at DISTRIBUTOR's warehouse. Decisions by RAs cannot change without sixty (60) days advance notice to DISTRIBUTOR unless DISTRIBUTOR grants a waiver. PDA reserves the right to deny a delivery to any RA designated site.

### **1.23 Delivery Drop Areas**

USDA FOODS shall be delivered to delivery drop areas. Delivery drop areas at food preparation sites located on the entry level of building are inside the door or a walk-in dry grocery area, freezer, or cooler. When the grocery area, freezer, or cooler is located on a level above or below the entry level of the building, delivery shall be inside a portal of the entry level of the building. Deliveries of USDA FOODS to levels above or below the entry level of the building are at the option of DISTRIBUTOR.

Drivers and helpers shall **NOT** be required to stow USDA FOODS on shelves nor stack in reach-in coolers, freezers, or other cabinets, or to rotate stock.

Delivery drop areas at an RA's warehouse are across receiving platforms. Where no receiving platform or reasonable portal entry exists delivery of USDA FOODS will be at the tailgate of the delivery vehicle.

USDA FOODS picked up from DISTRIBUTOR's facility shall be at platform out loading doors or slots.

PDA shall have sole authority to: 1) resolve disputes between RAs and DISTRIBUTOR involving the identification of delivery drop areas; and, 2) determine if delivery drop areas provide reasonable access. In resolving disputes, PDA shall consider standard practices of the food distribution industry and the unique nature of RAs and RA facilities.

Drivers and helpers shall require an authorized receiver to verify accuracy of each shipment, including quantities of each item, total quantities, and condition of USDA FOODS. Each delivery ticket must be receipted (signed) by the RA. Variations from the norm, e.g., shortages or damages, shall be noted on each ticket by RA, and initialed by the truck driver and RA.

### **1.24 Special Deliveries**

Special or intermediate deliveries shall be required if DISTRIBUTOR fails to deliver USDA FOODS in stock and properly ordered by an RA. When such an error is made, DISTRIBUTOR shall make delivery without additional charge the following workday, unless RA agrees to a later delivery date.

### **1.25 Product Transfer**

PDA may require DISTRIBUTOR to transfer USDA FOODS to facilities of another entity. When requested by PDA, DISTRIBUTOR shall execute transfers within two (2) weeks and make transfers on exchangeable pallets.

Transfers may be full or partial truckload lots and contain more than one USDA FOOD product. PDA may have DISTRIBUTORs pick up USDA

FOODS from other warehouses. PDA will pay for transfers of USDA FOODS (delivered or picked up) at the lowest rate of the DISTRIBUTOR in effect at the time of the transfers.

### **1.26 Transition Responsibility**

DISTRIBUTOR agrees to pick up and store at no cost to PDA and for a period of thirty (30) days prior to the effective date of the Agreement, a maximum of 10,000 cases of USDA FOODS from the distributor currently under Agreement with PDA and serving the ADR impacted by the DISTRIBUTOR's bid.

### **1.27 Distribution FEES**

Distribution FEES that a DISTRIBUTOR may charge for delivery or pick up of USDA FOODS are limited to the FEES submitted in response to the IFB as accepted by PDA, and as adjusted under the IFB, and shall apply to dry, chilled, and frozen USDA FOODS.

Distribution FEES submitted in response to the IFB shall be on a per case basis and shall be all inclusive; no other charges shall be assessed, except as provided for in the IFB. DISTRIBUTOR shall include on its Bid Sheet, for each ADR for which a bid is submitted, a FEE for each category of RA listed (see Bid Award Criteria in Section 1.48).

When USDA FOODS received from USDA have a net case weight of 15 pounds or less, as defined by USDA on the item's specification document, PDA at its sole discretion, may require DISTRIBUTOR to ship two (2) cases for the distribution FEE of one (1) case. For example, if the DISTRIBUTOR'S distribution FEE was \$1.50 per case, PDA may require DISTRIBUTOR to deliver two (2) cases of a commodity with a case weight of 10 pounds, for one fee of \$1.50. When DISTRIBUTOR ships two (2) cases for the distribution FEE of one (1) case, minimum case volume shall be calculated using the lower, i.e. one (1) case instead of two (2); or fifteen (15) instead of thirty (30).

