NJSTART terminology is used in this document; legacy term appears in braces; thus: **NJSTART** term {legacy term}.

1.1 PURPOSE AND INTENT

This Bid Solicitation {RFP} is issued by the Procurement Bureau, Division of Purchase and Property (Division), Department of the Treasury on behalf of State Using Agencies and Cooperative Purchasing Program participants. The purpose of this Bid Solicitation {RFP} is to solicit Quotes {Proposals} from qualified Vendors {Bidders} experienced in the application of pesticide chemicals.

The intent of this Bid Solicitation {RFP} is to award one (1) Master Blanket Purchase Order (Blanket P.O.) {Contract} per region (North, Central, and South) (Reference Section 1.2.1, *Geographical Regions*, for a breakdown by county) to those responsible Vendors {Bidders} whose Quotes {Proposals}, conforming to this Bid Solicitation {RFP} are most advantageous to the State, price and other factors considered. The State may award any and all price lines. The State, however, reserves the right to separately procure individual requirements that are the subject of the Blanket P.O. {Contract} during the Blanket P.O. {Contract} term, when deemed by the Director of the Division of Purchase and Property (Director) to be in the State's best interest.

The State of NJ Standard Terms and Conditions (SSTC) accompanying this Bid Solicitation {RFP} will apply to all Blanket P.O.s {Contracts} made with the State of New Jersey. These terms are in addition to the terms and conditions set forth in this Bid Solicitation {RFP} and should be read in conjunction with them unless the Bid Solicitation {RFP} specifically indicates otherwise.

The State of New Jersey (State) intends to extend the Blanket P.O. {Contract} awarded to the Division's Cooperative Purchasing Program participants. These participants include quasi-State entities, counties, municipalities, school districts, volunteer fire departments, first aid squads, independent institutions of higher learning, County colleges, and State colleges. In order for the State Blanket P.O. {Contract} to be extended to Cooperative Purchasing Program participants, the Vendor {Bidder} must agree to the extension by executing the Cooperative Purchase Form. Also refer to Section 4.4.6 of this Bid Solicitation {RFP}. Although the State, with the consent of the Vendor {Bidder}, is making the use of any Blanket P.O. {Contract} resulting from this Bid Solicitation {RFP} available to non-State Agencies, the State makes no representation as to the acceptability of any State Bid Solicitation {RFP} terms and conditions under the Local Public Contracts Law or any other enabling statute or regulation.

1.2 BACKGROUND

This is a reprourement of similar services provided under the Pest Control Services – Non-Residential term Blanket P.O. {Contract}, presently due to expire on **April 30, 2018**. Pest control services may be performed in, but not limited to, the following locations:

- A. Basements;
- B. Crawl spaces;
- C. Offices;
- D. Supply storage spaces and/or rooms;

Those Vendors {Bidders} who are on the bid holder list either through commodity code registration in **NJSTART** or by acknowledging the bid in **NJSTART** should receive notification of any Bid Amendment(s) {Addenda}. If a Vendor {Bidder} is not on the bid holder list to receive notifications related to a Bid Solicitation {RFP}, Bid Amendments {Addenda} are still viewable on the “Summary” page of the Bid Solicitation {RFP} in **NJSTART**.

1.4.2 VENDOR {BIDDER} RESPONSIBILITY

The Vendor {Bidder} assumes sole responsibility for the complete effort required in submitting a Quote {Proposal} in response to this Bid Solicitation {RFP}. No special consideration will be given after Quotes {Proposals} are opened because of a Vendor’s {Bidder’s} failure to be knowledgeable as to all of the requirements of this Bid Solicitation {RFP}.

1.4.3 COST LIABILITY

The State assumes no responsibility and bears no liability for costs incurred by a Vendor {Bidder} in the preparation and submittal of a Quote {Proposal} in response to this Bid Solicitation {RFP}.

1.4.4 CONTENTS OF QUOTE {PROPOSAL}

Quotes {Proposals} can be released to the public pursuant to N.J.A.C. 17:12-1.2(b) and (c), or under the New Jersey Open Public Records Act (OPRA), N.J.S.A. 47:1A-1.1 et seq., or the common law right to know.

After the opening of sealed Quotes {Proposals}, including Quotes {Proposals} submitted through the **NJSTART** electronic process, all information submitted by a Vendor {Bidder} in response to a Bid Solicitation {RFP} is considered public information notwithstanding any disclaimers to the contrary submitted by a Vendor {Bidder}. Proprietary and confidential information may be exempt from public disclosure by OPRA and/or the common law. When the Bid Solicitation {RFP} contains a negotiation component, the Quote {Proposal} will not be subject to public disclosure until a notice of intent to award a Blanket P.O. {Contract} is announced.

As part of its Quote {Proposal}, a Vendor {Bidder} may designate any data or materials it asserts are exempt from public disclosure under OPRA and/or the common law, explaining the basis for

such assertion. The location in the Quote {Proposal} of any such designation should be clearly stated in a cover letter.

The State reserves the right to make the determination as to what is proprietary or confidential, and will advise the Vendor {Bidder} accordingly. Any proprietary and/or confidential information in a Quote {Proposal} will be redacted by the State. **The State will not honor any attempt by a Vendor {Bidder} to designate its entire Quote {Proposal} and/or prices as proprietary, confidential and/or to claim copyright protection for its entire Quote {Proposal}.** Copyright law does not prohibit access to a record which is otherwise available under OPRA. In the event of any challenge to the Vendor's {Bidder's} assertion of confidentiality with which the State does not concur, the Vendor {Bidder} shall be solely responsible for defending its designation, but in doing so, all costs and expenses associated therewith shall be the responsibility of the Vendor {Bidder}. The State assumes no such responsibility or liability.

A Vendor {Bidder} shall not designate any price lists and/or catalogs submitted as exempt from public disclosure as the same must be accessible to State Using Agencies and Cooperative Purchasing Program participants (if the Bid Solicitation {RFP} has been extended to these participants) and thus must be made public to allow all eligible purchasing entities access to the pricing information.

1.4.5 ANNOUNCEMENT OF QUOTE {PROPOSAL} INFORMATION

On the date and time Quotes {Proposals} are due under the Bid Solicitation {RFP}, all information concerning the Quotes {Proposals} submitted may be publicly announced and shall be available for inspection and copying except as noted below:

- A. Information appropriately designated as proprietary and/or confidential shall not be available for inspection and copying; and
- B. Where negotiation is contemplated, only the names and addresses of the Vendors {Bidders} submitting Quotes {Proposals} will be announced, and the contents of the Quotes {Proposals} shall not be available for inspection and copying until the Notice of Intent to Award is issued by the Director.

1.4.6 PRICE ALTERATION IN QUOTES {PROPOSALS}

Any price changes including hand written revisions or "white-outs" must be initialed. Failure to initial price changes shall preclude a Blanket P.O. {Contract} award from being made to the Vendor {Bidder}.

1.4.7 QUOTE {PROPOSAL} ERRORS

In accordance with N.J.A.C. 17:12-2.11 "Proposal errors," a Vendor {Bidder} may withdraw its Quote {Proposal} as described below.

1.4.7.1 QUOTE {PROPOSAL} WITHDRAWAL PRIOR TO QUOTE {PROPOSAL} OPENING

NJSTART: A Vendor {Bidder} may withdraw its Quote {Proposal} submission in **NJSTART** prior to the Quote {Proposal} opening; however, Vendors {Bidders} should note that while withdrawn **NJSTART** Quotes {Proposals} remain viewable by the Vendor {Bidder} on its Vendor Profile Homepage, they are removed from the Division's view and cannot be considered for Blanket P.O. {Contract} award. The Vendor {Bidder} may submit a revised Quote {Proposal} as long as the Quote {Proposal} is received prior to the announced date and time for Quote {Proposal} submission. Vendors {Bidders} may refer to the QRG "Submit a Quote" for additional instruction. QRGs are located on the [NJSTART Vendor Support Page](#).

Hard Copy: A Vendor {Bidder} may request that its hard copy Quote {Proposal} be withdrawn prior to the Quote {Proposal} opening. Such request must be made, in writing, to the Supervisor of the Proposal Review Unit at the address provided in Section 1.4.7.2 below. The Vendor {Bidder} may submit a revised Quote {Proposal} as long as the Quote {Proposal} is received prior to the announced date and time for Quote {Proposal} submission and at the place specified.

