MEMORANDUM FOR: Prospective Contractors

FROM: 30 CONS/PKB

SUBJECT: Meeting Minutes for the B13140 and 13143 Site Visit

1. The site visit began at 0900 PDT and concluded at 1200 PDT.

2. The Project Manager (PM) noted an underground COMM line running beneath the building; additional information will be provided in the RFI responses.

3. A TV line runs from the roof of Building 13143 to the roof of Building 13140. This line is **not** Government property; the contractor is responsible for coordinating with the service provider to return it (if necessary) or dispose of it. Additional information will be provided in the RFI responses.

4. The Contract Specialist (CS) noted that the non-nesting season runs **15 August through 15 February**, which is the period during which the contractor shall conduct on-site demolition.

5. The CS noted that no pricing sheet will be provided. Contractors shall follow the quotation instructions in the Combo RFQ.

6. The CS emphasized that all questions must be submitted in writing as RFIs so the Government can fully respond. Contractors shall follow the RFI submission instructions in the Combo RFQ.

Questions / RFIs are due: NLT 12:00 PM (noon) PDT, Friday, 5 June 2026.

Quotes are due: NLT 12:00 PM (noon) PDT, Wednesday, 17 June 2026.