### **1.28 Storage FEES and Sweeps Policy**

RAs have sixty (60) days of free storage of USDA FOODS allocated and remaining in the RA's account. The sixty (60) days is calculated from the date of DISTRIBUTOR's notification to the RAs that the USDA FOODS have arrived and are available for order by RA.

USDA FOODS remaining in the account of an RA is subject to a storage FEE of \$.50 per case for each thirty (30) day period, or partial period thereof, beginning on day 61 and continuing through day 120.

Beginning on day 121, USDA FOODS remaining in the account of an RA is subject to a storage FEE of \$1.00 per case for each thirty (30) day period, or partial period thereof.

The DISTRIBUTOR must notify PDA of USDA FOODS remaining in an RA's account after four (4) months from the date of the DISTRIBUTOR's allocation notification to the RA. At its discretion after 5 months, PDA may sweep such items from an RA's account and place it on a refusal list for other RAs to access.

When PDA determines that DISTRIBUTOR's notification to RAs for USDA FOODS was not actually made available to RAs on the printed date or within three (3) days thereof, the DISTRIBUTOR must ensure that the sixty (60) days or thirty (30) days free storage is not diminished.

### **1.29 Payment of Distribution and Storage FEEs**

#### **A. NSLP and TRADITIONAL RAs**

Payment of distribution FEEs, pick-up FEEs, and storage FEEs for USDA FOODS allocated to and delivered to or picked up by NSLP or TRADITIONAL RAs shall be made by affected RAs. DISTRIBUTOR shall invoice each RA directly for the appropriate FEEs.

When an RA is sixty (60) days late in its payments for services provided by DISTRIBUTOR, DISTRIBUTOR may suspend services with proper notification to RA and PDA. PDA will assist DISTRIBUTOR in securing settlement of delinquent accounts; however, PDA shall not be liable for any unpaid invoices of any NSLP or TRADITIONAL RA as a result of the IFB.

#### **B. TEFAP RAs**

Payment of distribution FEEs for COMMODITY identified by PDA as USDA FOODS received under The Emergency Food Assistance Program (TEFAP) for delivery to TEFAP RAs (as defined by PDA) shall be made by PDA.

Payment of distribution FEES by PDA for TEFAP USDA FOODS shall be payable upon the submission by DISTRIBUTOR of a monthly invoice to PDA. This invoice should include only one month's worth of receipts clearly identified by material code and commodity name. These can be submitted to the designated person at PDA by

email. The invoice should be signed prior to scanning and emailing.

COMMODITY allocated by PDA to TEFAP RAs and delivered or released by DISTRIBUTOR to TEFAP RAs shall be invoiced to PDA separately.

When DISTRIBUTOR serves more than one ADR, for which DISTRIBUTOR is entitled to different FEEs, distribution FEEs shall be prorated by ADR based on a percentage established by PDA, and adjusted periodically by PDA.

***Note: PDA will not require DISTRIBUTOR to submit a separate invoice for the payment of such FEEs; therefore, it is incumbent upon DISTRIBUTOR to ensure that properly signed receiving documents for each USDA FOOD are forwarded immediately to PDA. The properly executed receiving document shall be considered by PDA as the document authorizing payment.***

Payment of FEEs by PDA when TEFAP USDA FOODS are received and their receipt properly documented shall not diminish DISTRIBUTOR's responsibility for the proper storage, handling, and accounting for each case of USDA FOODS; nor change any other responsibility of DISTRIBUTOR under the IFB.

Storage FEEs for TEFAP RAs shall be calculated using a FIFO inventory rotation on each USDA FOODS.

Invoices submitted to PDA for payment for storage FEEs must clearly identify the lot number and receipt date for items being invoiced. In effect, storage fees for TEFAP commodity shall be calculated by item and not by allocations to TEFAP RAs.

DISTRIBUTOR shall not send to any TEFAP RA or disclose on delivery tickets, etc. any delivery fee or storage fee or anything that will suggest to the TEFAP RA that they are responsible for payment. It shall be clear that the fees are paid by PDA.

PDA may require DISTRIBUTOR to bill PDA for delivery FEEs for USDA FOODS delivered or issued to any RA; and for storage FEEs for specifically identified USDA FOODS.

Unless otherwise specified above, invoices submitted to PDA for services provided by DISTRIBUTOR shall include a summary of issue tickets for each delivery site. Referenced tickets shall be listed in numerical sequence and show the total number of cases, bags, etc. issued or delivered.

