1.0 INFORMATION FOR VENDORS {BIDDERS}

NOTICE: This Bid Solicitation is part of the **NJSTART** Procurement Program. ***The Vendor {Bidder} is advised to thoroughly read all sections, as many have been revised, and follow all instructions contained in this Bid Solicitation, including the instructions on the Bid Solicitation's Offer and Acceptance Page*** and read through all Quick Reference Guides (QRGs) located on the [NJSTART Vendor Support Page](#), before preparing and submitting its Quote.

1.1 PURPOSE AND INTENT

This Bid Solicitation is issued by the Procurement Bureau, Division of Purchase and Property (Division), Department of the Treasury on behalf of The New Jersey Department of Environmental Protection (NJDEP), Division of Fish and Wildlife (DFW), Bureau of Shellfisheries. The purpose of this Bid Solicitation is to solicit Quotes from qualified shell fish hatcheries to supply and deliver Hard Clam Seed and Oyster Seed, which will be used to conduct a large-scale seed planting program for the purposes of providing substantial improvements in the enhancement of shellfish stocks in the New Jersey Atlantic Coastal Bays.

The intent of this Bid Solicitation is to award multiple Master Blanket Purchase Orders (Blanket P.O.s) to those responsible Vendors {Bidders} whose Quotes, conforming to this Bid Solicitation are most advantageous to the State, price and other factors considered. The State may award any and all price lines. The State, however, reserves the right to separately procure individual requirements that are the subject of the Blanket P.O. during the Blanket P.O. term, when deemed by the Director of the Division of Purchase and Property (Director) to be in the State's best interest.

The following two (2) types of seed are identified in Section 3.2 of this Bid Solicitation: Hard Clam Seed and Oyster Seed. The State intends to award one (1) Primary, one (1) Secondary, and one (1) Tertiary Blanket P.O. for each seed range identified in Bid Solicitation Sections 3.2.1 and 3.2.2, in accordance Section 6.7 of this Bid Solicitation. Vendors {Bidders} are not required to submit a Quote for each seed type, or for all seed ranges in order to be considered for award. A Vendor {Bidder} may submit a Quote for one (1) or both seed types and for any or all size ranges. However, the State reserves the right to award fewer than the quantity of Blanket P.O.s specified above, if the Director deems it to be in the best interest of the State.

Vendors {Bidders} are advised that only those with hatcheries located in the Mid-Atlantic are eligible for award.

The State of NJ Standard Terms and Conditions (SSTCs) accompanying this Bid Solicitation will apply to all Blanket P.O.s made with the State of New Jersey. These terms are in addition to the terms and conditions set forth in this Bid Solicitation and should be read in conjunction with them unless the Bid Solicitation specifically indicates otherwise.

The State of New Jersey (State) may extend the Blanket P.O.(s) awarded to the Division's Cooperative Purchasing Program participants after Blanket P.O.(s) award. In that circumstance, the State will request that the Vendor(s) {Contractor(s)} complete the Cooperative Purchasing Form indicating willingness or unwillingness to extend State Blanket P.O. pricing and terms to Cooperative Purchasing Program participants. The Cooperative Purchasing Form is located on the Division's website. These participants include quasi-State entities, counties, municipalities, school districts, volunteer fire departments, first aid squads, independent institutions of higher learning, County colleges and State colleges. Although the State, with the consent of the Vendor(s) {Contractor(s)}, may make use of any Blanket P.O. resulting from this Bid Solicitation available to non-State Agencies, the State makes no representation as to the acceptability of any State Bid Solicitation terms and conditions under the Local Public Contracts Law or any other enabling statute or regulation.

1.2 BACKGROUND

The New Jersey DFW, Bureau of Shellfisheries has been involved with a number of projects to enhance and restore the shellfish habitats and populations along the Atlantic Coast waters of New Jersey. These efforts have involved collaborative partnerships with various Non-Government Organizations (NGO) whose missions align with the restoration and enhancement goals of the Bureau. These initiatives were undertaken due to concerns over the declining shellfish populations, declining harvest and concerns for the overall ecology of the New Jersey bays, with a large focus on the Governor's initiative to restore Barnegat Bay. Enhancement and restoration efforts involve various components including planting of shell to bolster or create habitat, intermediate transplanting of shellfish, planting of hatchery reared shellfish and public outreach. This is a new procurement to reflect NJDEP concerns for New Jersey bays and implementation of the Governor's initiative.

While the Bureau of Shellfisheries has been involved with the shellfish enhancement efforts over the last several decades, they have centered mostly on oyster enhancement projects in the Delaware Bay and in the Mullica River. These enhancement and restoration projects have been expanded to include estuaries outside of these systems, small scale planting in the Great Egg Harbor River, attempts to restore oyster habitat in Barnegat Bay and Hard Clam enhancement in Barnegat Bay, Great Bay and the Navesink River.

Approximately 5,000,000 Hard Clam Seed (20-25 millimeter (mm)) and over 1,000,000 individual Oyster Seed have been planted and funded through various shellfish mitigation monies that are available. The Bureau of Shellfisheries plans to ramp up the number of shellfish seed to be planted and expand these plantings to new areas.

Many of these programs have been successful to date and have the potential to increase stocks, increase harvest opportunities and provide more public focus and awareness of the ecology and stewardship needs of New Jersey's estuaries.

Those Vendors {Bidders} who are on the bid holder list either through commodity code registration in [NJSTART](#) or by acknowledging the bid in [NJSTART](#) should receive notification of any Bid Amendment(s). If a Vendor {Bidder} is not on the bid holder list to receive notifications related to a Bid Solicitation, Bid Amendments are still viewable on the "Summary" page of the Bid Solicitation in [NJSTART](#).

BID AMENDMENTS WILL BE ISSUED AS FILE ATTACHMENTS, AND ARE VIEWABLE ON THE "SUMMARY" PAGE OF THE BID SOLICITATION IN [NJSTART](#). Vendors {Bidders} may refer to the QRG "Submit a Quote" for additional instructions. QRGs are located on the [NJSTART Vendor Support Page](#).

It is the sole responsibility of the Vendor {Bidder} to be knowledgeable of all Bid Amendments related to this procurement. An interested Vendor {Bidder} should check the [NJSTART](#) "Open Bids" Tab on a daily basis to ensure review of the most updated information.

1.4.2 VENDOR {BIDDER} RESPONSIBILITY

The Vendor {Bidder} assumes sole responsibility for the complete effort required in submitting a Quote in response to this Bid Solicitation. No special consideration will be given after Quotes are opened because of a Vendor's {Bidder's} failure to be knowledgeable as to all of the requirements of this Bid Solicitation.

1.4.3 COST LIABILITY

The State assumes no responsibility and bears no liability for costs incurred by a Vendor {Bidder} in the preparation and submittal of a Quote in response to this Bid Solicitation.