1.4.7.2 QUOTE {PROPOSAL} WITHDRAWAL AFTER QUOTE {PROPOSAL} OPENING, BUT PRIOR TO BLANKET P.O. {CONTRACT} AWARD

NJSTART and Hard Copy: If, after the Quote {Proposal} opening, but before Blanket P.O. {Contract} award, a Vendor {Bidder} discovers an error in its Quote {Proposal}, the Vendor {Bidder} may make a written request to the Supervisor of the Proposal Review Unit to withdraw its Quote {Proposal} from consideration for award. If the Vendor's {Bidder's} request to withdraw is made in good faith, and the State will not be significantly prejudiced by granting the withdrawal of the Quote {Proposal} beyond the loss of the benefit of the bargain to the State of the withdrawing Vendor's {Bidder's} offer, the request shall be granted. Evidence of the Vendor's {Bidder's} good faith in making this request can be demonstrated by one (1) or more of the following factors: A mistake is so significant that to enforce the Blanket P.O. {Contract} resulting from the Quote {Proposal} would be unconscionable; that the mistake relates to a material feature or term of the Blanket P.O. {Contract}; and that the mistake occurred notwithstanding the Vendor's {Bidder's} exercise of reasonable care. After Quote {Proposal} opening, while pursuant to the provisions of this section a Vendor {Bidder} may request to withdraw its Quote {Proposal} and the Director may in her discretion allow said Vendor {Bidder} to withdraw it, the Division also may take notice of repeated or unusual requests to withdraw by a Vendor {Bidder} and take those prior requests to withdraw into consideration when evaluating the Vendor's {Bidder's} future Quotes {Proposals}.

All Quote {Proposal} withdrawal requests must include the Bid Solicitation {RFP} identification number and the final Quote {Proposal} submission date and be sent to the following address:

Department of the Treasury
Division of Purchase and Property
PO Box 230
33 West State Street – 9th Floor
Trenton, New Jersey 08625-0039
Attention: Supervisor, Proposal Review Unit

If during a Quote {Proposal} evaluation process, an obvious pricing error made by a potential Blanket P.O. {Contract} awardee is found, the Director or her designee shall issue written notice to the Vendor {Bidder}. The Vendor {Bidder} will have up to five (5) business days after receipt of the notice to confirm its pricing. If the Vendor {Bidder} fails to respond, its Quote {Proposal} shall be considered withdrawn, and no further consideration shall be given to it.

1.4.8 JOINT VENTURE

If a Joint Venture is submitting a Quote {Proposal}, the agreement between the parties relating to such Joint Venture should be submitted with the Joint Venture's Quote {Proposal}. Authorized signatories from each party comprising the Joint Venture must sign the Offer and Acceptance Page {Signatory Page}. Each party to the Joint Venture must individually comply with all the forms and certification requirements in Sections 4.4.1 and 4.4.2 of this Bid Solicitation {RFP}.

1.4.9 RECIPROCITY FOR JURISDICTIONAL VENDOR {BIDDER} PREFERENCE

In accordance with N.J.S.A. 52:32-1.4 and N.J.A.C. 17:12-2.13, the State of New Jersey will invoke reciprocal action against an out-of-State Vendor {Bidder} whose state or locality maintains a preference practice for its in-state Vendors {Bidders}. The State of New Jersey will use the

annual surveys compiled by the Council of State Governments, National Association of State Procurement Officials, or the National Institute of Governmental Purchasing or a State's statutes and regulations to identify States having preference laws, regulations, or practices and to invoke reciprocal actions. The State of New Jersey may obtain additional information as it deems appropriate to supplement the stated survey information.

A Vendor {Bidder} may submit information related to preference practices enacted for a State or Local entity outside the State of New Jersey. 4.0 QUOTE {PROPOSAL} PREPARATION AND SUBMISSION

Failure to submit information as indicated below may result in your Quote {Proposal} being deemed non-responsive.

4.1 GENERAL

Quotes {Proposals} including Vendor {Bidder} proposed terms and conditions may be accepted, but Vendor {Bidder} proposed terms or conditions that conflict with those contained in the Bid Solicitation {RFP} as defined in Section 2.0 of this Bid Solicitation {RFP}, or that diminish the State's rights under any Blanket P.O. {Contract} resulting from the Bid Solicitation {RFP}, will be considered null and void. The State is not responsible for identifying conflicting Vendor {Bidder} proposed terms and conditions before issuing a Blanket P.O. {Contract} award. It is incumbent upon the Vendor {Bidder} to identify and remove its conflicting proposed terms and conditions prior to Quote {Proposal} submission. In the event that a Vendor {Bidder} intends to propose terms and conditions contrary to the Bid Solicitation {RFP}, these Vendor {Bidder} proposed terms and conditions shall only be considered if submitted pursuant to the procedure set forth in Section 1.3.1 of this Bid Solicitation {RFP}. Vendors {Bidders} shall not submit exceptions on the "Terms and Conditions" Tab through [NJSTART](#). Under no circumstance is the State required to accept a Vendor's {Bidder's} exception to the Bid Solicitation {RFP}.

In the event that prior to Notice of Intent to Award, the Division notifies the Vendor {Bidder} of any such conflicting Vendor {Bidder} proposed term or condition and the conflict it poses, the Division may require the Vendor {Bidder} to either withdraw it or withdraw its Quote {Proposal}.

After award of Blanket P.O. {Contract}:

- A. If conflict arises between a Vendor {Bidder} proposed term or condition included in the Quote {Proposal} and a term or condition of the Bid Solicitation {RFP}, the term or condition of the Bid Solicitation {RFP} will prevail; and
- B. If the result of the application of a Vendor {Bidder} proposed term or condition included in the Quote {Proposal} would diminish the State's rights, the Vendor {Bidder} proposed term or condition will be considered null and void.

The Vendor {Bidder} is advised to thoroughly read and follow all instructions contained in this Bid Solicitation {RFP}, including the instructions on the Bid Solicitation's {RFP's} Offer and Acceptance Page {Signatory Page} and through all Quick Reference Guides (QRGs) located on the [NJSTART Vendor Support Page](#), in preparing and submitting its Quote {Proposal}.

Use of URLs in a Quote {Proposal} should be kept to a minimum and may not be used to satisfy any material term of a Bid Solicitation {RFP}. If a preprinted or other document included as part of the Quote {Proposal} contains a URL, a printed (or if a Quote {Proposal} is submitted electronically, electronic) copy of the URL page shall be provided and will be considered as part of the Quote {Proposal}. Additional URLs on the copy of the URL page shall not be considered as part of the Quote {Proposal} unless a copy of those URL pages are also provided.

The forms discussed herein and required for submission of a Quote {Proposal} in response to this Bid Solicitation {RFP} are available on the [Division's website \(http://www.state.nj.us/treasury/purchase/forms.shtml\)](http://www.state.nj.us/treasury/purchase/forms.shtml) unless noted otherwise.

Vendors {Bidders} submitting electronic Quotes {Proposals} via [NJSTART](#) are cautioned to allow adequate time to ensure timely uploads of all Quote {Proposal} documents to mitigate unforeseen delays or issues. Vendors {Bidders} submitting hard copy Quotes {Proposals} are cautioned to allow adequate delivery time to ensure timely delivery of Quotes {Proposals}. **State regulation mandates that late Quotes {Proposals}, regardless of submission method, are ineligible for consideration.**

4.3 [NJSTART](#) ELECTRONIC SUBMISSION VS. HARD COPY SUBMISSION INSTRUCTION

4.3.1 [NJSTART](#) SUBMISSION OF QUOTE {PROPOSAL}

Vendors {Bidders} may refer to the QRGs “Vendor Registration” and “Submit a Quote” for additional instructions detailing how to enroll in [NJSTART](#) and submit a [NJSTART](#) electronic Quote {Proposal}. QRGs are located on the [NJSTART Vendor Support Page](#). If the Vendor {Bidder} submits both a [NJSTART](#) and a hard copy of the Vendor’s {Bidder’s} Quote {Proposal}, the [NJSTART](#) Quote {Proposal} will prevail in the event of a discrepancy between the electronic and paper versions.

