

New Jersey State Prison – Second & Cass Street, Trenton, NJ -The maximum-security prison, located in Trenton, provides programs for adult male offenders. Work opportunities are provided by five State Use Industries shops within the prison for the production of materials and products to be used by various State agencies and local governments. Educational opportunities are comprehensive, covering adult basic education through college and including a five-cluster vocational education program. An Administration Segregation Unit inside the prison is available for housing and programming designed to treat the more severe behavioral problems which occur in the prison system.

Vroom Central Reception and Assignment Facility, Sullivan Way, Trenton, NJ-The Central Reception and Assignment Facility serves as a central processing unit for all adult male offenders sentenced to the New Jersey Department of Corrections. It is responsible for objectively classifying all State inmates, and providing all intake examinations/evaluations, including medical, dental, educational, psychological, etc. The Jones Farm Minimum Security Unit is a satellite unit. It serves as a work camp for inmates serving non-violent short-term sentences. The facility supports the Central Reception and Assignment Facility in the delivery of food services, building and grounds maintenance/repairs and other activities as needed.

East Jersey State Prison , US Rt. 1 @ Rahway Avenue, Woodbridge, NJ-This prison provides maximum, medium, and minimum-security programs for male adult offenders. Work opportunities are provided by five State Use Industries shops. Food service, grounds maintenance, institutional maintenance and farm services are provided by inmates at the North Jersey Developmental Center, Totowa. A dental laboratory services all State institutions. A functional vocational technical training program offers courses in auto body, mechanics, welding, building trades, painting and decorating, masonry and horticulture. An Administration Segregation Unit inside the prison is available for housing and programming designed to treat the more severe behavioral problems that occur in the prison system.

South Woods State Prison, 215 South Burlington Road, Bridgeton, NJ-This facility located in Bridgeton, Cumberland County, houses adult male offenders in a safe and secure environment providing custody care, and rehabilitative services. Its bed space design capacity totals 3,188, consisting of three 960 bed medium security general housing units, a 44 bed long term care facility, and a 264 bed minimum security unit. The first 960-bed unit became operational in fiscal 1997, and the second in October 1997. The remaining beds opened in the spring of 1998.

Bayside State Prison, 4293 Rt. 47, Leesburg, NJ-This combined minimum--medium security prison located at Leesburg in Cumberland County provides programs for adult male offenders at the medium security prison and the minimum-security unit. In addition, an inmate detail is housed at, and provides services for, the Ancora Psychiatric Hospital. Work opportunities are provided in farm operations for minimum-security inmates. The auto license tag and clothing industries offer training for medium security inmates. The Regional Bakery, which has an inmate-training program, provides services to institutions throughout the State. The dairy provides milk for State institutions in southern New Jersey. The education program covers adult basic education and a vocational education program offering a total of ten subjects. Modular units on institution grounds provide for additional inmate housing.

Southern State Correctional Facility, 4295 Route 47, Delmont, NJ-Southern State Correctional Facility, which opened in July 1983, is located at Delmont in Cumberland County adjacent to Bayside State Prison. It was conceived as a quick response to alleviate severe prison overcrowding in the State of New Jersey. This institution is a medium security facility constructed entirely of modular buildings with a razor ribbon double fence acting as the secured perimeter.

Mid-State Correctional Facility, Range Road, Fort Dix, NJ-The medium security facility, which opened in May 1982, is located on 13 acres of Federal government property in Burlington County. The Department of Corrections has a leasing agreement with the Federal government, which requires unique operating procedures. In compliance with the basic agreement, there are no programs involving work release, furloughs, or community activities. All inmates are assigned to work details and have the opportunity to participate in programs as developed within the guidelines established in the lease agreement.

Edna Mahan Correctional Facility for Women, 30 County Route 513, Clinton, NJ-This institution, located at Clinton in Hunterdon County, provides custody and treatment programs for female offenders 16 years of age and older. The academic program offers educational opportunities from basic education through high school equivalency. College courses are also available. A vocational education program offers courses in quantity food service, beauty culture, upholstery training, clerical skills, horticulture, life skills, nurse's aide, and electronic assembly programs. The State Use sewing industry provides work experience and training. Psychiatric, psychological and social work services are available on an individual and group basis. A drug and alcohol treatment unit is operational. Inmates who have a history of alcohol abuse are provided with individual and group counseling. Medical services are affiliated with surrounding community medical facilities. Food service is provided for the neighboring Hunterdon Developmental Center and the Mountainview Youth Correctional Facility.

Northern State Prison, 168 Frontage Road, Newark, NJ-This medium security institution designed for adult male offenders and located on 42 acres of property in Essex County, opened in fiscal year 1987. Programs provide work release, furloughs, and community service activities for inmates classified in minimum-security status. Vocational training courses are offered in printing, carpentry, and electrical repairs. An Administration Segregation Unit inside the prison is available for housing and programming designed to treat the more severe behavioral problems, which occur in the prison system. Located within the main structure, a State Use shop for the production of clothing items also provides training and work opportunities.

Garden State Youth Correctional Facility, Highbridge Road off route 130, Yardville, NJ-The facility, located at Yardville in Burlington County, is part of the State's youth correctional institution complex. It consists of eight housing units. The Prison Reception Unit previously located at Garden State was transferred to the Central Reception and Assignment Facility effective July 1, 1997. A number of programs, such as academic education, vocational training, and the supportive education team program, are offered. In addition, two therapeutic

community programs have been established.

Albert C. Wagner Youth Correctional Facility, Ward Avenue, Bordentown, NJ-The Youth Correctional Institution (RS 30:4-146), located at Bordentown in Burlington County, provides programs for adult male offenders. A limited number of prison complex inmates are also housed here. This medium security institution emphasizes vocational, academic and social education along with group and individual psychotherapy, substance abuse treatment, social casework and psychiatric treatment. An Administration Segregation Unit inside the institution is available for housing and programming designed to treat the more severe behavioral problems, which occur in the institutional system. The Bureau of State Use Industries operates a metal fabrication shop in this facility. A 120 bed residential Adult Offender Boot Camp program was initiated in fiscal 1997.

Mountainview Youth Correctional Facility, US Route 22, NJ-This medium security, cottage-type institution, located at Annandale in Hunterdon County (one mile east of town of Annandale), provides programs for males with both indeterminate and State prison sentences who have a minimal history of previous commitment to correctional institutions. Work opportunities include a farming operation and various work release projects for all offenders. Housing units (totaling 306 bed spaces) were closed in fiscal 1999 in order to reduce overcrowding and eliminate on-going security concerns.

Adult Diagnostic Treatment Center (ADTC), Avenel, NJ – This medium security institution, located at 8 Production Way in Avenel, part of Middlesex County. This facility is a 478 bed facility and is responsible for the diagnosis and treatment of sex offenders in the State. Inmates may also take educational courses and vocational training while at the ADTC.
