

EVOLV EXPRESS™ SPECIFICATION SHEET

WHY EVOLV:

- Evolv Express™ is the world's first and only touchless security screening solution that meets all of the post-pandemic security screening requirements
- Only Express can **screen more than 3,600 people per hour**, eliminating the long lines of legacy weapons screening such as metal detectors, wands, and pat downs, making security human again
- With Express, **no stopping is required, no emptying pockets or removing bags** – people simply walk through this touchless security screening system
- Evolv has **screened more than 50M people**
- Evolv has **prevented more than 5,000 weapons** from entering venues
- Evolv's products are **in use worldwide** at corporate offices, schools, airports, sports stadiums and arenas, entertainment and hospitality venues, government facilities, hospitals, security forces, critical infrastructure and places of worship
