1.1 PURPOSE AND INTENT

This Bid Solicitation {RFP} is issued by the Procurement Bureau, Division of Purchase and Property (Division), Department of the Treasury on behalf of the Department of Health (DOH), Division of Family Health Services, Woman, Infants, and Children (WIC) Services (WIC Services). The purpose of this Bid Solicitation {RFP} is to solicit Quotes {Proposals} for a qualified Vendor {Contractor} to develop and provide a Rebate for Infant Formula, in accordance with the federal requirements outlined in the Infant Formula Requirement Rule (Reference <https://www.fns.usda.gov>) for use by WIC Program Participants.

Note: For the purpose of this Bid Solicitation {RFP}, a Vendor {Contractor} is considered a company that provides Infant Formula products that are nationally available and that can be carried by any retailer.

The intent of this Bid Solicitation {RFP} is to award a Master Blanket Purchase Order (Blanket P.O.) {Contract} to that responsive and responsible Vendor {Bidder} whose Quote {Proposal}, conforming to this Bid Solicitation {RFP} offers the lowest net price or, the highest rebate for Infant Formula. The State may award any and all price lines. The State, however, reserves the right to separately procure individual requirements that are the subject of the Blanket P.O. {Contract} during the Blanket P.O. {Contract} term, when deemed by the Director of the Division of Purchase and Property (Director) to be in the State's best interest.

1.2 BACKGROUND

This is a reprourement of the services provided under the **WIC INFANT FORMULA REBATE, DHSS, WIC Services** term Blanket P.O. {Contract}, presently due to expire on **02/28/18**. Vendors {Bidders} interested in the current Blanket P.O. {Contract} specifications and pricing information may review the current Blanket P.O. {Contract} (Enter T1057) at <http://www.state.nj.us/treasury/purchase/pricelists.shtml> and are cautioned that this new Bid Solicitation {RFP} may have additional or varying tasks from previous versions to address current requirements.

WIC Services is a program administered by the DOH, 100% funded by the United States Department of Agriculture (USDA). The program actively supports and promotes breastfeeding as the preferred choice for mothers and infants. WIC Services offers breastfeeding promotion, continuing education, and a variety of programs and activities to encourage breastfeeding.

Through a Single Supplier System, the program issues food benefits to certified eligible pregnant, breast-feeding and postpartum women, and the parents/guardians of certified eligible infants and children up to the age of five (5) years (Participants). WIC Services currently serves approximately 154,000 Participants per month, just under 80% of the estimated 193,074 eligible.

1.2.1 WIC ACCESS

WIC Services has developed WIC ACCESS, an automated system that creates and manages WIC Participant files, generates checks for use by Participants to obtain Infant Formula and is used by WIC Services to produce monthly Infant Formula reports that track the redemption of the checks. WIC Local Agencies may issue, prospectively, up to three (3) months' worth of checks. Each of the three (3) months has a separate redemption period with a specific first and last date to use for the designated month, covering a 30-day period. Infant Formula product name, size, and product form of the Vendor's {Contractor's} Infant Formula are printed on the face of the check. WIC Services uses the maximum monthly allowance of reconstituted fluid ounces of liquid concentrate Infant Formula for the full nutrition benefit.

Generally, an individual Participant is issued four (4) checks per month. A summary stub is included in the series being issued and must be signed by the Participant as verification of issuance. The summary stub, bearing the Participant's signature, check numbers issued, and date of receipt, is retained in accordance with the State's record retention requirements.

The summary stub represents up to three (3) months' worth of checks issued to all Participants of one (1) family. A Participant can redeem its valid checks (not retailer specific) at over 900 approved WIC retailers providing allowable items of the Participant's choice including all approved Infant Formula. USDA Federal Regulations require NJ WIC to assess semiannually, the pricing of all authorized WIC foods based on peer grouping (categorization of vendors based on number of cash registers). Currently there are 15 designated peer groups. The NJ WIC Vendor Peer Groups are listed below:

- A. Chain Corporation – Corporation with 11 or more stores;
- B. Large independent vendor with an owner of one (1) or more stores with three (3) or more cash registers;
- C. Small owner of one (1) or more stores with one (1) to two (2) cash registers;
- D. Pharmacy; and

E. Commissary/Military Post store providing WIC items for Participants affiliated with a military base.

Note: Each aforementioned group is subcategorized into the north, central, and southern region of the State.

NJ WIC determines an average price based on WIC Retailer Peer Grouping and uses a 10% variance to set the minimum and maximum of each food item.

WIC ACCESS provides for Floating Maximum Dollar amounts that are specific to the check type and to the WIC Retailer Peer Group. The maximum value does not appear on the face of the check. The maximum dollar amount, along with the average dollar amount, for each check will be calculated by the central processor and transmitted to WIC Services banking institution (bank) for editing against the checks when presented for payment. The banking system edits all checks presented for payment against the amount entered by the WIC Retailer. If the amount entered exceeds the maximum dollar amount, the bank pays only the checks own average dollar amount for the WIC Retailer Peer Group. This system eliminates the State's obligation to recoup any overcharge by the WIC Retailer after the fact. Reports generated by the bank provide WIC Services with the record of WIC Retailer activity as it pertains to checks which exceeded the maximum.

