1.0 INFORMATION FOR VENDORS {BIDDERS}

NOTICE: This Bid Solicitation is part of the [NJSTART](#) Procurement Program. ***The Vendor {Bidder} is advised to thoroughly read all sections, as many have been revised, and follow all instructions contained in this Bid Solicitation, including the instructions on the Bid Solicitation's Offer and Acceptance Page*** and read through all Quick Reference Guides (QRGs) located on the [NJSTART Vendor Support Page](#), before preparing and submitting its Quote.

1.1 PURPOSE AND INTENT

This Bid Solicitation is issued by the Procurement Bureau, Division of Purchase and Property (Division), Department of the Treasury on behalf of the Division of Pensions and Benefits (DPB), Department of the Treasury. The purpose of this Bid Solicitation is to solicit Quotes for the provision of physical and mental Independent Medical Examinations (IMEs) for Members of various State of New Jersey retirement systems administered by DPB who have applied for either Ordinary Disability retirement benefits or Accidental Disability retirement benefits.

The intent of this Bid Solicitation is to award a Master Blanket Purchase Order (Blanket P.O.) to that responsible Vendor {Bidder} whose Quote, conforming to this Bid Solicitation is the most advantageous to the State, price and other factors considered. The State may award any and all price lines. The State, however, reserves the right to separately procure individual requirements that are the subject of the Blanket P.O. during the Blanket P.O. term, when deemed by the Director of the Division of Purchase and Property (Director) to be in the State's best interest.

The State intends to award one (1) Blanket P.O. in accordance with the evaluation criteria set forth in Section 6.7 of this Bid Solicitation. The State reserves the right to award any and all price lines.

The State of NJ Standard Terms and Conditions (SSTCs) accompanying this Bid Solicitation will apply to all Blanket P.O.s made with the State of New Jersey. These terms are in addition to the terms and conditions set forth in this Bid Solicitation and should be read in conjunction with them unless the Bid Solicitation specifically indicates otherwise.

1.2 BACKGROUND

The DPB is responsible for administering the second largest, non-federal public employee benefits program in the nation. The DPB employee benefits program consists of various retirement systems, three (3) supplemental retirement savings programs, a health benefits program for employees, retirees, and family members, and several other employee benefits programs. Over 700,000 active and retired Members enjoy the benefits of various retirement systems administered by DPB. Additionally, 1,850 local public employers participate in the retirement systems.

The governing board of each retirement system has created a Medical Review Board (MRB) to provide medical oversight for the review of applications supporting claims for Ordinary and Accidental Disability retirement benefits from active retirement system Members. In addition to reviewing the medical reports submitted by the Member in support of the Member's application for Ordinary Disability retirement benefits, the MRB often requests the Member to undergo an IME on complex cases. However, any Member filing for Accidental Disability retirement benefits must have an IME.

The function of the IME is determination and subsequent issuance by a health care professional of one or more of the following opinions:

- A. Ordinary and Accidental Disability Medical Opinion addressing whether the Member is permanently and totally disabled from the performance of the Member's job duties;

- B. Disability as a Direct Result of Work Opinion determining whether the Member is permanently and totally disabled as a direct result of the work-related event the Member asserts caused the disability; or
- C. Delayed Manifestation Opinion determining whether there has been a delayed manifestation of the Member's disability and a medical opinion addressing when the Member first became aware of the disability.
- D. The Member must be considered permanently and totally disabled as of the time the Member applied for Ordinary or Accidental Disability retirement benefits.

Based upon its review of a Member's documentation, including, if applicable, the report of the IME, the respective MRB makes a recommendation to the retirement system board as to whether the Member's claim for disability retirement benefits should be granted.

No specific caseload, volume or minimum number of referrals of work is guaranteed. Between January 1, 2014 and June 30, 2019, a total of 4,577 physical IMEs and 1,342 mental IMEs were completed. During the same time frame, a total of 387 testimony appearances were required by IMEs.

This is a reprocurement of the services under **Independent Medical Examinations and Support, Division of Pensions and Benefits**, presently due to expire on **December 31, 2020**. 1.4 ADDITIONAL INFORMATION

1.4.1 BID AMENDMENTS: REVISIONS TO THIS BID SOLICITATION

In the event that it becomes necessary to clarify or revise this Bid Solicitation, such clarification or revision will be by Bid Amendment. Any Bid Amendment to this Bid Solicitation will become part of this Bid Solicitation and part of any Blanket P.O. awarded as a result of this Bid Solicitation.

There are no designated dates for release of Bid Amendments. Those Vendors {Bidders} who are on the bid holder list either through commodity code registration in [NJSTART](#) or by acknowledging the bid in [NJSTART](#) should receive notification of any Bid Amendment(s). If a Vendor {Bidder} is not on the bid holder list to receive notifications related to a Bid Solicitation, Bid Amendments are still viewable on the "Summary" page of the Bid Solicitation in [NJSTART](#).

BID AMENDMENTS WILL BE ISSUED AS FILE ATTACHMENTS, AND ARE VIEWABLE ON THE "SUMMARY" PAGE OF THE BID SOLICITATION IN [NJSTART](#). Vendors {Bidders} may refer to the QRG "Submit a Quote" for additional instructions. QRGs are located on the [NJSTART Vendor Support Page](#).

It is the sole responsibility of the Vendor {Bidder} to be knowledgeable of all Bid Amendments related to this procurement. An interested Vendor {Bidder} should check the [NJSTART](#) "Open Bids" Tab on a daily basis to ensure review of the most updated information.

1.4.2 VENDOR {BIDDER} RESPONSIBILITY

The Vendor {Bidder} assumes sole responsibility for the complete effort required in submitting a Quote in response to this Bid Solicitation. No special consideration will be given after Quotes are opened because of a Vendor's {Bidder's} failure to be knowledgeable as to all of the requirements of this Bid Solicitation.