When submitting a [NJSTART](#) Quote {Proposal}, do not use any symbols (i.e., #, @, \$, &, *) in the filename. In addition, the Vendor {Bidder} should name each uploaded electronic file and folder as follows with the information in the brackets [] below as follows:

[Vendor {Bidder} name][Volume #][Bid Solicitation {RFP} number]. Example: vendornamexxdppxxxxx. **DO NOT UPLOAD .ZIP FILES.**

If the Vendor {Bidder} submits a Quote {Proposal} electronically through [NJSTART](#), the Vendor {Bidder} should select the “Confidential” option in [NJSTART](#) for attachments on the “Attachments” Tab to request that the documents not be displayed publicly through [NJSTART](#).

Note: Marking an attachment as “Confidential” in [NJSTART](#) shall not constitute the Vendor’s {Bidder’s} designation of the attachment as exempt from public disclosure under OPRA and/or the common law as outlined in Section 1.4.4.

4.3.2 HARD COPY SUBMISSION

If the Vendor {Bidder} is submitting a hard copy Quote {Proposal}, the Vendor {Bidder} must submit the following:

- C. **One (1) complete and exact ELECTRONIC copy** of the original price schedule (Volume 3) in Microsoft Excel file format on CD, DVD, or USB Drive . This should be a cover to cover copy, and should not be password protected.

THE EXTERIOR OF ALL QUOTE {PROPOSAL} PACKAGES SHALL BE LABELED WITH THE BID SOLICITATION {RFP} IDENTIFICATION NUMBER AND THE FINAL QUOTE {PROPOSAL} SUBMISSION DATE OR RISK NOT BEING RECEIVED IN TIME.

Copies are necessary in the evaluation of the Quote {Proposal} and for record retention purposes. A Vendor {Bidder} failing to provide the requested number of copies will be charged the cost incurred by the State in producing the requested number of copies. The Vendor {Bidder} should make and retain a copy of its Quote {Proposal}.

The Vendor {Bidder} is solely responsible for the timely submission of its Quote {Proposal} in response to this Bid Solicitation {RFP}.

The Vendor {Bidder} must enter a Unit Cost of \$1.00 for each price line item on the “Items” Tab in **NJSTART**. The Vendor {Bidder} is instructed to do so only as a mechanism to comply with Bid Solicitation {RFP} Section 6.8 and prevent all pricing from being publicly displayed in **NJSTART**.

In the event that a Vendor {Bidder} uploads a price sheet/schedule attachment and completes the Items Tab in **NJSTART** (instead of entering a Unit Cost of \$1.00 as instructed), the price sheet/schedule attachment will govern.

As defined at N.J.A.C. 17:13-1.2, "Small Business" means a business that is incorporated or registered in and has its principal place of business in the State of New Jersey, is independently owned and operated, and has no more than 100 full-time employees. The program places small business into the following categories:

For good and services - (i) those with gross revenues not exceeding \$500,000; (ii) those with gross revenues not exceeding \$5,000,000; and (iii) those with gross revenues that do not exceed \$12,000,000 or the applicable federal revenue standards established at 13 CFR 121.201, whichever is higher. While companies registered as having revenues below \$500,000 can bid on any Blanket P.O. {Contract}, those earning more than the \$500,000 and \$5,000,000 amounts will not be permitted to bid on Blanket P.O.s {Contracts} designated for revenue classifications below its respective levels.

For construction services: (iv) those with gross revenues not exceeding \$3,000,000; (v) those with gross revenues that do not exceed 50 percent of the applicable annual revenue standards established at 13 CFR 121.201; and (vi) those with gross revenues that do not exceed the applicable annual revenue standards established at CFR 121.201. While companies registered as having revenues below \$3,000,000 can bid on any Blanket P.O. {Contract}, those earning more than the revenue standards established at CFR 121.201 will not be permitted to bid on Blanket P.O.s {Contracts} designated for revenue classifications below their respective levels.

If the Vendor {Bidder} intends to subcontract, it must submit a Subcontractor Utilization Plan and should take the following actions to achieve the set-aside subcontracting goal requirements:

- A. Attempt to locate eligible small businesses in Categories I, II, III, IV, V, and/or VI as appropriate to the Bid Solicitation {RFP};
- B. Request a listing of small businesses by Category from the New Jersey Division of Revenue and Enterprise Services, Small Business Registration and M/WBE Certification Services Unit;
- C. Record efforts to locate eligible businesses, including the names of businesses contacted and the means and results of such contacts;
- D. Provide all potential Subcontractors with detailed information regarding the specifications;
- E. Attempt, whenever possible, to negotiate prices with potential Subcontractors submitting higher than acceptable price Quotes;
- F. Obtain, in writing, the consent of any proposed Subcontractor to use its name in response to the Bid Solicitation {RFP}; and
- G. Maintain adequate records documenting efforts to achieve the set-aside subcontracting goals.

Quotes {Proposals} should also contain a copy of the Division of Revenue and Enterprise Services, Small Business Registration and M/WBE Certification Services Unit's proof of registration as a small business for any business proposed as a Subcontractor; and documentation of the Vendor's {Bidder's} good faith effort to meet the targets of the set-aside subcontracting requirement in sufficient detail to permit the Proposal Review Unit of the Division to effectively assess the Vendor's {Bidder's} efforts to comply if the Vendor {Bidder} has failed to attain the statutory goals.

If the Vendor {Bidder} chooses to use Subcontractors and fails to meet the small business subcontracting targets set forth above, the Vendor {Bidder} must submit documentation demonstrating its good faith effort to meet the targets with its Quote {Proposal} or within seven (7) business days upon request.

NOTE: A VENDOR'S {BIDDER'S} FAILURE TO SATISFY THE SMALL BUSINESS SUBCONTRACTING TARGETS OR TO PROVIDE SUFFICIENT DOCUMENTATION OF ITS GOOD FAITH EFFORTS TO MEET THE TARGETS WITH THE QUOTE {PROPOSAL} OR WITHIN SEVEN (7) BUSINESS DAYS UPON REQUEST SHALL PRECLUDE AWARD OF A BLANKET P.O. {CONTRACT} TO THE VENDOR {BIDDER}.

If awarded the Blanket P.O. {Contract}, the Vendor {Bidder} shall notify each Subcontractor listed in the Plan, in writing.

Each Vendor {Bidder} awarded a Blanket P.O. {Contract} for a procurement which contains the set-aside subcontracting goal requirement shall fully cooperate in any studies or surveys which may be conducted by the State to determine the extent of the Vendor's {Bidder's} compliance with N.J.A.C. 17:13-1.1 et seq., and this Bid Solicitation {RFP}.

4.4.1.6 BID SECURITY

Not applicable to this procurement.

4.4.2 FORMS, REGISTRATIONS AND CERTIFICATIONS REQUIRED BEFORE BLANKET P.O. {CONTRACT} AWARD AND THAT SHOULD BE SUBMITTED WITH THE QUOTE {PROPOSAL}

Unless otherwise specified, forms must contain an original, physical signature, or an electronic signature pursuant to Section 1.4.11 of this Bid Solicitation {RFP}.

4.4.2.1 BUSINESS REGISTRATION

In accordance with N.J.S.A. 52:32-44(b), a Vendor {Bidder} and its named Subcontractors must have a valid Business Registration Certificate ("BRC") issued by the Department of the Treasury, Division of Revenue and Enterprise Services prior to the award of a Blanket P.O. {Contract}. To facilitate the Quote {Proposal} evaluation and Blanket P.O. {Contract} award process, the Vendor {Bidder} should submit a copy of its valid BRC and those of any named Subcontractors with its Quote {Proposal}. See Section 2.1 of the SSTC.

Any Vendor {Bidder}, inclusive of any named Subcontractors, not having a valid business registration at the time of the Quote {Proposal} opening, or whose BRC was revoked prior to the submission of the Quote {Proposal}, should proceed immediately to register its business or seek reinstatement of a revoked BRC. Vendors {Bidders} should verify its BRC status on the "Maintain Terms and Categories" Tab within its profile in [NJSTART](#). In the event of an issue with a Vendor's {Bidder's} BRC, [NJSTART](#) provides a link to take corrective action.

The Vendor {Bidder} is cautioned that it may require a significant amount of time to secure the reinstatement of a revoked BRC. The process can require actions by both the Division of Revenue and Enterprise Services and the Division of Taxation. For this reason, a Vendor's {Bidder's} early attention to this requirement is highly recommended. The Vendor {Bidder} and its named

Subcontractors may register with the Division of Revenue and Enterprise Services, obtain a copy of an existing BRC or obtain information necessary to seek re-instatement of a revoked BRC online at <http://www.state.nj.us/treasury/revenue/busregcert.shtml>.