It is the policy of the DOH to issue checks only for Rebate-Eligible Infant Formula for milk and soy-based infant formulations (except for religious reasons) and Exempt Infant Formulas for medical needs (e.g. approved qualifying condition). Except for the issuance of the Rebate-Eligible Infant Formula(s) as formula of first choice, the State provides no guarantee of the quantity, type, or physical forms that will be used.

Each month, through the use of an independent third-party data analysis consultant (Consultant), DOH produces an Infant Formula Rebate Invoice (Invoice). The Invoice (Reference Attachment #1, *Sample Infant Formula Rebate Invoice*) specifies the total number of Units of concentrated liquid, ready to feed, and powdered iron-fortified milk and soy-based Rebate-Eligible Formula, approved and issued by WIC Services, purchased by Participants during the preceding month. This information is reported for each WIC vendor and as a separate State total. The Infant Formula Rebate Report documents the actual number of Units Redeemed based on a determination of total check redemption. WIC Services provides the Consultant with a chart (rebate redemption table) that provides a minimum and maximum price for the number of Units of Infant Formula that may be purchased on a WIC check. The Consultant uses the table to calculate the number of Units Redeemed per check. This method is used in lieu of partial redemption estimation when less than the full amount of Units is purchased.

Additional Rebate-Eligible Formula reports generated by the Consultant include the Formula Rebate Redemption Summary and Rebate Exceptions Report. The Formula Rebate Redemption Summary is a synopsis of the number of checks for each Rebate-Eligible Formula issued and Redeemed for the current invoice month. This report breaks down the data by Rebate-Eligible Formula and the three (3) separate months (current/issue, 30 day and closeout months) reflected in the invoice totals. The Formula Rebate Exceptions Report lists the WIC checks for Rebate-Eligible Formula when the number of Rebate formula cans Redeemed could not be derived from a WIC Services rebate redemption table. The WIC checks for Rebate-Eligible Formula included on this report are not included in the Invoice. The State of New Jersey WIC program will be transitioning to a new automated WIC system that will be fully implemented after the award of this Blanket P.O. {Contract}. The new system, WIC on the WEB (WOW), will not materially affect the processes relevant to the Infant Formula Rebate process, such as Participant certification, food/formula issuance, and issuance of the Invoice.

It is the intent of New Jersey WIC Services to implement a long-term initiative to migrate the WIC food benefit delivery system from a paper voucher-based system to an Electronic Benefits

Transfer (EBT) system by the Federal Fiscal Year 2020. A definitive timetable for EBT development and implementation has yet to be determined. The overall goals of the new system will be to automate the food benefit issuance, redemption, and payment processes; and to increase overall Participant satisfaction while improving the integrity of WIC Program operations. This change will improve the accuracy and timeliness of the pricing data available to WIC Services. A change by WIC Services to an EBT system during the course of the Blanket P.O. {Contract} resulting from this Bid Solicitation {RFP} will not alter the requirements and responsibilities of the Vendor {Contractor} as specified herein.

1.2.2 WIC ISSUANCE OF INFANT FORMULA

WIC Services will issue Infant Formula in accordance with C.F.R. §246.10(e)(1)-(e)(3) and (e)(9). In addition, WIC Services will, if necessary to provide the Full Nutritional Benefit (FNB), use the methodology outlined in §246.10(h) of the WIC Program regulations when issuing Infant Formula (Reference the following link for WIC Program regulations: https://www.ecfr.gov/cgi-bin/text-idx?SID=b24ad5d7b8328074f2ed02ff4b9fc3a2&node=se7.4.246_110&rgn=div8).

While Infant Formula is primarily issued to infants, it may also be issued to children with qualifying medical conditions if it is prescribed by the health care provider.

WIC Services is not obligated to issue all Infant Formulas offered by the awarded Vendor {Contractor}, that meet USDA standards. WIC Services shall require medical documentation from Participants prior to issuing any non- Rebate-Eligible Formula including Exempt Infant Formula and WIC medical foods in accordance with 7 CFR Section 246.10(d)(1)(iii). WIC Services may authorize local agencies to issue Non-Rebate-Eligible Formula that meets federal requirements without medical documentation in order to meet religious eating patterns.

WIC Services cannot guarantee that all vouchers sent to program Participants will be Redeemed. Currently 10% of all WIC Services vouchers are not Redeemed by program Participants.

1.2.3 NOTIFICATION OF REBATE INFANT FORMULA

WIC Services will provide an official notification to health care providers, Local WIC Agencies, Participants and WIC Retailers of the Infant Formulas to be provided under the Blanket P.O. {Contract}, along with official notification of any changes to the Infant Formulas being provided during the term of this Blanket P.O. {Contract}.

