Dear Taxpayer,

As provided under N.J.S.A. 54:49-13A, you are hereby notified that by virtue of a Warrant of Execution, your accounts were levied on October 4, 2016.

The levy was necessary because of your failure to file and/or pay NJ State taxes.

Failure to contact the person named above immediately to arrange for full payment of the outstanding liability will result in the Division using all remedies and taking all proceedings necessary to enforce the collection thereof.

Very Truly Yours,
NEW JERSEY DIVISION OF TAXATION