1.4.3 COST LIABILITY

The State assumes no responsibility and bears no liability for costs incurred by a Vendor {Bidder} in the preparation and submittal of a Quote in response to this Bid Solicitation.

1.4.4 CONTENTS OF QUOTE

Quotes can be released to the public pursuant to [N.J.A.C. 17:12-1.2\(b\)](#) and (c), or under the New Jersey Open Public Records Act (OPRA), [N.J.S.A. 47:1A-1 et seq.](#), or the common law right to know.

After the opening of sealed Quotes, including Quotes submitted through the **NJSTART** electronic process, all information submitted by a Vendor {Bidder} in response to a Bid Solicitation is considered public information notwithstanding any disclaimers to the contrary submitted by a Vendor {Bidder}. Proprietary, financial, security and confidential information may be exempt from public disclosure by OPRA and/or the common law when the Vendor {Bidder} has a good faith, legal/factual basis for such assertion.

When the Bid Solicitation contains a negotiation component, the Quote will not be subject to public disclosure until a notice of intent to award a Blanket P.O. is announced.

As part of its Quote, a Vendor {Bidder} may designate any data or materials it asserts are exempt from public disclosure under OPRA and/or the common law, explaining the basis for such assertion. Vendor {Bidder} must provide a detailed statement clearly identifying those sections of the Quote that it claims are exempt from production, and the legal and factual basis that supports said exemption(s) as a matter of law. The State will not honor any attempts by a Vendor {Bidder} to designate its entire Quote as proprietary, confidential and/or to claim copyright protection for its entire Quote.

The State reserves the right to make the determination as to what is proprietary or confidential, and will advise the Vendor {Bidder} accordingly. Any proprietary and/or confidential information in a Quote will be redacted by the State. Copyright law does not prohibit access to a record which is otherwise available under OPRA.

In the event of any challenge to the Vendor's {Bidder's} assertion of confidentiality with which the State does not concur, the Vendor {Bidder} shall be solely responsible for defending its designation, but in doing so, all costs and expenses associated therewith shall be the responsibility of the Vendor {Bidder}. The State assumes no such responsibility or liability.

A Vendor {Bidder} shall not designate any price lists and/or catalogs submitted as exempt from public disclosure as the same must be accessible to State Using Agencies and Cooperative Purchasing Program participants (if the Bid Solicitation has been extended to these participants) and thus must be made public to allow all eligible purchasing entities access to the pricing information.

In order not to delay consideration of the Quote or the State's response to a request for documents, the State requires that Vendor {Bidder} respond to any request regarding confidentiality markings within the timeframe designated in the State's correspondence regarding confidentiality. If no response is received by the designated date and time, the State will be permitted to release a copy of the Quote with the State making the determination regarding what may be proprietary or confidential.

1.4.5 ANNOUNCEMENT OF QUOTE INFORMATION

On the date and time Quotes are due under the Bid Solicitation, all information concerning the Quotes submitted may be publicly announced and shall be available for inspection and copying except as noted below:

- A. Information appropriately designated as proprietary and/or confidential shall not be available for inspection and copying; and
- B. Where negotiation is contemplated, only the names and addresses of the Vendors {Bidders} submitting Quotes will be announced, and the contents of the Quotes shall not be available for inspection and copying until the Notice of Intent to Award is issued by the Director.

1.4.6 PRICE ALTERATION IN QUOTES

Any price changes including hand written revisions or "white-outs" must be initialed. Failure to initial price changes shall preclude a Blanket P.O. award from being made to the Vendor {Bidder} pursuant to N.J.A.C. 17:12-2.2(a)(8).

1.4.7 QUOTE ERRORS

In accordance with N.J.A.C. 17:12-2.11 "Proposal errors," a Vendor {Bidder} may withdraw its Quote as described below.

1.4.7.1 QUOTE WITHDRAWAL PRIOR TO QUOTE OPENING

A Vendor {Bidder} may withdraw its Quote submission in **NJSTART** prior to the Quote opening; however, Vendors {Bidders} should note that while withdrawn **NJSTART** Quotes remain viewable by the Vendor {Bidder} on its Vendor Profile Homepage, they are removed from the Division's view and cannot be considered for Blanket P.O. award. The Vendor {Bidder} may submit a revised Quote as long as the Quote is received prior to the announced date and time for Quote submission. Vendors {Bidders} may refer to the QRG "Submit a Quote" for additional instruction. QRGs are located on the [NJSTART Vendor Support Page](#).

1.4.7.2 QUOTE WITHDRAWAL AFTER QUOTE OPENING, BUT PRIOR TO BLANKET P.O. AWARD

If, after the Quote opening, but before Blanket P.O. award, a Vendor {Bidder} discovers an error in its Quote, the Vendor {Bidder} may make a written request to the Supervisor of the Proposal Review Unit to withdraw its Quote from consideration for award. If the Vendor's {Bidder's} request to withdraw is made in good faith, and the State will not be significantly prejudiced by granting the withdrawal of the Quote beyond the loss of the benefit of the bargain to the State of the withdrawing Vendor's {Bidder's} offer, the request shall be granted. After Quote opening, while pursuant to the provisions of this section a Vendor {Bidder} may request to withdraw its Quote and the Director may in his/her discretion allow said Vendor {Bidder} to withdraw it, the Division also may take notice of repeated or unusual requests to withdraw by a Vendor {Bidder} and take those prior requests to withdraw into consideration when evaluating the Vendor's {Bidder's} future Quotes.

The State of New Jersey will use the annual surveys compiled by the Council of State Governments, National Association of State Procurement Officials, or the National Institute of Governmental Purchasing or a State's statutes and regulations to identify States having preference laws, regulations, or practices and to invoke reciprocal actions. The State of New Jersey may obtain additional information as it deems appropriate to supplement the stated survey information.