### **1.30 Premium Storage FEEs**

When PDA determines that shipments of any specific USDA FOODS from USDA have been excessive in any calendar month, and that because of those excessive shipments, the volume of the identified USDA FOODS has resulted in an unusually high level of inventory of the identified USDA FOODS, PDA may, at its sole discretion, authorize payment to DISTRIBUTOR a premium storage fee of \$.50 per case per month or partial month thereof, for the quantity of the identified COMMODITY determined by PDA to be excessive. The premium storage fee shall be payable by PDA only; not by any RA. The time period for which the premium storage fee is payable shall be determined solely by PDA.

### **1.31 Minimum Invoice for Storage FEEs**

An invoice generated by DISTRIBUTOR for PDA or any RA for storage fees under this IFB shall be for an amount no less than \$5. For example, an invoice for storage fees for five (5) cases of product at \$.50 per case for a one (1) month period would total \$2.50; however, by application of the Minimum Invoice Fee, the invoice would be for \$5. The minimum does not apply to delivery or pick-up FEEs.

### **1.32 Warehouse and Delivery Equipment Requirements**

Facilities used to service the RAs must be either located within the Commonwealth of Pennsylvania or within 50 miles of the Pennsylvania state line.

DISTRIBUTOR must have facilities adequate to service in each ADR bid volumes of USDA FOODS outlined in the IFB, including surges in volume; and must have trucks to deliver predicted volumes of frozen, chilled, and dry food. PDA may examine prior to the execution of an Agreement, facilities of vendors submitting bids to ensure vendor qualification.

DISTRIBUTOR must have adequate facilities to store USDA FOODS in sanitary conditions, at the proper temperature and humidity, and with adequate air circulation. This includes:

- Dry USDA FOODS in an area with forced ventilation and temperatures between 50 degrees and 70 degrees Fahrenheit,
- Frozen USDA FOODS at temperatures 0 degrees Fahrenheit or below; and,
- Refrigerated USDA FOODS at temperatures

between 32 degrees and 40 degrees Fahrenheit, depending on the item.

DISTRIBUTOR shall separate by warehouse slot USDA FOODS by program and funding source. USDA FOODS shall also be separated from commercial products and other USDA FOODS received by DISTRIBUTOR under separate contracts, unless waived in advance by PDA.

DISTRIBUTOR must have, for USDA FOODS, storage capacity to accommodate pallets in bulk, or in or on top of racks at the rate of 20 pallets per 1,000 cases of USDA FOODS during peak inventory periods. Peak inventory is estimated at 25 of annual volumes listed on Attachment "B" and usually occurs between November and February. DISTRIBUTOR must have sufficient capacity to handle listed volumes or have adequate contingency plans to handle the volumes.

DISTRIBUTOR must have available adequate delivery vehicles as follows:

- Separate van trucks for dry USDA FOODS and refrigerated trucks for integrated loads of dry and refrigerated USDA FOODS.
- Dual compartment trucks for combined handling of dry and frozen USDA FOODS; or
- Single compartment refrigerated trucks (0 degrees F) for separate or integrated loads of dry and refrigerated USDA FOODS.

The number of vehicles required depends on size of trucks, the number of delivery routes and the extent to which deliveries of USDA FOODS are integrated with deliveries of commercial food.

### **1.33 Sanitation Requirements**

The USDA, PDA, or their designees may, at any time, inspect DISTRIBUTOR's, or its subcontractors' facilities and delivery vehicles for sanitation and temperature maintenance. Facilities, delivery vehicles, warehousing, and delivery practices must be in compliance with the governing state and federal laws and regulations (including [7 CFR PART 250 -- PART 250 – Donation of Foods for Use in the United States, its Territories and Possessions and Areas Under its Jurisdiction](#)) and USDA-FNS [Instruction 709-5: Shipment and Receipt of USDA Foods](#).

DISTRIBUTOR may be inspected by the Pennsylvania Department of Agriculture's Bureau of Food Safety and Laboratory Services. Any deficiencies cited in any Food Safety inspection must be corrected

within thirty (30) days of the citation.

### **1.34 Liaison with PDA**

DISTRIBUTOR shall maintain liaison with PDA on matters relating to:

- Inventory levels;
- Schedules of inbound shipments;
- Notices of shipment arrival; and,
- Monthly activity and inventory reports.

