ADDENDUM #1

The purpose of this Addendum is to clarify questions received from Proposers. All requirements of the proposal documents remain unchanged except as cited herein. Information contained in this Addendum will be included in any subsequent contractual agreement.

Question 1:

Provider A has the Dementia Care & Music and Memory contract with Kenosha County, and I wasn't sure if this RFP is the same contract or different as this is the addition of Caregiver.

Answer:

The previous Dementia Care and Music & Memory contract and Caregiver contract have been combined into a single contract. While Provider A's existing Dementia Care and Music & Memory services are included, there are some updates and changes to the specifications/scope of work and service expectations that are outlined in the RFP. The RFP should be reviewed carefully to ensure understanding of the revised specifications/scope of work and any new requirements associated with the RFP.