A Vendor {Bidder} otherwise identified by the Division as a responsive and responsible Vendor {Bidder}, inclusive of any named Subcontractors, but that was not business registered at the time of submission of its Quote {Proposal} must be so registered and in possession of a valid BRC by a deadline to be specified in writing by the Division. A Vendor {Bidder} failing to comply with this requirement by the deadline specified by the Division will be deemed ineligible for Blanket P.O. {Contract} award. Under any circumstance, the Division will rely upon information available from computerized systems maintained by the State as a basis to verify independently compliance with the requirement for business registration.

A Vendor {Bidder} receiving a Blanket P.O. {Contract} award as a result of this procurement and any Subcontractors named by that Vendor {Bidder} will be required to maintain a valid business registration with the Division of Revenue and Enterprise Services for the duration of the executed Blanket P.O. {Contract}, inclusive of any Blanket P.O. {Contract} extensions.

4.4.2.2 DISCLOSURE OF INVESTIGATIONS AND OTHER ACTIONS INVOLVING BIDDER FORM

The Vendor {Bidder} should submit the Disclosure of Investigations and Other Actions Involving Bidder Form, with its Quote {Proposal}, to provide a detailed description of any investigation, litigation, including administrative complaints or other administrative proceedings, involving any public sector clients during the past five (5) years, including the nature and status of the investigation, and, for any litigation, the caption of the action, a brief description of the action, the date of inception, current status, and, if applicable, disposition. If a Vendor {Bidder} does not submit the form with the Quote {Proposal}, the Vendor {Bidder} must comply within seven (7) business days of the State's request or the State may deem the Quote {Proposal} non-responsive.

Vendors {Bidders} using **NJSTART** to submit a Quote {Proposal} shall make the appropriate certification on the "Maintain Terms and Categories" Tab within its profile by checking the applicable box and, if required, complete and attach the shortened **NJSTART** form. Vendors {Bidders} not using **NJSTART** to submit a Quote {Proposal} must complete the full version of the form located on the [Division's website](#). This form is also available in [NJSTART](#).

Vendors {Bidders} may refer to the QRGs "Vendor Forms" and "Attaching Files" for instructions on submitting the forms required by this section of the Bid Solicitation {RFP} through **NJSTART**. Vendors {Bidders} may also refer to the QRG "Vendor Categories and Certifications" for additional instructions on completing shortened versions of required forms by completing certifications on the "Maintain Terms and Categories" Tab within its profile in **NJSTART**. QRGs are located on the [NJSTART Vendor Support Page](#).

4.4.2.3 SOURCE DISCLOSURE

Pursuant to N.J.S.A. 52:34-13.2, prior to an award of Blanket P.O. {Contract}, the Vendor {Bidder} is required to submit a completed Source Disclosure Form. The Vendor's {Bidder's} inclusion of the completed Source Disclosure Form with the Quote {Proposal} is requested and advised. See Bid Solicitation {RFP} Section 7.1.2 for additional information concerning this requirement.

The Source Disclosure Form is located on the [Division's website](#). The form is also available in [NJSTART](#). Vendors {Bidders} may refer to the QRGs "Vendor Forms" and "Attaching Files" for instructions on submitting the forms required by this section of the Bid Solicitation {RFP} through **NJSTART**. QRGs are located on the [NJSTART Vendor Support Page](#).

4.4.3 SUBMITTALS

Vendors {Bidders} may refer to the QRG “Submit a Quote” for instructions detailing how to submit a **NJSTART** electronic Quote {Proposal}. QRGs are located on the [NJSTART Vendor Support Page](#).

Vendors {Bidders} may refer to the QRG “Submit a Quote” for instructions detailing how to submit a **NJSTART** electronic Quote {Proposal}. QRGs are located on the [NJSTART Vendor Support Page](#).

The Vendor {Bidder} **MUST** submit the following information with its Quote {Proposal}:

- A. The Vendor {Bidder} must demonstrate if it is bidding on one (1) specific Region (North, Central, or South) or a combination of two (2) or more Regions by completing the corresponding price schedule for that region;
- B. **Preliminary Integrated Pest Management Program (PIPMP) Plan** – The Vendor {Bidder} shall submit a PIPMP Plan that demonstrates to the State that the PIPMP is realistic, attainable, appropriate, and that the proposed PIPMP will lead to successfully completing the task of integrating an Eco-Friendly approach of pest management/control. At a minimum, the PIPMP shall include the Vendor’s {Bidder’s} strategy for delivering effective pest control while at the same time reducing the volume and toxicity of pesticide use. The Vendor’s {Bidder’s} PIPMP shall utilize the six (6) Integrated Pest Management (IPM) Essentials:
 1. **Monitoring** - This includes regular site inspections and trapping to determine the types and infestation levels of pests at each site;
 2. **Record-Keeping** - A record-keeping system is essential to establish trends and patterns in pest outbreaks. Information recorded at every inspection or treatment should include pest identification, population size, distribution, recommendations for future prevention, and complete information on the treatment action;
 3. **Action Levels** - Pests are virtually never eradicated. An action level is the population size which requires remedial action for human health, economic, or aesthetic reasons;
 4. **Prevention** - Preventive measures must be incorporated into the existing structures and designs for new structures. Prevention is and should be the primary means of pest control in an IPM program;
 5. **Tactics Criteria** - Under IPM, chemicals should be used only as a last resort, but when used, the least-toxic materials should be chosen, and applied to minimize exposure to humans and all non-target organisms; and
 6. **Evaluation** - A regular evaluation program is essential to determine the success of the pest management strategies.
- C. The Vendor {Bidder} must provide proof of its current Pesticide Applicator Business License in good standing;
- D. A completed Vendor {Bidder} Quote {Proposal} Overview – The Vendor {Bidder} must complete **ALL** of the information requested on the form attached to this Bid Solicitation {RFP}, so that the State is able to make a sound business judgment regarding the Vendor’s Bidder’s experience and capability to perform the task herein to the State’s satisfaction.

The State reserves the right to seek clarification regarding information provided as part of the Vendor {Bidder} Quote {Proposal} Overview Form.

The Vendor {Bidder} should provide sufficient financial information to enable the State to assess the financial strength and creditworthiness of the Vendor {Bidder} and its ability to undertake and successfully complete the Blanket P.O. {Contract}. In order to provide the State with the ability to evaluate the Vendor's {Bidder's} financial capacity and capability to undertake and successfully complete the Blanket P.O. {Contract}, the Vendor {Bidder} should submit the following:

- A. For publically traded companies the Vendor {Bidder} should provide copies or the electronic location of the annual reports filed for the two most recent years; or

If the information is not supplied with the Quote {Proposal}, the State may still require the Vendor {Bidder} to submit it. If the Vendor {Bidder} fails to comply with the request within seven (7) business days, the State may deem the Quote {Proposal} non-responsive.

A Vendor {Bidder} may designate specific financial information as not subject to disclosure when the Vendor {Bidder} has a good faith legal/factual basis for such assertion. A Vendor {Bidder} may submit specific financial documents in a separate, sealed package clearly marked “Confidential-Financial Information” along with the Quote {Proposal}.

The State reserves the right to make the determination to accept the assertion and shall so advise the Vendor {Bidder}.

4.4.5 PRICE SCHEDULE/SHEET

The Vendor {Bidder} must submit its pricing using the State-supplied price sheet/schedule(s) accompanying this Bid Solicitation {RFP} and located on the “Attachments” Tab.

Vendors {Bidders} may refer to the QRG “Submit a Quote” for instructions detailing how to submit a **NJSTART** electronic Quote {Proposal}. QRGs are located on the [NJSTART Vendor Support Page](#).

4.4.5.1 NJSTART PRICING SUBMISSION INSTRUCTIONS

If the Vendor {Bidder} is submitting a **NJSTART** Quote {Proposal}, the Vendor {Bidder} must enter a Unit Cost of \$1.00 for each price line item on the “Items” Tab in **NJSTART**. The Vendor {Bidder} is instructed to do so only as a mechanism to comply with Bid Solicitation {RFP} Section 6.8 and prevent all pricing from being publicly displayed in **NJSTART**.