This information may be submitted in writing as part of the Quote response, including name of the locality having the preference practice, as well as identification of the county and state, and should include a copy of the appropriate documentation, i.e., resolution, regulation, law, notice to Vendor {Bidder}, etc. It is the responsibility of the Vendor {Bidder} to provide documentation with the Quote or submit it to the Director within five (5) business days after the deadline for Quote submission. The question of whether a Member who is applying for either an Ordinary or Accidental Disability retirement is "permanently and totally disabled" shall be determined by the health care professional.

The answer depends upon the Member's job duties and the disability sustained. Whether applying for an Ordinary Disability retirement benefit or an Accidental Disability retirement benefit, the Member must establish incapacity to perform duties in the general area of the Member's ordinary employment. This standard places no requirement upon the Member to show physical or mental inability to perform substantially different duties or to produce evidence of general physical or mental un-employability.

The legal standard for permanent and total disability in the pension statutes and the relevant case law is the same whether the Member is applying for an Ordinary Disability retirement benefit or an Accidental Disability retirement benefit. The legal standard for permanent and total disability in the pension statutes; however, differs from the legal standard for permanent and total disability found in other statutes. For example, under workers' compensation, a secretary may not be able to return to former job duties due to Carpel Tunnel Syndrome. However, if it is determined that the secretary is capable of returning to some form of gainful employment, the secretary will not receive a workers' compensation award. In contrast, under the pension statutes, since this secretary will most likely not be able to perform a secretary's job duties, the secretary will be considered permanently and totally disabled.

3.4.3 DISABILITY DIRECT RESULT OF WORK OPINION

For Accidental Disability retirement applications, if the health care professional determines that the Member is permanently and totally disabled, the health care professional must state whether the Member's disability was a direct result of the work-related event the Member asserts caused the disability.

The "direct result" inquiry does not hinge upon the Member being able to work prior to the disabling event and not being able to work after it. The New Jersey Supreme Court has described the "direct result" inquiry as being whether the disabling event constituted the essential significant or the substantial contributing cause of the permanent and total disability. As noted, in the event of

multiple events, the Vendor {Contractor} shall ensure that the health care professional addresses causation in detail for each event.

The New Jersey Supreme Court has recognized there might be times when an Accidental Disability retirement may be warranted even though the Member is afflicted with an underlying physical condition bearing causally upon the resulting disability. In these cases, the health care professional must assess the impact of a pre-existing condition on the Member's permanent and total disability and causation. This requires an opinion on whether a pre-existing condition exists and the relation between that condition and the Member's permanent and total disability. The disabling event must be the essential significant or substantial contributing cause of the disability. The disabling event need not be the sole or exclusive cause of the disability.

The causation requirement may be satisfied in cases where the injury acts in combination with the pre-existing condition if the injury is the substantial contributing cause of the permanent and total disability. However, where normal work effort accelerates or aggravates an underlying condition, causation is not demonstrated. In certain instances, a Member who has discontinued service files for an Ordinary or Accidental Disability retirement based upon a physical or mental disability that allegedly occurred prior to the Member's service being discontinued.

In instances where a Member files for either an Ordinary or Accidental Disability retirement within five (5) years of the Member's last date of service, the Vendor {Contractor} shall ensure that the health care professional's medical examination initially determines whether the Member was permanently and totally disabled from the performance of job duties **at the time that service was discontinued**.

In the instance of a claim for Accidental Disability retirement benefits, the Vendor {Contractor} shall ensure that the health care professional's medical examination shall, in instances where the initial determination is that the Member was permanently and totally disabled from the performance of the Member's job duties **at the time that service was discontinued**, also determine whether the disability was the **direct result** of the work-related event that the Member asserts caused the disability.

Whether the claim is for an Ordinary or Accidental Disability retirement, if the initial determination is that the Member was permanently and totally disabled from the performance of job duties at the time that service was discontinued, the Vendor {Contractor} shall ensure the health care professional's medical report addresses that the disability existed at the time service was discontinued and confirms that the disability or ailment is consistent with what was noted on the application that was filed.

3.4.4 DELAYED MANIFESTATION OPINION

In instances where a Member files for either an Ordinary or Accidental Disability retirement more than five (5) years after the Member's last service date, in addition to the requirements set forth in the paragraph above, the Vendor {Contractor} shall ensure that the health care professional's medical examination determines whether there has been a delayed manifestation of the disability. If such is the case, the medical opinion relating to the delayed manifestation shall address when the Member first became aware of the disability.

3.5 QUALITY CONTROL

The Vendor {Contractor} shall perform a quality control review of all medical finding reports to ensure all required elements of the report are addressed and included within the report before the reports are submitted to the Disability Review Unit. If a supplement to the Medical Findings Report is required as a result of an incomplete report (Section 3.4 of this Bid Solicitation), the additional report shall be considered as part of the medical examination with no additional cost to the State.

The Vendor {Contractor} shall ensure health care professionals comply with DPB's requirements and train them on DPB's specific needs. DPB will provide the Vendor {Contractor} with details on areas/issues health care professionals are lacking and the Vendor {Contractor} must correct these areas/issues within 15 business days or find suitable replacement staff. The Vendor {Contractor} must notify the Disability Review Unit Supervisor by e-mail if additional time is needed to ensure corrective action can occur. If these areas/issues are not resolved, the Disability Retirement Unit Supervisor reserves the right to request the non-compliant health care professional's services be terminated.

The Vendor {Contractor} shall develop a survey with input from DPB to ascertain quality assurance of Members' experiences and subsequently perform the survey on a quarterly basis to be determined by the Vendor {Contractor} and the Disability Review Unit Supervisor.

