SECTION 2 - HOW WE WILL EVALUATE OFFERS

2.1 OFFER RESPONSE FORMS: We will evaluate the information you provide in the Offer Response Forms. You will find these forms in later sections of this solicitation.

2.2 EVALUATION CATEGORIES: We evaluate four categories of information: Administrative Compliance, Responsibility, Responsiveness, and Price. We will consider the information you supply or

do not supply, and the quality of that information when evaluating your Offer. If we find a failure or deficiency, we may have to reject the Offer or reflect that in the evaluation.

2.2.1 ADMINISTRATIVE COMPLIANCE: We will determine whether your Offer complied with the Instructions for Submitting Offers. Except for late submissions, we may require that a Vendor corrects all deficiencies as a condition of further evaluation.

2.2.2 RESPONSIBILITY: We will determine whether you are a “Responsible” Vendor; a Vendor with whom we can or should do business.

- i. A “Responsible” vendor must exist as a legal entity and must comply with all provisions of the Illinois Procurement Code (30 ILCS 500/1-1 *et seq.*), including section 20-43 (30 ILCS 500/20-43), which requires that vendors be authorized to do business in Illinois at the time a bid or proposal is submitted for an OAG contract. Evidence of good standing can include Certificate of Good Standing, copy of assumed name certificate from home county, etc., dated within the sixty days from the date of your Offer.
- ii. Section 50-10.5 of the Procurement Code (30 ILCS 500/50-10.5) prohibits a person or business from bidding or entering into a contract under the Code if the person or business
 - (a) assisted the OAG in determining whether there was a need for the contract except as part of a response to a publicly issued request for information (RFI) or
 - (b) assisted the OAG by reviewing, drafting or preparing a request for proposals, request for information, or provided similar assistance. See certifications section of the Contract for the required certifications prior to entering into a contract with the OAG.
- iii. Other factors that we may evaluate to determine Responsibility include, but are not limited to: certifications, conflict of interest, financial disclosures, taxpayer identification number, past performance, references (including those found outside the Offer), and compliance with applicable laws, financial stability and the perceived ability to perform completely as specified. Every bid submitted to and contract executed by the OAG and every subcontract subject to Section 20-120 of the Procurement Code shall contain a certification by the bidder, contractor, or subcontractor, respectively, that the bidder, contractor, or subcontractor is not barred from being awarded a contract or subcontract under this Section and acknowledges that the chief procurement officer shall declare the related contract void if any of the certifications are false.

You must at all times have financial resources sufficient, in the opinion of the OAG, to ensure performance of the contract and must provide proof upon request. The OAG may terminate the Contract, consistent with the termination for cause provision of this Contract, if the Vendor lacks the financial resources to perform under the Contract. We may require that a Vendor correct any deficiencies as a condition of further evaluation.

2.2.3 RESPONSIVENESS: We will determine whether the Offer meets the stated requirements. Minor differences or deviations that have negligible impact on the price or suitability of the supply or service to meet the OAG’s needs may be accepted or corrections allowed. If no administratively compliant and responsible Vendor meets a particular requirement, we may waive that requirement. When the specification calls for “Brand Name or Equal”, equal products will be considered with proof the other product meets stated specifications and is equivalent to the brand product in terms of quality, performance, and desired characteristics.

In accordance with Public Act 95-971, if you are required to submit the State Board of Elections Registration Certificate and fail to do so, your bid / proposal will be disqualified.

2.2.4 PRICE: We will identify the lowest priced Offer(s) that meets Administrative, Responsibility and Responsiveness Requirements. We will rank Offer(s) in order of Price when appropriate.

2.3 AWARD: Award(s) will be made to the Responsible Vendor(s) whose Offer(s) passes Administrative review, is Responsive, and who submits the lowest Price as identified in Exhibit A. If a bidder does not bid on every item, the bidder will not be considered for award.

SECTION 3 - SPECIFICATIONS / QUALIFICATIONS / STATEMENT OF WORK

3.1 SUPPLIES AND/OR SERVICES REQUIRED

The OAG is seeking to secure a contract for general office supplies for our upcoming FY27 fiscal year as listed in Exhibit A. Quantities shown in the exhibit are estimates based on previous usage; amounts ordered throughout the year may vary. **Equivalent, recycled, or refurbished products are not acceptable.** The vendor must provide cost information for each item they are responding to on the attached spreadsheet title 'EXHIBIT A' for each respective fiscal year.

3.2 DELIVERABLES

The Attorney General's Office requires timely delivery of the items listed in Exhibit A. The vendor must contact the OAG prior to delivery to confirm information and provide an ETA. In some cases, dock access may be required.

Delivery will be expected within 3-7 days after the order is placed. However, due to nationwide supply chain issues, we will be flexible on the time frame at this time. We are requesting that the awarded vendor provide real-time delivery updates regarding delivery time frames (including shipping delays/backorders).

Repeated failure of an awarded vendor to meet these servicing guidelines shall constitute a breach of contract, and the OAG shall seek other remedies up to and/or including termination of the contract.

3.3 REPORTING, STATUS AND MONITORING

3.3.1 At the OAG's option the Parties will work together to monitor performance during the contract and any warranty term. This may include use of a performance scorecard with conditions, milestones, requirements, or timetables that must be met before additional steps may be taken, or payment is due. The scorecard may also record matters related to price, service, quality and other factors deemed important.

3.3.2 Vendor shall cooperate with the OAG in this monitoring activity, which may require that Vendor report progress and problems (with proposed resolutions), provide records of its performance, allow random inspections of its facilities, participate in scheduled meetings and provide management reports as requested by the OAG.

3.4 VENDOR AND STAFF REQUIREMENTS

3.4.1 Subcontractor Disclosure. Will you be using any subcontractors? Yes No

If yes, you must identify in Section 8.7 the names and addresses of all subcontractors you will be entering into a contractual agreement with for a total value of \$25,000 or more in the performance of this Contract, together with a description of the work to be performed by the subcontractor and the anticipated amount of money, to the extent the information is known, that each subcontractor is expected to receive pursuant to the Contract. For purposes of this section, subcontractors are those specifically hired to provide to the Vendor some or all of the goods, services, property, remuneration, or other forms of consideration that are the subject of this Contract, including sub-lessees from a lessee of a State agency. **A copy of each subcontract issued pursuant to the Contract shall be provided to the State Purchasing Officer or Chief Procurement Officer within 20 days after the execution of the Contract or after execution of the subcontract, whichever is later.** If at any time during the term of the Contract, Vendor adds or changes any subcontractors, Vendor will be required to promptly notify, by written amendment to the Contract, the State Purchasing Officer or the Chief Procurement Officer of the names and addresses and the expected amount of money that each new or replaced subcontractor will receive pursuant to the Contract. Any subcontracts entered into prior to award of the Contract are done at the Vendor's and subcontractor's risk. **All subcontracts must include the Subcontractor Standard Certifications and the Disclosures and Conflicts of Interest, completed and signed by the subcontractor.**

3.4.2 References: We may request references from companies you have done business with in the past providing the same products and/or services.