1.2.4 DATABASE OF WIC RETAILERS

At the Kickoff Meeting (KM), the State Contract Manager (SCM) will provide the Vendor {Contractor}, in a mutually agreed upon format, a database of authorized WIC Retailers. If WIC Services and the Vendor {Contractor} cannot come to agreement on a database format, WIC Services will have the final determination on which format is used.

It is the policy of WIC Services to not allow into the WIC Program, retailers that would derive 50% or more of its business from WIC Participants.

1.2.5 MONTHLY INFANT FORMULA REBATE

WIC Services will provide the Vendor {Contractor} with the monthly Invoice. The invoice will indicate the total number of Infant Formula Units authorized on all Food Instruments Redeemed by Participants during the month. The invoice will specify the products authorized on Redeemed Food Instruments for a one (1) month period. WIC Services will send the report by facsimile,

email, or certified mail within 45 calendar days after the last day of the month represented on the invoice.

The monthly Invoice will include the following:

- A. Listing of Rebate Eligible Formulas by type;
- B. Contracted Rebate dollar amount per Infant Formula type;
- C. Participation month (the month of the first date to use printed on the check);
- D. Number of Units Redeemed per approved Infant Formula type;
- E. Number of Food Instruments Redeemed per approved Infant Formula type;
- F. Number of Participants who Redeemed per approved Infant Formula type;
- G. Total Rebate dollar amount per approved Infant Formula type; and
- H. Total Rebate amount due to WIC Services by the Vendor {Contractor} for the reported month.

WIC Services will not include/bill the Vendor {Contractor} for Rebates on checks with a “First Date To Use” before the start of the Blanket P.O. {Contract} and beyond the end of the Blanket P.O. {Contract}.

Note: During the Blanket P.O. {Contract} term, the Vendor {Contractor} will be allowed to schedule short visits to the State WIC Office to gain a further understanding of the State WIC program and/or reports, as well as to discuss any findings resulting from the review of data files or redacted Food Instruments.

1.4.2 VENDOR {BIDDER} RESPONSIBILITY

The Vendor {Bidder} assumes sole responsibility for the complete effort required in submitting a Quote {Proposal} in response to this Bid Solicitation {RFP}. No special consideration will be given after Quotes {Proposals} are opened because of a Vendor's {Bidder's} failure to be knowledgeable as to all of the requirements of this Bid Solicitation {RFP}.

1.4.3 COST LIABILITY

The State assumes no responsibility and bears no liability for costs incurred by a Vendor {Bidder} in the preparation and submittal of a Quote {Proposal} in response to this Bid Solicitation {RFP}.

After the opening of sealed Quotes {Proposals}, including Quotes {Proposals} submitted through the **NJSTART** electronic process, all information submitted by a Vendor {Bidder} in response to a Bid Solicitation {RFP} is considered public information notwithstanding any disclaimers to the contrary submitted by a Vendor {Bidder}. As part of its Quote {Proposal}, a Vendor {Bidder} may designate any data or materials it asserts are exempt from public disclosure under OPRA and/or the common law, explaining the basis for such assertion. The location in the Quote {Proposal} of any such designation should be clearly stated in a cover letter.

The State reserves the right to make the determination as to what is proprietary or confidential, and will advise the Vendor {Bidder} accordingly. Any proprietary and/or confidential information in a Quote {Proposal} will be redacted by the State. **The State will not honor any attempt by a Vendor {Bidder} to designate its entire Quote {Proposal} and/or prices as proprietary, confidential and/or to claim copyright protection for its entire Quote {Proposal}.** Copyright law does not prohibit access to a record which is otherwise available under OPRA. In the event of any challenge to the Vendor's {Bidder's} assertion of confidentiality with which the State does not concur, the Vendor {Bidder} shall be solely responsible for defending its designation, but in doing so, all costs and expenses associated therewith shall be the responsibility of the Vendor {Bidder}. The State assumes no such responsibility or liability.

A Vendor {Bidder} shall not designate any price lists and/or catalogs submitted as exempt from public disclosure as the same must be accessible to State Using Agencies and Cooperative Purchasing Program participants (if the Bid Solicitation {RFP} has been extended to these participants) and thus must be made public to allow all eligible purchasing entities access to the pricing information.