1.4.4 CONTENTS OF QUOTE

Quotes can be released to the public pursuant to [N.J.A.C. 17:12-1.2\(b\)](#) and (c), or under the New Jersey Open Public Records Act (OPRA), [N.J.S.A. 47:1A-1 et seq.](#), or the common law right to know.

After the opening of sealed Quotes, including Quotes submitted through the [NJSTART](#) electronic process, all information submitted by a Vendor {Bidder} in response to a Bid Solicitation is considered public information notwithstanding any disclaimers to the contrary submitted by a Vendor {Bidder}. Proprietary, financial, security and confidential information may be exempt from

public disclosure by OPRA and/or the common law when the Vendor {Bidder} has a good faith, legal/factual basis for such assertion.

When the Bid Solicitation contains a negotiation component, the Quote will not be subject to public disclosure until a notice of intent to award a Blanket P.O. is announced.

As part of its Quote, a Vendor {Bidder} may designate any data or materials it asserts are exempt from public disclosure under OPRA and/or the common law, explaining the basis for such assertion. Vendor {Bidder} must provide a detailed statement clearly identifying those sections of the Quote that it claims are exempt from production, and the legal and factual basis that supports said exemption(s) as a matter of law. The State will not honor any attempts by a Vendor {Bidder} to designate its entire Quote as proprietary, confidential and/or to claim copyright protection for its entire Quote.

The State reserves the right to make the determination as to what is proprietary or confidential, and will advise the Vendor {Bidder} accordingly. Any proprietary and/or confidential information in a Quote will be redacted by the State. Copyright law does not prohibit access to a record which is otherwise available under OPRA.

In the event of any challenge to the Vendor's {Bidder's} assertion of confidentiality with which the State does not concur, the Vendor {Bidder} shall be solely responsible for defending its designation, but in doing so, all costs and expenses associated therewith shall be the responsibility of the Vendor {Bidder}. The State assumes no such responsibility or liability.

A Vendor {Bidder} shall not designate any price lists and/or catalogs submitted as exempt from public disclosure as the same must be accessible to State Using Agencies and Cooperative Purchasing Program participants (if the Bid Solicitation has been extended to these participants) and thus must be made public to allow all eligible purchasing entities access to the pricing information.

In order not to delay consideration of the Quote or the State's response to a request for documents, the State requires that Vendor {Bidder} respond to any request regarding confidentiality markings within the timeframe designated in the State's correspondence regarding confidentiality. If no response is received by the designated date and time, the State will be permitted to release a copy of the Quote with the State making the determination regarding what may be proprietary or confidential.

1.4.5 ANNOUNCEMENT OF QUOTE INFORMATION

On the date and time Quotes are due under the Bid Solicitation, all information concerning the Quotes submitted may be publicly announced and shall be available for inspection and copying except as noted below:

- A. Information appropriately designated as proprietary and/or confidential shall not be available for inspection and copying; and
- B. Where negotiation is contemplated, only the names and addresses of the Vendors {Bidders} submitting Quotes will be announced, and the contents of the Quotes shall not be available for inspection and copying until the Notice of Intent to Award is issued by the Director.

1.4.6 PRICE ALTERATION IN QUOTES

Any price changes including hand written revisions or "white-outs" must be initialed. Failure to initial price changes shall preclude a Blanket P.O. award from being made to the Vendor {Bidder} pursuant to N.J.A.C. 17:12-2.2(a)(8).

1.4.7 QUOTE ERRORS

In accordance with N.J.A.C. 17:12-2.11 "Proposal errors," a Vendor {Bidder} may withdraw its Quote as described below.

1.4.7.1 QUOTE WITHDRAWAL PRIOR TO QUOTE OPENING

A Vendor {Bidder} may withdraw its Quote submission in **NJSTART** prior to the Quote opening; however, Vendors {Bidders} should note that while withdrawn **NJSTART** Quotes remain viewable by the Vendor {Bidder} on its Vendor Profile Homepage, they are removed from the Division's view and cannot be considered for Blanket P.O. award. The Vendor {Bidder} may submit a revised Quote as long as the Quote is received prior to the announced date and time for Quote submission. Vendors {Bidders} may refer to the QRG "Submit a Quote" for additional instruction. QRGs are located on the [NJSTART Vendor Support Page](#).

1.4.7.2 QUOTE WITHDRAWAL AFTER QUOTE OPENING, BUT PRIOR TO BLANKET P.O. AWARD

If, after the Quote opening, but before Blanket P.O. award, a Vendor {Bidder} discovers an error in its Quote, the Vendor {Bidder} may make a written request to the Supervisor of the Proposal Review Unit to withdraw its Quote from consideration for award. If the Vendor's {Bidder's} request to withdraw is made in good faith, and the State will not be significantly prejudiced by granting the withdrawal of the Quote beyond the loss of the benefit of the bargain to the State of the withdrawing Vendor's {Bidder's} offer, the request shall be granted. Evidence of the Vendor's {Bidder's} good faith in making this request can be demonstrated by one (1) or more of the following factors: A mistake is so significant that to enforce the Blanket P.O. resulting from the Quote would be unconscionable; that the mistake relates to a material feature or term of the Blanket P.O.; and that the mistake occurred notwithstanding the Vendor's {Bidder's} exercise of reasonable care. After Quote opening, while pursuant to the provisions of this section a Vendor {Bidder} may request to withdraw its Quote and the Director may in his/her discretion allow said Vendor {Bidder} to withdraw it, the Division also may take notice of repeated or unusual requests to withdraw by a Vendor {Bidder} and take those prior requests to withdraw into consideration when evaluating the Vendor's {Bidder's} future Quotes.

All Quote withdrawal requests must include the Bid Solicitation identification number and the final Quote submission date and be sent to the following email address: Africa.Nelson@treas.nj.gov

If during a Quote evaluation process, an obvious pricing error made by a potential Blanket P.O. awardee is found, the Director or his/her designee shall issue written notice to the Vendor {Bidder}. The Vendor {Bidder} will have up to five (5) business days after receipt of the notice to confirm its pricing. If the Vendor {Bidder} fails to respond, its Quote shall be considered withdrawn, and no further consideration shall be given to it.

1.4.8 JOINT VENTURE

If a Joint Venture is submitting a Quote, the agreement between the parties relating to such Joint Venture should be submitted with the Joint Venture's Quote. Authorized signatories from each party comprising the Joint Venture must sign the Offer and Acceptance Page. Each party to the Joint Venture must individually comply with all the forms and certification requirements in Sections 4.4.1 and 4.4.2 of this Bid Solicitation.