### **1.35 Computer Capability**

DISTRIBUTOR must have adequate computer capability to:

- Update RA list as directed by PDA;
- Accurately and timely produce and provide electronically transmitted, required reports;
- Track residual quantities of USDA FOODS available to RAs, by each RA's identification number;
- Prevent over ordering, over allocation, and over shipping of USDA FOODS; and
- Complete and file online USDA FOODS receiving and documents using WBSCM.

### **1.36 Inventory Reports**

DISTRIBUTOR shall maintain perpetual inventory records for USDA FOODS received and distributed under the IFB, and shall retain records for review by PDA or its designees for a period of three (3) years from the close of each fiscal year (ending June 30) in addition to the current year.

DISTRIBUTOR must provide PDA no later than ten (10) days after the close of each month, an electronic monthly inventory report (see below) in an order and format compatible and acceptable to and defined by PDA.

Monthly inventory reports shall be on a calendar basis only, unless waived by PDA. For example, inventory reports reflecting activity for October shall only include data dated from October 1 through October 31. It shall not include any activity dated from any other calendar month. It shall be DISTRIBUTOR's responsibility to identify the format acceptable to PDA's data processing unit.

Inventory Reports shall show by USDA FOODS, in total and by RA, quantities (number of cases) on hand at the beginning of the month; quantities received during the month; quantities distributed during the

month; quantities removed from book inventory as a result of damage; and quantities on hand at the end of the month.

Receipts of USDA FOODS on monthly inventory reports shall include only the case volume for which the DISTRIBUTOR signed on the day received from USDA as an inbound shipment. The DISTRIBUTOR shall ensure that reallocations of USDA FOODS are not reported on inventory reports as new receipts.

DISTRIBUTOR shall provide PDA monthly Inventory Reports at the close of each calendar month. This report should include USDA FOODS inventories by program and funding source and should include the date the product was received at the BIUB date.

DISTRIBUTOR must provide PDA no less frequently than bi-weekly, refusals of commodity allocations, or commodities stored in excess of 5 months, by item, by RA, for PDA to re-allocate to other RAs. This function ensures an improved turnover rate for USDA FOODS.

Transfers of USDA FOODS authorized by PDA to or from other facilities under contract with PDA must be tracked separately from receipts (from USDA shipper) and disbursements (to RAs). Transfers of USDA FOODS shall not be reported on inventory reports as new receipts, but as "Transfers In" or "Transfers Out" only. DISTRIBUTOR is responsible for correcting, in subsequent reports, any data filed incorrectly in previous reports.

DISTRIBUTOR shall provide PDA upon request, by program year, an ending inventory report showing, by USDA FOODS: beginning inventory; receipts; disbursements; and ending inventory.

DISTRIBUTOR shall conduct a physical inventory count of COMMODITY during the last week of each June, or as directed by PDA, and provide the results to PDA within thirty (30) days. However, PDA staff will usually conduct year-end physical inventory counts. When PDA conducts physical inventory counts, DISTRIBUTOR must cooperate fully and provide no less than two staff members to assist. DISTRIBUTOR must also adjust June 30 inventory balances to physical counts before sending its June report to PDA.

DISTRIBUTOR shall permit the performance of on-site reviews of the storage facility by PDA, the Controller General, the U.S. Department of Agriculture, or any of its duly authorized representatives, in order to determine compliance with requirements.

### **1.37 Activity Reports**

DISTRIBUTOR shall provide PDA, upon request, printed individual activity reports for each RA served, showing by USDA FOODS, quantities offered and delivered per month and annually. Activity reports must be in sequence, based on RA identification number as assigned by PDA. No page shall contain data on more than one RA.

DISTRIBUTOR shall provide PDA, upon request, by RA and by USDA FOODS, quantities of COMMODITY stored, length of storage, and product expiration or best-if-used-by dates.

Consolidated Activity Reports and Inventory Reports may be submitted if authorized by PDA and all required data are included.

### **1.38 Record Retention, Reviews, and Audits**

DISTRIBUTOR shall maintain records fully accounting for receipt and disposition of all USDA FOODS. Records must be retained for three (3) years following the close of the fiscal year to which they pertain or three (3) years following the date of the last payment made by the PDA, whichever is later; and be available for review by USDA, PDA, PDA's designee, and the Auditor General of Pennsylvania.