NJSTART: A Vendor {Bidder} may withdraw its Quote {Proposal} submission in **NJSTART** prior to the Quote {Proposal} opening; however, Vendors {Bidders} should note that while withdrawn **NJSTART** Quotes {Proposals} remain viewable by the Vendor {Bidder} on its Vendor Profile Homepage, they are removed from the Division's view and cannot be considered for Blanket P.O. {Contract} award. If the Vendor's {Bidder's} request to withdraw is made in good faith, and the State will not be significantly prejudiced by granting the withdrawal of the Quote {Proposal} beyond the loss of the benefit of the bargain to the State of the withdrawing Vendor's {Bidder's} offer, the request shall be granted. Evidence of the Vendor's {Bidder's} good faith in making this request can be demonstrated by one (1) or more of the following factors: A mistake is so significant that to enforce the Blanket P.O. {Contract} resulting from the Quote {Proposal} would be unconscionable; that the mistake relates to a material feature or term of the Blanket P.O. {Contract}; and that the mistake occurred notwithstanding the Vendor's {Bidder's} exercise of reasonable care. After Quote {Proposal} opening, while pursuant to the provisions of this section a Vendor {Bidder} may request to withdraw its Quote {Proposal} and the Director may in her discretion allow said Vendor {Bidder} to withdraw it, the Division also may take notice of repeated or unusual requests to withdraw by a Vendor {Bidder} and take those prior requests to withdraw into consideration when evaluating the Vendor's {Bidder's} future Quotes {Proposals}.

All Quote {Proposal} withdrawal requests must include the Bid Solicitation {RFP} identification number and the final Quote {Proposal} submission date and be sent to the following address:

Failure to submit information as indicated below may result in your Quote {Proposal} being deemed non-responsive.

4.1 GENERAL

Quotes {Proposals} including Vendor {Bidder} proposed terms and conditions may be accepted, but Vendor {Bidder} proposed terms or conditions that conflict with those contained in the Bid Solicitation {RFP} as defined in Section 2.0 of this Bid Solicitation {RFP}, or that diminish the State's rights under any Blanket P.O. {Contract} resulting from the Bid Solicitation {RFP}, will be considered null and void. The State is not responsible for identifying conflicting Vendor {Bidder} proposed terms and conditions before issuing a Blanket P.O. {Contract} award. It is incumbent upon the Vendor {Bidder} to identify and remove its conflicting proposed terms and conditions prior to Quote {Proposal} submission. In the event that a Vendor {Bidder} intends to propose terms and conditions contrary to the Bid Solicitation {RFP}, these Vendor {Bidder} proposed terms and conditions shall only be considered if submitted pursuant to the procedure set forth in Section 1.3.1 of this Bid Solicitation {RFP}. Vendors {Bidders} shall not submit exceptions on the "Terms and Conditions" Tab through [NJSTART](#). Under no circumstance is the State required to accept a Vendor's {Bidder's} exception to the Bid Solicitation {RFP}.

In the event that prior to Notice of Intent to Award, the Division notifies the Vendor {Bidder} of any such conflicting Vendor {Bidder} proposed term or condition and the conflict it poses, the Division may require the Vendor {Bidder} to either withdraw it or withdraw its Quote {Proposal}.

After award of Blanket P.O. {Contract}:

- A. If conflict arises between a Vendor {Bidder} proposed term or condition included in the Quote {Proposal} and a term or condition of the Bid Solicitation {RFP}, the term or condition of the Bid Solicitation {RFP} will prevail; and
- B. If the result of the application of a Vendor {Bidder} proposed term or condition included in the Quote {Proposal} would diminish the State's rights, the Vendor {Bidder} proposed term or condition will be considered null and void.

The Vendor {Bidder} is advised to thoroughly read and follow all instructions contained in this Bid Solicitation {RFP}, including the instructions on the Bid Solicitation's {RFP's} Offer and Acceptance Page {Signatory Page} and through all Quick Reference Guides (QRGs) located on the [NJSTART Vendor Support Page](#), in preparing and submitting its Quote {Proposal}.

Use of URLs in a Quote {Proposal} should be kept to a minimum and may not be used to satisfy any material term of a Bid Solicitation {RFP}. If a preprinted or other document included as part of the Quote {Proposal} contains a URL, a printed (or if a Quote {Proposal} is submitted electronically, electronic) copy of the URL page shall be provided and will be considered as part of the Quote {Proposal}. Additional URLs on the copy of the URL page shall not be considered as part of the Quote {Proposal} unless a copy of those URL pages are also provided.

The forms discussed herein and required for submission of a Quote {Proposal} in response to this Bid Solicitation {RFP} are available on the [Division's website \(http://www.state.nj.us/treasury/purchase/forms.shtml\)](http://www.state.nj.us/treasury/purchase/forms.shtml) unless noted otherwise.

Vendors {Bidders} submitting electronic Quotes {Proposals} via [NJSTART](#) are cautioned to allow adequate time to ensure timely uploads of all Quote {Proposal} documents to mitigate unforeseen delays or issues. Vendors {Bidders} submitting hard copy Quotes {Proposals} are cautioned to allow adequate delivery time to ensure timely delivery of Quotes {Proposals}. **State regulation mandates that late Quotes {Proposals}, regardless of submission method, are ineligible for consideration.**

4.3 [NJSTART](#) ELECTRONIC SUBMISSION VS. HARD COPY SUBMISSION INSTRUCTION

4.3.1 [NJSTART](#) SUBMISSION OF QUOTE {PROPOSAL}

Vendors {Bidders} may refer to the QRGs “Vendor Registration” and “Submit a Quote” for additional instructions detailing how to enroll in [NJSTART](#) and submit a [NJSTART](#) electronic Quote {Proposal}. QRGs are located on the [NJSTART Vendor Support Page](#). If the Vendor {Bidder} submits both a [NJSTART](#) and a hard copy of the Vendor’s {Bidder’s} Quote {Proposal}, the [NJSTART](#) Quote {Proposal} will prevail in the event of a discrepancy between the electronic and paper versions.