The health care professionals must be available at least two (2) days per week for testimony. In the event the Attorney General's office determines that a deposition is necessary, the Vendor {Contractor} shall ensure that the health care professional is available for consultation prior to the deposition, and appears at the deposition location and time indicated by the Attorney General's office.

The Attorney General's office will notify the Vendor {Contractor} via e-mail of all requests to schedule consultation, preparation, testimony, and litigation support and the Vendor {Contractor} must confirm via e-mail within 48 hours that the health care professional is available to appear.

The all-inclusive hourly awarded rate by the Vendor {Contractor} shall be paid with no more than three (3) hours billed by the Vendor {Contractor} for a health care professional's preparation relating to scheduled testimony before a deposition or administrative hearing unless otherwise approved by the Disability Review Unit Supervisor.

The health care professional shall be required to cooperate with the Attorney General's office in responding to discovery requests and preparing for testimony. In preparing for testimony the Vendor {Contractor} may charge up to three (3) hours. If preparation is beyond three (3) hours, this time must be justified by the Vendor {Contractor} on an itemized bill and the Attorney General's office must provide verification and approval to DPB.

If a health care professional is scheduled to appear at a deposition or administrative hearing, and the event is cancelled, the State will notify the Vendor {Contractor} by, at a minimum, the prior business day. If the State fails to do so, and the health care professional traveled to such event, the Vendor {Contractor} may bill the State for two (2) hours.

The Vendor {Contractor} must provide written assurance that all payments for time for preparation, consultation, and testimony must be made only through the Vendor {Contractor} and not the health care professional.

The State will not prepay for time for preparation, testimony, or litigation support and all travel expenses must be encompassed within the all-inclusive hourly awarded rate.

3.6.1 POINT FORWARD PROVISION OF TESTIMONY AND LITIGATION SUPPORT

The Vendor {Contractor} must have a legally binding commitment from its panel of health care professionals, to provide testimony and litigation support in all cases in which the health care professional conducted a medical examination, even if either of the following are applicable:

- B) Where provision of testimony and/or litigation support is required after the term of the Blanket P.O., as the timeline for hearings and depositions may include a period after the Blanket P.O. ends.

In such cases, the health care professional shall be paid at the hourly rates for the final year of the Blanket P.O. and billing for such work shall be between the health care professional and DPB.

4.0 QUOTE PREPARATION AND SUBMISSION – REQUIREMENTS OF THE VENDOR {BIDDER}

Failure to submit information as indicated below may result in your Quote being deemed non-responsive.

4.1 GENERAL

A Vendor {Bidder} may submit additional terms as part of its Quote. Quotes including Vendor {Bidder} proposed terms and conditions may be accepted, but Vendor {Bidder} proposed terms or conditions that conflict with those contained in the Bid Solicitation, as defined in Section 2.0 of this Bid Solicitation, or that diminish the State's rights under any Blanket P.O. resulting from the Bid Solicitation, may render a Quote non-responsive. It is incumbent upon the Vendor {Bidder} to identify and remove its conflicting proposed terms and conditions prior to Quote submission. Where additional terms are submitted they may be accepted, rejected, or negotiated, in whole or in part, at the State's sole discretion where the terms do not conflict with material terms of the Bid Solicitation or do not diminish the State's rights under the Blanket P.O. resulting from the Bid Solicitation.

In the event that a Vendor {Bidder} intends to propose terms and conditions that conflict with the Bid Solicitation, those Vendor {Bidder} proposed terms and conditions shall only be considered if submitted and agreed to pursuant to the electronic question and answer procedure set forth in Section 1.3.1 of this Bid Solicitation. Vendors {Bidders} shall not submit exceptions in the Quote or on the "Terms and Conditions" Tab through **NJSTART**.

After award of the Blanket P.O., if a conflict arises between a Vendor's {Bidder's} additional terms included in the Quote and a term or condition of the Bid Solicitation, the term or condition of the Bid Solicitation will prevail.

Use of URLs in a Quote should be kept to a minimum and shall not be used to satisfy any material term of a Bid Solicitation. If a preprinted or other document included as part of the Quote contains a URL, a printed copy of the URL page shall be provided and will be considered as part of the Quote.

The forms discussed herein and required for submission of a Quote in response to this Bid Solicitation are available on the [Division's website](#) unless noted otherwise.

4.2 QUOTE DELIVERY AND IDENTIFICATION

A Quote must arrive at the Division in accordance with this Bid Solicitation's instructions within the time frames noted on the Bid Solicitation cover sheet and on the "Summary" page of the Bid Solicitation in **NJSTART**, or as indicated on the posted Bid Amendment if the Quote Opening Date has been changed. Vendors {Bidders} submitting electronic Quotes via **NJSTART** are cautioned to allow adequate time to ensure timely uploads of all Quote documents to mitigate unforeseen delays or issues. **State regulation mandates that late Quotes are ineligible for consideration.**

4.3 **NJSTART ELECTRONIC SUBMISSION**

4.3.1 **NJSTART SUBMISSION OF QUOTE**

Vendors {Bidders} may refer to the “Vendor Registration” and “Submit a Quote” QRGs for additional instructions detailing how to enroll in **NJSTART** and submit a **NJSTART** electronic Quote. QRGs are located on the [NJSTART Vendor Support Page](#).

When submitting a **NJSTART** Quote, do not use any symbols (i.e., #, @, \$, &, *) in the filename. Uploaded files should be compatible with Microsoft Office and/or Adobe software applications. DO NOT UPLOAD files with extensions such as .zip, .numbers, or .pages.

The Vendor {Bidder} should select the “Confidential” option in **NJSTART** for attachments on the “Attachments” Tab to request that the documents not be displayed publicly through **NJSTART**.