4.4.5.2 PRICE SHEET/SCHEDULE ATTACHMENT INSTRUCTIONS

The Price Schedule has been divided into sheets (reference labeled tabs in electronic document) representing each region (Reference Bid Solicitation {RFP} Section 1.2.1, *Geographical Regions*) a Vendor {Bidder} may submit a Quote {Proposal} on.

The Vendor {Bidder} shall, at a minimum:

- A. Submit a Price Schedule/Sheet for the region or combination of multiple regions in which it proposes to provide service (i.e. North, Central, South); and
- B. Complete the unit cost field (i.e. firm-fixed, all-inclusive hourly, etc.) on all price lines demonstrated for each region in which it is submitting a Quote {Proposal} (Note: price lines are for the provision of service for all counties/Using Agencies within the designated region).

Failure to submit all information required will result in the Quote {Proposal} being considered non-responsive.

Note: There is no guaranteed minimum or maximum volume for these price lines

In the event that a Vendor {Bidder} using **NJSTART** to submit a Quote {Proposal} uploads a price sheet/schedule attachment and completes the “Items” Tab in **NJSTART** (instead of entering a Unit Cost of \$1.00 as instructed), the price sheet/schedule attachment will govern.

4.4.5.3 USE OF “NO BID” VERSUS “NO CHARGE” ON THE PRICE SHEET/SCHEDULE

If the Vendor {Bidder} is not submitting a price for an item on a price line, the Vendor {Bidder} must indicate “No Bid” on the State-supplied price sheet/schedule(s) attachment accompanying this Bid Solicitation {RFP}. If the Vendor {Bidder} will supply an item on a price line free of charge, the Vendor {Bidder} must indicate “No Charge” on the State-supplied price sheet/schedule(s) attachment accompanying this Bid Solicitation {RFP}. The use of any other identifier may result in

the Vendor's {Bidder's} Quote {Proposal} being deemed non-responsive. If the Vendor {Bidder} leaves a price line blank, this shall mean that it was the Vendor's {Bidder's} intent to not submit a price for that price line.

4.4.5.4 DELIVERY TIME AND COSTS

Unless otherwise noted elsewhere in the Bid Solicitation {RFP}, all delivery times are 30 calendar days after receipt of order (ARO) and prices for items in Quotes {Proposals} shall be submitted Freight On Board (F.O.B.) Destination (30 calendar days ARO/F.O.B.). Quotes {Proposals} submitted other than 30 calendar days ARO/F.O.B. may be deemed non-responsive. The Vendor {Contractor} shall assume all costs, liability and responsibility for the delivery of merchandise in good condition to the State's Using Agency or designated purchaser. 30 calendar days ARO/F.O.B. does not cover "spotting" but does include delivery on the receiving platform of the Using Agency at any destination in the State of New Jersey unless otherwise specified.

No additional charges will be allowed for any additional transportation costs resulting from partial shipments made at the Vendor's {Contractor's} convenience when a single shipment is ordered.

The weights and measures of the State's Using Agency receiving the shipment shall govern.

4.4.5.5 COLLECT ON DELIVERY (C.O.D.) TERMS

C.O.D. terms are not acceptable as part of a Quote {Proposal} and shall be deemed non-responsive.

4.4.5.6 CASH DISCOUNTS

The Vendor {Bidder} is encouraged to offer cash discounts based on expedited payment by the State. The State will make efforts to take advantage of discounts, but discounts will not be considered in determining the price rankings of Quotes {Proposals}.

Should the Vendor {Bidder} choose to offer cash discounts the following shall apply:

- A. Discount periods shall be calculated starting from the next business day after the Using Agency has accepted the goods or services, received a properly signed and executed invoice and, when required, a properly executed performance security, whichever is latest; and
- B. The date on the check issued by the State in payment of that invoice shall be deemed the date of the State's response to that invoice.

4.4.6 COOPERATIVE PURCHASING PROGRAM

The Vendor {Bidder} should complete the Cooperative Purchasing Form indicating willingness or unwillingness to extend State Blanket P.O. {Contract} pricing and terms to Cooperative Purchasing Program participants. The Cooperative Purchasing Form is located on the [Division's website](#).

5.2 BLANKET P.O. {CONTRACT} TERM AND EXTENSION OPTION

The base term of this Blanket P.O. {Contract} shall be for a period of **three (3) years**. The anticipated "Blanket P.O. {Contract} Effective Date" is provided on the "Summary" page the Bid Solicitation {RFP} in **NJSTART**. If delays in the procurement process result in a change to the anticipated Blanket P.O. {Contract} Effective Date, the Vendor {Bidder} agrees to accept a Blanket P.O. {Contract} for the full term of this Blanket P.O. {Contract}.

This Blanket P.O. {Contract} may be extended up to **two (2)** years with no single extension exceeding one (1) year, by the mutual written consent of the Vendor {Contractor} and the Director at the same terms, conditions, and pricing at the rates in effect in the last year of this Blanket P.O. {Contract} or rates more favorable to the State.

5.3 BLANKET P.O. {CONTRACT} TRANSITION

In the event that a new Blanket P.O. {Contract} has not been awarded prior to this Blanket P.O. {Contract} expiration date, including any extensions exercised, and the State exercises this Blanket P.O. {Contract} transition, the Vendor {Contractor} shall continue this Blanket P.O. {Contract} under the same terms, conditions, and pricing until a new Blanket P.O. {Contract} can be completely operational. At no time shall this transition period extend more than **180 days** beyond the expiration date of this Blanket P.O. {Contract}, including any extensions exercised.

5.4 CHANGE ORDER {CONTRACT AMENDMENT}

Any changes or modifications to the terms of this Blanket P.O. {Contract} shall be valid only when they have been reduced to writing and signed by the Vendor {Contractor} and the Director.

5.5 VENDOR {CONTRACTOR} RESPONSIBILITIES

The Vendor {Contractor} shall have sole responsibility for the complete effort specified in this Blanket P.O. {Contract}. Payment will be made only to the Vendor {Contractor}. The Vendor {Contractor} shall have sole responsibility for all payments due any Subcontractor.

The Vendor {Contractor} is responsible for the professional quality, technical accuracy and timely completion and submission of all deliverables, services or commodities required to be provided under this Blanket P.O. {Contract}. The Vendor {Contractor} shall, without additional compensation, correct or revise any errors, omissions, or other deficiencies in its deliverables and other services. The approval of deliverables furnished under this Blanket P.O. {Contract} shall not in any way relieve the Vendor {Contractor} of responsibility for the technical adequacy of its work. The review, approval, acceptance or payment for any of the services shall not be construed as a waiver of any rights that the State may have arising out of the Vendor's {Contractor's} performance of this Blanket P.O. {Contract}.

5.6 SUBSTITUTION OF STAFF

If it becomes necessary for the Vendor {Contractor} to substitute any management, supervisory or key personnel, the Vendor {Contractor} shall identify the substitute personnel and the work to be performed. The Vendor {Contractor} must provide detailed justification documenting the necessity for the substitution. Resumes must be submitted evidencing that the individual(s) proposed as substitute(s) have qualifications and experience equal to or better than the individual(s) originally proposed or currently assigned.

The Vendor {Contractor} shall forward a request to substitute staff to the State Contract Manager for consideration and approval. No substitute personnel are authorized to begin work until the Vendor {Contractor} has received written approval to proceed from the State Contract Manager.

5.7 SUBSTITUTION OR ADDITION OF SUBCONTRACTOR(S)

This Subsection serves to supplement but not to supersede Sections 5.8 and 5.9 of the SSTC accompanying this Bid Solicitation {RFP}.

The Vendor {Contractor} shall forward a written request to substitute or add a Subcontractor or to substitute its own staff for a Subcontractor to the State Contract Manager for consideration. If the State Contract Manager approves the request, the State Contract Manager will forward the request to the Director for final approval. No substituted or additional Subcontractors are authorized to begin work until the Vendor {Contractor} has received written approval from the Director.

If it becomes necessary for the Vendor {Contractor} to substitute a Subcontractor, add a Subcontractor, or substitute its own staff for a Subcontractor, the Vendor {Contractor} will identify the proposed new Subcontractor or staff member(s) and the work to be performed. The Vendor {Contractor} must provide detailed justification documenting the necessity for the substitution or addition.