1.4.9 RECIPROCITY FOR JURISDICTIONAL VENDOR {BIDDER} PREFERENCE

In accordance with N.J.S.A. 52:32-1.4 and N.J.A.C. 17:12-2.13, the State of New Jersey will invoke reciprocal action against an out-of-State Vendor {Bidder} whose state or locality maintains a preference practice for its in-state Vendors {Bidders}. The State of New Jersey will use the annual surveys compiled by the Council of State Governments, National Association of State Procurement Officials, or the National Institute of Governmental Purchasing or a State's statutes and regulations to identify States having preference laws, regulations, or practices and to invoke reciprocal actions. The State of New Jersey may obtain additional information as it deems appropriate to supplement the stated survey information.

A Vendor {Bidder} may submit information related to preference practices enacted for a State or Local entity outside the State of New Jersey. Where additional terms are submitted they may be accepted, rejected, or negotiated, in whole or in part, at the State's sole discretion where the terms do not conflict with material terms of the Bid Solicitation or do not diminish the State's rights under the Blanket P.O. resulting from the Bid Solicitation.

In the event that a Vendor {Bidder} intends to propose terms and conditions that conflict with the Bid Solicitation, those Vendor {Bidder} proposed terms and conditions shall only be considered if submitted and agreed to pursuant to the electronic question and answer procedure set forth in Section 1.3.1 of this Bid Solicitation. The Vendor {Bidder} is instructed to do so only as a mechanism to comply with Bid Solicitation Section 6.8 and prevent all pricing from being publicly displayed in **NJSTART**. In the event that a Vendor {Bidder} using **NJSTART** to submit a Quote uploads a State-Supplied Price Sheet and completes the Items Tab in **NJSTART** (instead of entering a Unit Cost of \$1.00 as instructed), the State-Supplied Price Sheet will govern.

Vendors {Bidders} may refer to the QRGs "Vendor Forms" and "Attaching Files" for instructions on submitting the forms required by this section of the Bid Solicitation through **NJSTART**. QRGs are located on the [NJSTART Vendor Support Page](#).

NOTE: If the Blanket P.O. is a small business subcontracting set-aside, the Vendor {Bidder} certifies that in engaging Subcontractors, it shall make a good faith effort to achieve the subcontracting set-aside goals, and shall attach to the Subcontractor Utilization Plan documentation of such efforts in accordance with N.J.A.C. 17:13-4.1 et seq.

For a Quote that does NOT include the use of any Subcontractors, by signing the Bid Solicitation Offer and Acceptance Page, the Vendor {Bidder} is automatically certifying that in the event the award is granted to the Vendor's {Bidder's} firm and the Vendor {Bidder} later determines at any time during the term of the Blanket P.O. to engage Subcontractors to provide certain goods and/or

services, pursuant to Section 5.8 of the SSTC, the Vendor {Bidder} shall submit a Subcontractor Utilization Plan form for approval to the Division in advance of any such engagement of Subcontractors.

4.4.1.4 SMALL BUSINESS SET-ASIDE BLANKET P.O. {CONTRACTS}

4.4.1.5 DISABLED VETERANS' BUSINESS SET-ASIDE BLANKET P.O.

Not applicable to this procurement.

4.4.1.6 SMALL BUSINESS AND/OR DISABLED VETERANS' BUSINESS SUBCONTRACTING SET-ASIDE BLANKET P.O.

Not applicable to this procurement.

4.4.2 FORMS, REGISTRATIONS AND CERTIFICATIONS REQUIRED BEFORE BLANKET P.O. AWARD AND THAT SHOULD BE SUBMITTED WITH THE QUOTE

Unless otherwise specified, forms must contain an original, physical signature, or an electronic signature pursuant to Section 1.4.11 of this Bid Solicitation.

4.4.2.1 BUSINESS REGISTRATION

In accordance with N.J.S.A. 52:32-44(b), a Vendor {Bidder} and its named Subcontractors must have a valid Business Registration Certificate ("BRC") issued by the Department of the Treasury, Division of Revenue and Enterprise Services prior to the award of a Blanket P.O. To facilitate the Quote evaluation and Blanket P.O. award process, the Vendor {Bidder} should submit a copy of its valid BRC and those of any named Subcontractors with its Quote. See Section 2.1 of the SSTC.

Any Vendor {Bidder}, inclusive of any named Subcontractors, not having a valid business registration at the time of the Quote opening, or whose BRC was revoked prior to the submission of the Quote, should proceed immediately to register its business or seek reinstatement of a revoked BRC. Vendors {Bidders} should verify its BRC status on the "Maintain Terms and Categories" Tab within its profile in **NJSTART**. In the event of an issue with a Vendor's {Bidder's} BRC, **NJSTART** provides a link to take corrective action.

The Vendor {Bidder} is cautioned that it may require a significant amount of time to secure the reinstatement of a revoked BRC. The process can require actions by both the Division of Revenue and Enterprise Services and the Division of Taxation. For this reason, a Vendor's {Bidder's} early attention to this requirement is highly recommended. The Vendor {Bidder} and its named Subcontractors may register with the Division of Revenue and Enterprise Services, obtain a copy of an existing BRC or obtain information necessary to seek re-instatement of a revoked BRC online at <http://www.state.nj.us/treasury/revenue/busregcert.shtml>.

A Vendor {Bidder} otherwise identified by the Division as a responsive and responsible Vendor {Bidder}, inclusive of any named Subcontractors, but that was not business registered at the time of submission of its Quote must be so registered and in possession of a valid BRC by a deadline to be specified in writing by the Division. A Vendor {Bidder} failing to comply with this requirement by the deadline specified by the Division will be deemed ineligible for Blanket P.O. award. Under any circumstance, the Division will rely upon information available from computerized systems

maintained by the State as a basis to verify independently compliance with the requirement for business registration.

A Vendor {Bidder} receiving a Blanket P.O. award as a result of this procurement and any Subcontractors named by that Vendor {Bidder} will be required to maintain a valid business registration with the Division of Revenue and Enterprise Services for the duration of the executed Blanket P.O., inclusive of any Blanket P.O. extensions.

4.4.2.2 DISCLOSURE OF INVESTIGATIONS AND OTHER ACTIONS INVOLVING BIDDER FORM

The Vendor {Bidder} should submit the Disclosure of Investigations and Other Actions Involving Bidder Form, with its Quote, to provide a detailed description of any investigation, litigation, including administrative complaints or other administrative proceedings, involving any public sector clients during the past five (5) years, including the nature and status of the investigation, and, for any litigation, the caption of the action, a brief description of the action, the date of inception, current status, and, if applicable, disposition. If a Vendor {Bidder} does not submit the form with the Quote, the Vendor {Bidder} must comply within seven (7) business days of the State's request or the State may deem the Quote non-responsive.