Note: Marking an attachment as "Confidential" in **NJSTART** shall not constitute the Vendor's {Bidder's} designation of the attachment as exempt from public disclosure under OPRA and/or the common law as outlined in Section 1.4.4.

If a Vendor {Bidder} has designated any data or materials it asserts are exempt from public disclosure under OPRA and/or the common law, the Vendor {Bidder} should include a redacted copy of the Quote indicating the sections identified as confidential.

4.4 QUOTE CONTENT

The Quote should be submitted with the content of each section as indicated below.

The Vendor {Bidder} must enter a Unit Cost of \$1.00 for each price line item on the “Items” Tab in **NJSTART**. The Vendor {Bidder} is instructed to do so only as a mechanism to comply with Bid Solicitation Section 6.8 and prevent all pricing from being publicly displayed in **NJSTART**.

In the event that a Vendor {Bidder} uploads a State-Supplied Price Sheet and completes the Items Tab in **NJSTART** (instead of entering a Unit Cost of \$1.00 as instructed), the State-Supplied Price Sheet attachment will govern.

A current completed Ownership Disclosure Form must be received prior to or accompany the submitted Quote. A Vendor's {Bidder's} failure to submit the completed and signed form with its Quote will result in the rejection of the Quote as non-responsive and preclude the award of a Blanket P.O. to said Vendor {Bidder} unless the Division has on file a signed and accurate Ownership Disclosure Form dated and received no more than six (6) months prior to the Quote submission deadline for this procurement. If any ownership change has occurred within the last six (6) months, a new Ownership Disclosure Form must be completed, signed and submitted with the Quote.

See Section 2.1 of the SSTC.

Any Vendor {Bidder}, inclusive of any named Subcontractors, not having a valid business registration at the time of the Quote opening, or whose BRC was revoked prior to the submission of the Quote, should proceed immediately to register its business or seek reinstatement of a revoked BRC. The process can require actions by both the Division of Revenue and Enterprise Services and the Division of Taxation. For this reason, a Vendor's {Bidder's} early attention to this requirement is highly recommended. The Vendor {Bidder} and its named Subcontractors may register with the Division of Revenue and Enterprise Services, obtain a copy

of an existing BRC or obtain information necessary to seek re-instatement of a revoked BRC online at <http://www.state.nj.us/treasury/revenue/busregcert.shtml>.

A Vendor {Bidder} failing to comply with this requirement by the deadline specified by the Division will be deemed ineligible for Blanket P.O. award. Under any circumstance, the Division will rely upon information available from computerized systems maintained by the State as a basis to verify independently compliance with the requirement for business registration.

A Vendor {Bidder} receiving a Blanket P.O. award as a result of this procurement and any Subcontractors named by that Vendor {Bidder} will be required to maintain a valid business registration with the Division of Revenue and Enterprise Services for the duration of the executed Blanket P.O., inclusive of any Blanket P.O. extensions.

The Vendor {Bidder} must submit all requested pricing information on the State-Supplied Price Sheet/Schedule attachment accompanying this Bid Solicitation. For the purpose of this Bid

In the event that a Vendor {Bidder} using **NJSTART** to submit a Quote uploads a State-Supplied Price Sheet and completes the "Items" Tab in **NJSTART** (instead of entering a Unit Cost of \$1.00 as instructed), the State-Supplied Price Sheet will govern.

The Vendor {Contractor} shall assume all costs, liability and responsibility for the delivery of merchandise in good condition to the State's Using Agency or designated purchaser. 30 calendar days ARO/F.O.B. does not cover "spotting" but does include delivery on the receiving platform of the Using Agency at any destination in the State of New Jersey unless otherwise specified.

No additional charges will be allowed for any additional transportation costs resulting from partial shipments made at the Vendor's {Contractor's} convenience when a single shipment is ordered.

The weights and measures of the State's Using Agency receiving the shipment shall govern.

C.O.D. terms are not acceptable as part of a Quote and shall be deemed non-responsive.

This Blanket P.O. may be extended up to **two (2) years** with no single extension exceeding one (1) year, by the mutual written consent of the Vendor {Contractor} and the Director at the same terms, conditions, and pricing at the rates in effect in the last year of this Blanket P.O. or rates more favorable to the State.

5.21 PROGRAM EFFICIENCY ASSESSMENT FOR STATE USING AGENCIES

The Program Efficiency Assessment shall not be charged against the winning Vendor {Contractor} and therefore is not to be included in the Vendor’s {Bidder’s} pricing. The State Using Agencies shall be charged an assessment equal to one-quarter of one (1) percent (0.25%) of the value of all transactions under this Blanket P.O. This assessment is authorized by N.J.S.A. 52:27B-56 and N.J.A.C. 17:12-1.5, to maintain the State’s procurement system at a level to meet industry standards of efficiency.

For purposes of this section, “transaction” is defined as the payment or remuneration to the Vendor {Contractor} for services rendered or products provided to the State pursuant to the terms of this Blanket P.O., including but not limited to the following: purchase orders, invoices, hourly rates, firm fixed price, commission payments, progress payments and contingency payments.

6.0 QUOTE EVALUATION

6.1 RIGHT TO WAIVE

Pursuant to N.J.A.C. 17:12-2.7(d) the Director may waive minor irregularities or omissions in a Quote. The Director also reserves the right to waive a requirement provided that the requirement does not materially affect the procurement or the State's interests associated with the procurement.

6.2 DIRECTOR'S RIGHT OF FINAL QUOTE ACCEPTANCE

The Director reserves the right to reject any or all Quotes, or to award in whole or in part if deemed to be in the best interest of the State to do so. The Director shall have authority to award orders or Blanket P.O.s in accordance with N.J.S.A. 52:34-12. Tie Quotes will be awarded by the Director in accordance with N.J.A.C. 17:12-2.10.