The Vendor {Contractor} must provide detailed resumes of its proposed replacement staff or of the proposed Subcontractor's management, supervisory, and other key personnel that demonstrate knowledge, ability and experience relevant to that part of the work which the Subcontractor is to undertake.

The qualifications and experience of the replacement(s) must equal or exceed those of similar personnel proposed by the Vendor {Contractor} in its Quote {Proposal}.

5.8 OWNERSHIP OF MATERIAL

All data, technical information, materials gathered, originated, developed, prepared, used or obtained in the performance of this Blanket P.O. {Contract}, including, but not limited to, all reports, surveys, plans, charts, literature, brochures, mailings, recordings (video and/or audio), pictures, drawings, analyses, graphic representations, software computer programs and accompanying documentation and print-outs, notes and memoranda, written procedures and documents, regardless of the state of completion, which are prepared for or are a result of the services required under this Blanket P.O. {Contract} shall be and remain the property of the State of New Jersey and shall be delivered to the State of New Jersey upon 30 days' notice by the State. With respect to software computer programs and/or source codes developed for the State, except those modifications or adaptations made to Vendor's {Bidder's/Contractor's} Background IP as defined below, the work shall be considered "work for hire", i.e., the State, not the Vendor {Contractor} or Subcontractor, shall have full and complete ownership of all software computer programs and/or source codes developed. To the extent that any of such materials may not, by operation of the law, be a work made for hire in accordance with the terms of this Blanket P.O. {Contract}, Vendor {Contractor} or Subcontractor hereby assigns to the State all right, title and interest in and to any such material, and the State shall have the right to obtain and hold in its own name and copyrights, registrations and any other proprietary rights that may be available.

Should the Vendor {Bidder} anticipate bringing pre-existing intellectual property into the project, the intellectual property must be identified in the Quote {Proposal}. Otherwise, the language in the first paragraph of this section prevails. If the Vendor {Bidder} identifies such intellectual property ("Background IP") in its Quote {Proposal}, then the Background IP owned by the Vendor {Bidder} on the date of this Blanket P.O. {Contract}, as well as any modifications or adaptations thereto, remain the property of the Vendor {Bidder}. Upon Blanket P.O. {Contract} award, the Vendor {Bidder/Contractor} shall grant the State a nonexclusive, perpetual royalty free license to use any of the Vendor's {Bidder's/Contractor's} Background IP delivered to the State for the purposes contemplated by this Blanket P.O. {Contract}.

5.9 SECURITY AND CONFIDENTIALITY

5.9.1 DATA CONFIDENTIALITY

All financial, statistical, personnel, customer and/or technical data supplied by the State to the Vendor {Contractor} are confidential (State Confidential Information). The Vendor {Contractor} must secure all data from manipulation, sabotage, theft or breach of confidentiality. The Vendor {Contractor} is prohibited from releasing any financial, statistical, personnel, customer and/or technical data supplied by the State that is deemed confidential. Any use, sale, or offering of this data in any form by the Vendor {Contractor}, or any individual or entity in the Vendor's {Contractor's} charge or employ, will be considered a violation of this Blanket P.O. {Contract} and may result in Blanket P.O. {Contract} termination and the Vendor's {Contractor's} suspension or debarment from State contracting. In addition, such conduct may be reported to the State Attorney General for possible criminal prosecution.

The Vendor {Contractor} shall assume total financial liability incurred by the Vendor {Contractor} associated with any breach of confidentiality.

When requested, the Vendor {Contractor} and all project staff including its Subcontractor(s) must complete and sign confidentiality and non-disclosure agreements provided by the State. The Vendor {Contractor} may be required to view yearly security awareness and confidentiality training modules provided by the State. Where required, it shall be the Vendor's {Contractor's} responsibility

to ensure that any new staff sign the confidentiality agreement and complete the security awareness and confidentiality training modules within one (1) month of the employees' start date.

The State reserves the right to obtain, or require the Vendor {Contractor} to obtain, criminal history background checks from the New Jersey State Police for all Vendor {Contractor} and project staff (to protect the State of New Jersey from losses resulting from Vendor {Contractor} employee theft, fraud or dishonesty). If the State exercises this right, the results of the background check(s) must be made available to the State for consideration before the employee is assigned to work on the State's project. Prospective employees with positive criminal backgrounds for cyber-crimes will not be approved to work on State Projects. Refer to the National Institute of Standards and Technology (NIST) Special Publication (SP) 800-12, An Introduction to Computer Security: The NIST Handbook, Section 10.1.3, Filling the Position – Screening and Selecting.

- B. By virtue of this Blanket P.O. {Contract}, the parties may have access to information that is confidential to one another. The parties agree to disclose to each other only information that is required for the performance of their obligations under this Blanket P.O. {Contract}. Vendor's {Contractor's} Confidential Information, to the extent not expressly prohibited by law, shall consist of all information clearly identified as confidential at the time of disclosure and anything identified in Vendor's {Contractor's} Quote {Proposal} as Background IP ("Vendor {Contractor} Confidential Information"). The Program Efficiency Assessment shall not be charged against the winning Vendor {Contractor} and therefore is not to be included in the Vendor's {Bidder's} pricing. The State Using Agencies shall be charged an assessment equal to one-quarter of one (1) percent (0.25%) of the value of all transactions under this Blanket P.O. {Contract}. This assessment is authorized by N.J.S.A. 52:27B-56 and N.J.A.C. 17:12-1.5, to maintain the State's procurement system at a level to meet industry standards of efficiency.

For purposes of this section, "transaction" is defined as the payment or remuneration to the Vendor {Contractor} for services rendered or products provided to the State pursuant to the terms of this Blanket P.O. {Contract}, including but not limited to the following: purchase orders, invoices, hourly rates, firm fixed price, commission payments, progress payments and contingency payments.

6.0 QUOTE {PROPOSAL} EVALUATION

6.1 RIGHT TO WAIVE

Pursuant to N.J.A.C. 17:12-2.7(d) the Director may waive minor irregularities or omissions in a Quote {Proposal}. The Director also reserves the right to waive a requirement provided that the requirement does not materially affect the procurement or the State's interests associated with the procurement.

6.2 DIRECTOR'S RIGHT OF FINAL QUOTE {PROPOSAL} ACCEPTANCE

The Director reserves the right to reject any or all Quotes {Proposals}, or to award in whole or in part if deemed to be in the best interest of the State to do so. The Director shall have authority to award orders or Blanket P.O.s {Contracts} in accordance with N.J.S.A. 52:34-12. Tie Quotes {Proposals} will be awarded by the Director in accordance with N.J.A.C. 17:12-2.10.

6.3 STATE'S RIGHT TO INSPECT VENDOR (BIDDER) FACILITIES

The State reserves the right to inspect the Vendor's {Bidder's} establishment before making an award, for the purposes of ascertaining whether the Vendor {Bidder} has the necessary facilities for performing the Blanket P.O. {Contract}.

The State may also consult with clients of the Vendor {Bidder} during the evaluation of Quotes {Proposals}. Such consultation is intended to assist the State in making a Blanket P.O. {Contract} award that is most advantageous to the State.

6.4 CLARIFICATION OF QUOTE {PROPOSAL} / STATE'S RIGHT TO REQUEST FURTHER INFORMATION

After the submission of Quotes {Proposals}, unless requested by the State as noted below, Vendor {Bidder} contact with the State is still not permitted.

After the Quotes {Proposals} are reviewed, one (1), some or all of the Vendors {Bidders} may be asked to clarify certain aspects of its Quote {Proposal}. A request for clarification may be made in order to resolve minor ambiguities, irregularities, informalities or clerical errors. Clarifications cannot correct any deficiencies or material omissions, or revise or modify a Quote {Proposal}, except to the extent that correction of apparent clerical mistakes results in a modification.

The Director reserves the right to request all information which may assist him or her in making a Blanket P.O. {Contract} award, including factors necessary to evaluate the Vendor's {Bidder's} financial capabilities to perform the Blanket P.O. {Contract}. Further, the Director reserves the right to request a Vendor {Bidder} to explain, in detail, how the Quote {Proposal} price was determined.

6.5 QUOTE {PROPOSAL} EVALUATION COMMITTEE

Quotes {Proposals} may be evaluated by an Evaluation Committee composed of members of affected departments and agencies together with representative(s) from the Division. Representatives from other governmental agencies may also serve on the Evaluation Committee. On occasion, the Evaluation Committee may choose to make use of the expertise of outside consultant(s) in an advisory role.