Vendors {Bidders} using [NJSTART](#) to submit a Quote shall make the appropriate certification on the "Maintain Terms and Categories" Tab within its profile by checking the applicable box and, if required, complete and attach the shortened [NJSTART](#) form. Vendors {Bidders} not using [NJSTART](#) to submit a Quote must complete the full version of the form located on the [Division's website](#).

Vendors {Bidders} may refer to the QRGs "Vendor Forms" and "Attaching Files" for instructions on submitting the forms required by this section of the Bid Solicitation through [NJSTART](#). Vendors {Bidders} may also refer to the QRG "Vendor Categories and Certifications" for additional instructions on completing shortened versions of required forms by completing certifications on the "Maintain Terms and Categories" Tab within its profile in [NJSTART](#). QRGs are located on the [NJSTART Vendor Support Page](#).

4.4.2.3 SOURCE DISCLOSURE

Not applicable to this procurement.

4.4.3 SUBMITTALS

Vendors {Bidders} may refer to the QRG "Submit a Quote" for instructions detailing how to submit a [NJSTART](#) electronic Quote. QRGs are located on the [NJSTART Vendor Support Page](#).

4.4.3.1 VENDOR {BIDDER} DATA SHEET

The Vendor {Bidder} should submit the Vendor {Bidder} Data Sheet with its Quote. The Vendor {Bidder} Data Sheet will be used to evaluate the Vendor's {Bidder's} ability to complete the Scope of Work.

The Vendor {Bidder} should provide in its response to Part I of the Vendor {Bidder} Data Sheet all relevant information regarding its experience in successfully completing contracts of a similar size and scope to the work required by this Bid Solicitation.

The Vendor {Bidder} must provide in Part II of the Vendor {Bidder} Data Sheet details of any negative actions taken by other contracting entities against it in the course of performing these projects including, but not limited to, receipt of letters of potential default, default, cure notices, termination of services for cause, or other similar notifications/processes. Additionally, the Vendor {Bidder} should provide details, including any negative audits, reports, or findings by any governmental agency for which the Vendor {Bidder} is/was the contractor on any contracts of similar

scope. In the event a Vendor {Bidder} neglects to include this information in its Quote, the Vendor's {Bidder's} omission of necessary disclosure information may be cause for rejection of the Vendor's {Bidder's} Quote by the State.

If proposing to use a Subcontractor, the Vendor {Bidder} should provide as an attachment to the Vendor {Bidder} Data Sheet documented experience to demonstrate that each Subcontractor has successfully performed work on contracts of a similar size and scope to the work that the Subcontractor is designated to perform in the Vendor's {Bidder's} Quote. The Vendor {Bidder} must provide a detailed description of services to be provided by each Subcontractor.

4.4.4 FINANCIAL CAPABILITY OF THE VENDOR {BIDDER}

The Vendor {Bidder} should provide sufficient financial information to enable the State to assess the financial strength and creditworthiness of the Vendor {Bidder} and its ability to undertake and successfully complete the Blanket P.O. In order to provide the State with the ability to evaluate the Vendor's {Bidder's} financial capacity and capability to undertake and successfully complete the Blanket P.O., the Vendor {Bidder} should submit the following:

- A. For publicly traded companies the Vendor {Bidder} should provide copies or the electronic location of the annual reports filed for the two most recent years; or
- B. For privately held companies the Vendor {Bidder} should provide the certified financial statement (audited or reviewed) in accordance with applicable standards by an independent Certified Public Accountant which include a balance sheet, income statement, and statement of cash flow, and all applicable notes for the most recent calendar year or the Vendor's {Bidder's} most recent fiscal year.

If the information is not supplied with the Quote, the State may still require the Vendor {Bidder} to submit it. If the Vendor {Bidder} fails to comply with the request within seven (7) business days, the State may deem the Quote non-responsive.

A Vendor {Bidder} may designate specific financial information as not subject to disclosure when the Vendor {Bidder} has a good faith legal/factual basis for such assertion. A Vendor {Bidder} may submit specific financial documents in a separate, sealed package clearly marked "Confidential-Financial Information" along with the Quote.

The State reserves the right to make the determination to accept the assertion and shall so advise the Vendor {Bidder}.

4.4.5 STATE-SUPPLIED PRICE SHEET

The Vendor {Bidder} must submit its pricing using the State-Supplied Price Sheet accompanying this Bid Solicitation and located on the "Attachments" Tab.

Vendors {Bidders} may refer to the QRG "Submit a Quote" for instructions detailing how to submit a [NJSTART](#) electronic Quote. QRGs are located on the [NJSTART Vendor Support Page](#).

4.4.5.1 NJSTART PRICING SUBMISSION INSTRUCTIONS

If the Vendor {Bidder} is submitting a [NJSTART](#) Quote, the Vendor {Bidder} must enter a Unit Cost of \$1.00 for each price line item on the "Items" Tab in [NJSTART](#). The Vendor {Bidder} is instructed to do so only as a mechanism to comply with Bid Solicitation Section 6.8 and prevent all pricing from being publicly displayed in [NJSTART](#).

4.4.5.2 STATE-SUPPLIED PRICE SHEET INSTRUCTIONS

A Vendor {Bidder} may submit a price for one (1) or both seed types and for any or all size ranges. For each price line the Vendor {Bidder} submits a Quote for, all yellow cells must be completed for Years 1-3, or the Quote may be deemed non-responsive. The Vendor {Bidder} shall not alter the State-Supplied Price Sheet in any other way.

- A) For each type of seed that the Vendor {Bidder} intends to provide, it shall submit a Firm Fixed Price for each size range, for each Blanket P.O. year.
- B) For each type of seed that the Vendor {Bidder} does not intend to provide, refer to Section 4.4.5.3 for additional information.
- C) **Prices must be listed in “each” quantities, and use no more than four (4) decimal places (i.e. \$0.0001).**

In the event that a Vendor {Bidder} using **NJSTART** to submit a Quote uploads a State-Supplied Price Sheet and completes the “Items” Tab in **NJSTART** (instead of entering a Unit Cost of \$1.00 as instructed), the State-Supplied Price Sheet will govern.

4.4.5.3 USE OF “NO BID” VERSUS “NO CHARGE” ON THE STATE-SUPPLIED PRICE SHEET

All price lines must be filled out in accordance with Section 4.4.5.2. If the Vendor {Bidder} is not submitting a price for an item on a price line, the Vendor {Bidder} must indicate “No Bid” on the State-Supplied Price Sheet accompanying this Bid Solicitation. If the Vendor {Bidder} will supply an item on a price line free of charge, the Vendor {Bidder} must indicate “No Charge” on the State-Supplied Price Sheet accompanying this Bid Solicitation. The use of any other identifier may result in the Vendor’s {Bidder’s} Quote being deemed non-responsive.