When submitting a [NJSTART](#) Quote {Proposal}, do not use any symbols (i.e., #, @, \$, &, *) in the filename. In addition, the Vendor {Bidder} should name each uploaded electronic file and folder as follows with the information in the brackets [] below as follows:

[Vendor {Bidder} name][Volume #][Bid Solicitation {RFP} number]. Example: vendornamexxdppxxxxx. **DO NOT UPLOAD .ZIP FILES.**

If the Vendor {Bidder} submits a Quote {Proposal} electronically through [NJSTART](#), the Vendor {Bidder} should select the “Confidential” option in [NJSTART](#) for attachments on the “Attachments” Tab to request that the documents not be displayed publicly through [NJSTART](#).

Note: Marking an attachment as “Confidential” in [NJSTART](#) shall not constitute the Vendor’s {Bidder’s} designation of the attachment as exempt from public disclosure under OPRA and/or the common law as outlined in Section 1.4.4.

4.3.2 HARD COPY SUBMISSION

If the Vendor {Bidder} is submitting a hard copy Quote {Proposal}, the Vendor {Bidder} must submit the following:

THE EXTERIOR OF ALL QUOTE {PROPOSAL} PACKAGES SHALL BE LABELED WITH THE BID SOLICITATION {RFP} IDENTIFICATION NUMBER AND THE FINAL QUOTE {PROPOSAL} SUBMISSION DATE OR RISK NOT BEING RECEIVED IN TIME.

Copies are necessary in the evaluation of the Quote {Proposal} and for record retention purposes. A Vendor {Bidder} failing to provide the requested number of copies will be charged the cost incurred by the State in producing the requested number of copies. The Vendor {Bidder} should make and retain a copy of its Quote {Proposal}.

upload it as an attachment on the “Attachments” Tab (See Section 4.4.5 of this Bid Solicitation {RFP}).

The Vendor {Bidder} must enter a Unit Cost of \$1.00 for each price line item on the “Items” Tab in **NJSTART**. The Vendor {Bidder} is instructed to do so only as a mechanism to comply with Bid Solicitation {RFP} Section 6.8 and prevent all pricing from being publicly displayed in **NJSTART**.

In the event that a Vendor {Bidder} uploads a price sheet/schedule attachment and completes the Items Tab in **NJSTART** (instead of entering a Unit Cost of \$1.00 as instructed), the price sheet/schedule attachment will govern.

If the Vendor {Bidder} fails to comply with the requirement within seven (7) business days of the demand, the State may deem the Quote {Proposal} non-responsive.

The Offer and Acceptance Page {Signatory Page} must be signed by an authorized representative of the Vendor {Bidder}. A current completed Ownership Disclosure Form must be received prior to or accompany the submitted Quote {Proposal}. A Vendor's {Bidder's} failure to submit the completed and signed form with its Quote {Proposal} will result in the rejection of the Quote {Proposal} as non-responsive and preclude the award of a Blanket P.O. {Contract} to said Vendor {Bidder} unless the Division has on file a signed and accurate Ownership Disclosure Form dated and received no more than six (6) months prior to the Quote {Proposal} submission deadline for this procurement. If the Vendor {Bidder} is unable to so certify, the Vendor {Bidder} shall provide a detailed and precise description of such activities as directed on the form. A Vendor’s {Bidder’s} failure to submit the completed and signed form with its Quote {Proposal} will result in the rejection of the Quote {Proposal} as non-responsive and preclude the award of a Blanket P.O. {Contract} to said Vendor {Bidder}.

Vendors {Bidders} using [NJSTART](#) to submit a Quote {Proposal} shall make the appropriate certification on the “Maintain Terms and Categories” Tab within its profile by checking the applicable box and, if required, completing and attaching the shortened Disclosure of Investment Activities in Iran form. Vendors {Bidders} not using [NJSTART](#) to submit a Quote {Proposal} must complete the full Disclosure of Investment Activities in Iran form located on the [Division’s website](#). The full version of the form is also available in [NJSTART](#) (www.njstart.gov).

Vendors {Bidders} may refer to the QRGs “Vendor Forms” and “Attaching Files” for instructions on submitting the forms required by this section of the Bid Solicitation {RFP} through [NJSTART](#). QRGs are located on the [NJSTART Vendor Support Page](#).

Vendors {Bidders} utilizing [NJSTART](#) should designate the most current version of the Disclosure of Investment Activities in Iran form as the Primary Form. In the event that a Vendor {Bidder} fails to attach a Disclosure of Investment Activities in Iran form, or the attached Disclosure of Investment Activities in Iran form is deemed deficient, the Division may access the Primary Form, as designed in the Vendor {Bidder} profile, to be considered as part of the Quote {Proposal}.

