An estimated quantity or estimated annual expenditure is set forth in the proposal. Bidder is to take notice that the City makes no warranties or representations that the estimated quantity, or any quantity at all, will be ordered by the City even though bidder's proposal is accepted by the City and a firm offer for sale executed.

If bidder's proposal is accepted by the City and the firm offer for sale is executed the bidder is to take further notice that no act, failure to act, or order placed by the City shall constitute an order or contractually bind the City without the proper certificate by the City Auditor that funds sufficient for full payment due on any order are available. Each order placed under the firm offer for sale shall require execution of a purchase order. Therefore in consideration of one (1) dollar received by the awarded bidder, said bidder shall offer to sell buyer, City of Columbus, who shall have the Contract Term to exercise this option to purchase, at the price and on the terms set forth in this proposal.
