1) We would like to know if this is a brand-new contract OR if there is (was) an incumbent performing these services. If not brand new, could you please provide the current / previous contract number?

Answer: This is a renewal contract previously awarded to Unitek Solvent Services, Inc. under Contract # W912CN-21-D-0013.

2) Was there a previous incumbent? If so, can you share their price proposal?

Answer: The previous incumbent was Unitek Solvent Services, Inc. The value of the previous contract is a matter of public record, and the contract awarded value is $577,755.00, but the proposal pricing will not be released.

3) Has there been any changes to the scope from the last?

Answer: There have been no changes to the scope since the previous contract.

4) Did the previous incumbent complete the project term? Is this solicitation the same length of time?

Answer: Yes, the previous incumbent completed the project term, and this solicitation is for the same length of time, consisting of a base period plus four option periods.

5) If previous incumbents exist, when is the contract set to end?

Answer: The current contract is scheduled to end on May 22, 2026.

6) Is there a set budget for this solicitation?

Answer: There is no set budget for this solicitation; however, the government will only entertain competitive quotes.

7) Is there a projected award and start date?

Answer: The goal is to award the contract by June 01, 2026.