4.4.1.5 SMALL BUSINESS SUBCONTRACTING SET-ASIDE BLANKET P.O. {CONTRACTS}

NOTE: THE VENDOR {BIDDER} SHALL NOT USE THE "SUBCONTRACTOR" TAB IN [NJSTART](#).

This is a Blanket P.O. {Contract} with set-aside subcontracting goals for New Jersey Small Business Enterprises. As defined at N.J.A.C. 17:13-1.2, "Small Business" means a business that is incorporated or registered in and has its principal place of business in the State of New Jersey, is independently owned and operated, and has no more than 100 full-time employees. The program places small business into the following categories:

For good and services - (i) those with gross revenues not exceeding \$500,000; (ii) those with gross revenues not exceeding \$5 million; and (iii) those with gross revenues that do not exceed \$12 million or the applicable federal revenue standards established at 13 CFR 121.201, whichever is higher. While companies registered as having revenues below \$500,000 can bid on any Blanket P.O. {Contract}, those earning more than the \$500,000 and \$5 million amounts will not be permitted to bid on Blanket P.O.s {Contracts} designated for revenue classifications below its respective levels.

For construction services: (iv) those with gross revenues not exceeding \$3,000,000; (v) those with gross revenues that do not exceed 50 percent of the applicable annual revenue standards established at 13 CFR 121.201; and (vi) those with gross revenues that do not exceed the applicable annual revenue standards established at CFR 121.201. more than the revenue standards established at CFR 121.201 will not be permitted to bid on Blanket P.O.s {Contracts} designated for revenue classifications below their respective levels.

If the Vendor {Bidder} intends to subcontract, it must submit a Subcontractor Utilization Plan and should take the following actions to achieve the set-aside subcontracting goal requirements:

- A. Attempt to locate eligible small businesses in Categories I, II, III, IV, V, and/or VI as appropriate to the Bid Solicitation {RFP};
- B. Request a listing of small businesses by Category from the New Jersey Division of Revenue and Enterprise Services, Small Business Registration and M/WBE Certification Services Unit;
- C. Record efforts to locate eligible businesses, including the names of businesses contacted and the means and results of such contacts;
- D. Provide all potential Subcontractors with detailed information regarding the specifications;
- E. Attempt, whenever possible, to negotiate prices with potential Subcontractors submitting higher than acceptable price Quotes;
- F. Obtain, in writing, the consent of any proposed Subcontractor to use its name in response to the Bid Solicitation {RFP}; and
- G. Maintain adequate records documenting efforts to achieve the set-aside subcontracting goals.

Quotes {Proposals} should also contain a copy of the Division of Revenue and Enterprise Services, Small Business Registration and M/WBE Certification Services Unit's proof of registration as a small business for any business proposed as a Subcontractor; and documentation of the Vendor's {Bidder's} good faith effort to meet the targets of the set-aside subcontracting requirement in sufficient detail to permit the Proposal Review Unit of the Division to effectively assess the Vendor's {Bidder's} efforts to comply if the Vendor {Bidder} has failed to attain the statutory goals.

If the Vendor {Bidder} chooses to use Subcontractors and fails to meet the small business subcontracting targets set forth above, the Vendor {Bidder} must submit documentation demonstrating its good faith effort to meet the targets with its Quote {Proposal} or within seven (7) business days upon request.

NOTE: A VENDOR'S {BIDDER'S} FAILURE TO SATISFY THE SMALL BUSINESS SUBCONTRACTING TARGETS OR TO PROVIDE SUFFICIENT DOCUMENTATION OF ITS GOOD FAITH EFFORTS TO MEET THE TARGETS WITH THE QUOTE {PROPOSAL} OR WITHIN SEVEN (7) BUSINESS DAYS UPON REQUEST SHALL PRECLUDE AWARD OF A BLANKET P.O. {CONTRACT} TO THE VENDOR {BIDDER}.

If awarded the Blanket P.O. {Contract}, the Vendor {Bidder} shall notify each Subcontractor listed in the Plan, in writing.

Each Vendor {Bidder} awarded a Blanket P.O. {Contract} for a procurement which contains the set-aside subcontracting goal requirement shall fully cooperate in any studies or surveys which may be conducted by the State to determine the extent of the Vendor's {Bidder's} compliance with N.J.A.C. 17:13-1.1 et seq., and this Bid Solicitation {RFP}.

In accordance with N.J.S.A. 52:32-44(b), a Vendor {Bidder} and its named Subcontractors must have a valid Business Registration Certificate (“BRC”) issued by the Department of the Treasury, Division of Revenue and Enterprise Services prior to the award of a Blanket P.O. {Contract}. To facilitate the Quote {Proposal} evaluation and Blanket P.O. {Contract} award process, the Vendor {Bidder} should submit a copy of its valid BRC and those of any named Subcontractors with its Quote {Proposal}. See Section 2.1 of the SSTC.