For audit purposes, DISTRIBUTOR must maintain an audit trail between computer printouts and delivery tickets. Delivery tickets must be organized numerically or chronologically and easily accessed. Delivery tickets may be audited in total or in part at DISTRIBUTOR's warehouse or DISTRIBUTOR may be required to send delivery tickets to PDA.

### **1.39 Liaison with Recipient Agencies (RAs)**

DISTRIBUTOR shall maintain liaison(s) with RAs and is encouraged to maintain a toll-free telephone number for communications from RAs. DISTRIBUTOR is also encouraged to provide for the placement of orders and the viewing of inventory balances on-hand through the Internet. DISTRIBUTOR's procedures for maintaining its liaison with RAs must be approved by PDA.

DISTRIBUTOR shall also:

- Track utilization of each COMMODITY by RA.
- Clearly identify and advise RAs of "Out of Stock" items.
- No less than monthly provide to RAs by USDA FOODS: 1) a listing of all allocations to date; 2) quantities shipped to date; and 3) balances remaining in the RA's account. Formats must be clear and concise.

**Note: DISTRIBUTOR is cautioned that inventory turns for USDA FOODS are highly dependent on the DISTRIBUTOR's effectiveness in informing RAs of cases of product allocated, pulled, and remaining in storage at the DISTRIBUTOR's facility. DISTRIBUTORS are encouraged to develop and maintain an efficient and effective line of communication for advising RAs of the availability of USDA FOODS.**

#### **1.40 Receiving Reports**

DISTRIBUTOR shall forward to PDA, upon receipt and verification of shipments, documents related to USDA FOODS, including Bills of Lading and other associated paperwork.

#### **1.41 Accountability**

DISTRIBUTOR shall be financially responsible for all COMMODITY received and shall assume and bear the risk of all loss, damage or theft, or improper use of USDA FOODS while in the possession or control of DISTRIBUTOR.

DISTRIBUTOR must carry insurance on USDA FOODS received. The amount of insurance must be at least equal to the DISTRIBUTOR'S average monthly value of month-end USDA FOODS inventories in the previous fiscal year, as determined by one of the USDA donated foods-valuation methods outlined in [7 CFR 250.58\(e\)](#).

DISTRIBUTOR shall be financially responsible for USDA FOODS shortages and damages, and submit any report requested by PDA.

- (1) In accordance with the federal regulatory provisions at [7 CFR § 250.12\(f\)\(1\)](#), the DISTRIBUTOR agrees it will store, manage, and transport USDA FOODS in a manner that properly safeguards them against theft, spoilage, damage, or other loss, in accordance with the following requirements:

- (a) *Safe storage and control.* The DISTRIBUTOR must provide facilities for the storage and control of USDA FOODS that protect against theft, spoilage, damage, or other loss. Accordingly, such storage facilities must maintain USDA FOODS in sanitary conditions, at the proper temperature and humidity, and with adequate air circulation.

- (b) *Inventory management.* The DISTRIBUTOR must ensure USDA FOODS are stored in a manner that permits them to be distinguished by USDA program and funding source (i.e., NSLP, TEFAP Entitlement, TEFAP Bonus, etc.), distinguished from other non-USDA foods, and must ensure that a separate inventory record of USDA FOODS is maintained by program and funding source.
- (2) In accordance with the federal regulatory provisions at [7 CFR § 250.12\(f\)\(2\)](#), the DISTRIBUTOR agrees it will comply with all Federal, State, or local requirements relative to food safety and health, including required health inspections.
- (3) In accordance with the federal regulatory provisions at [7 CFR § 250.12\(f\)\(2\)](#), the DISTRIBUTOR agrees it will comply with all Federal, State, or local requirements relative to procedures for responding to a food recall. In order to comply with a food recall, DISTRIBUTOR further agrees to track warehouse inventory by sales order number, and to provide the applicable sales order number on any invoicing system for RAs.
- (4) In accordance with the federal regulatory provisions at [7 CFR § 250.12\(f\)\(7\)](#), the DISTRIBUTOR acknowledges that they will only be eligible for contract extension or renewal upon fulfillment of all current contract provisions.
- (5) In accordance with the federal regulatory provisions at [2 CFR § 200, Appendix II\(A\)](#), the DISTRIBUTOR acknowledges that – in the event of a breach or violation of the contract terms – the Distributor may be subject to administrative sanctions and/or any contractual or legal remedies available to PDA, as the circumstances of the breach or violation warrant.
- (6) The DISTRIBUTOR agrees to adhere to all applicable requirements listed under OMB Uniform Guidance at [2 CFR § 200, Appendix II](#).