6.6 ORAL PRESENTATION

After the Quotes {Proposals} are reviewed, one (1), some or all of the Vendors {Bidders} may be required to give an oral presentation to the State concerning its Quote {Proposal}.

A Vendor {Bidder} may not attend the oral presentations of its competitors.

It is within the State's discretion whether to require the Vendor {Bidder} to give an oral presentation or require the Vendor {Bidder} to submit written responses to questions regarding its Quote {Proposal}. Action by the State in this regard should not be construed to imply acceptance or rejection of a Quote {Proposal}. The Division will be the sole point of contact regarding any request for an oral presentation or clarification.

6.7 EVALUATION CRITERIA

The following evaluation criteria categories, not necessarily listed in order of significance, will be used to evaluate Quotes {Proposals} received in response to this Bid Solicitation {RFP}. The evaluation criteria categories may be used to develop more detailed evaluation criteria to be used in the evaluation process.

6.7.1 TECHNICAL EVALUATION CRITERIA

- A. Price: The Vendor's {Bidder's} price will be evaluated as described in Section 6.7.2 of this Bid Solicitation {RFP};
- B. Experience of the Firm: The Vendor's {Bidder's} documented experience in successfully performing and/or completing Blanket P.O. {Contracts} of a similar size and scope in relation to the work required by this Bid Solicitation {RFP} based on, but not limited to, its responses demonstrated in the Vendor {Bidder} Quote Overview Form; and
- C. Ability of firm to complete the Scope of Work: The Vendor's {Bidder's} capability to perform the tasks required in this Bid Solicitation {RFP} as demonstrated in, its responses to the Vendor {Bidder} Quote {Proposal} Overview Form and Bid solicitation {RFP} Section 4.4.3, *Submittals*).

6.7.2 VENDOR'S {BIDDER'S} PRICE SCHEDULE

The Bureau will utilize a market basket model to evaluate pricing. The pricing model will be date-stamped and entered into the record before Quote {Proposal} opening.

6.7.3 QUOTE (PROPOSAL) DISCREPANCIES

In evaluating Quotes {Proposals}, discrepancies between words and figures will be resolved in favor of words. Discrepancies between unit prices and totals of unit prices will be resolved in favor of unit prices. Discrepancies in the multiplication of units of work and unit prices will be resolved in favor of the unit prices. Discrepancies between the indicated total of multiplied unit prices and units of work and the actual total will be resolved in favor of the actual total. Discrepancies between the indicated sum of any column of figures and the correct sum thereof will be resolved in favor of the correct sum of the column of figures.

In the event that a Vendor {Bidder} using **NJSTART** to submit a Quote {Proposal} uploads a price sheet/schedule attachment and completes the "Items" Tab in **NJSTART** (instead of entering a Unit Cost of \$1.00 as instructed), the price sheet/schedule attachment will govern.

6.7.4 EVALUATION OF THE QUOTES {PROPOSALS}

After the Evaluation Committee completes its evaluation, it recommends to the Director for award the responsible Vendor(s) {Bidder(s)} whose Quote {Proposal}, conforming to this Bid Solicitation {RFP}, is most advantageous to the State, price and other factors considered. The Evaluation Committee considers and assesses price, technical criteria, and other factors during the evaluation process and makes a recommendation to the Director. The Director may accept, reject or modify the recommendation of the Evaluation Committee. Whether or not there has been a negotiation process as outlined in Section 6.8 below, the Director reserves the right to negotiate price reductions with the selected Vendor {Bidder}.

6.8 NEGOTIATION AND BEST AND FINAL OFFER (BAFO)

In accordance with N.J.S.A. 52:34-12(f) and N.J.A.C. 17:12-2-7, after evaluating Quotes {Proposals}, the Bureau may establish a competitive range and enter into negotiations with one (1) Vendor {Bidder} or multiple Vendors {Bidders} within this competitive range. The primary purpose of negotiations is to maximize the State's ability to obtain the best value based on the mandatory requirements, evaluation criteria, and cost. Multiple rounds of negotiations may be conducted with one (1) Vendor {Bidder} or multiple Vendors {Bidders}. Negotiations will be structured by the Bureau to safeguard information and ensure that all Vendors {Bidders} are treated fairly.

Similarly, the Bureau may invite one (1) Vendor {Bidder} or multiple Vendors {Bidders} to submit a Best and Final Offer (BAFO). Said invitation will establish the time and place for submission of the BAFO. Any BAFO that does not result in more advantageous pricing to the State will not be considered, and the State will evaluate the Vendor's {Bidder's} most advantageous previously submitted pricing.

If required, after review of the BAFO(s), clarification may be sought from the Vendor(s) {Bidder(s)}. The Division may conduct more than one (1) round of negotiation and/or BAFO in order to attain the best value for the State.

After evaluation of Quotes {Proposals} and as applicable, negotiation(s), and/or BAFO(s), the Bureau will recommend, to the Director, the responsible Vendor(s) {Bidder(s)} whose Quote(s) {Proposal(s)}, conforming to the Bid Solicitation {RFP}, is/are most advantageous to the State, price, and other factors considered. The Director may accept, reject or modify the recommendation of the Bureau. The Director may initiate additional negotiation or BAFO procedures with the selected Vendor(s) {Bidder(s)}.

Negotiations will be conducted only in those circumstances where it is deemed by the Bureau or Director to be in the State's best interests and to maximize the State's ability to get the best value. Therefore, the Vendor {Bidder} is advised to submit its best technical and price Quote {Proposal} in response to this Bid Solicitation {RFP} since the State may, after evaluation, make a Blanket P.O. {Contract} award based on the content of the initial submission, without further negotiation and/or BAFO with any Vendor {Bidder}.

All contacts, records of initial evaluations, any correspondence with a Vendor {Bidder} related to any request for clarification, negotiation or BAFO, any revised technical and/or price Quotes {Proposals}, and related documents will remain confidential until a Notice of Intent to Award a Blanket P.O. {Contract} is issued.

If the Bureau contemplates negotiation, Quote {Proposal} prices will not be publicly read at the Quote {Proposal} opening. Only the name and address of each Vendor {Bidder} will be publicly announced at the Quote {Proposal} opening.

6.9 “REQUEST FOR REVISION” WITHIN [NJSTART](#)

The State may request a revision of the Vendor’s {Bidder’s} Quote {Proposal} within [NJSTART](#). The Vendor {Bidder} shall respond to the “Request for Revision” (e.g., to reduce pricing if a BAFO is requested) only for the reason(s) identified by the State. Any changes made by a Vendor {Bidder} to the Quote {Proposal} other than as requested by the State shall be considered null and void.

6.10 POOR PERFORMANCE

A Vendor {Bidder} with a history of performance problems may be bypassed for consideration of an award issued as a result of this Bid Solicitation {RFP}. The following materials may be reviewed to determine Vendor {Bidder} performance: Blanket P.O. {Contract} cancellations for cause pursuant to Section 5.7(b) of the SSTC; information contained in Vendor performance records; information obtained from audits or investigations conducted by a local, state or federal agency of the Vendor’s {Bidder’s} work experience; current licensure, registration, and/or certification status and relevant history thereof; or its status or rating with established business/financial reporting services, as applicable. All responsible parties of the dissolved business entity must submit to the Director in writing, the names of the parties proposed to perform the contract, and the names of the parties to whom payment should be made. If a review of orders placed by the using agency(ies) reveals that goods and/or services other than that covered by the contract have been ordered and delivered, such delivery shall be a violation of the terms of the contract and may be considered by the Director as a basis to terminate the contract and/or not award the contractor a subsequent contract. The Director may take such steps as are necessary to have the items returned by the agency, regardless of the time between the date of delivery and discovery of the violation. In such event, the contractor shall reimburse the State the full purchase price;

For contracts featuring services, invoices must reference the tasks or subtasks detailed in the Scope of Work section of the RFP and must be in strict accordance with the firm, fixed prices submitted for each task or subtask on the RFP pricing sheets. When applicable, invoices should reference the appropriate RFP price sheet line number from the contractor's bid proposal. P-card transactions do not require the submission of a contractor invoice; purchasing transactions using the p-card will usually result in payment to a contractor in three (3) days. A contractor should take note that there will be a transaction-processing fee for each p-card transaction. To participate, a contractor must be capable of accepting the MasterCard. Additional information can be obtained from banks or merchant service companies.