Any Vendor {Bidder}, inclusive of any named Subcontractors, not having a valid business registration at the time of the Quote {Proposal} opening, or whose BRC was revoked prior to the submission of the Quote {Proposal}, should proceed immediately to register its business or seek reinstatement of a revoked BRC. In the event of an issue with a Vendor’s {Bidder’s} BRC, **NJSTART** provides a link to take corrective action.

The Vendor {Bidder} is cautioned that it may require a significant amount of time to secure the reinstatement of a revoked BRC. The process can require actions by both the Division of Revenue and Enterprise Services and the Division of Taxation. For this reason, a Vendor’s {Bidder’s} early attention to this requirement is highly recommended. The Vendor {Bidder} and its named Subcontractors may register with the Division of Revenue and Enterprise Services, obtain a copy of an existing BRC or obtain information necessary to seek re-instatement of a revoked BRC online at <http://www.state.nj.us/treasury/revenue/busregcert.shtml>.

A Vendor {Bidder} failing to comply with this requirement by the deadline specified by the Division will be deemed ineligible for Blanket P.O. {Contract} award. Under any circumstance, the Division will rely upon information available from computerized systems maintained by the State as a basis to verify independently compliance with the requirement for business registration.

A Vendor {Bidder} receiving a Blanket P.O. {Contract} award as a result of this procurement and any Subcontractors named by that Vendor {Bidder} will be required to maintain a valid business registration with the Division of Revenue and Enterprise Services for the duration of the executed Blanket P.O. {Contract}, inclusive of any Blanket P.O. {Contract} extensions.

The anticipated "Blanket P.O. {Contract} Effective Date" is provided on the "Summary" page the Bid Solicitation {RFP} in **NJSTART**. The approval of deliverables furnished under this Blanket P.O. {Contract} shall not in any way relieve the Vendor {Contractor} of responsibility for the technical adequacy of its work. The review, approval, acceptance or payment for any of the services shall not be construed as a waiver of any rights that the State may have arising out of the Vendor's {Contractor's} performance of this Blanket P.O. {Contract}.

5.6 SUBSTITUTION OF STAFF

6.5 NEW JERSEY PROMPT PAYMENT ACT

7.2 EQUAL EMPLOYMENT OPPORTUNITY

Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

During the performance of this contract, the contractor agrees as follows:

- (1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

- (2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
- (3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

- (4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- (5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- (6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- (7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- (8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and

penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

N.J.S.A. 10:5-39 et seq. requires contractors, subcontractors, and permitted assignees performing construction, alteration, or repair of any building or public work in excess of \$250,000 to guarantee equal employment opportunity to veterans.

The contractor or subcontractor will send to each labor union, with which it has a collective bargaining agreement, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer, pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

When hiring or scheduling workers in each construction trade, the contractor or subcontractor agrees to make good faith efforts to employ minority and women workers in each construction trade consistent with the targeted employment goal prescribed by N.J.A.C. 17:27-7.2; provided, however, that the Dept. of LWD, Construction EEO Monitoring Program may, in its discretion, exempt a contractor or subcontractor from compliance with the good faith procedures prescribed by the following provisions, A, B and C, as long as the Dept. of LWD, Construction EEO Monitoring Program is satisfied that the contractor or subcontractor is employing workers provided by a union which provides evidence, in accordance with standards prescribed by the Dept. of LWD, Construction EEO Monitoring Program, that its percentage of active "card carrying" members who are minority and women workers is equal to or greater than the targeted

employment goal established in accordance with N.J.A.C. 17:27-7.2. The contractor or subcontractor agrees that a good faith effort shall include compliance with the following procedures:

(A) If the contractor or subcontractor has a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor shall, within three business days of the contract award, seek assurances from the union that it will cooperate with the contractor or subcontractor as it fulfills its affirmative action obligations under this contract and in accordance with the rules promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et. seq., as supplemented and amended from time to time and the Americans with Disabilities Act. If the contractor or subcontractor is unable to obtain said assurances from the construction trade union at least five business days prior to the commencement of construction work, the contractor or subcontractor agrees to afford equal employment opportunities minority and women workers directly, consistent with this chapter. If the contractor's or subcontractor's prior experience with a construction trade union, regardless of whether the union has provided said assurances, indicates a significant possibility that the trade union will not refer sufficient minority and women workers consistent with affording equal employment opportunities as specified in this chapter, the contractor or subcontractor agrees to be prepared to provide such opportunities to minority and women workers directly, consistent with this chapter, by complying with the hiring or scheduling procedures prescribed under (B) below; and the contractor or subcontractor further agrees to take said action immediately if it determines that the union is not referring minority and women workers consistent with the equal employment opportunity goals set forth in this chapter.

