Funding levels for City of Columbus

WPCLF HSTS Grant

What are the eligibility criteria for homeowners to receive funding?

Homeowners may qualify for one of three tiers of funding, depending upon the size of their households, and their aggregate household incomes. Homeowners whose incomes are between 100% and 200% of the U.S. Department of Health and Human Services 2024 Poverty Guidelines will receive 85% of the eligible repair/replacement cost for the HSTS.

Homeowners whose incomes are between 200% and 300% of the U.S. Department of Health and Human Services 2024 Poverty Guidelines will receive 50% of the eligible repair/replacement cost for the HSTS.
