Summary of information received relevant to sourcing (i.e., dealer/manufacturer; intended manufacturing source):

Pattonair (046U2):
Pattonair, Doing Business As (DBA) Incora responded to the Market Survey on 1/31/2025 providing interest to engage in a Long-Term Contract (LTC). Pattonair merged with Wesco Aircraft in 2020 to become Incora. They are identified as an other than small business manufacturer. They advised no preference for length of contract and advised this item is not commercial. Incora does not provide any Price Break Ranges for this item. [redacted] n the Supplier Risk Report. Incora confirmed they are quoting directly to the Government on this procurement. They advised they would be willing to provide Certified Cost or Pricing Data if required.

Sey Tec (0FGC4):
Sey Tec responded to the Market Survey on 1/31/2025. Sey Tec self-identified as a Women-Owned Small Business (WOSB) manufacturer on the response to the market survey, but they are not currently registered on SAM or with the Small Business Administration (SBA) as a WOSB. The Contracting Specialist advised Sey Tec to register as a Small Business Concern via SAM on 2/18/2025 and followed up on 2/25/2025. Sey Tec advised they do not want to register their company as a small business on SAM.gov. The Contracting Specialist advised Sey Tec that they would be unable to be awarded WOSB or small business set-asides with a registration on SAM. The Contracting Specialist reached out to Policy for advice on how to classify Sey Tec. Policy advised that Sey Tec should be classified as an other than small business since FAR 19.1503(b) requires WOSBs to be registered for awards and FAR 4.1201(b)(2) requires businesses who claim to be small businesses to be registered in SAM.go [redacted] n the Supplier Risk Report.