6.3 STATE'S RIGHT TO INSPECT VENDOR (BIDDER) FACILITIES

The State reserves the right to inspect the Vendor's {Bidder's} establishment before making an award, for the purposes of ascertaining whether the Vendor {Bidder} has the necessary facilities for performing the Blanket P.O.

The State may also consult with clients of the Vendor {Bidder} during the evaluation of Quotes. Such consultation is intended to assist the State in making a Blanket P.O. award that is most advantageous to the State.

6.4 CLARIFICATION OF QUOTE / STATE'S RIGHT TO REQUEST FURTHER INFORMATION

After the submission of Quotes, unless requested by the State as noted below, Vendor {Bidder} contact with the State is not permitted.

After the Quotes are reviewed, one (1), some or all of the Vendors {Bidders} may be asked to clarify certain aspects of its Quote. A request for clarification may be made in order to resolve minor ambiguities, irregularities, informalities or clerical errors. Clarifications cannot correct any deficiencies or material omissions, or revise or modify a Quote.

Further, the Director reserves the right to request a Vendor {Bidder} to explain, in detail, how the Quote price was determined.

6.5 QUOTE EVALUATION COMMITTEE

Quotes may be evaluated by an Evaluation Committee composed of members of affected departments and agencies together with representative(s) from the Division. Representatives from other governmental agencies may also serve on the Evaluation Committee. On occasion, the Evaluation Committee may choose to make use of the expertise of outside consultant(s) in an advisory role.

6.6 ORAL PRESENTATION

Not applicable to this procurement.

6.7 EVALUATION CRITERIA

The following evaluation criteria categories, not necessarily listed in order of significance, will be used to evaluate Quotes received in response to this Bid Solicitation. The evaluation criteria

categories may be used to develop more detailed evaluation criteria to be used in the evaluation process.

6.7.1 TECHNICAL EVALUATION CRITERIA

Each criterion will be scored and each score multiplied by a predetermined weight to develop the Technical Evaluation Score.

- A. Personnel: The qualifications and experience of the Vendor's {Bidder's} management, supervisory, and key personnel assigned to the Blanket P.O., including the candidates recommended for each of the positions/roles required;
- B. Experience of firm: The Vendor's {Bidder's} documented experience in successfully completing Blanket P.O. of a similar size and scope in relation to the work required by this Bid Solicitation; and
- C. Ability of firm to complete the Scope of Work based on its Technical Quote: The Vendor's {Bidder's} demonstration in the Quote that the Vendor {Bidder} understands the requirements of the Scope of Work and presents an approach that would permit successful performance of the technical requirements of the Blanket P.O.

6.7.2 VENDOR'S {BIDDER'S} STATE-SUPPLIED PRICE SHEET

The Bureau will utilize a weighted market basket model to evaluate pricing. The pricing model will be date-stamped and entered into the record before Quote opening.

6.7.3 QUOTE DISCREPANCIES

In evaluating Quotes, discrepancies between words and figures will be resolved in favor of words. Discrepancies between Unit Prices and totals of Unit Prices will be resolved in favor of Unit Prices. Discrepancies in the multiplication of units of work and Unit Prices will be resolved in favor of the Unit Prices. Discrepancies between the indicated total of multiplied Unit Prices and units of work and the actual total will be resolved in favor of the actual total. Discrepancies between the indicated sum of any column of figures and the correct sum thereof will be resolved in favor of the correct sum of the column of figures.

In the event that a Vendor {Bidder} using **NJSTART** to submit a Quote uploads a State-Supplied Price Sheet and completes the "Items" Tab in **NJSTART** (instead of entering a Unit Cost of \$1.00 as instructed), the State-Supplied Price Sheet will govern.

6.7.4 EVALUATION OF THE QUOTES

After the Evaluation Committee completes its evaluation, it recommends to the Director for award the responsible Vendor(s) {Bidder(s)} whose Quote, conforming to this Bid Solicitation, is most advantageous to the State, price and other factors considered. The Evaluation Committee considers and assesses price, technical criteria, and other factors during the evaluation process and makes a recommendation to the Director. The Director may accept, reject or modify the recommendation of the Evaluation Committee. Whether or not there has been a negotiation process as outlined in Section 6.8 below, the Director reserves the right to negotiate price reductions with the selected Vendor {Bidder}.

6.8 NEGOTIATION AND BEST AND FINAL OFFER (BAFO)

In accordance with N.J.S.A. 52:34-12(f) and N.J.A.C. 17:12-2-7, after evaluating Quotes, the Bureau may establish a competitive range and enter into negotiations with one (1) Vendor {Bidder} or multiple Vendors {Bidders} within this competitive range. The primary purpose of negotiations

is to maximize the State's ability to obtain the best value based on the mandatory requirements, evaluation criteria, and cost. Multiple rounds of negotiations may be conducted with one (1) Vendor {Bidder} or multiple Vendors {Bidders}. Negotiations will be structured by the Bureau to safeguard information and ensure that all Vendors {Bidders} are treated fairly.

Similarly, the Bureau may invite one (1) Vendor {Bidder} or multiple Vendors {Bidders} to submit a Best and Final Offer (BAFO). Said invitation will establish the time and place for submission of the BAFO. Any BAFO that does not result in more advantageous pricing to the State will not be considered, and the State will evaluate the Vendor's {Bidder's} most advantageous previously submitted pricing.

If required, after review of the BAFO(s), clarification may be sought from the Vendor(s) {Bidder(s)}. The Division may conduct more than one (1) round of negotiation and/or BAFO in order to attain the best value for the State.