#### **1.42 Insurance**

DISTRIBUTOR must purchase and maintain, at its expense, the following types of insurance, issued by a company authorized to do business in Pennsylvania and acceptable to PDA, and shall provide a Certificate of Insurance to PDA upon execution of the Agreement and each anniversary date thereof:

- A. "All Risk" escalating warehouse contents insurance with coverage at least equal to the average monthly value of USDA FOODS at such facilities in the previous fiscal year.
- B. Comprehensive General Liability Insurance. The limits of such insurance shall be not less than \$1,000,000 for injury to or death of one person in a single occurrence and \$3,000,000 for injury to or death of more than one person in a single occurrence and \$500,000 for a single occurrence of property damage.

### **1.43 Shortages and Damages**

DISTRIBUTOR shall be financially responsible for losses of USDA FOODS due to theft and/or misallocation, as well as for USDA FOODS that are out-of-date or otherwise out-of-condition, which, per applicable USDA regulations, make them unacceptable for further distribution. Damages shall include infestation, contamination, and adulteration, as well as physical damage to containers of USDA FOODS.

Subsequent to an annual physical inventory conducted by PDA, DISTRIBUTOR shall – in coordination with PDA – reconcile overages or shortages between physical inventory and book inventory according to program source. Overages and shortages not explained to the satisfaction of PDA will be netted, using applicable values of USDA FOODS as established by PDA or USDA.

If the value of shortages exceeds the value of overages, a monetary or in-kind settlement for the differences in value will be required. If the value of overages exceeds the value of shortages, no settlement is required. Book inventory will be adjusted after settlement to correspond with physical inventory count. Adjustments for overages and shortages, and inventory shrinkage may be allowed in compliance with USDA regulations.

### **1.44 Self-Service Agencies**

PDA reserves the right to direct ship USDA FOODS to large recipient agencies or their representatives.

### **1.45 Instructions for Completing Bid Sheets**

DISTRIBUTOR should study data and performance requirements of the IFB and complete the Bid Sheet(s). Bid Sheets will be declared void and vendor unresponsive if both "delivery" FEE per case and "pick up" FEE per case are not included.

#### 1.46 Bid Award Criteria

For ADRs I, II, III, IV, V, VI, VII, and VIII, DISTRIBUTOR will be selected on the following criteria:

- A. The lowest weighted average “delivery” FEE per case submitted on the Bid Sheet, with 52% weight given to the delivery FEE for NSLP RAs and 48% weight to the delivery FEE for TRADITIONAL and TEFAP RAs. The “pickup” FEE per case must be included on the Bid Sheet; however, only the weighted average “delivery” FEE per case will be used to determine lowest bid.
- B. Compliance with all documentation and information required in the specifications in the IFB. Failure to include required documentation and information may result in the rejection of the bid as non-responsive.
- C. Adequacy of facilities, services, and other relevant qualifications as evaluated by PDA. PDA’s evaluation may include an onsite inspection at the bidder’s facility and subcontracted facilities, if any. After PDA’s evaluation, bids submitted by vendors whom PDA determines not to be qualified or responsible vendors shall be rejected. PDA’s determination shall be final. (See Bid Sheet example.)

***Note: The “pick-up” price per case must be included on Bid Sheet, however, only the weighted average “delivered” price will be used to determine lowest bid.***

PDA reserves the right to reject any or all bids and to waive technical defects or any informality in bid.

#### 1.47 Bid Submission

Bids to provide services under this IFB must be submitted electronically through the SRM Vendor Portal. Attachment E also needs to be completed and uploaded as an attachment to your bid submission. **The due date for this solicitation will be June 18, 2026 at 2:00 PM.** In lieu of a pre-proposal conference, all potential offerors have the opportunity to submit questions via email to Sheila Strubhar at [sstrubhar@pa.gov](mailto:sstrubhar@pa.gov). The deadline to receive questions is **close of business June 15, 2026**. Answers to all submitted questions will be posted to emarketplace and SRM **no later than close business June 16, 2026**. The Q&A document will become an official part of the IFB document.

#### **1.48 Financial Requirements**

DISTRIBUTORs submitting successful bids must provide PDA, upon request, evidence of adequate financial resources to sustain operations for the period of the Agreement.

