

NOTICE TO OFFERORS
(Chapter 103D, HRS)

STATE OF HAWAII
STATE PROCUREMENT OFFICE

INTRODUCTION: RFxPremier is a division of the Procurement Professionals Alliance (PPA), a non-profit association dedicated to advancing public procurement through leadership, excellence and integrity. In accordance with RFxPremier's Lead Entity Model, the Lead Entity is issuing this RFP, evaluating responses, and establishing Master Agreements with the support and assistance of a Sourcing Team, representing a broad range of perspectives that ensure the RFP incorporates best practices recognized by public entities across the country.

Participation in RFxPremier Master Agreements is convenient and cost-effective for Eligible Entities— including all states (as well as the District of Columbia and US territories), cities, counties, districts, other political subdivisions of any State, Institutions of Higher Education, K-12, quasi-governmental entities, service districts, healthcare institutions, transportation districts, tribes/tribal organizations, or nonprofit organizations—and suppliers, with no membership or registration required.

The objective of cooperatives is to obtain volume price discounts based on the collective volume of the numerous potential purchases by the individual governmental entities. The benefits of cooperative procurements are the potential administrative and contract management savings realized by contractors from their administration and management of a single, comprehensive contract, rather than multiple contracts for various governmental entities. Concurrently, the various governmental entities also realize these same administrative and management benefits.

RFP Solicitation: RFxPremier, on behalf of its Participating entities, including the State of Hawaii, is requesting proposals for:

Commodity/Services:	Airfield Lighting
Release Date:	June 18, 2026