After evaluation of Quotes and as applicable, negotiation(s), and/or BAFO(s), the Bureau will recommend, to the Director, the responsible Vendor(s) {Bidder(s)} whose Quote(s), conforming to the Bid Solicitation, is/are most advantageous to the State, price, and other factors considered. The Director may accept, reject or modify the recommendation of the Bureau. The Director may initiate additional negotiation or BAFO procedures with the selected Vendor(s) {Bidder(s)}.

Negotiations will be conducted only in those circumstances where it is deemed by the Bureau or Director to be in the State's best interests and to maximize the State's ability to get the best value. Therefore, the Vendor {Bidder} is advised to submit its best technical and price Quote in response to this Bid Solicitation since the State may, after evaluation, make a Blanket P.O. award based on the content of the initial submission, without further negotiation and/or BAFO with any Vendor {Bidder}.

All contacts, records of initial evaluations, any correspondence with a Vendor {Bidder} related to any request for clarification, negotiation or BAFO, any revised technical and/or price Quotes, and related documents will remain confidential until a Notice of Intent to Award a Blanket P.O. is issued.

If the Bureau contemplates negotiation, Quote prices will not be publicly read at the Quote opening. Only the name and address of each Vendor {Bidder} will be publicly announced at the Quote opening.

6.9 "REQUEST FOR REVISION" WITHIN [NJSTART](#)

The State may request a revision of the Vendor's {Bidder's} Quote within [NJSTART](#). The Vendor {Bidder} shall respond to the "Request for Revision" (e.g., to reduce pricing if a BAFO is requested) only for the reason(s) identified by the State. Any changes made by a Vendor {Bidder} to the Quote other than as requested by the State shall be considered null and void.

6.10 POOR PERFORMANCE

A Vendor {Bidder} with a history of performance problems may be bypassed for consideration of an award issued as a result of this Bid Solicitation. The following materials may be reviewed to determine Vendor {Bidder} performance: Blanket P.O. cancellations for cause pursuant to Section 5.7(B) of the SSTC; information contained in Vendor performance records; information obtained from audits or investigations conducted by a local, state or federal agency of the Vendor's {Bidder's} work experience; current licensure, registration, and/or certification status and relevant history thereof; or its status or rating with established business/financial reporting services, as applicable. In such event, the contractor shall reimburse the State the full purchase price;

- b. The contractor must submit invoices to the using agency with supporting documentation evidencing that work or goods for which payment is sought has been satisfactorily completed or delivered. For commodity contracts, the invoice, together with the original Bill of Lading, express receipt and other related papers must be sent to the State Contract Manager or using agency on the date of each delivery. For contracts featuring services, invoices must reference the tasks or subtasks detailed in the Scope of Work section of the RFP and must be in strict accordance with the firm, fixed prices submitted for each task or subtask on the RFP pricing sheets. When applicable, invoices should reference the appropriate RFP price sheet line number from the contractor's bid proposal. All invoices must be approved by the State Contract Manager or using agency before payment will be authorized;
- c. In all time and materials contracts, the State Contract Manager or designee shall monitor and approve the hours of work and the work accomplished by contractor and shall document both the work and the approval. Payment shall not be made without such documentation. A form of timekeeping record that should be adapted as appropriate for the Scope of Work being performed can be found at www.nj.gov/treasury/purchase/forms/Vendor_Timesheet.xls; and
- d. The contractor shall provide, on a monthly and cumulative basis, a breakdown in accordance with the budget submitted, of all monies paid to any small business, minority or woman-owned subcontractor(s). This breakdown shall be sent to the Chief of Operations, Division of Revenue, P.O. Box 628, Trenton, NJ 08646.

6.4 OPTIONAL PAYMENT METHOD: P-CARD

The State offers contractors the opportunity to be paid through the MasterCard procurement card (p-card). A contractor's acceptance and a State agency's use of the p-card are optional. P-card transactions do not require the submission of a contractor invoice; purchasing transactions using the p-card will usually result in payment to a contractor in three (3) days. A contractor should take note that there will be a transaction-processing fee for each p-card transaction. To participate, a contractor must be capable of accepting the MasterCard. Additional information can be obtained from banks or merchant service companies.

6.5 NEW JERSEY PROMPT PAYMENT ACT

The New Jersey Prompt Payment Act, N.J.S.A. 52:32-32 et seq., requires state agencies to pay for goods and services within 60 days of the agency's receipt of a properly executed State Payment Voucher or within 60 days of receipt and acceptance of goods and services, whichever is later. Properly executed performance security, when required, must be received by the State prior to processing any payments for goods and services accepted by state agencies. Interest will be paid on delinquent accounts at a rate established by the State Treasurer. Interest shall not be paid until it exceeds \$5.00 per properly executed invoice.

Cash discounts and other payment terms included as part of the original agreement are not affected by the Prompt Payment Act.

6.6 AVAILABILITY OF FUNDS

The State's obligation to make payment under this contract is contingent upon the availability of appropriated funds and receipt of revenues from which payment for contract purposes can be made. No legal liability on the part of the State for payment of any money shall arise unless and until funds are appropriated each fiscal year to the using agency by the State Legislature and made available through receipt of revenue.

7.2 EQUAL EMPLOYMENT OPPORTUNITY

Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

During the performance of this contract, the contractor agrees as follows:

- (1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
- (2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
- (3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
- (4) The contractor will send to each labor union or representative of workers with which he/she has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's

commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

- (5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- (6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his/her books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- (7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- (8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to

which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

7.4 CONTRACT WORK HOURS AND SAFETY STANDARDS ACT, 40 U.S.C. 3701-3708

Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

7.5 RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT

If the Federal award meets the definition of "funding agreement" under 37 CFR § 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Contracts and subgrants of amounts in excess of \$ 150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

7.7 DEBARMENT AND SUSPENSION (EXECUTIVE ORDERS 12549 AND 12689)

A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

7.8 BYRD ANTI-LOBBYING AMENDMENT, 31 U.S.C. 1352

Contractors that apply or bid for an award exceeding \$ 100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will ensure that equal employment opportunity is afforded to such applicants in recruitment and employment, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

N.J.S.A. 10:5-39 et seq. requires contractors, subcontractors, and permitted assignees performing construction, alteration, or repair of any building or public work in excess of \$250,000 to guarantee equal employment opportunity to veterans.

