

**NOTICE TO OFFERORS**  
**(Chapter 103D, HRS)**

**STATE OF HAWAII**  
**STATE PROCUREMENT OFFICE**

**INTRODUCTION:** Sourcewell is a State of Minnesota local government unit and service cooperative created under the laws of the State of Minnesota (Minnesota Statutes Section 123A.21) that facilitates a competitive public solicitation and contract award process for the benefit of its 50,000+ participating entities across the United States and Canada. Sourcewell's solicitation process complies with State of Minnesota law and policies, conforms to Canadian trade agreements, and results in cooperative purchasing solutions from which Sourcewell's Participating Entities procure equipment, products, and services.

Cooperative purchasing provides participating entities and suppliers increased administrative efficiencies and the power of combined purchasing volume that result in overall cost savings. At times, Sourcewell also partners with other purchasing cooperatives to combine the purchasing volume of their membership into a single solicitation and contract expanding the reach of contracted suppliers' potential pool of end users.

**RFP Solicitation:** Sourcewell, on behalf of its Participating entities, including the State of Hawaii, is requesting proposals for:

Sourcewell, a State of Minnesota local government unit and service cooperative, is requesting proposals for Conducted Energy Weapons, Less Lethal Equipment, and Related Accessories. Awards under this solicitation will be made in two (2) separate categories. No proposer should respond to more than one category.

**Category 1:**

1. Conducted Energy Weapons (CEWs), including but not limited to:
  - a. Probe-deployed conducted energy weapons and related cartridges, probes, and wires; and
  - b. Parts, accessories, systems, and services directly related to the respondents offering in 1.a. above, including those used to manage, maintain, retrieve device data, along with maintenance, repair, and training.

**Category 2:**

2. Non-CEW Less Lethal Solutions, including but not limited to:
  - a. Chemical & Sensory Solutions – Tools that disrupt the senses (e.g., vision, breathing, hearing) to gain compliance or disperse individuals;
  - b. Impact & Munitions-Based Solutions – Kinetic, blunt impact devices and projectiles that deliver controlled force at a distance to deter or stop a subject;
  - c. Control & Restraint Devices (including Electronic Control Devices (ECDs)), not including CEWs – Tools that immobilize or restrict movement, including ECDs that temporarily disrupt muscle control; and
  - d. Parts, accessories, systems, and services directly related to the respondent offering in 2.a-c. above, including those used to manage, maintain, retrieve device data, along with maintenance, repair, and training.

Sourcewell anticipates that the term of any resulting contract(s) will be four years, with up to three additional one-year extensions that may be offered based on the best interests of Sourcewell and its Participating Entities. Sourcewell retains the right to consider additional extensions beyond seven years as required under exceptional circumstances.
