

Project/Service: General Hydraulic Engineering Services, Statewide

Project No.: HWY-DH-HE2026-01

SCOPE OF SERVICES:

The CONTRACTOR shall provide general hydraulic and structural engineering services in support of the Hawaii Department of Transportation (HDOT) Bridge Inspection Program as specified on an “as-required” basis. Project Assignments and actual scopes of work shall be determined by the STATE. The CONTRACTOR shall be available to discuss the Project Assignments and the associated scopes of work within forty-eight (48) hours after being notified by the STATE. Project Assignments will be in support of Federal-aid and/or State-funded projects being designed by the Design Branch, Department of Transportation.

Multiple Project Assignments may be assigned within a short time span. The total amount for the Project Assignments shall not exceed the sum of FIVE MILLION AND NO/100 DOLLARS (\$5,000,000.00). Since the CONTRACTOR’s services are to be provided on an “as required” basis, the amount of services requested by the STATE may be less than presently anticipated. The STATE makes no guarantee whatsoever as to the minimum amount of CONTRACTOR’s services that will be required under this Agreement and no fee adjustment will be made if the amount of services requested is less than anticipated.

Work assignments will be issued to the consultant on an as-required basis and compensation will be based on agreed rates. Such work assignments shall be completed within the time period determined by the Design Branch.

The CONTRACTOR shall provide hydraulic and structural engineering services necessary to complete the Project Assignments including, but not limited to the following:

1. Providing Quality Control and Quality Assurance Services for National Bridge Inspection Standards Program (NBIS) activities including Bridge Inspections, Load Ratings, Scour Evaluations/Program, and other program requirements.
2. Assisting with Oversize and Overweight Vehicle permitting program.
3. Coordinating all activities with HDOT and attending all project coordination meetings concerning the work required under the Project Assignments.

TOTAL PROJECT TIME:

The term of the contract will be for five (5) years from date of Notice to Proceed.