The contractor or subcontractor will send to each labor union, with which it has a collective bargaining agreement, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer, pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

When hiring or scheduling workers in each construction trade, the contractor or subcontractor agrees to make good faith efforts to employ minority and women workers in each construction trade consistent with the targeted employment goal prescribed by N.J.A.C. 17:27-7.2; provided, however, that the Dept. of LWD, Construction EEO Monitoring Program may, in its discretion, exempt a contractor or subcontractor from compliance with the good faith procedures prescribed by the following provisions, A, B and C, as long as the Dept. of LWD, Construction EEO Monitoring Program is satisfied that the contractor or subcontractor is employing workers provided by a union which provides evidence, in accordance with standards prescribed by the Dept. of LWD, Construction EEO Monitoring Program, that its percentage of active "card carrying" members who are minority and women workers is equal to or greater than the targeted employment goal established in accordance with N.J.A.C. 17:27-7.2. The contractor or subcontractor agrees that a good faith effort shall include compliance with the following procedures:

- (A) If the contractor or subcontractor has a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor shall, within three business days of the contract award, seek assurances from the union that it will cooperate with the contractor or subcontractor as it fulfills its affirmative action obligations under this contract and in accordance with the rules promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et. seq., as supplemented and amended from time to time and the Americans with Disabilities Act. If the contractor or subcontractor is unable to obtain said assurances from the construction trade union at least five business days prior to the commencement of construction work, the contractor or subcontractor agrees to afford equal employment opportunities minority and women workers directly, consistent with this chapter. If the contractor's or subcontractor's prior experience with a construction trade union, regardless of whether the union has provided said assurances, indicates a significant possibility that the trade union will not refer sufficient minority and women workers consistent with affording equal employment opportunities as specified in this chapter, the contractor or subcontractor agrees to be prepared to provide such opportunities to minority and women workers directly, consistent with this chapter, by complying with the hiring or scheduling procedures prescribed under (B) below; and the contractor or subcontractor further agrees to take said action immediately if it determines that the union is not referring minority and women workers consistent with the equal employment opportunity goals set forth in this chapter.
- (B) If good faith efforts to meet targeted employment goals have not or cannot be met for each construction trade by adhering to the procedures of (A) above, or if the contractor does not have a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor agrees to take the following actions:
- (1) To notify the public agency compliance officer, the Dept. of LWD, Construction EEO Monitoring Program, and minority and women referral organizations listed by the Division pursuant to N.J.A.C. 17:27-5.3, of its workforce needs, and request referral of minority and women workers;
 - (2) To notify any minority and women workers who have been listed with it as awaiting available vacancies;
 - (3) Prior to commencement of work, to request that the local construction trade union refer minority and women workers to fill job openings, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade;
 - (4) To leave standing requests for additional referral to minority and women workers with the local construction trade union, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade, the State Training and Employment Service and other approved referral sources in the area;
 - (5) If it is necessary to lay off some of the workers in a given trade on the construction site, layoffs shall be conducted in compliance with the equal employment opportunity and non-discrimination standards set forth in this regulation, as well as with applicable Federal and State court decisions;
 - (6) To adhere to the following procedure when minority and women workers apply or are referred to the contractor or subcontractor:
 - (i) The contractor or subcontractor shall interview the referred minority or women worker.
 - (ii) If said individuals have never previously received any document or certification signifying a level of qualification lower than that required in order to perform the work of the construction trade, the contractor or subcontractor shall in good faith

determine the qualifications of such individuals. The contractor or subcontractor shall hire or schedule those individuals who satisfy appropriate qualification standards in conformity with the equal employment opportunity and non-discrimination principles set forth in this chapter. However, a contractor or subcontractor shall determine that the individual at least possesses the requisite skills, and experience recognized by a union, apprentice program or a referral agency, provided the referral agency is acceptable to the Dept. of LWD, Construction EEO Monitoring Program. If necessary, the contractor or subcontractor shall hire or schedule minority and women workers who qualify as trainees pursuant to these rules. All of the requirements, however, are limited by the provisions of (C) below.

(iii) The name of any interested women or minority individual shall be maintained on a waiting list, and shall be considered for employment as described in (i) above, whenever vacancies occur. At the request of the Dept. of LWD, Construction EEO Monitoring Program, the contractor or subcontractor shall provide evidence of its good faith efforts to employ women and minorities from the list to fill vacancies.

(iv) If, for any reason, said contractor or subcontractor determines that a minority individual or a woman is not qualified or if the individual qualifies as an advanced trainee or apprentice, the contractor or subcontractor shall inform the individual in writing of the reasons for the determination, maintain a copy of the determination in its files, and send a copy to the public agency compliance officer and to the Dept. of LWD, Construction EEO Monitoring Program.

(7) To keep a complete and accurate record of all requests made for the referral of workers in any trade covered by the contract, on forms made available by the Dept. of LWD, Construction EEO Monitoring Program and submitted promptly to the Dept. of LWD, Construction EEO Monitoring Program upon request.

(C) The contractor or subcontractor agrees that nothing contained in (B) above shall preclude the contractor or subcontractor from complying with the union hiring hall or apprenticeship policies in any applicable collective bargaining agreement or union hiring hall arrangement, and, where required by custom or agreement, it shall send journeymen and trainees to the union for referral, or to the apprenticeship program for admission, pursuant to such agreement or arrangement.