4.4.5.4 DELIVERY TIME AND COSTS

Unless otherwise noted elsewhere in the Bid Solicitation, all delivery times are 30 calendar days after receipt of order (ARO) and prices for items in Quotes shall be submitted Freight On Board (F.O.B.) Destination (30 calendar days ARO/F.O.B.). Quotes submitted other than 30 calendar days ARO/F.O.B. may be deemed non-responsive. The Vendor {Contractor} shall assume all costs, liability and responsibility for the delivery of merchandise in good condition to the State's Using Agency or designated purchaser. 30 calendar days ARO/F.O.B. does not cover "spotting" but does include delivery on the receiving platform of the Using Agency at any destination in the State of New Jersey unless otherwise specified.

No additional charges will be allowed for any additional transportation costs resulting from partial shipments made at the Vendor’s {Contractor’s} convenience when a single shipment is ordered.

The weights and measures of the State's Using Agency receiving the shipment shall govern.

4.4.5.5 COLLECT ON DELIVERY (C.O.D.) TERMS

C.O.D. terms are not acceptable as part of a Quote and shall be deemed non-responsive.

4.4.5.6 CASH DISCOUNTS

The Vendor {Bidder} is encouraged to offer cash discounts based on expedited payment by the State. The State will make efforts to take advantage of discounts, but discounts will not be considered in determining the price rankings of Quotes.

Should the Vendor {Bidder} choose to offer cash discounts the following shall apply:

- A. Discount periods shall be calculated starting from the next business day after the Using Agency has accepted the goods or services, received a properly signed and executed invoice and, when required, a properly executed performance security, whichever is latest; and
- B. The date on the check issued by the State in payment of that invoice shall be deemed the date of the State's response to that invoice.

4.4.6 COOPERATIVE PURCHASING PROGRAM

The Vendor {Bidder} should complete the Cooperative Purchasing Form indicating willingness or unwillingness to extend State Blanket P.O. pricing and terms to Cooperative Purchasing Program participants. The Cooperative Purchasing Form is located on the [Division's website](#).

4.4.7 ORAL PRESENTATIONS

Not applicable to this procurement.

5.0 SPECIAL CONTRACTUAL TERMS AND CONDITIONS APPLICABLE TO THE BLANKET P.O.

5.1 PRECEDENCE OF SPECIAL CONTRACTUAL TERMS AND CONDITIONS

This Blanket P.O. awarded, and the entire agreement between the parties, as a result of this Bid Solicitation shall consist of this Bid Solicitation, SSTC, Bid Amendment to this Bid Solicitation, the Vendor's {Contractor's} Quote, any Best and Final Offer, and the Division's Notice of Award.

In the event of a conflict in the terms and conditions among the documents comprising this Blanket P.O., the order of precedence, for purposes of interpretation thereof, listed from highest ranking to lowest ranking, shall be:

- A. Executed Offer and Acceptance Page;
- B. Bid Solicitation Section 5, as may be amended by Bid Amendment;
- C. The State of NJ Standard Terms and Conditions (SSTC) accompanying this Bid Solicitation;
- D. All remaining sections of the Bid Solicitation, as may be amended by Bid Amendment;
- E. The Vendor's {Contractor's} final submitted Best and Final Offer; and
- F. The Vendor's {Contractor's} Quote as accepted by the State.

Note: In the event of conflicting information between the Bid Solicitation and fields contained in **NJSTART**, the Bid Solicitation will govern and **NJSTART** will be updated via Bid Amendment or Change Order.

5.2 BLANKET P.O. TERM AND EXTENSION OPTION

The base term of this Blanket P.O. shall be for a period of **three (3) years**. The anticipated "Blanket P.O. Effective Date" is provided on the "Summary" page the Bid Solicitation in **NJSTART**. If delays in the procurement process result in a change to the anticipated Blanket P.O. Effective Date, the Vendor {Bidder} agrees to accept a Blanket P.O. for the full term of this Blanket P.O.

This Blanket P.O. may be extended up to **two (2) years** with no single extension exceeding one (1) year, by the mutual written consent of the Vendor {Contractor} and the Director at the same terms, conditions, and pricing at the rates in effect in the last year of this Blanket P.O. or rates more favorable to the State.

5.3 BLANKET P.O. TRANSITION

In the event that a new Blanket P.O. has not been awarded prior to this Blanket P.O. expiration date, including any extensions exercised, and the State exercises this Blanket P.O. transition, the Vendor {Contractor} shall continue this Blanket P.O. under the same terms, conditions, and pricing until a new Blanket P.O. can be completely operational. At no time shall this transition period extend more than **180 days** beyond the expiration date of this Blanket P.O., including any extensions exercised.

5.4 CHANGE ORDER

Any changes or modifications to the terms of this Blanket P.O. shall be valid only when they have been reduced to writing and signed by the Vendor {Contractor} and the Director.

5.5 VENDOR {CONTRACTOR} RESPONSIBILITIES

The Vendor {Contractor} shall have sole responsibility for the complete effort specified in this Blanket P.O. Payment will be made only to the Vendor {Contractor}. The Vendor {Contractor} shall have sole responsibility for all payments due any Subcontractor.

The Vendor {Contractor} is responsible for the professional quality, technical accuracy and timely completion and submission of all deliverables, services or commodities required to be provided under this Blanket P.O. The Vendor {Contractor} shall, without additional compensation, correct or revise any errors, omissions, or other deficiencies in its deliverables and other services. The approval of deliverables furnished under this Blanket P.O. shall not in any way relieve the Vendor {Contractor} of responsibility for the technical adequacy of its work. The review, approval, acceptance or payment for any of the services shall not be construed as a waiver of any rights that the State may have arising out of the Vendor's {Contractor's} performance of this Blanket P.O.

5.6 SUBSTITUTION OF STAFF

If it becomes necessary for the Vendor {Contractor} to substitute any management, supervisory or key personnel, the Vendor {Contractor} shall identify the substitute personnel and the work to be performed. The Vendor {Contractor} must provide detailed justification documenting the necessity for the substitution. Resumes must be submitted evidencing that the individual(s) proposed as substitute(s) have qualifications and experience equal to or better than the individual(s) originally proposed or currently assigned.

The Vendor {Contractor} shall forward a request to substitute staff to the State Contract Manager for consideration and approval. No substitute personnel are authorized to begin work until the Vendor {Contractor} has received written approval to proceed from the State Contract Manager.

5.7 SUBSTITUTION OR ADDITION OF SUBCONTRACTOR(S)

This Subsection serves to supplement but not to supersede Sections 5.8 and 5.9 of the SSTC accompanying this Bid Solicitation.