6.5 NEW JERSEY PROMPT PAYMENT ACT

The New Jersey Prompt Payment Act, N.J.S.A. 52:32-32 et seq., requires state agencies to pay for goods and services within 60 days of the agency's receipt of a properly executed State Payment Voucher or within 60 days of receipt and acceptance of goods and services, whichever is later. 7.2 EQUAL EMPLOYMENT OPPORTUNITY

Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR Part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

During the performance of this contract, the contractor agrees as follows:

- (1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

- (2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
- (3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
- (4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- (5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- (6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the

administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

- (7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- (8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

7.5 RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT

If the Federal award meets the definition of "funding agreement" under 37 CFR § 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will ensure that equal employment opportunity is afforded to such applicants in recruitment and employment, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such equal employment opportunity shall include, but not be limited to the following: employment, up grading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

N.J.S.A. 10:5-39 et seq. requires contractors, subcontractors, and permitted assignees performing construction, alteration, or repair of any building or public work in excess of \$250,000 to guarantee equal employment opportunity to veterans.

The contractor or subcontractor will send to each labor union, with which it has a collective bargaining agreement, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer, pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

When hiring or scheduling workers in each construction trade, the contractor or subcontractor agrees to make good faith efforts to employ minority and women workers in each construction trade consistent with the targeted employment goal prescribed by N.J.A.C. 17:27-7.2; provided, however, that the Dept. of LWD, Construction EEO Monitoring Program may, in its discretion, exempt a contractor or subcontractor from compliance with the good faith procedures prescribed by the following provisions, A, B and C, as long as the Dept. of LWD, Construction EEO Monitoring Program is satisfied that the contractor or subcontractor is employing workers provided by a union which provides evidence, in accordance with standards prescribed by the Dept. of LWD, Construction EEO Monitoring Program, that its percentage of active "card carrying" members who are minority and women workers is equal to or greater than the targeted employment goal established in accordance with N.J.A.C. 17:27-7.2. The contractor or subcontractor agrees that a good faith effort shall include compliance with the following procedures:

(A) If the contractor or subcontractor has a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor shall, within three business days of the contract award, seek assurances from the union that it will cooperate with the contractor or subcontractor as it fulfills its affirmative action obligations under this contract and in accordance with the rules promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et seq., as supplemented and amended from time to time and the Americans with Disabilities Act. If the contractor or subcontractor is unable to obtain said assurances from the construction trade union at least five business days prior to the commencement of construction work, the contractor or subcontractor agrees to afford equal employment opportunities minority and women workers directly, consistent with this chapter. If the contractor's or subcontractor's prior experience with a construction trade union, regardless of whether the union has provided said assurances, indicates a significant possibility that the trade union will not refer sufficient minority and women workers consistent with affording equal employment opportunities as specified in this chapter, the contractor or subcontractor agrees to be prepared to provide such opportunities to minority and women workers directly, consistent with this chapter, by complying with the hiring or scheduling procedures prescribed under (B) below; and the contractor or subcontractor further agrees to take said action immediately if it determines that the union is not referring minority and women workers consistent with the equal employment opportunity goals set forth in this chapter.

(B) If good faith efforts to meet targeted employment goals have not or cannot be met for each construction trade by adhering to the procedures of (A) above, or if the contractor does not have a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor agrees to take the following actions:

(1) To notify the public agency compliance officer, the Dept. of LWD, Construction EEO Monitoring Program, and minority and women referral organizations listed by the Division pursuant to N.J.A.C. 17:27-5.3, of its workforce needs, and request referral of minority and women workers;

(2) To notify any minority and women workers who have been listed with it as awaiting available vacancies;

(3) Prior to commencement of work, to request that the local construction trade union refer minority and women workers to fill job openings, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade;

(4) To leave standing requests for additional referral to minority and women workers with the local construction trade union, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade, the State Training and Employment Service and other approved referral sources in the area;

(5) If it is necessary to lay off some of the workers in a given trade on the construction site, layoffs shall be conducted in compliance with the equal employment opportunity and non-discrimination standards set forth in this regulation, as well as with applicable Federal and State court decisions;

(6) To adhere to the following procedure when minority and women workers apply or are referred to the contractor or subcontractor:

(i) The contractor or subcontractor shall interview the referred minority or women worker.

(ii) If said individuals have never previously received any document or certification signifying a level of qualification lower than that required in order to perform the work of the construction trade, the contractor or subcontractor shall in good faith determine the qualifications of such individuals. The contractor or subcontractor shall hire or schedule those individuals who satisfy appropriate qualification standards in conformity with the equal employment opportunity and non-discrimination principles set forth in this chapter. However, a contractor or subcontractor shall determine that the

individual at least possesses the requisite skills, and experience recognized by a union, apprentice program or a referral agency, provided the referral agency is acceptable to the Dept. of LWD, Construction EEO Monitoring Program. If necessary, the contractor or subcontractor shall hire or schedule minority and women workers who qualify as trainees pursuant to these rules. All of the requirements, however, are limited by the provisions of (C) below.

(iii) The name of any interested women or minority individual shall be maintained on a waiting list, and shall be considered for employment as described in (i) above, whenever vacancies occur. At the request of the Dept. of LWD, Construction EEO Monitoring Program, the contractor or subcontractor shall provide evidence of its good faith efforts to employ women and minorities from the list to fill vacancies.

(iv) If, for any reason, said contractor or subcontractor determines that a minority individual or a woman is not qualified or if the individual qualifies as an advanced trainee or apprentice, the contractor or subcontractor shall inform the individual in writing of the reasons for the determination, maintain a copy of the determination in its files, and send a copy to the public agency compliance officer and to the Dept. of LWD, Construction EEO Monitoring Program.

(7) To keep a complete and accurate record of all requests made for the referral of workers in any trade covered by the contract, on forms made available by the Dept. of LWD, Construction EEO Monitoring Program and submitted promptly to the Dept. of LWD, Construction EEO Monitoring Program upon request.

(C) The contractor or subcontractor agrees that nothing contained in (B) above shall preclude the contractor or subcontractor from complying with the union hiring hall or apprenticeship policies in any applicable collective bargaining agreement or union hiring hall arrangement, and, where required by custom or agreement, it shall send journeymen and trainees to the union for referral, or to the apprenticeship program for admission, pursuant to such agreement or arrangement. However, where the practices of a union or apprenticeship program will result in the exclusion of minorities and women or the failure to refer minorities and women consistent with the targeted county employment goal, the contractor or subcontractor shall consider for employment persons referred pursuant to (B) above without regard to such agreement or arrangement; provided further, however, that the contractor or subcontractor shall not be required to employ women and minority advanced trainees and trainees in numbers which result in the employment of advanced trainees and trainees as a percentage of the total workforce for the construction trade, which percentage significantly exceeds the apprentice to journey worker ratio specified in the applicable collective bargaining agreement, or in the absence of a collective bargaining agreement, exceeds the ratio established by practice in the area for said construction trade. Also, the contractor or subcontractor agrees that, in implementing the procedures of (B) above, it shall, where applicable, employ minority and women workers residing within the geographical jurisdiction of the union.

After notification of award, but prior to signing a construction contract, the contractor shall submit to the public agency compliance officer and the Dept. of LWD, Construction EEO Monitoring Program an initial project workforce report (Form AA-201) electronically provided to the public agency by the Dept. of LWD, Construction EEO Monitoring Program, through its website, for distribution to and completion by the contractor, in accordance with N.J.A.C. 17:27-7.

The contractor also agrees to submit a copy of the Monthly Project Workforce Report once a month thereafter for the duration of this contract to the Dept. of LWD, Construction EEO Monitoring Program and to the public agency compliance officer.

The contractor agrees to cooperate with the public agency in the payment of budgeted funds, as is necessary, for on the job and/or off the job programs for outreach and training of minorities and women.

(D) The contractor and its subcontractors shall furnish such reports or other documents to the Dept. of LWD, Construction EEO Monitoring Program as may be requested by the Dept. of LWD, Construction EEO Monitoring Program from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Dept. of LWD, Construction EEO Monitoring Program for conducting a compliance investigation pursuant to N.J.A.C. 17:27-1.1 et seq.
