

NOTICE TO PROVIDERS OF PROFESSIONAL SERVICES

In accordance with Section 103D-304, HRS, the Hawaii Department of Transportation (HDOT), Airports seeks the services of qualified general engineering firms to provide construction management services for the construction of the “HNL Air Operations Area (AOA) Fence Replacement” Project at the Daniel K. Inouye International Airport, State Project No. AO1023-17.

These services are anticipated to be immediately required and will have a contract completion time of approximately one thousand ninety-five (1,095) calendar days from the Notice to Proceed. The contract will be a Fixed-Price contract in accordance with HAR § 3-122-136, with an overall contract time of performance of 3 years.

To be considered in the selection process for this project, interested individuals or firms must be on HDOT’s Qualified Consultant List for fiscal year 2026. Individuals or firms that **are not** on the HDOT’s qualified list should email the HDOT Contracts Office at DOTCONSULTANTLIST@HAWAII.GOV for more information on the requirements for inclusion on the qualified list.

Only Prime Consultants are required to be on the Qualified Consultant List. Sub-Consultants are not required to be on the qualified list.

Furthermore, please note that **to qualify for Engineering, Architectural, and Surveying work, the Consultant must be: (1) registered to do business in the State of Hawaii, and (2) possess a current and valid license in the category of work for which the Consultant is requesting qualification.**

The project scope involves the replacement of the AOA fence line along the perimeter of the Daniel K. Inouye International Airport property. The project includes the full replacement of approximately 25,000 linear feet of AOA fence line and the partial replacement of approximately 3,000 linear feet of AOA fence line along the Reef Runway, North Ramp area, Mauka and Ewa Concourses, and Aloha Air Cargo Building area. Additional project improvements involve modifications to existing AOA fence line with security deficiencies. Modifications include, but are not limited to, the installation

of polyvinyl chloride (PVC) coated fence, fence extenders, and bottom rails. The estimated construction cost is \$13,500,000.00.

Individuals or firms shall email a PDF file of their response to the attached written questionnaire which can be viewed by clicking on “Files.” The PDF file shall be named as follows:

“AO1023-17_CM_RFQ_Year.Month.Day_FirmName“ and e-mailed to dot.air.engineering@hawaii.gov with the Year.Month.Day portion of the file name being in two digit format (example: 26.06.01). The subject line of the email shall be the same as the PDF file name to ensure that responses from all interested individuals or firms are grouped together when retrieving the emails. The HDOT will not be responsible for responses not being retrieved and evaluated for this project due to individuals or firms not having the correct email subject line.

All individuals or firms shall include in your firm's submittal Proof of Insurance for:

- a. General liability insurance for limit of not less than \$1,000,000 per occurrence and \$2,000,000 aggregate. The STATE shall be named as additional insured.
- b. Automobile liability insurance for limit of not less than \$1,000,000 per accident. The STATE shall be named as additional insured.
- c. Professional liability insurance for limit of not less than \$1,000,000 per claim and \$2,000,000 annual aggregate.

If a firm is not able to provide the above insurance certificates at this time, a letter from an insurance company stating, if the firm is selected, they will insure the firm for the insurance policies and the amount of minimum coverage required above, will be accepted as proof of insurance.

The response to the questionnaire will be evaluated by the following criteria:

1. Experience and professional qualifications relevant to the project - 35%
2. Past performance on projects of similar scope for public agencies or private industry, including corrective actions and other responses to notices of deficiencies - 33%
3. Capacity to accomplish the work in the required time - 32%

The PDF file(s) must be received on **July 21, 2026, by 4:30 p.m., Hawaii Standard Time**, which shall be based on the email date/time of the PDF file transmission. Compact disks will not be considered as an acceptable substitute for the email transmission requirement. Any emails received after the deadline shall constitute the response as being non-compliant and the response submittal will not be considered for this project.

The HDOT, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252) and the Regulations of the U.S. Department of Transportation (Title 49, Code of Federal Regulations Part 21) issued pursuant to such Act, hereby notifies all firms that it will affirmatively ensure that the contract entered into pursuant to this advertisement will be awarded without discrimination on the grounds of race, color, national origin, age, or sex.

Campaign contributions by State and County Contractors. Contractors are hereby notified of the applicability of Section 11-355, HRS, which states that campaign contributions are prohibited from specified State or County government contractors during the term of the contract if the contractors are paid with funds appropriated by a legislative body. For more information, contact the Campaign Spending Commission at (808) 586-0285.

If there are any questions, please contact Arianna Kirschenbaum, Project Manager, at (808) 838-8832 or via email at arianna.k.kirschenbaum@hawaii.gov.