(B) If good faith efforts to meet targeted employment goals have not or cannot be met for each construction trade by adhering to the procedures of (A) above, or if the contractor does not have a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor agrees to take the following actions:

(1) To notify the public agency compliance officer, the Dept. of LWD, Construction EEO Monitoring Program, and minority and women referral organizations listed by the Division pursuant to N.J.A.C. 17:27-5.3, of its workforce needs, and request referral of minority and women workers;

(2) To notify any minority and women workers who have been listed with it as awaiting available vacancies;

(3) Prior to commencement of work, to request that the local construction trade union refer minority and women workers to fill job openings, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade;

(4) To leave standing requests for additional referral to minority and women workers with the local construction trade union, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade, the State Training and Employment Service and other approved referral sources in the area;

(5) If it is necessary to lay off some of the workers in a given trade on the construction site, layoffs shall be conducted in compliance with the equal employment opportunity and non-discrimination standards set forth in this regulation, as well as with applicable Federal and State court decisions;

(6) To adhere to the following procedure when minority and women workers apply or are referred to the contractor or subcontractor:

(i) The contractor or subcontractor shall interview the referred minority or women worker.

(ii) If said individuals have never previously received any document or certification signifying a level of qualification lower than that required in order to perform the work of the construction trade,

the contractor or subcontractor shall in good faith determine the qualifications of such individuals. The contractor or subcontractor shall hire or schedule those individuals who satisfy appropriate qualification standards in conformity with the equal employment opportunity and non-discrimination principles set forth in this chapter. However, a contractor or subcontractor shall determine that the individual at least possesses the requisite skills, and experience recognized by a union, apprentice program or a referral agency, provided the referral agency is acceptable to the Dept. of LWD, Construction EEO Monitoring Program. If necessary, the contractor or subcontractor shall hire or schedule minority and women workers who qualify as trainees pursuant to these rules. All of the requirements, however, are limited by the provisions of (C) below.

(iii) The name of any interested women or minority individual shall be maintained on a waiting list, and shall be considered for employment as described in (i) above, whenever vacancies occur. At the request of the Dept. of LWD, Construction EEO Monitoring Program, the contractor or subcontractor shall provide evidence of its good faith efforts to employ women and minorities from the list to fill vacancies.

(iv) If, for any reason, said contractor or subcontractor determines that a minority individual or a woman is not qualified or if the individual qualifies as an advanced trainee or apprentice, the contractor or subcontractor shall inform the individual in writing of the reasons for the determination, maintain a copy of the determination in its files, and send a copy to the public agency compliance officer and to the Dept. of LWD, Construction EEO Monitoring Program.

(7) To keep a complete and accurate record of all requests made for the referral of workers in any trade covered by the contract, on forms made available by the Dept. of LWD, Construction EEO Monitoring Program and submitted promptly to the Dept. of LWD, Construction EEO Monitoring Program upon request.

(C) The contractor or subcontractor agrees that nothing contained in (B) above shall preclude the contractor or subcontractor from complying with the union hiring hall or apprenticeship policies in any applicable collective bargaining agreement or union hiring hall arrangement, and, where required by custom or agreement, it shall send journeymen and trainees to the union for referral, or to the apprenticeship program for admission, pursuant to such agreement or arrangement. However, where the practices of a union or apprenticeship program will result in the exclusion of minorities and women or the failure to refer minorities and women consistent with the targeted county employment goal, the contractor or subcontractor shall consider for employment persons referred pursuant to (B) above without regard to such agreement or arrangement; provided further, however, that the contractor or subcontractor shall not be required to employ women and minority advanced trainees and trainees in numbers which result in the employment of advanced trainees and trainees as a percentage of the total workforce for the construction trade, which percentage significantly exceeds the apprentice to journey worker ratio specified in the applicable collective bargaining agreement, or in the absence of a collective bargaining agreement, exceeds the ratio established by practice in the area for said construction trade. Also, the contractor or subcontractor agrees that, in implementing the procedures of (B) above, it shall, where applicable, employ minority and women workers residing within the geographical jurisdiction of the union.

After notification of award, but prior to signing a construction contract, the contractor shall submit to the public agency compliance officer and the Dept. of LWD, Construction EEO Monitoring Program an initial project workforce report (Form AA-201) electronically provided to the public agency by the Dept. of LWD, Construction EEO Monitoring Program, through its website, for distribution to and completion by the contractor, in accordance with N.J.A.C. 17:27-7.

The contractor also agrees to submit a copy of the Monthly Project Workforce Report once a month thereafter for the duration of this contract to the Dept. of LWD, Construction EEO Monitoring Program and to the public agency compliance officer.

The contractor agrees to cooperate with the public agency in the payment of budgeted funds, as is necessary, for on the job and/or off the job programs for outreach and training of minorities and women.

(D) The contractor and its subcontractors shall furnish such reports or other documents to the Dept. of LWD, Construction EEO Monitoring Program as may be requested by the Dept. of LWD, Construction EEO Monitoring Program from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Dept. of LWD, Construction EEO Monitoring Program for conducting a compliance investigation pursuant to N.J.A.C. 17:27-1.1 et seq.