The Vendor {Contractor} may not subcontract other than as identified in the Vendor's {Contractor's} proposal without the prior written consent of the Director. The Vendor {Contractor} shall forward a written request to substitute or add a Subcontractor or to substitute its own staff for a Subcontractor to the State Contract Manager for consideration. If the State Contract Manager approves the request, the State Contract Manager will forward the request to the Director for final approval. No substituted or additional Subcontractors are authorized to begin work until the Vendor {Contractor} has received written approval from the Director.

If it becomes necessary for the Vendor {Contractor} to substitute a Subcontractor, add a Subcontractor, or substitute its own staff for a Subcontractor, the Vendor {Contractor} will identify the proposed new Subcontractor or staff member(s) and the work to be performed. The Vendor {Contractor} must provide detailed justification documenting the necessity for the substitution or addition.

The Vendor {Contractor} must provide detailed resumes of its proposed replacement staff or of the proposed Subcontractor's management, supervisory, and other key personnel that demonstrate knowledge, ability and experience relevant to that part of the work which the Subcontractor is to undertake.

The qualifications and experience of the replacement(s) must equal or exceed those of similar personnel proposed by the Vendor {Contractor} in its Quote.

5.8 OWNERSHIP OF MATERIAL

All data, technical information, materials gathered, originated, developed, prepared, used or obtained in the performance of this Blanket P.O., including, but not limited to, all reports, surveys, plans, charts, literature, brochures, mailings, recordings (video and/or audio), pictures, drawings, analyses, graphic representations, software computer programs and accompanying documentation and print-outs, notes and memoranda, written procedures and documents, regardless of the state of completion, which are prepared for or are a result of the services required under this Blanket P.O. shall be and remain the property of the State of New Jersey and shall be delivered to the State of New Jersey upon 30 days' notice by the State. With respect to software computer programs and/or source codes developed for the State, except those modifications or adaptations made to Vendor's {Bidder's/Contractor's} Background IP as defined below, the work shall be considered "work for hire", i.e., the State, not the Vendor {Contractor} or Subcontractor, shall have full and complete ownership of all software computer programs and/or source codes developed. To the extent that any of such materials may not, by operation of the law, be a work made for hire in accordance with the terms of this Blanket P.O., Vendor {Contractor} or Subcontractor hereby assigns to the State all right, title and interest in and to any such material, and the State shall have the right to obtain and hold in its own name and copyrights, registrations and any other proprietary rights that may be available.

Should the Vendor {Bidder} anticipate bringing pre-existing intellectual property into the project, the intellectual property must be identified in the Quote. Otherwise, the language in the first paragraph of this section prevails. If the Vendor {Bidder} identifies such intellectual property ("Background IP") in its Quote, then the Background IP owned by the Vendor {Bidder} on the date of this Blanket P.O., as well as any modifications or adaptations thereto, remain the property of the Vendor {Bidder}. Upon Blanket P.O. award, the Vendor {Bidder/Contractor} shall grant the State a nonexclusive, perpetual royalty free license to use any of the Vendor's {Bidder's/Contractor's} Background IP delivered to the State for the purposes contemplated by this Blanket P.O.

This assessment is authorized by N.J.S.A. 52:27B-56 and N.J.A.C. 17:12-1.5, to maintain the State’s procurement system at a level to meet industry standards of efficiency.

For purposes of this section, “transaction” is defined as the payment or remuneration to the Vendor {Contractor} for services rendered or products provided to the State pursuant to the terms of this Blanket P.O., including but not limited to the following: purchase orders, invoices, hourly rates, firm fixed price, commission payments, progress payments and contingency payments.

6.0 QUOTE EVALUATION

6.1 RIGHT TO WAIVE

Pursuant to N.J.A.C. 17:12-2.7(d) the Director may waive minor irregularities or omissions in a Quote. The Director also reserves the right to waive a requirement provided that the requirement does not materially affect the procurement or the State's interests associated with the procurement.

6.2 DIRECTOR'S RIGHT OF FINAL QUOTE ACCEPTANCE

The Director reserves the right to reject any or all Quotes, or to award in whole or in part if deemed to be in the best interest of the State to do so. The Director shall have authority to award orders or Blanket P.O.s in accordance with N.J.S.A. 52:34-12. Tie Quotes will be awarded by the Director in accordance with N.J.A.C. 17:12-2.10.

6.3 STATE'S RIGHT TO INSPECT VENDOR (BIDDER) FACILITIES

The State reserves the right to inspect the Vendor's {Bidder's} establishment before making an award, for the purposes of ascertaining whether the Vendor {Bidder} has the necessary facilities for performing the Blanket P.O.

The State may also consult with clients of the Vendor {Bidder} during the evaluation of Quotes. Such consultation is intended to assist the State in making a Blanket P.O. award that is most advantageous to the State.

6.4 CLARIFICATION OF QUOTE / STATE'S RIGHT TO REQUEST FURTHER INFORMATION

After the submission of Quotes, unless requested by the State as noted below, Vendor {Bidder} contact with the State is not permitted.

After the Quotes are reviewed, one (1), some or all of the Vendors {Bidders} may be asked to clarify certain aspects of its Quote. A request for clarification may be made in order to resolve minor ambiguities, irregularities, informalities or clerical errors. Clarifications cannot correct any deficiencies or material omissions, or revise or modify a Quote.

Further, the Director reserves the right to request a Vendor {Bidder} to explain, in detail, how the Quote price was determined.

6.5 QUOTE EVALUATION COMMITTEE

Quotes may be evaluated by an Evaluation Committee composed of members of affected departments and agencies together with representative(s) from the Division. Representatives from other governmental agencies may also serve on the Evaluation Committee. On occasion, the Evaluation Committee may choose to make use of the expertise of outside consultant(s) in an advisory role.

6.6 ORAL PRESENTATION

Not applicable to this procurement.

6.7 EVALUATION CRITERIA

Pursuant to N.J.A.C. 17:12-2.7, Quotes will be evaluated either by an Evaluation Committee or by a Division staff member assigned to conduct the procurement. After the evaluation is completed, a recommendation will be made to the Director to award a Blanket P.O. to the responsible Vendor {Bidder} whose Quote, conforming to this Bid Solicitation, is most advantageous to the State, price

and other factors considered. The Director may accept, reject or modify the recommendation. Whether or not there has been a negotiation process as outlined in Section 6.8 below, the Director reserves the right to negotiate price reductions with the selected Vendor(s) {Bidder(s)}.

6.7.1 VENDOR'S {BIDDER'S} STATE-SUPPLIED PRICE SHEET

The Bureau will utilize a weighted market basket model to evaluate pricing. The pricing model will be date-stamped and entered into the record before Quote opening.