Evidence shall be in the form of audited financial statements, including Independent Auditors' Opinion, performed at the bidder's expense by a Certified Public Accountant.

#### **1.49 Performance Bond**

Prior to the execution of an Agreement, DISTRIBUTOR submitting a successful bid must secure and submit to PDA by July 1, 2026, a Performance Bond in the amount of \$25,000. The Performance Bond must remain in effect for the term of the Agreement.

Evidence of proper and continuing Bond coverage may be requested by PDA at any time but must be provided to PDA annually on June 1 of each calendar year. Failure to obtain Bond coverage by July 1, 2026, or failure to maintain proper coverage will result in cancellation of the Agreement.

Performance bonds shall be obtained through any surety company licensed to do business in Pennsylvania and approved by PDA. Letters of Credit or other security instruments may be accepted in lieu of Performance Bonds, but only with prior approval of PDA.

#### **1.50 Requirement of Successful Bidders**

DISTRIBUTORs submitting successful bids to provide services under the IFB must provide PDA by July 1, 2026, and thereafter as any changes occur, the name and phone number of one (1) staff person who shall be PDA's sole contact for all matters relating to the IFB. The staff person so identified shall have the responsibility to investigate all questions and problems arising under the IFB and report back to PDA within three (3) working days with answers to questions and resolutions of problems identified by PDA.

## **Section II: General Bid Conditions**

#### **2.01 Licenses and Certificates**

DISTRIBUTOR may be required by the Pennsylvania Public Utility Commission (PUC) statutes to have a license to deliver USDA FOODS

under the IFB. Responsibility for acquiring and paying for any license required, prior to contract award, rests solely with DISTRIBUTOR.

DISTRIBUTOR must be registered with the Bureau of Food Safety and Laboratory Services, Pennsylvania Department of Agriculture.

If DISTRIBUTOR is a corporation, it must be incorporated in Pennsylvania or have a certificate of authority to conduct business in Pennsylvania. Reference to the corporate box number and a list of the officers of the corporation shall be provided upon request of PDA.

DISTRIBUTOR must maintain and provide PDA, upon request, evidence of membership in a public warehousing association or distributor association dedicated to the development and maintenance of high-performance standards for members.

## **2.02 Prime Contractor Responsibilities**

DISTRIBUTOR assumes full responsibility for all services required by the IFB whether or not provided by DISTRIBUTOR or an approved subcontractor. In addition, PDA will consider DISTRIBUTOR to be the sole point of contact with regard to contract matters.

DISTRIBUTOR shall provide PDA, upon request, a contingency plan for storage of USDA FOODS should warehouse capacity be exceeded due to expansion of the program or the expansion of DISTRIBUTOR's commercial accounts at its primary storage facility(ies).

DISTRIBUTOR must report its intent to subcontract for facilities and services under the IFB to PDA for PDA approval in advance. DISTRIBUTOR will be held responsible for subcontractor performance. DISTRIBUTOR shall provide one-stop pick up of orders by all RAs. Orders of USDA FOODS, regardless of storage location, must be assembled at DISTRIBUTOR's primary facility for pick up unless waived by RA.

## **2.03 Other Requirements**

DISTRIBUTOR must provide PDA upon request:

- References from three current customers with at least one being a Pennsylvania based company. The references must include names and addresses of customers and names and telephone numbers of representatives of customers who can be contacted.
- A duly notarized self-declaratory statement of net worth (total assets minus total liabilities). The statement may be subject to

verification by PDA if deemed necessary.

DISTRIBUTOR agrees to indemnify and hold the Commonwealth, PDA, their officers, agents, and employees harmless from and against any and all suits and judgments for damages for personal injury, death, or damage to real or tangible personal property arising out of or in conjunction with services provided by DISTRIBUTOR under Agreement and caused by DISTRIBUTOR's negligence or intentional wrongful acts.

DISTRIBUTOR will perform services required under the Agreement as an independent contractor and not as an agent of PDA.

#### **2.04 Agreement Period**

The effective date of the Agreement shall be fixed by PDA after the Agreement has been fully executed by the DISTRIBUTOR and the Commonwealth (but will not begin prior to September 1, 2026); all approvals required by Commonwealth contracting procedures have been obtained; and the Agreement has been returned to the DISTRIBUTOR. The term of the contract is one (1) year, with an end date is June 30, 2027. Subsequently, the DISTRIBUTOR may be offered up to four (1) one-year renewals, with an end date not to exceed June 30, 2031.