6.7.2 QUOTE DISCREPANCIES

In evaluating Quotes, discrepancies between words and figures will be resolved in favor of words. Discrepancies between Unit Prices and totals of Unit Prices will be resolved in favor of Unit Prices. Discrepancies in the multiplication of units of work and Unit Prices will be resolved in favor of the Unit Prices. Discrepancies between the indicated total of multiplied Unit Prices and units of work and the actual total will be resolved in favor of the actual total. Discrepancies between the indicated sum of any column of figures and the correct sum thereof will be resolved in favor of the correct sum of the column of figures.

In the event that a Vendor {Bidder} using **NJSTART** to submit a Quote uploads a State-Supplied Price Sheet and completes the "Items" Tab in **NJSTART** (instead of entering a Unit Cost of \$1.00 as instructed), the State-Supplied Price Sheet will govern.

6.8 NEGOTIATION AND BEST AND FINAL OFFER (BAFO)

In accordance with N.J.S.A. 52:34-12(f) and N.J.A.C. 17:12-2-7, after evaluating Quotes, the Bureau may establish a competitive range and enter into negotiations with one (1) Vendor {Bidder} or multiple Vendors {Bidders} within this competitive range. The primary purpose of negotiations is to maximize the State's ability to obtain the best value based on the mandatory requirements, evaluation criteria, and cost. Multiple rounds of negotiations may be conducted with one (1) Vendor {Bidder} or multiple Vendors {Bidders}. Negotiations will be structured by the Bureau to safeguard information and ensure that all Vendors {Bidders} are treated fairly.

Similarly, the Bureau may invite one (1) Vendor {Bidder} or multiple Vendors {Bidders} to submit a Best and Final Offer (BAFO). Said invitation will establish the time and place for submission of the BAFO. Any BAFO that does not result in more advantageous pricing to the State will not be considered, and the State will evaluate the Vendor's {Bidder's} most advantageous previously submitted pricing.

If required, after review of the BAFO(s), clarification may be sought from the Vendor(s) {Bidder(s)}. The Division may conduct more than one (1) round of negotiation and/or BAFO in order to attain the best value for the State.

After evaluation of Quotes and as applicable, negotiation(s), and/or BAFO(s), the Bureau will recommend, to the Director, the responsible Vendor(s) {Bidder(s)} whose Quote(s), conforming to the Bid Solicitation, is/are most advantageous to the State, price, and other factors considered. The Director may accept, reject or modify the recommendation of the Bureau. The Director may initiate additional negotiation or BAFO procedures with the selected Vendor(s) {Bidder(s)}.

Negotiations will be conducted only in those circumstances where it is deemed by the Bureau or Director to be in the State's best interests and to maximize the State's ability to get the best value. Therefore, the Vendor {Bidder} is advised to submit its best technical and price Quote in response to this Bid Solicitation since the State may, after evaluation, make a Blanket P.O. award based on the content of the initial submission, without further negotiation and/or BAFO with any Vendor {Bidder}.

All contacts, records of initial evaluations, any correspondence with a Vendor {Bidder} related to any request for clarification, negotiation or BAFO, any revised technical and/or price Quotes, and related documents will remain confidential until a Notice of Intent to Award a Blanket P.O. is issued.

If the Bureau contemplates negotiation, Quote prices will not be publicly read at the Quote opening. Only the name and address of each Vendor {Bidder} will be publicly announced at the Quote opening.

6.9 **“REQUEST FOR REVISION” WITHIN NJSTART**

The State may request a revision of the Vendor’s {Bidder’s} Quote within NJSTART. The Vendor {Bidder} shall respond to the “Request for Revision” (e.g., to reduce pricing if a BAFO is requested) only for the reason(s) identified by the State. Any changes made by a Vendor {Bidder} to the Quote other than as requested by the State shall be considered null and void.

6.10 **POOR PERFORMANCE**

A Vendor {Bidder} with a history of performance problems may be bypassed for consideration of an award issued as a result of this Bid Solicitation. The following materials may be reviewed to determine Vendor {Bidder} performance: Blanket P.O. cancellations for cause pursuant to Section 5.7(B) of the SSTC; information contained in Vendor performance records; information obtained from audits or investigations conducted by a local, state or federal agency of the Vendor’s {Bidder’s} work experience; current licensure, registration, and/or certification status and relevant history thereof; or its status or rating with established business/financial reporting services, as applicable. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

During the performance of this contract, the contractor agrees as follows:

- (1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
- (2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
- (3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
- (4) The contractor will send to each labor union or representative of workers with which he/she has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's

commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

- (5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- (6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his/her books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- (7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- (8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to

which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

7.3 DAVIS-BACON ACT, 40 U.S.C. 3141-3148, AS AMENDED

When required by Federal program legislation, all prime construction contracts in excess of \$ 2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

7.4 CONTRACT WORK HOURS AND SAFETY STANDARDS ACT, 40 U.S.C. 3701-3708

Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

7.5 RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT

If the Federal award meets the definition of "funding agreement" under 37 CFR § 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

7.6 CLEAN AIR ACT, 42 U.S.C. 7401-7671q, AND THE FEDERAL WATER POLLUTION CONTROL ACT, 33 U.S.C. 1251-1387, AS AMENDED

Contracts and subgrants of amounts in excess of \$ 150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

7.7 DEBARMENT AND SUSPENSION (EXECUTIVE ORDERS 12549 AND 12689)

A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

7.8 BYRD ANTI-LOBBYING AMENDMENT, 31 U.S.C. 1352

Contractors that apply or bid for an award exceeding \$ 100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. CONSTRUCTION CONTRACTS

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will ensure that equal employment opportunity is afforded to such applicants in recruitment and employment, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such equal employment opportunity shall include, but not be limited to the following: employment, up grading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

N.J.S.A. 10:5-39 et seq. requires contractors, subcontractors, and permitted assignees performing construction, alteration, or repair of any building or public work in excess of \$250,000 to guarantee equal employment opportunity to veterans.

The contractor or subcontractor will send to each labor union, with which it has a collective bargaining agreement, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer, pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

When hiring or scheduling workers in each construction trade, the contractor or subcontractor agrees to make good faith efforts to employ minority and women workers in each construction trade consistent with the targeted employment goal prescribed by N.J.A.C. 17:27-7.2; provided, however, that the Dept. of LWD, Construction EEO Monitoring Program may, in its discretion, exempt a contractor or subcontractor from compliance with the good faith procedures prescribed by the following provisions, A, B and C, as long as the Dept. of LWD, Construction EEO Monitoring Program is satisfied that the contractor or subcontractor is employing workers provided by a union which provides evidence, in accordance with standards prescribed by the Dept. of LWD, Construction EEO Monitoring Program, that its percentage of active "card carrying" members who are minority and women workers is equal to or greater than the targeted employment goal established in accordance with N.J.A.C. 17:27-7.2. The contractor or subcontractor agrees that a good faith effort shall include compliance with the following procedures:

- (A) If the contractor or subcontractor has a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor shall, within three business days of the contract award, seek assurances from the union that it will cooperate with the contractor or subcontractor as it fulfills its affirmative action obligations under this contract and in accordance with the rules promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et. seq., as supplemented and amended from time to time and the Americans with Disabilities Act. If the contractor or subcontractor is unable to obtain said assurances from the construction trade union at least five business days prior to the commencement of construction work, the contractor or subcontractor agrees to afford equal employment opportunities minority and women workers directly, consistent with this chapter. If the contractor's or subcontractor's prior experience with a construction trade union, regardless of whether the union has provided said assurances, indicates a significant possibility that the trade union will not refer sufficient minority and women workers consistent with affording equal employment opportunities as specified in this chapter, the contractor or subcontractor agrees to be prepared to provide such opportunities to minority and women workers directly, consistent with this chapter, by complying with the hiring or scheduling procedures prescribed under (B) below; and the contractor or subcontractor further agrees to take said action immediately if it determines that the union is not referring minority and women workers consistent with the equal employment opportunity goals set forth in this chapter.
- (B) If good faith efforts to meet targeted employment goals have not or cannot be met for each construction trade by adhering to the procedures of (A) above, or if the contractor does not have a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor agrees to take the following actions:
- (1) To notify the public agency compliance officer, the Dept. of LWD, Construction EEO Monitoring Program, and minority and women referral organizations listed by the Division pursuant to N.J.A.C. 17:27-5.3, of its workforce needs, and request referral of minority and women workers;
 - (2) To notify any minority and women workers who have been listed with it as awaiting available vacancies;
 - (3) Prior to commencement of work, to request that the local construction trade union refer minority and women workers to fill job openings, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade;
 - (4) To leave standing requests for additional referral to minority and women workers with the local construction trade union, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade, the State Training and Employment Service and other approved referral sources in the area;
 - (5) If it is necessary to lay off some of the workers in a given trade on the construction site, layoffs shall be conducted in compliance with the equal employment opportunity and non-discrimination standards set forth in this regulation, as well as with applicable Federal and State court decisions;
 - (6) To adhere to the following procedure when minority and women workers apply or are referred to the contractor or subcontractor:
 - (i) The contractor or subcontractor shall interview the referred minority or women worker.
 - (ii) If said individuals have never previously received any document or certification signifying a level of qualification lower than that required in order to perform the work of the construction trade, the contractor or subcontractor shall in good faith

determine the qualifications of such individuals. The contractor or subcontractor shall hire or schedule those individuals who satisfy appropriate qualification standards in conformity with the equal employment opportunity and non-discrimination principles set forth in this chapter. However, a contractor or subcontractor shall determine that the individual at least possesses the requisite skills, and experience recognized by a union, apprentice program or a referral agency, provided the referral agency is acceptable to the Dept. of LWD, Construction EEO Monitoring Program. If necessary, the contractor or subcontractor shall hire or schedule minority and women workers who qualify as trainees pursuant to these rules. All of the requirements, however, are limited by the provisions of (C) below.

(iii) The name of any interested women or minority individual shall be maintained on a waiting list, and shall be considered for employment as described in (i) above, whenever vacancies occur. At the request of the Dept. of LWD, Construction EEO Monitoring Program, the contractor or subcontractor shall provide evidence of its good faith efforts to employ women and minorities from the list to fill vacancies.

(iv) If, for any reason, said contractor or subcontractor determines that a minority individual or a woman is not qualified or if the individual qualifies as an advanced trainee or apprentice, the contractor or subcontractor shall inform the individual in writing of the reasons for the determination, maintain a copy of the determination in its files, and send a copy to the public agency compliance officer and to the Dept. of LWD, Construction EEO Monitoring Program.

(7) To keep a complete and accurate record of all requests made for the referral of workers in any trade covered by the contract, on forms made available by the Dept. of LWD, Construction EEO Monitoring Program and submitted promptly to the Dept. of LWD, Construction EEO Monitoring Program upon request.

(C) The contractor or subcontractor agrees that nothing contained in (B) above shall preclude the contractor or subcontractor from complying with the union hiring hall or apprenticeship policies in any applicable collective bargaining agreement or union hiring hall arrangement, and, where required by custom or agreement, it shall send journeymen and trainees to the union for referral, or to the apprenticeship program for admission, pursuant to such agreement or arrangement. However, where the practices of a union or apprenticeship program will result in the exclusion of minorities and women or the failure to refer minorities and women consistent with the targeted county employment goal, the contractor or subcontractor shall consider for employment persons referred pursuant to (B) above without regard to such agreement or arrangement; provided further, however, that the contractor or subcontractor shall not be required to employ women and minority advanced trainees and trainees in numbers which result in the employment of advanced trainees and trainees as a percentage of the total workforce for the construction trade, which percentage significantly exceeds the apprentice to journey worker ratio specified in the applicable collective bargaining agreement, or in the absence of a collective bargaining agreement, exceeds the ratio established by practice in the area for said construction trade. Also, the contractor or subcontractor agrees that, in implementing the procedures of (B) above, it shall, where applicable, employ minority and women workers residing within the geographical jurisdiction of the union.

After notification of award, but prior to signing a construction contract, the contractor shall submit to the public agency compliance officer and the Dept. of LWD, Construction EEO Monitoring Program an initial project workforce report (Form AA-201) electronically provided to the public agency by the Dept. of LWD, Construction EEO Monitoring Program, through its website, for distribution to and completion by the contractor, in accordance with N.J.A.C. 17:27-7.

The contractor also agrees to submit a copy of the Monthly Project Workforce Report once a month thereafter for the duration of this contract to the Dept. of LWD, Construction EEO Monitoring Program and to the public agency compliance officer.

The contractor agrees to cooperate with the public agency in the payment of budgeted funds, as is necessary, for on the job and/or off the job programs for outreach and training of minorities and women.

- (D) The contractor and its subcontractors shall furnish such reports or other documents to the Dept. of LWD, Construction EEO Monitoring Program as may be requested by the Dept. of LWD, Construction EEO Monitoring Program from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Dept. of LWD, Construction EEO Monitoring Program for conducting a compliance investigation pursuant to N.J.A.C. 17:27-1.1 et seq.

Therefore, contractors engaged by the Division of Purchase and Property to perform under a construction contract shall put forth a good faith effort to engage in recruitment and employment practices that further the goal of fostering equal opportunities to minorities and women.

4. The Contractor shall provide evidence of efforts described at 2 above to the Division of Purchase and Property no less frequently than once every 12 months.
5. The Contractor shall comply with the requirements set forth at N.J.A.C. 17:27.