#### **2.05 Agreement Termination**

##### **A. Termination by PDA**

PDA may terminate the Agreement for noncompliance upon thirty (30) days written notice to DISTRIBUTOR. However, PDA may require DISTRIBUTOR to perform all services attendant to the IFB for period not to exceed six (6) months from the date of the notice.

PDA may also terminate the Agreement without cause or due to the non-availability of funds upon at least sixty (60) days written notice and require DISTRIBUTOR to perform all services attendant to the IFB for period not to exceed six (6) months from the date of the notice. DISTRIBUTOR shall be entitled to applicable fees for services provided prior to termination.

If PDA terminates the Agreement for noncompliance, DISTRIBUTOR will be ineligible to bid on subsequent USDA FOODS distribution IFBs issued by PDA for a period of five (5) years.

**B. Termination by DISTRIBUTOR**

DISTRIBUTOR may terminate the Agreement without cause after written notification of such intent at least sixty (60) days prior to the effective date of such action. During the 60-day period, DISTRIBUTOR may be required by PDA to transfer or deliver residual quantities of USDA FOODS to warehouses designated by PDA or to RAs at established prices per case. Payments for transfers to warehouses will be made by PDA. Payments for deliveries to RAs will be as outlined in this IFB.

If DISTRIBUTOR terminates the Agreement without cause, DISTRIBUTOR will be ineligible to bid on subsequent USDA FOODS distribution IFBs issued by PDA for a period of five (5) years.

**2.06 Incurred Costs**

PDA is not liable for any cost incurred by DISTRIBUTOR prior to execution of IFB Agreement, except as outlined above.

**2.08 Addenda to IFB**

If it becomes necessary to revise any part of this IFB, addenda will be provided to all vendors who receive the initial IFB.

**2.09 Bid Duration**

All bids submitted under the IFB will be firm for 120 calendar days. If a bidder submitting the lowest bid is determined to be unresponsive or unresponsive, the next lowest responsive and responsible bidder will be offered an Agreement.

**2.10 Additional Conditions**

- A. DISTRIBUTOR shall be liable for gross receipt taxes in accordance with Pennsylvania statutes.
- B. Prompt payment discounts may be offered but will not be considered in determining low bid.
- C. If DISTRIBUTOR defaults or fails to abide by terms of the Agreement, PDA, after notice in writing, may procure services from other sources and hold DISTRIBUTOR responsible for any excess cost occasioned thereby.

- D. DISTRIBUTOR understands and agrees with the following:  
“By my signature on this bid, I certify that this bid is made without prior understanding, agreement, or connection with any corporation, firm, or person submitting a bid for the same service, and is in all respects fair and without collusion or fraud. I understand collusion is a violation of law and can result in fines, prison sentences, and civil damage awards I agree to abide by all conditions of this bid and certify that I am authorized to sign for DISTRIBUTOR.”
- E. Modification, additions, or changes to the terms and conditions of the IFB may be cause for rejection of any bid.
- F. The Agreement constitutes the entire agreement between the parties. No amendment or modification changing its scope or terms shall have any force or effect unless in writing and signed by both parties.
- G. The Agreement and all other agreements executed pursuant hereto shall be deemed to be contracts, made under the laws of the Commonwealth of Pennsylvania and, for all purposes, shall be construed in accordance with laws of such Commonwealth.
- H. The terms and provisions of the Agreement are severable. In the event of the unenforceability or invalidity of any one or more of the terms, covenants, conditions or provisions of the Agreement under federal, state or other applicable laws, such unenforceability or invalidity shall not render any other terms, covenants, conditions or provisions thereof unenforceable or invalid.
- I. Any forbearance by PDA in exercising any right or remedy hereunder or otherwise afforded by applicable law shall not be a waiver of or preclude the exercise of any such right or remedy at any appropriate time.
- J. DISTRIBUTOR shall not assign or subcontract the Agreement or any part thereof without the prior written consent of PDA.
- K. DISTRIBUTOR agrees that performance of its obligations under the Agreement will comply with all applicable federal,

state, and local laws and regulations.

**2.12 Single or Multiple Pricing**

There will be no multiple pricing factors considered in determining the lowest bid except as outlined in the IFB.
